developments about the Lucknow Metro which
celebrated its anniversary recently. Our
scope is very genuine and we are hopeful
that this magazine will surely be able to

connect different stakeholders of the Metro and Rail sectors. Although we haven't much focused on the traditional Rail networks, we continue to provide a deep insight into the developments of the new Rail technologies and the changes which make the sector fast-growing. We have covered the interviews of Kumar Keshav, Managing Director, UPMRC and Anil Munjal, CEO, Riello Power India. The two people have made a huge success in their respective fields and we have brought the insights directly from the industry.
