Fundamentals of Physical Metallurgy Coping with Abuse in the Family Liking Myself Messages to Young People The Blessing **Mind, Character, and Personality** **Sins of the Father**

An introduction to concepts of feelings, self-esteem, and assertiveness. Molly Spencer's parents had insisted she attend a private college to improve her chances of meeting a Christian and marrying into a good family. The first part of the dream came true when Molly fell in love with and married Steve Bowker. The second part became a nightmare as Molly soon discovered that the family she had joined was anything but 'good.' Designed for students who have already taken an introductory course in metallurgy or materials science, this advanced text describes how structures control the mechanical properties of metals. The best-selling classic that helps children thrive today and experience a special future tomorrow. Now revised, updated, and enhanced for a new generation! Children of every age long for the gift of “the blessing” — the unconditional love and approval that come from a healthy relationship with their parents. This life-changing gift, essential for instilling a deep sense of self-worth and unshakable emotional well-being, contains five essential elements: meaningful touch, a spoken message, attaching high value, picturing a special future, and an active commitment. Offering solid, practical advice and a fresh perspective on making this gift a bigger part of our families, The Blessing powerfully communicates these biblically based elements as necessary to prepare children for positive future relationships, including their relationship with a loving God. But what if we’ve missed out on the blessing in our own lives? The book includes hope for “reversing the curse” and helps readers find blessing in situations of divorce, death, desertion, adoption, and blended families. New to this updated edition are practical ideas, questions, exercises, and links for online resources — plus practical advice for planning a blessing event for a child, preparing a written keepsake blessing, and living out the blessing every day of our lives.
