***When I'm worn out after a day's work then it's like my brain relaxes. And sometimes then I get it. The meaning of my life. My purpose on this earth. How many people ever get to say that? And you know what? It doesn't matter. Doesn't change anything. It is not important. In Chekhov's tragi-comedy - arguably his most popular play - the Gayev family is torn by powerful forces deeply rooted in history and the society in which they live. Their estate is hopelessly in debt. Urged to cut down their beautiful cherry orchard and sell the land for holiday cottages, the family struggles to act decisively. Vigorous and profound, this new version of Chekhov's classic play by Olivier award-winner Simon Stephens, from a literal translation by Helen Rappaport, is an anguished and heartbreaking love letter to a society in violent transition. It received its world premiere at the Young Vic, London, on 10 October 2014.***

Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. Charles Dickens is not feeling the Christmas spirit. His newest book is an utter flop, the critics have turned against him, relatives near and far hound him for money. While his wife plans a lavish holiday party for their ever-expanding family and circle of friends, Dickens has visions of the poor house. But when his publishers try to blackmail him into writing a Christmas book to save them all from financial ruin, he refuses. And a serious bout of writer's block sets in. Frazzled and filled with self-doubt, Dickens seeks solace in his great palace of thinking, the city of London itself. On one of his long night walks, in a once-beloved square, he meets the mysterious Eleanor Lovejoy, who might be just the muse he needs. As Dickens' deadlines close in, Eleanor propels him on a Scrooge-like journey that tests everything he believes about generosity, friendship, ambition, and love. **writing' and providing a study of the system in which it is produced. It considers the work of the leading 'new writing' theatres, such as the Royal Court, the Traverse, the Bush, the Hampstead and the National theatres, together with the London fringe and the work of touring companies. In the second part, Sierz provides a fascinating survey of the main preoccupations and issues that have characterised new plays in the first decade of the twenty-first century. It argues that while under New Labour economic, political and social change continued apace, generating anxiety and uncertainty in the population, theatre has been able to articulate not only those anxieties and uncertainties but also to offer powerful images of the nation. At a time when the idea of a national identity is hotly debated, British theatre has made its own contribution to the debate by offering highly individual and distinctive visions of who we are and what we might want to become. In examining the work of many of the acclaimed and emerging British playwrights the book serves to provide a narrative of contemporary British playwriting. Just as their work has at times reflected disturbing truths about our national identity, Sierz shows how British playwrights are deeply involved in the project of rewriting the nation.**
