The Study Guide is designed as a teaching aid to be used in conjunction with the book Alive and Well at the End of the Day: The Supervisor's Guide to Managing Safety in Operations, written by Paul D. Balmert. The book is designed to teach front-line supervisors of workers in a wide range of industries how to help and guide their employees to understand the risks involved in the various aspects of their work, and how to cope with those risks and to plan and execute their jobs in ways that can help eliminate accidents. Created by the highly experienced training specialists of Balmert Consulting, the Study Guide utilizes training best practices to help affix the principals of Alive and Well at the End of the Day: The Supervisor's Guide to Managing Safety in Operations in the minds of the reader. The use of strategically-crafted questions—both at the beginning and end of each review session—allows the reader to work with the material and become more familiar with it. The book was developed in response to multiple requests from readers of Alive and Well at the End of the Day: The Supervisor's Guide to Managing Safety in Operations who—enthusiastic about the messages and ideas in the book—wanted to find ways to make it become part of their operation's safety culture and practices. For more information on Alive and Well at the End of the Day: The Supervisor's Guide to Managing Safety in Operations visit: <http://www.wiley.com/WileyCDA/WileyTitle/productCd-047046707X.html> The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm.. ***Includes Practice Test Questions*** CSP Comprehensive Practice Exam Secrets helps you ace the Certified Safety Professional Exam, without weeks and months of endless studying.
