It's William de Wolfe's (The Wolfe) eldest grandchild and namesake, William "Will" de Wolfe in an unconventional romance that is going to break your heart... and then put the pieces back together again. Welcome to the greatest de Wolfe Pack generation! William "Will" de Wolfe has the weight of the entire de Wolfe empire weighing on him. Perfection is key. Living up to the grandfather he was named for has been something he's had to deal with his entire life. But Will is strong, noble, true, and powerful... everything a man named William de Wolfe should be. Except he's living through a personal tragedy no man should have to live through. Will was very young when he married his wife, Lily de Lohr. As the great-granddaughter of Christopher de Lohr, the marriage forever linked the Houses of de Wolfe and de Lohr. The children born of the marriage are considered to have some of the

finest bloodlines in England. But tragedy strikes when pregnant Lily is diagnosed with a terminal illness. And she wants to pick her husband's next wife. More than that, she wants him to fall in love with her. When his dying wife plays matchmaker, how successful can the relationship be between Will and Adria de Geld, the daughter of a de Lohr ally? Lily is determined that Adria should replace her in Will's heart and in his bed, something Adria is reluctant to do but she cannot help but feel the attraction to the handsome, tortured knight. She soon finds out that his torment is not only because of his dying wife, but because of a terrible secret that Lily hides. Will only found out by accident and it is that, more than anything, tearing him to pieces. A terrible secret that could tear apart two of England's greatest families. Can Adria and Will's love take flight in spite of the dire circumstances? Or will Will's torment overshadow a truly gifted, intelligent, and beautiful woman who has managed to fall in love with him? De Wolfe Pack Generations/ Grandsons of de Wolfe series: WolfeHeart (Markus de Wolfe) WolfeStrike (Thomas "Tor" de Wolfe) WolfeSword (Cassius de Wolfe) WolfeBlade (Andreas de Wolfe) WolfeLord (William "Will" de Wolfe) WolfeShield (Ronan de Wolfe) Being part of the renown Wolfe family comes with many expectations... unless you are the only lass to have been born into it for many generations. Sheltered from the world, Ginny O'Faolain has been raised amongst warriors but denied any opportunity to prove herself worthy of her name. Her mama would rather protect Ginny than allow her a chance to help her people. Fed up, Ginny is determined to learn to fight and honor her Wolfe family heritage. Unfortunately, the warrior she is ordered to train with loathes her, and she isn't fond of the lout, either. Keegan Mac Carthaigh is one of the king's most trusted warriors, loyal, and capable in battle. But when he is commanded to train the most frustrating lass in the entire village, he is not so certain he is up to the task. The Wolfe lass is naught but a thorn in his side: stubborn, impulsive, and foul-mouthed. And now, he must spend every day training her to fight, an impossible task and one that may drive him mad. But when tempers flare and fire meets fire, an attraction burns brighter than either of them could have ever imagined. He went from not being able to stand the lass, to suddenly wanting to devour her. A witty and charming account of the wildly entertaining Elsie de Wolfe in 1950s Hollywood, recounted by her dear friend, the beloved creator of Madeline Ludwig Bemelmans' charming intergenerational friendship with the late-in-life "First Lady of Interior Decoration" provides an enormously enjoyable nostalgia trip to the sun-soaked glamour of Los Angeles, where de Wolfe surrounded herself with classic movie stars and a luminous parade of life's oddities. With hilarity and mischief that de Wolfe would no doubt approve, To the One I Love the Best lifts the curtain on 1950s Hollywood--a bygone world of extravagance and eccentricity, where the parties are held in circus tents and populated by ravishing movie

stars. Bemelmans, who was working at MGM, had originally come to the California home of de Wolfe just for cocktails but by the end of the night, he was firmly established as a member of the family: given a bedroom in their sumptuous house, invitations to the most outrageous parties in Hollywood, and the friendship of the larger-than-life woman known to her closest friends simply as 'Mother'. To the One I Love the Best (which refers to de Wolfe's dog) is a touching tribute to a fabulously funny woman and an American icon. Be pretty if you can, be witty if you must, but be gracious if it kills you. - Elsie de Wolfe 1321 A.D. - After her brother's death at the Battle of Bannockburn, Elia de Wolfe is sent to the royal court to serve as a lady-in-waiting to Queen Isabella. When she learns her father is determined to keep her far from the border troubles with Scotland, Elia makes plans to return home. Ferand de Montfort lost his young wife and son in childbirth and seeks a new bride-this time, one of his own choosing. He travels to London and is captivated by Elia de Wolfe, a spirited and intelligent woman. Elia convinces Ferand to escort her home, understanding she will be in his debt. Ferand hopes collecting that debt will include making Elia his wife. Elia's increasing reluctance to reach home springs from her growing attraction to Ferand. She is torn between remaining loyal to her family and losing her opportunity for true love. Join Ferand and Elia on their journey across England as they find love and unite two great English families, the de Montforts and de Wolfes, in this exciting prequel to The Knights of Honor medieval romance series. When the winter ice melted in April 1850, residents of Saco, Maine, made a gruesome discovery: the body of a young girl submerged in a stream. Thanks to evidence left at the scene, a local physician was arrested and tried for the death of Mary Bean, the name given to the unidentified young girl; the cause of death was failed abortion. Garnering extensive newspaper coverage, the trial revealed many secrets: a poorly trained doctor, connections to an unsolved murder in New Hampshire, and the true identity of Mary Bean - a young Canadian mill worker named Berengera Caswell, missing since the previous winter. The Murder of Mary Bean and Other Stories examines the series of events that led Caswell to become Mary Bean and the intense curiosity and anxiety stimulated by this heavily watched trial. these events through a wide-angle lens exploring such themes as the rapid social changes brought about by urbanization and industrialization in antebellum nineteenth-century society, factory work and the changing roles for women, unregulated sexuality and the specter of abortion, and the sentimental novel as a guidebook. She posits that the real threat to women in the nineteenth century was not murder but a society that had ambiguous feelings about the role of women in the economic system, in education, and as independent citizens. of Mary Bean and Other Stories features two reprinted accounts of Caswell's death, both fictional and originally printed in the 1850s, as well as an introduction that places these salacious accounts in a historical context. This book serves not simply as true crime but, rather, presents a seamy side of rapid industrial growth and the public anxiety over the emerging economic roles of women. Photographs and stories of the legendary hostess's extravagant parties and glamorous guests in the final months before the Nazis invaded France. Charlie Scheips tells the story of these parties using a wealth of previously unpublished photographs and introducing a large cast of aristocrats, beauties, politicians, fashion designers, movie stars, moguls, artists, caterers, florists, party planners, and decorators. A landmark work of social history and a poignant vision of a vanished world, Scheips's book "culminates with de Wolfe's final grand fête, the second Circus Ball, which defined the glamour and decadence of international society before the lights went out all over Europe" (Gotham magazine). Illustrations. A man in search of a woman - but not the one he's accidentally abducted...After family fortunes descend, Miss Alice Reynolds has no choice but to leave her life as a lady behind and take up work as a lady's maid. She had expected nothing but boredom when her mistress's family decided to visit Wales, so when a stranger abducts her, she really shouldn't feel this intrigued - or this alive. Lord Emrick de Wolfe was determined to make his beloved pay for her treachery, but after unhooding his captive in his Welsh hunting lodge, he hardly expected a chit of a girl instead. Desperate to prove himself to his father and furious with himself for taking the wrong woman, sparks fly as two strong personalities meet - and collide. But with the notorious storms of the Welsh valleys descending, the mismatched pair are alone, trapped, and forced to discover more about each other than they could have ever expected. With a whirlwind outside and inside their hearts, will the growing attraction between a woman abducted and a de Wolfe ever lead to something? Or does Miss Alice Reynolds have even more secrets to reveal than Lord Emrick de Wolfe could ever dream of? Who is the true captive of the de Wolfes? This is an extension of the Ravishing Regencies series. This is a steamy Regency romance with a happily ever after, no cliffhangers, and part of a series that can be read in any order. It's an all-out battle on the Scottish Marches as the de Wolfe Pack is called to war, the prize being Andreas' very life. Having been sent to London on business, Andreas de Wolfe finds himself in a unique position when his task is finished - leisure time. They make a date to discover the truth about one another, but Gavriella never shows up. Andreas returns home, despondent. Three months later, Andreas is called with the de Wolfe army to defend a lesser ally from a vicious enemy and Andreas realizes the daughter of the ally is, in fact, his beloved mystery woman. Her father is a long-time ally riddled with madness, and Gavriella is out of her element trying to handle his affairs. Andreas wants to know why she never showed up that day in London, but the truth is more than he bargained for. In fact, there is something much more sinister afoot. A legend from a family of legends, the greatest de Wolfe warrior arises as William the Conqueror sets foot in England to claim what he believes is his birthright. Gaetan brings with him nine of the fiercest knights the realm has ever seen, plowing their way into the English countryside, forging their legacies at the Battle of Hastings. But when one of Gaetan's men is kidnapped by the rogue brother of the Earl of Mercia, Gaetan refuses to let his man go. His loyalty to his men is above all. A rescue mission of epic proportions begins. Guiding the original de Wolfe Pack on this task into deadly enemy territory is a lady warrior known as Ghislaine of Mercia. The sister of the man who kidnapped Gaetan's knight, her loyalties are torn. Wary of the big Norman knight

with the fierce manner, her attraction to Gaetan is nonetheless undeniable. There is a spark between them that refuses to die.
