The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University. A controversial, intelligent, and mordantly funny new novel from France's most famous literary figure Paris, 2022. François is bored. He's a middle-aged lecturer at the Sorbonne and an expert on J. K. Huysmans, the famous nineteenth-century "decadent" author. But François's own decadence is considerably smaller in scale. He sleeps with his students, eats microwave dinners, reads the classics, queues up YouPorn. Meanwhile, it's election season. And although François feels "about as politicized as a hand towel," things are getting pretty interesting. In an alliance with the socialists, France's new Islamic party sweeps to power. Islamic law comes into force. Women are veiled, polygamy is encouraged, and François is offered an irresistible academic advancement--on condition that he convert to Islam. Adam Gopnik in *The New Yorker* has said of this novel that "Houellebecq is not merely a satirist but--more unusually--a sincere satirist, genuinely saddened by the absurdities of history and the madneses of mankind." Michel Houellebecq's *Submission* may be satirical and melancholic, but it is also hilarious; a comic masterpiece by one of France's great novelists. "Just when you thought it couldn't get any better!" A new edition of the best-selling *English File* - the best way to get your students talking.
