A one-of-a-kind collection of rare writings from one of the world's foremost spiritual leaders and thinkers. For the first time, the three hard-to-get volumes known as The Ernest Holmes Papers will be published in one volume. Transcripts of talks that Ernest Holmes gave over his career, The Ernest Holmes Papers contains Holmes's wisdom on prayer, life, prosperity, and God. Used by thousands of spiritual students around the world in previous editions, this first-ever omnibus edition will contain a new introduction from Dr. Kenn Gordon, spiritual leader of the Centers for Spiritual Living. The three volumes that are being included in this one volume are The Philosophy of Ernest Holmes, Anatomy of Healing Prayer, and Ideas of Power. Constance's mother groomed her to be a wife--meek, submissive, a perfect representation of her man--and she has mastered the art. In fact, following her mother's example landed her an ambitious attorney, with a promising future in politics. No, she isn't head over heels in love, but love isn't nearly as important as being a flawless wife for the perfect man, especially when her biological clock is ticking on fast forward. Everything, from her striking beauty, thriving business, and flourishing relationship, earns the admiration and envy of her social circle, yet Constance secretly desires something more, something different. She envies her friends for what she can't seem to achieve and yearns for the one who got away--with a wife and a baby. When she meets a handsome stranger at her father's church, she begins to redefine her predisposed notions of love and happiness, but is she willing to risk everything she's worked for on a gamble? Before discovering the answer, Constance finds herself entangled in a salacious web of sex, lies, and deceit, leaving her questioning her faith and wondering if she will live to see another day. Dorothy Lee is best remembered for her screen appearances with the popular comedy team of Bert Wheeler and Robert Woolsey. She went from being a struggling vaudeville performer to the female vocalist in one of the most successful bands in the country to a star in the new-fangled "talking pictures" all within the span of a few short years. During the Great Depression, she lived a fairy-tale existence, rubbing shoulders with Hollywood luminaries and earning an income that most people could only dream of. She retired and balanced domestic life with charity work. And she saw, to her amazement, a revived interest in the movie career she had written off long ago. Based on years of conversations between the authors and Dorothy Lee, this book is an informative biography filled with revealing insights on navigating the studio system during Hollywood's Golden Age and the ephemeral nature of fame. **Love vs. Anything That Isn't** is about remembering why we are here. In a world focused on material success and so enamored of distraction, there seems to be little time to foster and maintain a conscious awareness of the higher reasons for life. Drawing a parallel between Love and what is conventionally thought of as God, **Love vs. Anything That Isn't** seeks to help us remember that the experience of our God-given peace as a way of being is available to all of us at all times. **Love vs. Anything That Isn't** is about looking at life's challenges in a different way. Everything happens for a reason; we are here to learn and to grow, and that is all there is to it. Life is a game, but it is a game with a serious purpose: to become closer to the unknowable force we call God

via the experience of Love. We are to strive to ascend as high as we can through this simple awareness. It's not that hard; it is within us always. The prize for such awareness is grand--the seemingly ever elusive inner peace. Making life much harder than it needs to be seems to be a ubiquitous human trait. In a society based on fear and the worship of so much that isn't necessary or even real, it is easy to become lost. Love vs. Anything That Isn't serves as a guide and source of inspiration to help bring us back to what is real, the place where true peace and meaningful happiness arise. Love vs. Anything That Isn't maintains that we learn what Love is by experiencing the pain of all it is not--pain, suffering, disease, hatred, violence, and war. To come home to the Love we are is to become whole again. To come home to the Love we are is to be healed. Here's the first book in the hilarious Moxy Maxwell series, which includes *Moxy Maxwell Does Not Love Writing Thank-you Notes* and *Moxy Maxwell Does Not Love Practicing the Piano*. It wasn't as if Moxy hadn't tried to do her summer reading. She and Stuart Little had been inseparable all summer, like best friends. If Stuart Little wasn't in her backpack, it was in her lap . . . or holding up the coffee table . . . or getting splashed when Moxy went swimming. But now it's the end of August--the day before fourth grade. And if Moxy doesn't read all of Stuart Little immediately, there are going to be "consequences." It may look like Moxy is doing nothing, but actually she is very busy with a zillion highly crucial things--like cleaning up her room (sort of) and training her dog and taking a much-needed rest in the hammock. Just look at the pictures her twin brother Mark takes to document it all--they're scattered throughout--and you'll see why it's so difficult to make time for a book about a mouse. Of course our heroine does manage to finish her book, falling so in love with it that she finds herself reading under the covers with a flashlight, late into the night. Samantha's second year of college started with heartbreak and betrayal. Lost, lonely, and robbed of all joy, she'd completely given up on ever finding love again when a chance encounter put her in contact with the man who would change her life. Tony never believed in love at first sight until he laid eyes on Samantha. But within moments of meeting her, he knew without a doubt that she was the woman he was put on this earth to love. There was only one problem: Angela, his girlfriend of five years. Tony doesn't want to hurt Angela, with whom he shares a rich history, but his connection to Samantha is undeniable. Angela, however, is not about to let the love of her life go without a fight. When desperation takes a tragic turn, a chain of events unfolds that changes the course of all three of their lives forever. It is a heartbreaking tale of true love, terrible timing, impossible choices, and how you find the strength to go on when you discover that, sometimes, love just isn't enough... A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better. In *If It Hurts, It Isn't Love*, author Chuck Spezzano finds truth in simple insights: What I think I need is what I am called to give. Depression is the fear that something new will leave me. When someone gets angry at me, there is a lesson for me to learn. Jealousy is a birthing place. These principles show how to look afresh at one's most

important relationships, in a way that heals pain and brings love and forgiveness. After each principle, the author gives brief exercises that nudge readers further, prompting them to absorb the insights even more deeply. If it Hurts, it isn't Love first came to media attention when Princess Diana gave an underlined and personally annotated copy of it to a friend. Its wise and inspiring principles clearly touched a chord with her - as they have many others in the previous edition. It is Chuck Spezzano's aim, through this book, to bring everyone the love and happiness they deserve. iLast Radio Host Mz DeeVa's new book 'Great Sex Is Not Love...And Never Will Be'Reading the title and viewing the cover, you can get a sense of what the book will be about, yet as the age old saying goes 'Never judge a book by it's cover!' As you go from page to page you will take the journey along with this phenomenal woman, through her turbulent 'love' experiences, as well as gain a better understanding of one of the world's most complex, yet amazing, women. #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives. "A beautifully written and well-researched cultural criticism as well as an honest memoir" (Los Angeles Review of Books) from the author of the popular New York Times essay, "To Fall in Love with Anyone, Do This," explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, "Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation" (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists' research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she'd read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. "Perfect fodder for the romantic and the cynic in all of us" (Booklist), How to Fall in Love with Anyone flips the script on love. "Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship" (The Toronto Star). This book of love is not about the fairytales. It is about Love's fragility, it's fatefulness and fleeting nature. Love, like life, is temporary. This collection is a tribute to the raw feelings we endure, in happiness and in despair, in hope and in fear, in strength and in struggle that take over

our senses when we experience one or more of Love's many layers. It is through these seasons of life, the light and the dark, that Love presents itself. For embedded in Love's many forms - romantic love, familial love, friendship, loss, compassion and self-love - we find sources of our truth. May you always have the courage to speak your truth, and love without reservation. Like millions of other women, HLN anchor Christi Paul blamed herself for the emotional abuse heaped on her by her first husband, whose violent, profanity-laced tirades left her feeling as though she had no value, no self-worth, and nowhere to turn for help. Then one day, when Christi was taking refuge in a church parking lot, the verse "Trust in the Lord with all your heart and lean not on your own understanding" popped into her head. In that moment, she realized she did have someplace to turn after all. Holding fast to her Christian faith, Christi began the arduous process of rebuilding her self-image and regaining control of her life. Now happily remarried and the mother of three girls, Christi feels called to share her story in the hope that other victims will find courage to seek the help they desperately need and deserve. Written with candor and poignancy, Love Isn't Supposed to Hurt chronicles Christi's personal experience with emotional abuse and shows how—with God's help, some unconventional therapy, and faith—she was able to break the cycle and regain her sense of self-worth. If your relationship with your significant other is defined more by companionship than passion... if you love each other deeply but are not deeply in love... if you feel that something's missing or is no longer there... then you could be experiencing ILYB (I Love You, But...). In 'I Love You, but I'm Not in Love with You' couple's counsellor Andrew G. Marshall draws on twenty years of experience to help couples who have 'fallen out of love' or want to rekindle the love that once was to learn how to use Marshall's program with impressive results. Love. It's probably the most commonly searched for and yearned for thing on this planet. There are websites dedicated to it, songs sung about it, dating sites in search of it, movies made about it etc etc. The list goes on. But what if love were available always? And even better here right now for you to access. In every moment! And what if the love you seek is in actual fact right here. You're just not seeing it yet! This is what this book your holding is about - love. A love which we all yearn and want more of. Not love in the romantic sense, yet this too is love. Thankfully however romantic love isn't the only way of giving and receiving love. There are many ways. And this book and its stories will reveal to you just how easily love can be seen and IS everywhere. This book will help open you up to seeing and welcoming more love in your own life. The only question is do you? Do you want more love in your life? If you do then this book will help you discover the love which already surrounds you and is always available. Because Love is Everywhere. MacKenzie Cahill has dealt with overbearing and overprotective brothers her entire life, making it near impossible to enjoy her teenage years. Having a boyfriend was practically impossible until she met a guy that wasn't afraid to stand up to them - Dominic. He was sweet, thoughtful, and everything MacKenzie ever wanted in a man. But when they go away to college at Old Dominion University, MacKenzie sees a whole new side of Dominic and begins to wonder if he really is different from every other guy. Her world is turned upside down after a party, and her brothers' best friend Hunter is the one there to offer her a shoulder to cry on. The chemistry between them is electric, and feelings for each other that have been hidden for years are finally voiced. Is Hunter willing to be disloyal to his best friends in order to be with the one girl he's always secretly wanted? Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR. Patricia Engel's collection of stories, Vida, quickly established her as one of our country's best

young writers, winning praise from Junot Díaz, Uzodinma Iweala, Francisco Goldman, and others. Her first novel is a vibrant and wistful narrative about an American girl abroad in Paris, who navigates the intoxicating and treacherous complexities of independence, friendship, and romance. *Lita del Cielo*, the daughter of two Colombian orphans who arrived in America with nothing and made a fortune with their Latin food empire, has been granted one year to pursue her studies in Paris before returning to work in the family business. She moves into a gently crumbling Left Bank mansion known as "The House of Stars," where a spirited but bedridden Countess Séraphine rents out rooms to young women visiting Paris to work, study, and, unofficially, to find love. Cautious and guarded, Lita keeps a cool distance from the other girls, who seem at once boldly adult and impulsively naïve, who both intimidate and fascinate her. Then Lita meets Cato, and the contours of her world shift. Charming, enigmatic, and weak with illness, Cato is the son of a notorious right-wing politician. As Cato and Lita retreat to their own world, they soon find it difficult to keep the outside world from closing in on theirs. Ultimately Lita must decide whether to stay in France with Cato or return home to fulfill her immigrant family's dreams for her future. *It's Not Love, It's Just Paris* is a spellbinding love story, a portrait of a Paris caught between old world grandeur and the international greenblood elite, and an exploration of one woman's journey to distinguish honesty from artifice and lay claim to her own life. The ability of the Christian to live this life is very dependent upon what they understand to be reading and learning from the bible. In the original book "Love, An Essential Journey, An Essential Proof", I tried to point out that love is a requirement for the Christian. In this book I tie that reality to the very first Sermon that Jesus Christ preached. He went on later in his ministry to explicitly say that love fulfills the law. "Junior high will be a blast," promises Andrea Manetti's best friend. But while exciting things are happening at school—new friends, boys, and a chance to star in the musical—Andrea's home life is falling apart. Her parents are always fighting; her mom's new job means Andrea has to help more with the family. And then there's Andrea's brother. Can Andrea keep her family together—and keep their secrets from getting out? And why does the boy at school who hates her seem to be the only one who understands her? "Radical and revolutionary." —Jonny Sun, New York Times bestselling author of *Goodbye, Again* A collection of powerful interconnected essays and affirmations that follow Mimi Zhu's journey toward embodying and re-learning love after a violent romantic relationship, a stunning and provocative book that will guide and inspire readers to lean into love with softness In their early twenties, Mimi Zhu was a survivor of intimate-partner abuse. This left them broken, in search of healing and ways to re-learn love. This work is a testament to the strength and adaptability all humans possess, a tribute to love. *Be Not Afraid of Love* explores the intersections of love and fear in self-esteem, friendship, family dynamics, and romantic relationships, and extends out to its effects on society and the greater political realm. In sharing their own intimate encounters with oppression, healing, joy, and community, Mimi invites readers to reflect deeply on their own experiences as well, with the intention of acting as a guide to undoing the hurt or uncertainty within them. In this heartrending and revolutionary book, Mimi reminds us, be not afraid of love. In "Love Me Love Me Not," Jhasmine takes us on a deeply personal journey through her experiences with love and loss. From her first crush to her most recent heartbreak, Jhasmine shares her raw and honest emotions, revealing the highs and lows of romantic relationships. With very relationship, she learns valuable lessons about herself, her partners, and what it takes to make love last. Through her stories, we see the evolution of a young woman learning to navigate the complexities of love, and we are reminded of the universal truths that we all face in our search for connection. This book is a must-read for anyone who has ever loved and lost, and for anyone who is still searching for their happily ever after. "Love is not enough," is comprised of six sections, each building on the previous one. The first is an easy to complete and score survey that evaluates the reader's marriage. When the fissures in the marriage are exposed by the survey, they are related to the four basic ingredients of a successful marriage; intimacy, understanding, communication and change. The successful application of these four basic ingredients is necessary for any successful relationship. Fifteen principles of a successful marriage are demonstrated by different couples in therapy, as they struggle to incorporate one of the four basic ingredients in their relationship. The next section describes common obstacles that frequently impede a successful marriage. This is followed by proven techniques I have utilized in my practice that couples will be able use on

their own. The final section is the same survey taken at the beginning, so the reader can evaluate their progress. A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams. Are you ready to view faith and Christianity in the same way you would your favorite pair of jeans? Comfort is essential and so is joy. In *The Blue Jeans Gospel*, author Rob Cruver cuts through misunderstandings and complicated rules and practices of modern Christianity by focusing on its core message of loving, living, and serving others. In this inspiring book, Cruver invites you to love, live, and serve as Jesus did. Through scripture and personal stories, Rob Cruver shows us how to develop a comfortable relationship with Jesus. He teaches us about love and how we should live rationally, with forgiveness and humility. He also encourages us to do this even when the blue jeans aren't necessarily that comfortable. The author's straightforward message of compassion and understanding is both refreshing and uplifting. "[A] long, beautiful, heart-breaking love letter to potential and possibilities and hope, to the pain we survive in youth and carry with us into adulthood."--NPR Book Reviews One week. That's all Jessie said. A one-week break to get some perspective before graduation, before she and her boyfriend, Chris, would have to make all the big, scary decisions about their future -- decisions they had been fighting about for weeks. Then, Chris vanishes. The police think he's run away, but Jessie doesn't believe it. Chris is popular and good-looking, about to head off to college on a full-ride baseball scholarship. And he disappeared while going for a run along the river -- the same place where some boys from the rival high school beat him up just three weeks ago. Chris is one of the only black kids in a depressed paper mill town, and Jessie is terrified of what might have happened. As the police are spurred to reluctant action, Jessie and others speak up about the harassment Chris experienced and the danger he could be in. But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence. They smear Chris's character and Jessie begins receiving frightening threats. Every Friday since they started dating, Chris has written Jessie a love letter. Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone. As Jessie searches for answers, she must face her fears, her guilt, and a past more complicated than she would like to admit. Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on fivelovelanguages.com. The Five Love

Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running! "This Is Not A Love Scene rings brilliantly true from the first page to the last." —David Baldacci, #1 New York Times bestselling author Funny, emotional, and refreshingly honest, S.C. Megale's This is Not a Love Scene is for anyone who can relate to feeling different while navigating the terrifying and thrilling waters of first love. Lights, camera—all Maeve needs is action. But at eighteen, a rare form of muscular dystrophy usually stands in the way of romance. She's got her friends, her humor, and a passion for filmmaking to keep her focus off consistent rejection...and the hot older guy starring in her senior film project. Tall, bearded, and always swaying, Cole Stone is everything Maeve can't be. And she likes it. Between takes, their chemistry is shockingly electric. Suddenly, Maeve gets a taste of typical teenage dating life, but girls in wheelchairs don't get the hot guy—right? Cole's attention challenges everything she once believed about her self-image and hopes for love. But figuring this out, both emotionally and physically, won't be easy for either of them. Maeve must choose between what she needs and what she wants, while Cole has a tendency to avoid decisions altogether. And the future might not wait for either. The online dating world is filled with lies. How will you find the one partner who's ready to give the love you're looking for? Motivational speaker Chantal Heide has done it again, showing you how to achieve true love using her easy to follow 7 step formula. Learn how to recognize the sort of guys who deceive their way into getting what they want without being prepared to give you what you need, and avoid getting trapped in the same cycles of disappointment and craving change. Find out how to become free of one sided relationships, and get a crystal clear idea of what pitfalls and red flags to look for so you can see them a mile away. And best of all, learn what attracts and keeps real love in your life so you can step into loving and supportive unions that help you become the greatest version of yourself while taking you on the best ride of your life. Relationships will either heal your past pains or create new ones. Choose wisely, and blossom into the woman you were born to be - a healer, a lover, and a teacher. Chantal Heide is a Human Relations and communications expert with a successful practice helping clients learn how to find and keep a "magical" loving relationship. She is a motivational speaker, workshop leader, coach, frequent media contributor, and author of several books including No More Assholes - Your 7 Step Guide To Saying Goodbye To Guys And Finding The Real Man You're Looking For.
