**Seafood Authenticity and Traceability** Jun 14 2020 Seafood Authenticity and Traceability: a DNA-based Perspective is a concise reference showcasing the latest developments in the field. Written for those in food authenticity who may not have a technical molecular biology background, the book covers methods used for DNA analysis and an overview of their applications in fish and seafood, also providing reviews of the technology and processes for each method. It offers a practical and succinct overview of the relationship between accurate identification, traceability, sustainability, and safety of seafood, including an overview of the supply chain and the industry's need for improved traceability. Presents current and future perspectives in the emerging field of traceability, including solid coverage of DNA analysis for origin detection Includes molecular authentication tools to improve species identification throughout the seafood industry Provides reviews of the technology and processes for each DNA analysis method Offers a comprehensive overview for those in food authenticity who may not have an in-depth molecular biology background

Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including [www.ConsumerReports.org](http://www.ConsumerReports.org) and [www.ConsumersUnion.org](http://www.ConsumersUnion.org), and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.
