She might be killed by the bomb strapped to her chest, but she wasn't going to bring anyone else down with her. Living in Southern California, Cheyenne was used to seeing hot military men as she went about her daily business. An anonymous encounter at the grocery store cemented her crush on one such man. He was big, built, and incredibly easy on the eyes, but it wasn't as if he would ever really notice her. Always in control of any situation, Faulkner "Dude" Cooper knows explosives. As a bomb expert, he's lived through many high pressure situations. Disfigured by a bomb while on a mission, he's used to being looked at with pity. When he's called to a local supermarket to assist the local PD, the last thing he expects to find is a generous act of kindness performed by a beautiful, amazing woman. Enchanted by her selflessness in the face of danger and intrigued by her actions to save civilians she didn't know, Dude's hooked. Dude was able to save Cheyenne from the group of thugs trying to take her life, but when the past comes back to haunt them both, sometimes having the knowledge and the desire isn't enough to beat the countdown of the clock. **Protecting Cheyenne is the 5th book in the SEAL of Protection Series. The heat was staggering and she began to feel light headed. But she wasn't leaving without him. Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after. **Protecting Alabama is a stand-alone love story. A love that spans the test of time...from their first meeting, to their wedding, to when they're old and gray, Wolf and Caroline have a relationship to be envied. Start the saga of Caroline and Wolf with Protecting Caroline. The Navy SEAL is seated next to the quiet woman on a plane, and finds out she's much more than meets the eye. Caroline discovers exactly how strong she is when terrorists target her not once, not twice, but three times. The duo overcomes extreme odds to beat the terrorists and find their happily ever after. In Marrying Caroline the pair has settled down and is looking forward to their beautiful wedding, but with their luck, things can never go off without a hitch. And lastly, in the hauntingly moving story, The Boardwalk, learn exactly what the term, "true love" means and how far one man will go to protect the woman he loves. Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone love story. It's Book 1 in the SEAL of Protection Series.** A family divided, a country going to war, and a girl desperate to feel at home converge in this stunning novel in verse. His new queen is on the throne at King Henry's command, but the personal cost is too high. Nicòla Frescobaldi is lying dead inside the Medici tomb in Florence, and Cromwell's only daughter Jane is missing. Now, the people of England have rebelled against their king, marching to London to start a civil war. Cromwell needs his friends, allies and the king's favour more than ever, but he can do nothing when Queen Jane dies giving England its son and heir. Cromwell's son has married the Queen's sister, but the Seymours will disappear from favour if Cromwell does not eliminate all those able to take their place. There is only one solution; become Queenmaker yet again and find a foreign princess for Henry, one to seal religious change and create stability in the war of Catholic against Protestant. Nicòla Frescobaldi may be dead, but Duchess Nicòletta of Florence is not, so Cromwell and his creature can rule politics again to control England and Ireland. But when war with the Holy Roman Empire threatens, all of Cromwell's powers, titles and schemes cannot save him from his oldest enemy in England, and a betrayal deep in the heart of the powerful Cromwellian faction. With her signature style and skill, Susan Wiggs delivers an intricate patchwork of old wounds and new beginnings, romance and the healing power of friendship, wrapped in a lovely little community that's hiding a few secrets of its own." --- Lisa Wingate, New York Times Bestselling author of Before We Were Yours The #1 New York Times bestselling author brings us her most ambitious and provocative work yet—a searing and timely novel that explores the most volatile issue of our time—domestic violence. At the break of dawn, Caroline Shelby rolls into Oysterville, Washington, a tiny hamlet at the edge of the raging Pacific. She's come home. Home to a place she thought she'd left forever, home of her heart and memories, but not her future. Ten years ago, Caroline launched a career in the glamorous fashion world of Manhattan. But her success in New York imploded on a wave of scandal and tragedy, forcing her to flee to the only safe place she knows. And in the backseat of Caroline's car are two children who were orphaned in a single chilling moment—five-year-old Addie and six-year-old Flick. She's now their legal guardian—a role she's not sure she's ready for. But the Oysterville she left behind has changed. Her siblings have their own complicated lives and her aging parents are hoping to pass on their thriving seafood restaurant to the next generation. And there's Will Jensen, a decorated Navy SEAL who's also returned home after being wounded overseas. Will and Caroline were forever friends as children, with the promise of something more . . . until he fell in love with Sierra, Caroline's best friend and the most beautiful girl in town. With her modeling jobs drying up, Sierra, too, is on the cusp of reinventing herself. Caroline returns to her favorite place: the sewing shop owned by Mrs. Lindy Bloom, the woman who inspired her and taught her to sew. There she discovers that even in an idyllic beach town, there are women living with the deepest of secrets. Thus begins the Oysterville Sewing Circle—where women can join forces to support each other through the troubles they keep hidden. Yet just as Caroline regains her creativity and fighting spirit, and the children begin to heal from their loss, an unexpected challenge tests her courage and her heart. This time, though, Caroline is not going to run away. She's going to stand and fight for everything—and everyone—she loves. Josh is a twelve-year-old with dyslexia who spends the summer on a remote island in Maine with his teasing older brother Simon and grandparents he hardly knows. He spends the worst and the best summer of his life on Seal Island, far out to sea off the coast of Maine. At the intersections of early modern literature and history, Shakespeare and Women's Studies, Midwiving Subjects explores how Shakespearean drama and contemporary medical, religious and popular texts figured the midwife as a central producer of the body's cultural markers. In addition to attending most Englishwomen's births and testifying to their in extremis confessions about paternity, the midwife allegedly controlled the size of one's tongue and genitals at birth and was obligated to perform virginity exams, impotence tests and emergency baptisms. The signs of purity and masculinity, paternity and salvation were inherently open to interpretation, yet early modern culture authorized midwives to generate and announce them. Midwiving Subjects, then, challenges recent studies that read the midwife as a woman whose power was limited to a marginal and unruly birthroom community and instead uncovers the midwife's foundational role, not only in the rituals of reproduction, but in the process of cultural production itself. As a result of recent changes in managed healthcare and of increased attention to uncovering histories of women's experiences, midwives - past and present - are currently a subject of great interest. This book will appeal to readers interested in Shakespeare as well as the history of women and medicine. Where does Cat live, and who can lead the way there? A lyrical, charmingly offbeat tale about wanderlust and family, rescue and finding home. On a roof, as wet as a seal, as gray as a puddle, Cat was rumbling, a rumble purr. What will lure Cat down? Feather boas? Pretty pink shoelaces? A boatful of fish under a tiny tin sail? Maya finally succeeds, only to watch Cat jump on the roof again, above a thousand lit windows, one of which must be Cat's own. As the rain keeps coming down, how can Maya help Cat find its home? With whimsical watercolors both fluid and full of expression, Caroline Magerl portrays a child on a mission and an adventurous cat who keeps its mysteries as quiet as its paws in a story that follows a kindly impulse to an unexpected conclusion. Get the first three books in the SEAL of Protection Series (plus the bonus novella, Marrying Caroline) in a convenient low-priced package today. Over 600+ pages for suspense and hot Navy SEALs. Book 1: Protecting Caroline Find out how the NYT Bestselling Series got started. Caroline gets on a plane and never expects it to change her life...after helping to save the lives of everyone on board, she spends a few days with the Navy SEAL who was beside her every step of the way. Now the terrorists are after her...will Wolf and his team make it back to save her life? Book 2: Protecting Alabama: Abe meets the woman of his dreams in the middle of a raging fire. Alabama is damaged from her horrible childhood. See how Abe woos the woman for him and then how he screws it up. Can Alabama get past what Abe did? Can Abe make amends to Alabama? Book 3: Protecting Fiona: Fiona has been rescued after being kidnapped and held in Mexico. The SEAL team, with Hunter, AKA "Cookie" rescues her and brings her back to the States. She has some healing to do, and even though she's free, sometimes that isn't enough to keep the demons at bay. Book 3.5, Marrying Caroline (novella): Caroline and Wolf had a wild start to their relationship...plane hijacking, kidnapping, attempted drowning, and a terrorist plot foiled. Now things have calmed down and a wedding is in the works for the couple. By enlisting the help of Wolf's teammate, Cookie, Caroline is immersed in plans for her dream wedding. Of course, with their luck, things can never go off without a hitch. Sweat clung to every inch of her body and her legs were aching. But after the hell she'd been through, she welcomed the pain. Cookie "Hunter" Knox was good at his job, infiltrating behind enemy lines was one of his specialties. His SEAL team relied on him to do his job, just as he relied on them to do theirs. Ever since two of his teammates found a woman that completed them, their dangerous Ops seemed a bit more intense. Cookie knew if he had a woman who belonged to him, he'd never let her go. Little did he know the SEAL team's latest mission to Mexico would change his life forever. Fiona Storme resigned herself to the fact that it was highly unlikely she would make it out of the jungle alive. Kidnapped by human traffickers, abused, and without family or friends looking for her, Fiona knew wishing for rescue was as realistic as having a big, juicy hamburger fall from the sky. Unbeknownst to Fiona, the SEAL team, including Cookie, were on the way, but their assignment didn't consist of rescuing her. **Protecting Fiona is the 3rd book in the SEAL of Protection Series. It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Riveting action and characters you'll love!" A Belletrist Book Club Selection Named a Best Book of 2020 by goop, ELLE and Vanity Fair Named a Most Anticipated Book of 2020 by The Millions. Lit Hub, Marie Claire An exhilarating novel about a group of students who take revenge on a wunderkind professor after she desecrates one of their own-- a story of collective drive to create, sabotage, and ultimately, to love. It doesn't take long for the students on Fielding campus to become obsessed with Hannah, Leslie and Jimmy. The three graduate students are mysterious, inaccessible, and brilliant. Leslie, glamorous and brash, has declared that she wants to write erotica and make millions. Hannah is quietly confident, loyal, elegantly beautiful, and the person they all want to be; and Jimmy is a haunted genius with no past. After Simone - young, bestselling author and erstwhile model - shows up as a visiting professor, and after everything that happened with her, the trio only become more notorious. Love. Death. Revenge. These age-old tropes come to life as the semesters unfold. The threesome came to study writing, to be writers, and this is the story they've woven together: of friendship and passion, of competition and envy, of creativity as life and death. Now, they submit this story, We Wish You Luck, for your reading pleasure. Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after. As long as at the end of the day, she was wearing his ring, she didn't care how it happened. Caroline and Wolf had a wild start to their relationship...plane hijacking, kidnapping, attempted drowning, and a terrorist plot foiled. Now things have calmed down and a wedding is in the works for the couple. By enlisting the help of Wolf's teammate, Cookie, Caroline is immersed in plans for her dream wedding. Of course, with their luck, things can never go off without a hitch. Join Alabama and Abe, Cookie and Fiona, as well as the rest of the SEAL team, as Caroline and Wolf start the rest of their life together. **Marrying Caroline is book 3.5 in the SEAL of Protection Series. Using one of the most famous works in classical music—Beethoven's Fifth Symphony—here is the perfect way to introduce a young child to the world of classical music. This charming and interactive picture book with its panel of 19 sound buttons is like a ticket to a concert hall, taking readers on a journey from the exciting first moment when the musicians begin tuning up to the end of the first movement (attention newcomers: don't clap yet!). At each step of the way, readers learn the basics of classical music and the orchestra: What is a conductor? What is a symphony? Who was Beethoven? The different aspects of music: melody, harmony, tempo, theme. And the families of instruments—strings, woodwinds, brass, and percussion. But the best part is that every critical idea is illustrated in gorgeous sound. The sound panel allows readers to hear the different parts of the symphony and voices of the music—the famous beginning of the Fifth, what a clarinet sounds like, the difference between a violin and a viola, what a melody is, and what harmony is. Kids will want to match their voices to the A note that tunes the orchestra, dance to the rhythmic passages—and, of course, sing along to da-da-da-daah! For fans of Cheryl Strayed, the gripping story of a biologist's human-powered journey from the Pacific Northwest to the Arctic to rediscover her love of birds, nature, and adventure. During graduate school, as she conducted experiments on the peculiarly misshapen beaks of chickadees, ornithologist Caroline Van Hemert began to feel stifled in the isolated, sterile environment of the lab. Worried that she was losing her passion for the scientific research she once loved, she was compelled to experience wildness again, to be guided by the sounds of birds and to follow the trails of animals. In March of 2012, she and her husband set off on a 4,000-mile wilderness journey from the Pacific rainforest to the Alaskan Arctic, traveling by rowboat, ski, foot, raft, and canoe. Together, they survived harrowing dangers while also experiencing incredible moments of joy and grace -- migrating birds silhouetted against the moon, the steamy breath of caribou, and the bond that comes from sharing such experiences. A unique blend of science, adventure, and personal narrative, The Sun is a Compass explores the bounds of the physical body and the tenuousness of life in the company of the creatures who make their homes in the wildest places left in North America. Inspiring and beautifully written, this love letter to nature is a lyrical testament to the resilience of the human spirit. Winner of the 2019 Banff Mountain Book Competition: Adventure Travel A Companion to Seals in the Middle Ages is a cross-disciplinary collection of fourteen essays on medieval sigillography. It is organized thematically, and it emphasizes important, often cutting-edge, methodologies for the study of medieval seals and sealing cultures. Winner of the 2020 Drue Heinz Literature Prize Exploring what it means to be human through the Korean diaspora, Caroline Kim's stories feature many voices. From a teenage girl in 1980's America, to a boy growing up in the middle of the Korean War, to an immigrant father struggling to be closer to his adult daughter, or to a suburban housewife whose equilibrium depends upon a therapy robot, each character must face their less-than-ideal circumstances and find a way to overcome them without losing themselves. Language often acts as a barrier as characters try, fail, and momentarily succeed in connecting with each other. With humor, insight, and curiosity, Kim's wide-ranging stories explore themes of culture, communication, travel, and family. Ultimately, what unites these characters across time and distance is their longing for human connection and a search for the place—or people—that will feel like home. In the vein of psychological thrillers like We Were Liars and One of Us Is Lying, bestselling and Edgar Award nominated author Caroline Cooney's JANIE series seamlessly blends mystery and suspense with issues of family, friendship and love to offer an emotionally evocative thrill ride of a read. No one ever really paid close attention to the faces of the missing children on the milk cartons. But as Janie Johnson glanced at the face of the ordinary little girl with her hair in tight pigtails, wearing a dress with a narrow white collar—a three-year-old who had been kidnapped twelve years before from a shopping mall in New Jersey—she felt overcome with shock. She recognized that little girl—it was she. How could it possibly be true? Janie can't believe that her loving parents kidnapped her, but as she begins to piece things together, nothing makes sense. Something is terribly wrong. Are Mr. and Mrs. Johnson really her parents? And if not, who is Janie Johnson, and what really happened? How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone love story. Seals by nature are elusive and difficult to see in the wild; yet they are immensely popular, perhaps because they are so graceful and have some surprisingly human qualities, or perhaps it is because they are free to move between our world above the ocean's surface and an alien world beneath the waves. Well, the seals in this little gift book have been caught in some of their less-than-graceful moments. Over seventy color photos capture seals just doing their thing; and short, pithy phrases tell you just what these seals would say if they could only talk! Living with her father in a nature preserve in Portland, Oregon, thirteen-year-old Caroline only merges with the civilized world once a week when they go into the city, but an encounter with a backcountry jogger derails their entire existence.
