The Reluctant Bridegroom Oct 22 2021 The handsome Earl of Wenham has no intention of marrying any time soon. His sister Almeria points out to Hugo that he owes it to the title and the estates to marry and produce an heir. his son should marry Lord Lavenham's daughter, Miranda. Out of respect for his father's dying promise (which he had never taken seriously), the earl sets off for Lavenham House. He is stranded by snow a few miles away from his destination and takes refuge in a local inn. He meets up with a heavily veiled, mysterious young woman, who, by her confidences to him, he realises is the elusive Miranda. To his shocking surprise, the feisty Miranda declares she will not have anything to do with someone whom she declares, "is possibly so fat and gouty, that he needs to have a wife found for him." In fact, she would rather run away with a childhood friend. Intrigued, the earl makes it his business to get to know Miranda better by inviting her to stay in London with his sister. Unfortunately, this strategy annoys his dandyish cousin Felix Barstowe who is determined that the young and healthy earl should not marry and cheat him out of his birthright. Will Felix succeed in a dastardly plan to murder his cousin?

An Arranged Marriage (The Company of Rogues Series, Book 1) May

17 2021 "Jo Beverley strains the boundaries of political correctness . . . There is no denying Ms. Beverley is a master storyteller and perhaps because of this political incorrectness she delivers a powerfully fresh stage for her story." ~Tara A. Green Ruined through her vile brother's schemes, Eleanor Chivenham is offered rescue by marriage to a rake with an infamous French mistress. Eleanor accepts, determined to treat the arranged marriage with cool dignity. Then she meets Nicholas Delaney. Not only does he stir her senses, but the trouble and pain beneath his smooth exterior reaches her heart. Nicholas is indeed troubled. While serving his country by seducing secrets out of a French spy, he is persuaded to marry Eleanor to protect his family's honor. But such chivalry runs counter to his carefully wrought rogue image, and extends the life-threatening plots shadowing him to Eleanor. To assist, Nicholas re-assembles the Company of Rogues, a schoolboy group he started years before. But not even they can dampen Eleanor's fighting wit that is quickly unmasking their enemy and testing Nicholas' formidable will. he say boring-- woman that he can parade around for a season to convince his father that he has changed his ways.
