A Christmas Carol Aug 29 2020 Exam board: AQA, Edexcel, Eduqas, WJEC Level & Subject: GCSE English Literature First teaching: September 2015 First examination: June 2017 This edition of A Christmas Carol is perfect for GCSE-level students: it comes complete with the novel, plus an introduction providing context, and a glossary explaining key terms. 'If I could work my will,' said Scrooge, indignantly, 'every idiot who goes about with "Merry Christmas" on his lips, should be boiled with his own pudding, and buried with a stake of holly through his heart.' Miser and misanthropist Ebenezer Scrooge hates the festive season. Can the visitations of his dead business partner Jacob

Marley and the spirits of Christmas past, present and yet to come shake him from his habits, to show him the true value of Christmas? Dickens's 1843 story was written in response to the plight of the poor, the hungry, the exploited and the uneducated in Victorian society, suggesting that the true test of a society is the way it treats its children.

Aqa GCSE (9-1) Design & Technology 8552 Apr 24 2020 This is a brand new book that provides comprehensive yet concise coverage of all the topics and disciplines covered in the new AQA 8552 Design and Technology (9-1) specification, written and presented in a way that is accessible to teenagers and easy to teach from. It will be invaluable both as a course text and as a revision guide for students nearing the end of their course. It is divided into neat sections covering every element of the specification. Sections 5A to 5F of the textbook cover each of the six specialist technical areas. These sections would complement practical classroom experience. Solutions to all questions and exercises are provided in a free teacher pack available on our website. To accompany this textbook, PG Online also publishes a series of 12 downloadable teaching units. Each topic in a unit consists of a PowerPoint presentation, teacher's notes, worksheets, homework sheets and a final assessment test with practice questions. Each topic within a unit is expected to be taught over several lessons in a week. Units are sold as a lifetime site licence and may be loaded onto the school's private network or VLE.
