**Demonizing the Queen of Sheba** Nov 01 2020 Over the centuries, Jewish and Muslim writers transformed the biblical Queen of Sheba from a clever, politically astute sovereign to a demonic force threatening the boundaries of gender. In this book, Jacob Lassner shows how successive retellings of the biblical story reveal anxieties about gender and illuminate the processes of cultural transmission. The Bible presents the Queen of Sheba's encounter with King Solomon as a diplomatic mission: the queen comes "to test him with hard questions," all of which he answers to her satisfaction; she then praises him and, after an exchange of gifts, returns to her own land. By the Middle Ages, Lassner demonstrates, the focus of the queen's visit had shifted from international to sexual politics. The queen was now portrayed as acting in open defiance of nature's equilibrium and God's design. In these retellings, the authors humbled the queen and thereby restored the world to its proper condition. Lassner also examines the Islamization of Jewish themes, using the dramatic accounts of Solomon and his female antagonist as a test case of how Jewish lore penetrated the literary imagination of Muslims. Demonizing the Queen of Sheba thus addresses not only specialists in Jewish

and Islamic studies, but also those concerned with issues of cultural transmission and the role of gender in history.

*The Queen of Sheba* Feb 28 2023 The visit which the Queen of Sheba made to King Solomon remains one of the most fascinating stories in sacred or secular literature. It has its orthodox origins in two parallel narratives in the Old Testament and in the Qur'an. It has also pursued a colourful life of its own however, in the oral and historical literary traditions of the Near and Middle East.

Come Back, Little Sheba Aug 22 2022 William Inge's famous story of marital frustration which erupts in violence. Doc and Lola had an indiscreet affair, she became pregnant and, compelled to marry her, he gave up his medical studies, forfeited his future and settled down to a life of quiet desperation with the simple, homey Lola, who lost the child but has remained Doc's steadfast if slatternly wife. Now a chiropractor and recovering alcoholic, Doc's sobriety is tested when Marie, a young college student becomes their boarder bringing new life and long-dormant hostilities to the surface of Doc and Lola's troubled marriage.

*Hatshepsut, Queen of Sheba* Aug 10 2021 Over the centuries the

figure of the Queen of Sheba has loomed large in poetry and romance. The mysterious Queen, who is said to have visited Solomon in Jerusalem, has cast her spell over poets, painters and storytellers of many lands. The people of Ethiopia have always claimed her as her own, and to this day boast that her son Menelik ? fruit of the union between the Queen and Solomona? stole the Ark of the Covenant from the Temple in Jerusalem after Solomon's death. For all that, historians have been more sanguine, and increasingly over the past century the academic community has veered towards consigning both royal characters to the fairyland of myth and romance. In 1952, however, Immanuel Velikovsky made an astonishing claim: He announced that not only did the Queen of Sheba exist, but that she left numerous portraits of herself as well as an account of her famous journey to Israel. The Queen of Sheba, Velikovsky announced, was none other than Hatshepsut, the female ?pharaoh? of Egypt, who built a beautiful temple outside Thebes on the walls of which she immortalized the most important event of her life: an expedition to the Land of Punt. Punt, said Velikovsky, was one and the same as Israel. In this volume historian Emmet Scott brings forward dramatic new evidence in support of Velikovsky. He finds, among other things, that: - Ancient Israel, just like Punt, was a renowned source of frankincense.a - Egyptian documents, generally ignored in academic circles, unequivocally place Punt in the region of Syria/Palestine.a - The goddess Hathor was known as the "Lady of Punt, " but she was also known as the "Lady of Byblos". - The Egyptians claimed to be of Puntite origin, but Jewish and Phoenician legends claimed that the Egyptians came from their part of the world, and the Phoenicians named Misor - almost certainly the same as Osiris - as the Phoenician hero who founded the Nile Kingdom. This, and a wealth of additional evidence, has, Scott argues, shifted the burden of proof onto Velikovsky's critics; and the identification of Hatshepsut with the Queen of Sheba will eventually compel the rewriting of all the

history books. Joyce Tyldesley's "Hatchepsut" deals with the same character, but from an entirely conventional viewpoint. She never even raises the possibility that the accepted chronology of Hatshepsut's life may be wrong. In his "Ages in Chaos, " however, Immanuel Velikovsky did raise this possibility, and was the first to suggest that Hatshepsut be identified with the Queen of Sheba. Velikovsky's work remains extremely popular, and the present book aims to take his ideas forward, exploring new evidence that has come to light since his death. This new evidence, Scott argues, puts the equation of Hatshepsut with the Queen of Sheba virtually beyond doubt."

Daughter of the Queen of Sheba Nov 13 2021 The journalist describes her work as a foreign correspondent and the close relationship she had with her mother, who suffered from manic depression and was often deluded and convinced she was Marie Antoinette or the Queen of Sheba.

*The first (second) book of Samuel, with notes and intr. by A.F. Kirkpatrick* Mar 05 2021

**Imagining' Biblical Worlds** Jun 08 2021 The essays in this volume address the interface between biblical studies, archaeology, sociology and cultural anthropology, celebrating the pioneering work of James Flanagan. In particular, this collection explores various ways in which the real ancient world is constructed by the modern critical reader with the aid of various theoretical and practical tools. The contributors to this volume have all been involved with Flanagan and his projects during his academic career and the essays carry forward the important interdisciplinary agendas he has encouraged. Part One deals with his recent interest in spatiality and Part Two with social and historical constructs. This book in James Flanagan's honour represents a significant statement of research in an area of biblical and historical research that is increasingly important yet surprisingly under-represented.

*Wisdom's Daughter* Jan 15 2022 This is the tale of Bilqis, the

Queen of Sheba, who rules the spice lands and bows before the will of the Goddess. This is the tale of Solomon, the King of Israel and Judea, who built the golden temple to Yahweh in Jerusalem. Once he prayed that he might rule wisely. This is the tale of Solomon's wives, of his concubines ... and of his daughter Baalit, more beloved than any son. Here are their voices, their mysteries, and their deepest secrets. Here they sing their songs and weave their tapestries. As the queen's search for a true heir to her throne takes her to the court of the wisest man in the world, both she and the king learn how to value truth, love, and duty...and the king's daughter learns that not all the world is ruled by men. Wisdom's Daughter is a vivid and richly textured rendition of the biblical tale of King Solomon and the Queen of Sheba. Told in a tapestry of voices that ring with authenticity, Wisdom's Daughter profoundly reveals the deep ties among women in a patriarchal world.

**Sheba** Nov 25 2022 In an adventure that is part history, part travelogue, Clapp sets out on a quest to find the Queen of Sheba one of the most mysterious figures of the past. Everyone knows her name, but few know more about her than that she journeyed to see wise King Solomon. 8-page insert.

*The Last Queen of Sheba* Jul 21 2022 Against all odds Makeda, daughter of an obscure African chieftain, is chosen as Queen of

all Sheba. Recognising her own inexperience, yet desperately wanting to address Sheba's appalling and deep-rooted social injustice, she is persuaded by her cousin Tamrin, a wealthy merchant and narrator of the novel, to visit Solomon, King of Israel, to discover how he governs his kingdom. She is hugely impressed by Israel's general prosperity, by the wisdom and integrity with which Solomon rules, and by the Hebrew religion, which she adopts. However, all is not as it seems. Solomon, trapped in a childless, loveless, marriage, is entranced by the beautiful and intelligent African princess. While she returns to her homeland, determined to put what she has learned into practice, the splendid King of Israel starts to lose his way :

*The Queen of Sheba* Dec 02 2020 In *The Queen of Sheba*, the traveller comes home. These are poems of Scotland and beyond. At times darker than her earlier work, *The Queen of Sheba* is rich with life and boldly self-aware. Poetry Book Society Recommendation. The poems from *The Queen of Sheba* were later reprinted in *Mr and Mrs Scotland Are Dead: Poems 1980-1994*.

**Notes on a Scandal** Apr 30 2023 Shortlisted for the Man Booker Prize Zoë Heller's *Notes on a Scandal* ("A deliciously perverse, laugh-out-loud-funny novel." --Vogue) is a major motion picture from Fox Searchlight starring Cate Blanchett and Judi Dench Schoolteacher Barbara Covett has led a solitary life until Sheba Hart, the new art teacher at St. George's, befriends her. But even as their relationship develops, so too does another: Sheba has begun an illicit affair with an underage male student. When the scandal turns into a media circus, Barbara decides to write an account in her friend's defense--and ends up revealing not only

Sheba's secrets, but also her own.

**The Calcutta Weekly Notes** Jun 27 2020

*I Chronicles 1-9* Jan 23 2020 In his latest addition to the esteemed Anchor Bible Commentaries, scholar Gary Knoppers examines one of the most neglected books of the Old Testament and established its importance as a key to understanding the nation of Israel. Who were the Israelites? Was Israel's first king, Saul, a hero or a disaster? Was David a gifted and accomplished leader or a murderer and a cheat? Did Solomon preside over the most glorious epoch in Israelite history or did he lead the nation into a fateful decline? In *I Chronicles*, the distinguished scholar Gary Knoppers addresses these questions through a thoughtful and exacting reading of one of the last books of the Hebrew Bible. He shows that *Chronicles*, which contains a variety of viewpoints on the major events and people, provides a distinct perspective on much of Israel's past, especially the monarchy. He discusses how the chronicler's introduction to the people of Israel redefines Israel itself; explains and defends the transition from Saul to David; and shows how the Davidic-Solomonic monarchy was not only a time of incomparable achievement and glory, but also the period during which the nation's most important public institutions -the Davidic dynasty, the Jerusalem Temple, the priests, and the Levites--took formative shape. *I Chronicles*, part of a two-volume set, is the first to employ systematically the Dead Sea Scrolls to reconstruct the biblical author's text. Knoppers reveals how *Chronicles* is related to and creatively drawn from many earlier biblical books, and presents a fascinating look at its connections, in both compositional style and approach, to the historical writings of ancient Mesopotamia and classical Greece. Featuring a new translation and an extensive introduction that incorporates up-to-date research, this volume replaces the Anchor Bible *I Chronicles* commentary written by Jacob Myers in 1965. *The Bible Atlas of Maps and Plans to Illustrate the Geography and Topography of the Old and New Testaments and the Apocrypha*

Sep 11 2021

Sheba's Daughters Dec 14 2021 Exploring how the depiction of otherness or alterity during the Middle Ages became problematic in the aesthetics of the Romance epics written during the centuries of the Crusades, this book offers a vital contribution to the growing interest in the way foreign women are presented in the texts of the Latin West and will be of consuming interest to students in women's studies, cultural studies, and medieval literature. The texts considered are written in the major European languages of the time and range from the Song of Songs through Geoffrey of Vinsauf's *Poetria Nova* to such epics and romances as *Erec et Enide*, *Doon de Maience*, *Fierabras*, *La Prise d'Orange*, *Ars Versificatoria*, *The Sowdone of Babylone*, and *Parzifal*.

**The Queen of Sheba (Ebook Shorts) (The Loves of King Solomon Book #4)** Jul 29 2020 The Queen of Sheba has unparalleled power and wealth, but when King Solomon offers her the one thing her heart still desires, what will she risk to obtain it?
