Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. MacLife is the ultimate magazine about all things Apple. It's authoritative, ahead of the curve and endlessly entertaining. MacLife provides unique content that helps readers use their Macs, iPhones, iPods, and their related hardware and software in every facet of their personal and professional lives. In *The Last Brother* by Nathacha Appanah, 1944 is coming to a close and nine-year-old Raj is unaware of the war devastating the rest of the world. He lives in Mauritius, a remote island in the Indian Ocean, where survival is a daily struggle for his family. When a brutal beating lands Raj in the hospital of the prison camp where his father is a guard, he meets a mysterious boy his own age. David is a refugee, one of a group of Jewish exiles whose harrowing journey took them from Nazi occupied Europe to Palestine, where they were refused entry and sent on to indefinite detainment in Mauritius. A massive storm on the island leads to a breach of security at the camp, and David escapes, with Raj's help. After a few days spent hiding from Raj's cruel father, the two young boys flee into the forest. Danger, hunger, and malaria turn what at first seems like an adventure to Raj into an increasingly desperate mission. This unforgettable and deeply moving novel sheds light on a fascinating and unexplored corner of World War II history, and establishes Nathacha Appanah as a significant international voice. An engrossing and counter view of one of the most dangerous elements of American urban history, this graphic novel tells the true story of Benjy Melendez, a Bronx legend who founded, at the end of the 1960s, the formidable Ghetto Brothers gang. From the seemingly bombed-out ravages of his neighborhood, wracked by drugs, poverty, and violence, he managed to extract an incredibly positive energy

from this riot ridden era: his multiracial gang promoted peace rather than violence. Among its many accomplishments, the gang held weekly concerts on the streets or in abandoned buildings, which fostered the emergence of hip-hop. Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. Stolen and abducted... yet in the same stroke, saved. On one hand, I escaped certain death at the hands of people who have already hurt me. On the other, now I'm trapped with him. The rival of my abuser, who is every bit as terrifying. Dark and sinfully handsome, he wants me. He wants me to turn my back on the religion that has raised me. He wants me to spread my legs for him and him alone. He wants to punish me. He wants to teach me to like his lessons. Or else he'll kill my little sister and turn me over to the men who controlled me before. Either way, I will have to make sacrifices. Sacrifices that have lasting consequences. I walk on the knife's edge between falling prey again and completely losing myself. And if I'm not careful, I may end up worse than dead... My Kids Just Gave Me a Computer, What Do I Do Now? Computers for Seniors is a step-by-step, full-color guide that will take you all the way from pressing the "On" button on your new computer to being a confident user who can send email to family and friends, shop online safely, read the latest news, watch funny YouTube videos, share cute pictures of your grandkids, check the weather forecast, and much more. You'll learn to: -Plug in, set up, and turn on your computer -Print and share photos of your grandkids, vacations, pets, friends, and special life events -Install helpful tools like a calendar, money manager, and weather tracker -Search the internet for news, recipes, gardening tips, sports updates, and anything else that interests you -Watch entertaining YouTube videos or educational lectures and make video calls to anywhere in the world -Find and listen to new music (or your favorite classics) and read electronic books -Email your friends and family -Stay safe online and keep your private information secure Computers for Seniors will show you how to get what you really want from your PC, with the help of full-color illustrations, friendly instructions, and a touch of humor. Each lesson has small exercises to test your skills and help you practice, to make sure you feel comfortable with what you've learned before you move on. It's never too late to have fun and get more out of your PC—Computers for Seniors will ease you into the computer generation by guiding you every step of the way. "A Native American boy captures a hawk in the hope that he can also capture some sense of its ability to fly....Parnall's sweeping black-and-white panoramas complement this spare, poetic text." —School Library Journal A Caldecott Honor Book An ALA Notable Book From bestselling author and actress Holly Robinson Peete--a heartwarming story about a boy who happens to be autistic, based on Holly's son, who has autism. "Charlie has autism. His brain works in a special way. It's harder for him to make friends. Or show his true feelings. Or stay safe." But as his big sister tells us, for everything that Charlie can't do well, there are plenty more things that he's good at. He knows the names of all the

American presidents. He knows stuff about airplanes. And he can even play the piano better than anyone he knows. Actress and national autism spokesperson Holly Robinson Peete collaborates with her daughter on this book based on Holly's 10-year-old son, who has autism.

The High Priestess - 1: Damen Aetos. Mob boss. Madman. And soon to be my husband. He doesn't care that I'm a virgin. Doesn't care about my beauty. Nothing matters to him but my last name. By marrying me, the Madman ensures that a centuries-old bargain will be met. The fact that he gets me -- gets to do anything to me that he wants -- is just icing on the cake for him. But I have secrets too, lurking beneath my pretty surface. Secrets, lies, and a power greater than either of us can imagine. The question is, when The High Priestess comes calling, how will he respond?

Provoke - 2: I meet her in a wedding dress, walking down the aisle towards my sworn enemy. Our eyes catch from across the room. And monster that I am, I know I have to have her. Not just because she is precious to my sworn enemy... but also because her wide blue eyes tell me things. That she's afraid of me. That she's even more afraid of my enemy. That she'll do almost anything to escape him. I seize on her fear. I abduct her, while she's screaming and fighting me. And that's when our story begins.

Punish - 3: Stolen and abducted... yet in the same stroke, saved. On one hand, I escaped certain death at the hands of people who have already hurt me. On the other, now I'm trapped with him. The rival of my abuser, who is every bit as terrifying. Dark and sinfully handsome, he wants me. He wants me to turn my back on the religion that has raised me. He wants me to spread my legs for him and him alone. He wants to punish me. He wants to teach me to like his lessons. Or else he'll kill my little sister and turn me over to the men who controlled me before. Either way, I will have to make sacrifices. Sacrifices that have lasting consequences. I walk on the knife's edge between falling prey again and completely losing myself. And if I'm not careful, I may end up worse than dead...

Possess - 4: There is something blooming between my captor and I, hot and wet and fragile. Lust. Obsession. Maybe it's even love. But there are still secrets that stand between us, looming large over whatever happiness we might find together. Dangerous secrets. Things worth killing over. If I reveal my secret to Dryas, he very well might die to protect me. The last thing I want is to confront those that hurt me without him at my side. But I might not get a choice, if Dryas has his way...

Protect - 5: I wake up in the wreckage, ready to fight for Rue. Only she is gone, stolen away by my archenemy. I start to see red. No one touches my girl and expects to live. The deck is stacked against us. Emotions are running high. There is one thing that no one else realizes, though. Rue is mine, and I will get her back if it is the last f*cking thing I do.

Despite the heated competition for colonial possessions in Papua New Guinea during the nineteenth and early twentieth centuries, the personnel required to run an effective administration were scarce. As a result, the Australian colonial regime opted for a quick solution: it engaged Papua New Guineans—often to perform the most hazardous and most unpopular responsibilities. Based on extensive interviews with former policemen, written records of the time, and reminiscences of colonial officials, this book links events involving police, villagers, and government officers (kiaps) over a forty-year period to wider issues in the colonial history of Papua New Guinea and, by extension, of the Pacific Islands and beyond. Pre-eminent wolf photographer, Jim Brandenburg, immersed himself deep in the American woods to live close to and document wild timber wolves. This book of narrative and photographs portrays the wolf's story, exploring the history and future of wolves, as well as their link with humans. Shortlisted for the Reading the West Book Award A fableistic, "beautifully crafted, poetic" debut novel of enormous power and grace about a sister trying to hold back her brother from the edge of the abyss for readers of Jesmyn Ward and Tommy Orange (The New York Times Book Review). In the tourist town of Ciudad de Tres Hermanas, in the aftermath of their mother's passing, two siblings spend a final weekend together in their childhood home. Seeing her brother, Rafa, careening toward a place of no return, Rufina devises a bet: if they can make enough money performing for privileged tourists in the plaza over the course of the weekend to afford a plane ticket out, Rafa must commit to living. If not, Rufina will make her peace with Rafa's own plan for the future, however terrifying it may be. As the siblings reckon with generational and ancestral trauma, set against the indignities of present-day prejudice, other strange hauntings begin to stalk these pages: their mother's ghost kicks her heels against the walls; Rufina's vanished child creeps into her arms at night; and above all this, watching over the siblings, a genderless, flea-bitten angel remains hell-bent on saving what can be saved. But as they grew up, Randy became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on “the other side of normal.” In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart. **MY BROTHER I LOVE YOU** Often, we fail to speak openly about our feelings, sensations and emotions with the people who are especially close to our hearts. Too often we notice this on the day when it is too late and we realize that the unspoken will be left forever. Express your feelings with a great notebook and expand your valuable relationship with your family. Excellent as a diary, notebook, photo book, journal, plan or sketchbook. It can be used for work, home, school, college or university. A perfect little gift for a very special family member. Details - matt cover - cream colored paper - lined with border - size 15,2 x 0,6 x 22,9 cm (6 x 9 inch) - 110 Pages PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services.
