And the marriages in your church need help. Many pastors feel ill-equipped to handle the challenges that arise when a couple is going through marital difficulties. They feel lost and inadequate. What do you say? What counsel do you offer? Should I say anything or just listen? Do I schedule a follow-up appointment? Do I ask questions? What questions? If you are or have been in this situation before, this book offers you a practical guide to get started with the first sessions and then offers specific guidance on nine of the most common topics that come up in marriage counseling. Author and pastor Jonathan Holmes offers a solid, biblical theology and methodology to help you navigate through the world of marriage counseling with the fundamental conviction that God's word is powerful enough to address the deepest of marital issues, and robust enough to handle whatever might come your way. In each chapter, you'll meet a new couple dealing with a different issue, much like the people in your church, office, and neighborhood. Here, the therapist will also learn how to help clients decide whether or when to get married, how to help couples deal with the stress and issues brought on by wedding planning—and how to work with couples whom the therapist thinks might be better off not getting married.
