The Finnish Way Jul 15 2021 An engaging and practical guided tour of the simple and nature-inspired ways that Finns stay happy and healthy--including the powerful concept of *sisu*, or everyday courage

Forget *hygge*--it's time to blow out the candles and get out into the world! Journalist Katja Pantzar did just that, taking the huge leap to move to the remote Nordic country of Finland. What she discovered there transformed her body, mind and spirit. In this engaging and practical guide, she shows readers how to embrace the "keep it simple and sensible" daily practices that make Finns one of the happiest populations in the world, year after year. Topics include: Movement as medicine: How walking, biking and swimming every day are good for what ails us--and best done outside the confines of a gym Natural mood boosters: Cold water swimming, steamy saunas, and other ways to alleviate stress, anxiety, insomnia, and depression Forest therapy: Why there's no substitute for getting out into nature on a regular basis Healthy eating: What the Nordic diet can teach us all about feeding body, mind and soul The gift of *sisu*: Why Finns embrace a special form of courage, grit and determination as a national virtue - and how anyone can dig deeper to survive and thrive through tough times. If you've ever wondered if there's a better, simpler way to find happiness and good health, look no further. The Finns have a word for that, and this empowering book shows us how to achieve it.

Rocks, Paper, Memory Oct 06 2020 This catalogue documents an exhibition at the Kelsey Museum of Archaeology of watercolor paintings by American artist Wendy Artin and selected objects from the Museum's permanent collections. Wendy Artin has been working for over a decade on a series of watercolors of ancient Greek and Roman sculptures and related subjects. She is thus a fresh presence in a long line of artists who draw inspiration from antiquity. Indeed, this tradition has very ancient precedents. The exhibition and catalogue place a selection of 47 of Artin's paintings--including landscapes and figure paintings as well as images of ancient sculptures--in dialogue with 14 objects drawn from the Kelsey's collections, among them works of Greek art inspired by Egyptian precedents, examples of Roman imperial portraits that were copied in numerous media for circulation around the empire, and reproductions of the same figure types featured in some of Artin's paintings (such as Aphrodite Rising from the Sea). Wendy Artin's masterful watercolors offer new and arresting ways of looking at ancient sculptures and buildings--and of remembering the classical past.
