**Walking with God** Aug 01 2020 “This is a series of stories of what it looks like to walk with God, over the course of about a year.” So begins a remarkable narrative of one man’s journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can’t I overcome those “habits” that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into

an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

Jesus: Listening for His Voice Dec 17 2021 Jesus spoke words of life and truth. How well are you listening? True listening isn't simply hearing the words of Jesus; it involves belief that results in active commitment. Throughout His earthly ministry, Jesus interacted with people from all walks of life. In every case, those individuals could choose to believe His words and reap the rewards of

faith—or resist the truth and miss out on everything that truly matters. This same choice is yours today. In this second book in a three-part study of the gospel of Mark, you can read for yourself the words of Jesus in Mark 7-13. If you then align yourself with the One who is truth, you'll experience for yourself the freedom that comes from truly listening for and following the voice of the Savior.

**Frequency** Dec 05 2020 God is speaking. Are you listening? As you open your spiritual "ears," you will learn to determine which channels God is using to broadcast his intentions. Discover how to discern his specific versus his general voice, recognize the multiple ways he communicates, and draw closer to him by reading his Word. As believers in Jesus Christ, we naturally want to know how we can hear God's voice. Does God speak? Is He speaking to you? The good news is, yes, He is speaking. And like a radio host broadcasting His voice into the airwaves, God speaks all the time. The question is, are we tuned in to the right frequency? God communicates with us in multiple ways, whether through the Bible, through circumstances, or even through a whisper. Pastor Robert Morris demonstrates how we can grow in our faith, maturing from sheep hearing His voice to hearing it as His friend or even as a prophet. When we begin to understand the general and specific ways God speaks to us, then we can begin to cultivate a life of deeper connection with our Creator. In *Frequency*, you will: Gain a better understanding of how to recognize God's voice Discern the general voice of God from the specific voice of God Grow in your relationship with the Lord by

developing consistent time in His Word Value the voice of the Lord and enjoy drawing closer to your Creator Frequency will demystify the process of hearing God and take you to a new level in your faith.

**Everyday Voice Care** Apr 08 2021 (Book). The human voice expresses more than words, more than music. Vocal expression links the listener directly to another person's inner feelings, body, and soul. Keeping the voice healthy used to be as mysterious as the power of voice itself. Modern science has revealed much about the vocal mechanism and its health requirements, but simple information for the average voice user has remained hard to find and harder to trust. In *Everyday Voice Care: The Lifestyle Guide for Singers and Talkers*, respected voice therapist Joanna Cazden brings together a wealth of practical tips and advice to help keep your own expressive voice in top working order. Drawing from her experience as a singer, theater artist, and a licensed speech pathologist who has treated more than 1,000 voice patients, Cazden integrates up-to-date medical information with common-sense suggestions and sympathy for the demands of contemporary life. Chapters on food and drink, cold remedies, loud parties, travel, fitness routines, and when to see a doctor are complemented by notes on alternative health care and the spiritual dimension of vocal rest. This invaluable resource for voice and speech professionals, students, and teachers will answer even the age-old question of whether to put lemon or honey in your tea.
