A Country Is Not a Company Mar 26 2022 Nobel-Prize-winning economist Paul Krugman argues that business leaders need to understand the differences between economic policy on the national and international scale and business strategy on the organizational scale. Economists deal with the closed system of a national economy, whereas executives live in the open-system world of business. Moreover, economists know that an economy must be run on the basis of general principles, but businesspeople are forever in search of the particular brilliant strategy. Krugman's article serves to elucidate the world of economics for businesspeople who are so close to it and yet are continually frustrated by what they see. Since 1922, Harvard Business Review has been a leading source of breakthrough management ideas-many of which still speak to and influence us today. The Harvard Business Review Classics series now offers readers the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world-and will have a direct impact on you today and for years to come.

A Place in the Country Mar 02 2020 *A Place in the Country* is W. G. Sebald's meditation on the six artists and writers who shaped his creative mind—and the last of this great writer's major works to be translated into English. This edition includes more than 40 pieces of art, all originally selected by W. G. Sebald. This extraordinary collection of interlinked essays about place, memory, and creativity captures the inner worlds of five authors and one painter. In his masterly and mysterious style—part critical essay, part memoir—Sebald weaves their lives and art with his own migrations and rise in the literary world. Here are people gifted with talent and courage yet in some cases cursed by fragile and unstable natures, working in countries inhospitable or even hostile to them. Jean-Jacques Rousseau is conjured on the verge of physical and mental exhaustion, hiding from his detractors on the island of St. Pierre, where two centuries later Sebald took rooms adjacent to his. Eighteenth-century author Johann Peter Hebel is remembered for his exquisite and delicate nature writing, expressing the eternal balance of both the outside world and human emotions. Writer Gottfried Keller, best known for his 1850 novel *Green Henry*, is praised for his prescient insights into a Germany where “the gap between self-interest and the common good was growing ever wider.” Sebald compassionately re-creates the ordeals of Eduard Mörike, the nineteenth-century German poet beset by mood swings, depression, and fainting spells in an increasingly shallow society, and Robert Walser, the institutionalized author whose nearly indecipherable scrawls seemed an attempt to “duck down below the level of language and obliterate himself” (and whose physical appearance and year of death mirrored those of Sebald's grandfather). Finally, Sebald spies a cognizance of death's inevitability in painter Jan Peter Tripp's lovingly exact reproductions of life. Featuring the same kinds of suggestive and unexplained illustrations that appear in his masterworks *Austerlitz* and *The Rings of Saturn*, and translated by Sebald's colleague Jo Catling, *A Place in the Country* is Sebald's unforgettable self-portrait as seen through the experiences of others, a glimpse of his own ghosts alongside those of the men who influenced him. It is an essential addition to his stunning body of work. Praise for *A Place in the Country* “Measured, solemn, sardonic . . . hypnotic . . . [W. G. Sebald's] books, which he made out of classics, remain classics for now.”—Joshua Cohen, *The New York Times Book Review* “In Sebald's writing, everything is connected, everything webbed together by the unseen threads of history, or chance, or fate, or death. The scholarly craft of gathering scattered sources and weaving them into a coherent whole is transformed here into something beautiful and unsettling, elevated into an art of the uncanny—an art that was, in the end, Sebald's strange and inscrutable gift.”—Slate “Magnificent . . . The multiple layers surrounding each essay are seamless to the point of imperceptibility.”—*New York Daily News* “Sebald's most tender and jovial book.”—*The Nation* “Reading [*A Place in the Country* is] like going for a walk with a beautifully talented, deeply passionate novelist from Mars.”—*New York*

In the Country Apr 07 2023 In these nine globe-trotting tales, Mia Alvar gives voice to the women and men of the Philippines and its diaspora. From teachers to housemaids, from mothers to sons, Alvar's stories explore the universal experiences of loss, displacement, and the longing to connect across borders both real and imagined. *In the Country* speaks to the heart of everyone who has ever searched for a place to call home—and marks the arrival of a formidable new voice in literature.

Imagine A Country Sep 19 2021 The first step on the road to change is to imagine possibility. *Imagine A Country* offers visions of a new future from an astonishing array of Scottish voices, from comedians to economists, writers to musicians. You Have Given Me a Country Jul 30 2022 A multi-genre memoir exploring the author's Irish-Catholic, Sindhi Indian, and American identities.

Home Is Not a Country Jan 04 2023 LONGLISTED FOR THE NATIONAL BOOK AWARD “Nothing short of magic.” —Elizabeth Acevedo, New York Times bestselling author of *The Poet X* From the acclaimed poet featured on Forbes Africa’s “30 Under 30” list, this powerful novel-in-verse captures one girl, caught between cultures, on an unexpected journey to face the ephemeral girl she might have been. Woven through with moments of lyrical beauty, this is a tender meditation on family, belonging, and home. my mother meant to name me for her favorite flower its sweetness garlands made for pretty girls i imagine her yasmeen bright & alive & i ache to have been born her instead Nima wishes she were someone else. She doesn’t feel understood by her mother, who grew up in a different land. She doesn’t feel accepted in her suburban town; yet somehow, she isn't different enough to belong elsewhere. Her best friend, Haitham, is the only person with whom she can truly be herself. Until she can't, and suddenly her only refuge is gone. As the ground is pulled out from under her, Nima must grapple with the phantom of a life not chosen—the name her parents meant to give her at birth—Yasmeen. But that other name, that other girl, might be more real than Nima knows. And the life Nima wishes were someone else's. . . is one she will need to fight for with a fierceness she never knew she possessed.

Poland Aug 07 2020 Preface: At the end of the 1980s, Poland, like the other countries of Eastern Europe, underwent a rather sudden shift away from communist rule and into an uncertain new world of democracy and economic reform. The events spurred by the repudiation of Poland's last communist regime in 1989 demanded a new and updated version of Poland: A Country Study. Because the emergence of the opposition Solidarity movement in 1980 increased the flow of information from communist Poland, reliable coverage of the 1980s has been possible. Thus, this new treatment of Poland is based on a number of authoritative monographs and a host of scholarly articles. The most useful of those sources are cited in a bibliographic summary at the end of each chapter. The authors of this edition have described changes in the past ten years against the historical, political, and social background of Poland. Particular emphasis falls on the transition period that began in 1989 with the rejection of the last communist government. This period, a historic watershed not yet concluded in 1993, promises to have permanent impact on all aspects of Polish life. The authors have attempted to present a compact, accessible, and unbiased treatment of five main topics: historical setting, society and its environment, the economy, government and politics, and national security.

The Man Without a Country Dec 31 2019 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. A Man Without a Country Oct 09 2020 NEW YORK TIMES BESTSELLER • “For all those who have lived with Vonnegut in their imaginations . . . this is what he is like in person.”—USA Today In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age—or any age—holds forth on life, art, sex, politics, and the state of America’s soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, *A Man Without a Country* is intimate, tender, and brimming with the scope of Kurt Vonnegut’s passions. Praise for *A Man Without a Country* “[This] may be as close as Vonnegut ever comes to a memoir.”—Los Angeles Times “Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut’s] crankiness is good-humored and sharp-witted. . . . [Reading *A Man Without a Country* is] like sitting down on the couch for a long chat with an old friend.”—The New York Times Book Review “Filled with [Vonnegut’s] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity.”—Chicago Tribune “Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity.”—The Australian “Thank God, Kurt Vonnegut has broken his promise that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family’s legacy and his obstinate, unfashionable humanism.”—Studs Terkel

Lebanon Oct 21 2021 A reflective examination of everyday life in Lebanon in times of precarity and political torpor.

A Man Without a Country Nov 09 2020 Gleaned from short essays and speeches composed over the last five years and plentifully illustrated with artwork by the author throughout, “Only Kidding” delivers Vonnegut both speaking out with indignation and writing tenderly to his fellow Americans.

Africa, Amazing Africa: Country by Country Apr 14 2021 Discover the exhilarating diversity of the African continent in storyteller Atinuke’s kaleidoscopic nonfiction guide to the people, flora, and fauna of all fifty-five countries. A Nigerian storyteller explores the continent of Africa country by country: its geography, peoples, animals, history, resources, and cultural diversity. The book is divided into five distinct sections—South, East, West, Central, and North—and each country is showcased on its own bright, energetic page brimming with friendly facts on science, industry, food, sports, music, wildlife, landscape features, even snippets of local languages. The richest king, the tallest sand dunes, and the planet’s largest waterfall all make appearances along with drummers, cocoa growers, inventors, balancing stones, salt lakes, high-tech cities, and nomads who use GPS! Atinuke’s lively and comprehensive introduction to all fifty-five African countries—a celebration scaled to dazzle and delight even very young readers—evokes the continent’s unique blend of modern and traditional. Complete with colorful maps, an index, and richly patterned and textured illustrations by debut children’s book artist Mouni Feddag, *Africa, Amazing Africa* is both a beautiful gift book and an essential classroom and social studies resource.

There Was a Country Nov 02 2022 From the legendary author of *Things Fall Apart*—a long-awaited memoir of coming of age in a fragile new nation, and its destruction in a tragic civil war For more than forty years, Chinua Achebe maintained a considered silence on the events of the Nigerian civil war, also known as the Biafran War, of 1967–1970, addressing them only obliquely through his poetry. Decades in the making, *There Was a Country* is a towering account of one of modern Africa’s most disastrous events, from a writer whose words and courage left an enduring stamp on world literature. A marriage of history and memoir, vivid firsthand observation and decades of research and reflection, *There Was a Country* is a work whose wisdom and compassion remind us of Chinua Achebe’s place as one of the great literary and moral voices of our age.

A Country Far Away May 08 2023 Parallel pictures reveal the essential similarities between the lives of two boys, one in a western country, one in a rural African village.

A Month in the Country Jan 12 2021 In the summer of 1920 two men, both war survivors meet in the quiet English countryside. One is living in the church, intent upon uncovering and restoring an historical wall painting while the other camps in the next field in search of a lost grave. Out of their meeting comes a deeper communion and a catching up of the old primeval rhythms of life so cruelly disorientated by the Great War.

A Country of Our Own Dec 03 2022 Reaching the agonizing decision to join the Confederate States Navy, abolitionist Lieutenant Ker Claiborne works to destroy a ship in order to undermine Union finances and experiences confrontations with fellow officers.

The Country Under My Skin Mar 14 2021 She would be involved with them over the next twenty years at the highest, and often most dangerous, levels."

Country Oct 01 2022 Published to ravishing acclaim in the UK, a fierce and suspenseful reimagining of Homer's Iliad set in mid-1990s Northern Ireland—a heart pounding tale of honor and revenge that “explodes with verbal invention, rapid juxtaposition, brutality and fun” (Times Literary Supplement). Northern Ireland, 1996. After twenty-five years of vicious conflict, the IRA and the British have agreed to an uneasy ceasefire as a first step towards lasting peace. But, faced with the prospect that decades of savage violence and loss have led only to smiles and handshakes, those on the ground in the border country question whether it really is time to pull back—or quite the opposite. When an IRA man's wife turns informer, he and his brother gather their comrades for an assault on the local army base. But old grudges boil over, and the squad's feared sniper, Achill, refuses to risk his life to defend another man's pride. As the gang plots without him, the British SAS are sent to crush the rogue terror cell before it can wreck the fragile truce and drag the region back to the darkest days of the Troubles. Meanwhile, Achill's young protégé grabs his chance to join the fray in his place... Inspired by the oldest war story of them all, Michael Hughes's virtuoso novel explores the brutal glory of armed conflict, the cost of Ireland's most uncivil war, and the bitter tragedy of those on both sides who offer their lives to defend the dream of country.

Protection of Corporate Names Mar 06 2023 This looseleaf volume provides a comprehensive overview of corporate name statutes in the major industrialized nations of the world. The work contains questions and answers on basic questions pertaining to corporate name protection in seventy-one countries.

Reminiscences of a Country Boy Jan 30 2020

Africa Is Not a Country, 2nd Edition May 04 2020 Enter into the daily lives of children in the many countries of modern Africa. Countering stereotypes, *Africa Is Not a Country* celebrates the extraordinary diversity of this vibrant continent. This edition includes updates to the text, statistics, and illustrations to reflect Africa in the 2020s. “A lovely book about Africa that gets the issue of its enormous diversity right.” —Barbara Brown, Director, Africa in our Schools and Community Program, African Studies Center, Boston University “A book every school must have as we emerge into the global village. Gives good insights into Africa's many cultures, with a balance of the contemporary and traditional that is the way of life now.” —Oscar Mokeme, Director, Museum of African Tribal Art, Portland, Maine

Once They Had a Country Jul 18 2021 Muriel R. Gillick, M.D., is Clinical Professor in the Department of Population Medicine at HarvardMedicalSchool in Boston and author of several books, including *The Denial of Aging: Perpetual Youth, Eternal Life, and Other Dangerous Fallacies*.

Country in My Heart Nov 21 2021

How to Run a Country May 28 2022 Collects the Roman statesman's thoughts on leadership, the balance of power, and other topical political issues that maintain relevance today, in a work featuring new translations and organized by subject.

A Good Country Jul 06 2020 A leading advocate for social justice excavates the history of forced migration in the twelve American towns she's called home, revealing how White supremacy has fundamentally shaped the nation. Sofia Ali-Khan's parents emigrated from Pakistan to America, believing it would be a good country. With a nerdy interest in American folk history and a devotion to the rule of law, Ali-Khan would pursue a career in social justice, serving some of America's most vulnerable communities. By the time she had children of her own—having lived, worked, and worshipped in twelve different towns across the nation—Ali-Khan felt deeply American, maybe even a little extra American for having seen so much of the country. But in the wake of 9/11, and on the cusp of the 2016 election, Ali-Khan's dream of a good life felt under constant threat. As the vitriolic attacks on Islam and Muslims intensified, she wondered if the American dream had ever applied to families like her own, and if she had gravely misunderstood her home. In *A Good Country*, Ali-Khan revisits the color lines in each of her twelve towns, unearthing the half-buried histories of forced migration that still shape every state, town, and reservation in America today. From the surprising origins of America's Chinatowns, the expulsion of Maroon and Seminole people during the conquest of Florida, to Virginia's stake in breeding humans for sale, Ali-Khan reveals how America's settler colonial origins have defined the law and landscape to maintain a White America. She braids this historical exploration with her own story, providing an intimate perspective on the modern racialization of American Muslims and why she chose to leave the United States. Equal parts memoir, history, and current events, *A Good Country* presents a vital portrait of our nation, its people, and the pathway to a better future.

Other Lands, Other Peoples Jan 24 2022 "This book contains facts about 86 countries and political entities in all parts of the world. It is designed primarily for community organizations and individual citizens who provide home hospitality to persons visiting the United States under cultural, educational, and technical exchange programs. It may also serve as a handy reference for community volunteers who work with international visitors at receptions and orientation centers. Some parts of it may be of interest to college and university personnel who act as campus advisors to students from other nations." --
