Judas is an intimate story of the disciple who betrayed Jesus Christ. His birth in Kerioth, and family relationship to the Shepherds of Kerioth, the shepherds of the sacred Temple flock begin his life. As a young man he follows, along with other disciples and ultimately bears the responsibility for betraying the Lord. Each Bible reference to Judas is incorporated in the historical narrative along with much of typical life of a Hebrew youth of his day. The results of the betrayal lead to a surprising ending and an influence that extends into today's Christian movement. Live with Judas as he falls in love, learns to hate, is forced to forgive, sharpens his skills, serves in the fulfillment of Scripture and serves as the Master has appointed him. Judas will become a window to the disciple band, a mirror to the reader and an inspiration to the will of God. "Appendix A" (p. [134]-187) contains the Coptic text of the Gospel of Judas as transcribed from the Codex Tchacos, with English translation on facing pages. Believing he has found the Messiah, Judas enthusiastically becomes one of Jesus' disciples, but he is forced to confront difficult truths when Jesus refuses to cave to social conventions and act on Judas's vision of making the nation free from Roman rule. In this three-volume set, *Apostasy in the New Testament Communities*, B. J. Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament. The study examines each book of the New Testament and identifies the emerging Christian community in danger, the nature of apostasy that threatens the congregations, and the consequences of defection. Oropeza compares the various perspectives of the New Testament communities on the subject of apostasy to arrive at the idea that the earliest followers of Christ did not all believe and teach alike on the issue. The first volume, *In the Footsteps of Judas and Other Defectors*, focuses on the Christ-communities of the Gospels, Acts, and Johannine Letters. *The Gospel of Judas: On a Night with Judas Iscariot* presents a fresh translation of the Gospel of Judas, with introduction, commentary, and notes. Originally published with considerable

international fanfare in 2006, the Gospel of Judas has prompted a vibrant discussion among scholars and other interested readers about the meaning of the text and the place of Judas Iscariot in the story of Jesus and the history of the church. Meyer, a member of the original research team assembled by the National Geographic Society to edit, translate, and publish the Gospel of Judas and the remaining texts in what is now called Codex Tchacos, here offers an up-to-date and thoroughly accessible translation of the Gospel of Judas, expanded with new fragments of the text and informed by the latest scholarship. He adds reminiscences of the work on the Coptic text when it first was coming to light in 2005 and 2006. This book also includes reflections on the extensive literature, beyond the Gospel of Judas, on the figure of Judas Iscariot, with suggestions for a literary interpretation of Judas--an interpretation that may have a dramatic impact upon our understanding of the role of Judas Iscariot in the story of Jesus's passion. An account of the story of the New Testament's arch-villain and his history over the past 2000 years in which Gubar links Christian anti-Semitism with Christianity's attempt to grapple with transcendent evil. Exploring the significance of Judas Iscariot for Christian theology and the difficult issues surrounding Judas, Anthony Cane shows that focusing on the tension between providential and tragic interpretations of Judas in the New Testament and in subsequent writing about Judas, is the key to understanding his significance. Building on the work of Karl Barth and Donald MacKinnon, Cane's argument sheds light not simply on the way Judas is understood, but on the way Jesus and the whole economy of salvation are understood. This book also highlights implications for the way in which issues relating to anti-Semitism and evil and suffering are most effectively explored. 'Judas' is synonymous with 'traitor'. But a newly-discovered ancient text of the Gospel of Judas offers a picture of Judas Iscariot radically different from the Church's traditional understanding of him, and maintains that far from being the infamous betrayer, Judas was actually Jesus' trusted friend and the recipient of secret revelation. Simon Gathercole's new book includes a translation of the ancient Egyptian text of the Gospel of Judas and a running commentary, and offers new translations of all the ancient evidence about Judas Iscariot and the Gospel attributed to him. It gets behind the hype which the Gospel of Judas has attracted, and looks at why the group which produced the work were in such bitter conflict with the mainstream Christian church, and shows how the document provides us with a window into the turbulent world of Christianity and Gnosticism in the century after Jesus. A comprehensive commentary on the ancient document containing what some scholars believe to be a lost gospel told from the perspective of Judas Iscariot. Evaluates the meaning of the controversial, newly-discovered Gospel of Judas, illustrating how the text offers an understanding of Judas's betrayal, the apostles' understanding of Jesus's death, and God's role in the crucifixion. "The very name of 'Judas' raises among Christians an instinctive reaction of criticism and condemnation...The betrayal of Judas remains...a mystery." -Pope Benedict XVI, October 2006 The Gospel According to Judas, by Benjamin Iscariot sheds new light on the the mystery of Judas--including his motives for the betrayal and what happened to him after the crucifixion--by retelling the story of Jesus through the eyes of Judas, using the canonical texts as its basic point of reference. Ostensibly

written by Judas's son, Benjamin, and following the narrative style of the Gospels, this re-creation is provocative, compelling, and controversial. The Gospel According to Judas, by Benjamin Iscariot is the result of an intense collaboration between a storyteller and a scholar: Jeffrey Archer and Francis J. Moloney. Their brilliant work—bold and simple—is a compelling story for twenty-first-century readers, while maintaining an authenticity that would be credible to a first-century Christian or Jew. Brendan Kennelly's Book of Judas, a 400-page epic poem in twelve parts, became the number one bestselling book in Ireland. As well as receiving rapturous reviews, Brendan Kennelly won the Sunday Independent/Irish Life Award for the book and earned the ultimate accolade of 'Kerryman of the Year'. Not merely lost but irredeemable, Kennelly's bitterly articulate Judas speaks, dreams and murmurs - of past and present, history and myth, good and evil, of men, women and children, and of course money - until we realise that the unspeakable perpetrator of the apparently unthinkable, in penetrating the icy reaches of his own world, becomes a sly, many-voiced critic of ours. The full-sized Book of Judas is no longer available, usurped by The Little Book of Judas, a distillation of that literary monster, purged to its traitorous essence. April DeConick offers a new translation of the Gospel of Judas, one which seriously challenges the National Geographic interpretation of a good Judas. The story begins with the exciting story of the discovery of the Gospel in Egypt in 1978, and its subsequent movements from one antiquities dealer to another. We discover how this precious document eventually finds a home in a New York safety deposit box, where it languishes for years with a \$3 million price tag, before it is finally published to huge public attention and fanfare. More than just the story of The Gospel of Judas since it had been found, Churton also discusses how it relates to the historical place of the Judas: how he has been maligned and misrepresented across the centuries. This fascinating book sheds new light on the real nature of Jesus, and presents a daring speculation on the endeavours he planned with his disciples in Jerusalem, Judea and Galilee. "The Kiss of Death" is an explosive book that explains the text of The Gospel of Judas, its context in modern Christianity, as well as the importance of its discovery and subsequent publication. Sheds new light on the ancient world and the beginnings of Christianity. Featuring full-color photographs of the original papyrus pages alongside the Coptic text and its English translation, this book provides a mystical, gnostic picture of Jesus. [from publisher description]. Judas Iscariot has been demonized as the quintessential traitor, the disciple who betrayed his master for the infamous thirty pieces of silver. But the recent sensational discovery and publication of the long lost Gospel of Judas, with its remarkable portrayal of Judas Iscariot as the disciple closest to Jesus, raises serious new questions. Was Judas the only member of the Twelve who truly understood Jesus? Did Jesus secretly collaborate with Judas to set in motion the series of events that would redeem all of humankind? In search of answers, Marvin Meyer, one of the world's leading experts on the Gospel of Judas presents a collection of the earliest accounts of Judas, which together paint a fuller portrait of this most enigmatic disciple. This book presents the essential texts that deal with the figure of Judas, including New Testament writings, Gnostic documents, and other early and later Christian literature. These are the

earliest known testimonies about Judas and include selections from the gospels of Mark, Matthew, Luke, and John, the Acts of the Apostles, and relevant passages from Paul. The centerpiece of the book is the Gospel of Judas, followed by excerpts from three other Gnostic texts—the Dialogue of the Savior, the Concept of Our Great Power, and the "Round Dance of the Cross"—which may shed new light on the figure of Judas. A series of additional writings on Judas produced over the centuries provide glimpses of the vilification of Judas and the emergence of anti-Semitic themes. Meyer offers evidence of traitors before Judas—the Genesis story of Joseph's brothers who sold him into slavery, the duplicitous friend of the poet in Psalm 41, and Melanthius the goatherd in Homer's Odyssey—all of which raise the question of whether the story of Judas Iscariot could be simply a piece of religious fiction derived from earlier stories. Judas provides a rich collection of original sources that tell the story of Christianity's most infamous figure, offering the fullest understanding of Judas Iscariot's undeniable importance in the climax of Jesus's life. For hundreds of years, one word has represented Judas Iscariot: Traitor. There is more to the man than the one act that he is most remembered for. This short biography investigates the life of Judas using all the historical material that is available. LifeCaps is an imprint of BookCaps™ Study Guides. With each book, a lesser known or sometimes forgotten life is recapped. We publish a wide array of topics (from baseball and music to literature and philosophy), so check our growing catalogue regularly to see our newest books. Amongst the ancient papyri of the Dead Sea, a remarkable scroll is discovered. Written in the first century AD, it purports to be the true account of the life of Jesus, as told by Youdas the sicarios - Judas Iscariot: the missing Gospel of Judas. If authentic, it will be one of the most incendiary documents in the history of humankind. The task of proving - or disproving - its validity falls to Father Leo Newman, one of the world's leading experts in Koine, the demotic Greek of the Roman Empire, and a man the newspapers like to call a 'renegade priest'. But as Leo absorbs himself in Judas' testimony, the stories of his own life haunt him. The story of his forbidden yet irresistible love for a married woman. The story of his mother's passionate and tragic affair amidst the war-time ruins of Rome. They are stories of love and betrayal that may threaten his faith just as deeply as the Gospel of Judas... With a dramatic narrative that spans from the Europe of the Second World War to Jerusalem two thousand years after Jesus' birth, THE GOSPEL OF JUDAS is a compelling and erudite thriller. Set in a time-bending, seriocomically imagined world between Heaven and Hell, The Last Days of Judas Iscariot is a philosophical meditation on the conflict between divine mercy and human free will that takes a close look at the eternal damnation of the Bible's most notorious sinner.--[book cover]. Images of Judas across the centuries of Christian interpretation predominantly depict him as an object of horror and condemnation. Some modern interpreters have argued, however, that details about Judas in the canonical Gospels, such as his remorse and suicide, are tragic elements that vindicate Judas, to some extent at least. In addition, the recent discovery of the Gospel of Judas has provided further evidence that even in antiquity there were widely differing views of Judas. The question of the characterization of Judas in early Christianity remains open. Ancient rhetorical handbooks and countless

examples from the literature of the Greco-Roman period reveal that death-accounts were regarded as fertile opportunities for shaping the characterization of a figure. Authors and audiences shared the expectation that the manner of a person's death revealed character. This insight provides a new window into the interpretation of Judas in the early Christian era, since three accounts of the death of Judas have survived from before 150 CE through the Gospel of Matthew, the Acts of the Apostles, and the fragments of Papias. Strategies for encomium and invective, and other elements of Greco-Roman and Jewish literary portraiture, vividly reveal the character-shaping significance of the details in the accounts of Judas's death. His final words, final actions, and the mode of his death—whether suicide by hanging, falling headlong and bursting, or swelling to the size of a wagon—all would have been understood to signify Judas's inner qualities and indicate his moral worth. To ancient auditors, the characterization of Judas in these texts could lead only to the assessment of Jesus, 'Woe to that one by whom the Son of Man is betrayed! It would have been better for that one not to have been born' (Matt. 26.24). A manuscript uncovered from the sands of Egypt throws everything we think we know about Jesus Christ into doubt. The Testament of Judas reveals Jesus on an apocalyptic quest to fulfill the plans of his 'Father who is in secret'—the resurrection of the dead to consume the living. Judas Iscariot must choose between the man he left everything to follow, and the people of Jerusalem, who are to be given over to the gnashing teeth of those chosen for eternal life. The biblical scholar recounts the events surrounding the discovery and handling of the Gospel of Judas, and provides an overview of its content, in which Judas is portrayed as a faithful disciple. April DeConick offers a new translation of the Gospel of Judas, one which seriously challenges the National Geographic interpretation of a good Judas. The discovery of a previously lost Gospel of Judas Iscariot has electrified the Christian community. What Matthew, Mark, Luke, and John tell us about Judas, the disciple who betrayed Jesus, is inconsistent and biased. Therefore, the revelation of an ancient gospel that portrays this despised man as someone who saw his role in the Passion of Christ as integral to a larger plan—a divine plan—brings new clarity to the old story. If Judas had not betrayed Jesus, Jesus would not have been handed over to the authorities, crucified, buried, and raised from the dead. Could it be that without Judas, the Easter miracle would never have happened? In *The Secrets of Judas*, James M. Robinson, an expert historian of early Christianity, examines the Bible and other ancient texts and reveals what we can and cannot know about the life of the historical Judas, his role in Jesus's crucifixion, and whether the Christian church should reevaluate his intentions and possible innocence. Robinson tells the sensational story of the discovery of a gospel attributed to Judas, and shows how this affects Judas's newfound meaning for history and for the Christian faith. This fascinating book sifts the evidence and startlingly concludes that in the earliest sources Judas was not a traitor. While the name Judas Iscariot evokes horror among many people, Klassen argues persuasively that Judas may have meant no harm in handing over Jesus to the religious authorities. The book traces the ways in which Judas is portrayed by the four writers of the gospels, showing how the picture was increasingly demonized as the later gospels were written. This is the most important study in English of Judas

within the context of first-century Judaism. Klassen shows by rich reference to literature of both the ancient period and later times how the concept of Judas as traitor emerged. INTERNATIONAL BESTSELLER and winner of the International Literature Prize. At once an exquisite love story and a coming-of-age novel, an allegory for the state of Israel and for the biblical tale from which it draws its title, Judas is one of Amos Oz's most powerful novels. Jerusalem, 1959. Shmuel Ash, a biblical scholar, is adrift in his young life when he finds work as a caregiver for a brilliant but cantankerous old man named Gershom Wald. There is, however, a third, mysterious presence in his new home. Atalia Abravanel, the daughter of a deceased Zionist leader, a beautiful woman in her forties, entrances young Shmuel even as she keeps him at a distance. Piece by piece, the old Jerusalem stone house, haunted by tragic history and now home to the three misfits and their intricate relationship, reveals its secrets. "[A] magnificent novel . . . Oz pitches the book's heartbreak and humanism perfectly from first page to last."—New York Times Book Review

"Scintillating . . . An old-fashioned novel of ideas that is strikingly and compellingly modern."—Observer "Oz has written one of the most triumphant novels of his career."—Forward "A [big] beautiful novel . . . Funny, wise, and provoking."—Times (UK) Describes how the Gospel of Judas was discovered, why it was historically denounced as heresy, and what it says about the disciple's role in the plan for salvation. The Gospel of Judas is the most important discovery in history. It bridges the gap between Eastern mystic teaching, Gnosticism, and the three Middle Eastern Abrahamic religions, informing all of them. Unfortunately, the Christianity-biased scholars assigned to its interpretation and those who have followed them do not understand it -- at all. They miss that Judas is the gnostic sacrifice, and that there is no traditional orthodox Jesus sacrificed - in the Gospel of Judas or in the Bible. Therefore, they miss the most important revelation of all time: that 'Jesus' didn't die to save anyone, and that he was in truth preceded and succeeded by other Masters of equal stature. Here from gnostic texts that only just recently arose from the desert sands of Egypt, phoenix-like, is the detailed story of how the New Testament canonical 'Betrayal of Jesus' became the inversion of the gnostic mastership installation story of James the Just, first-century savior. The true origin of the Christian message and its nullification of mystic Truth can now, at long last, be fully told. Connecting verses from the Gnostic Apocalypse of James to the New Testament narrative showing that Judas was James in the Canonical Inversions: First Apocalypse of James "I have given you a sign" (NHC 24:10) "gave them a sign" [the "kiss"] (Matt. 26:48). "Cup of bitterness to the sons of light" (25:15) "let this cup pass from me" (Matt. 26:39). "This is the second Master" (30:25) "Those who seek enter through you" (Second Apoc. 55:1) "I know whom I have chosen." (John 13:18). "Then the disciples dispersed, but James remained in prayer" (30:25) "he withdrew and prayed" (Luke 22:41). "I am he who was within me" (31:15) "I know whom I have chosen" and "I am he" (John 13:18-19). "You have embraced and kissed me" (32:5) "He said 'Hail Master!' and kissed him" (Matt. 26:49). "You are aware and stopped this prayer" (32:5) "Sit here while I pray" (Matt. 26:36). "The flesh is weak" (32:20) "the flesh is weak" (Matt. 26:41). "It will receive what has been ordained for it" (32:20) "thy will be done" (Matt. 26:42). "A

multitude will arm themselves against you" (33:5) "band of soldiers with weapons" (John 18:3, Mark 14:43). Also by the author: *The Bible says Saviors - Obadiah 1:21* from Xlibris Publishers *The hunt is on for the apocryphal Gospel of Judas in the thriller that Lisa Scottoline says "you won't be able to put down,"* from celebrated New York Daily News columnist Linda Stasi *Judas Iscariot, known for his betrayal of Jesus, is a key figure in the Gospel narratives. As an insider become outsider, Judas demarcates Christian boundaries of good and evil. 'Three Versions of Judas' examines the role of Judas in Christian myth-making. The book draws on Jorge Luis Borges' "Three Versions of Judas" to present three Judases in the Gospels: a Judas necessary to the divine plan; a Judas who is a determined outsider, denying himself for God's glory; and a Judas who is demonic. Exploring the findings of biblical criticism and artistic responses to Judas, 'Three Versions of Judas' offers an analysis of the evil necessarily inherent in Christian narratives about Judas. "The Anchor Yale Bible is a fresh approach to the world's greatest classic. Its object is to make the Bible accessible to the modern reader; its method is to arrive at the meaning of biblical literature through exact translation and extended exposition, and to reconstruct the ancient setting of the biblical story, as well as the circumstances of its transcription and the characteristics of its transcribers ... [It] is a project of international and interfaith scope: Protestant, Catholic, and Jewish scholars from many countries contribute individual volumes ... [and] is an effort to make available all the significant historical and linguistic knowledge which bears on the interpretation of the biblical record ... [It] is aimed at the general reader with no special formal training in biblical studies, yet it is written with the most exacting standards of scholarship, reflecting the highest technical accomplishment"--Vol. 1, p. [ii].* *Judas: Images of the Lost Disciple* traces the development of the stories about the most famous traitor in the history of Western Civilization. Its purpose is not to find the Judas of history, but rather to provide readers with a map that shows the similarities and connections between generations of Judas's story. Judas has been portrayed as an effete intellectual, a jealous lover, a greedy scoundrel, a misguided patriot, a doomed hero, a man destroyed by despair, or God's special, misunderstood messenger and agent. Judas means as many different things to us as does Jesus or God. The enigma of Judas's story in the Gospels left later literature and legend with a creative challenge they richly answered, and which is presented here: to write the real story of the worst villain of all time. For 1,600 years its message lay hidden. When the bound papyrus pages of this lost gospel finally reached scholars who could unlock its meaning, they were astounded. Here was a gospel that had not been seen since the early days of Christianity, and which few experts had even thought existed—a gospel told from the perspective of Judas Iscariot, history's ultimate traitor. And far from being a villain, the Judas that emerges in its pages is a hero. In this radical reinterpretation, Jesus asks Judas to betray him. In contrast to the New Testament Gospels, Judas Iscariot is presented as a role model for all those who wish to be disciples of Jesus and is the one apostle who truly understands Jesus. Discovered by farmers in the 1970s in Middle Egypt, the codex containing the gospel was bought and sold by antiquities traders, secreted away, and carried across three continents, all the while suffering

damage that reduced much of it to fragments. In 2001, it finally found its way into the hands of a team of experts who would painstakingly reassemble and restore it. The Gospel of Judas has been translated from its original Coptic to clear prose, and is accompanied by commentary that explains its fascinating history in the context of the early Church, offering a whole new way of understanding the message of Jesus Christ. In this bold, captivating and controversial book, the author combines his own intensely moving personal accounts with incisive scriptural analysis, and challenges the reader to reassess what they think they know about Judas Iscariot and suicide. Drawing on the memory of his own brother's action in taking his own life, Aaron Saari examines Judas Iscariot as the definitive figure of God's abhorrence for suicide and a powerful symbol of the cultural taboo originating from Christian doctrine. Instead, he argues, this ancient condemnation of Judas' death is unfounded: Judas is instead a literary invention of the Markan community meant to undercut the authority of the Twelve, entering the Christian story c.70 CE through the Gospel of Mark. Written with passion and clarity and consistently relevant to today's moral issues, this book is as much an ideal introduction to biblical studies for the general reader as it is essential reading for students, scholars, and anyone with an interest in Biblical studies, ancient scripture and theology. A manuscript uncovered from the sands of Egypt throws everything we think we know about Jesus Christ into doubt. The Testament of Judas reveals Jesus on an apocalyptic quest to fulfill the plans of his 'Father who is in secret' - the resurrection of the dead to consume the living. Judas Iscariot must choose between the man he left everything to follow, and the people of Jerusalem, who are to be given over to the gnashing teeth of those chosen for eternal life. This book is not an apologetic for the sins of Judas. But the author of JUDAS ISCARIOT: REVISITED AND RESTORED is convinced that there is more to the Judas story than has been told. Rogers is further convinced that until we finally understand the unlikely relationship between the sinner Judas and the Savior Jesus, we will never fully appreciate God's response to our own faults and failures. Many are convinced that God's grace i.e. unmerited favor must somehow first be merited (an oxymoron). With Judas, Rogers demonstrates that God's forgiveness is unearned and unlimited. This book is riveting from the first page. [Rogers] challenges us to look...directly into the face of Judas [until] slowly an awful realization will dawn on our collective conscience: My God, Judas is us! (An excerpt from the book's Foreword). Max Davis, author of Desperate Dependence, Thriving on the Jagged Edge, and Success Secrets of the World's Most Cynical Man. Judas Iscariot: Revisited and Restored is scholarly enough for [those] desiring proofs and reliable sources as evidence of the theories expounded; yet it's clear, concise and logically organized for easy reading. A. P. McCracken, pastor, author and paralegal, in a review of this book. [Rogers] accomplishes his objective to declare the audacity of God's grace and redemption that would include even Judas. And me! D. Dean Benton, author of more than 30 books including, Inner Net for Vision Catchers (2008) Ivan Rogers has served in Christian ministry for many years. He has been a pastor, Bible college president and a superintendent of an eight-state area of churches. Ivan presently serves as staff chaplain of a nursing/retirement community. Ivan is also respected and very involved in the field of Jewish-

Christian relations. He and his wife, Elsie, reside in the state of Iowa.
