A boy who lives every day twice uses his ability to bring down bullies at his new school in Mike Thayer's humor-filled middle grade novel, *The Double Life of Danny Day*. My name is Danny Day, and I live every day twice. The first time, it's a "discard day." It's kind of like a practice run. At the end of the day, I go to bed, wake up, and poof everything gets reset, everything except my memory, that is. The second time, everything is normal, just like it is for everyone else. That's when everything counts and my actions stick. As you could probably guess, "Sticky Day" Danny is very different from "Discard Day" Danny. When Danny's family moves across the country, he suddenly has to use his ability for more than just slacking off and playing video games. Now he's making new friends, fending off jerks, exposing a ring of cheaters in the lunchtime video game tournament, and taking down bullies one day at a time ... or is it two days at a time? "A thriller for fans of *The Girl on the Train* and *Gone Girl*...[with] a striking, original voice all Berry's own." —The New York Times Book Review

The riveting, Edgar Award-winning first novel from the New York Times bestselling author of *Northern Spy* and *A Double Life* When Nora takes the train from London to visit her sister in the countryside, she expects to find her waiting at the station, or at home cooking dinner. But when she walks into Rachel's familiar house, what she finds is entirely different: her sister has been the victim of a brutal murder. Stunned and adrift, Nora finds she can't return to her former life. An unsolved assault in the past has shaken her faith in the police, and she can't trust them to find her sister's killer. Haunted by the murder and the secrets that surround it, Nora is under the harrow: distressed and in danger. As Nora's fear turns to obsession, she becomes as unrecognizable as the sister her investigation uncovers. A riveting psychological thriller and a haunting exploration of the fierce love between two sisters, the distortions of grief, and the terrifying power of the past, *Under the Harrow* marks the debut of an extraordinary new writer. Named one of the "10 Best Mystery Books and Thrillers of the Year" by The Washington Post Named one of the best books of the year by The Atlantic

Jennie Erdal worked for nearly fifteen years for the flamboyant, extravagant, larger-than-life "Tiger," a London publisher, entrepreneur, and media personality. Officially, she was his personal editor. In truth, Erdal was his ghostwriter and alter ego. Under his name, she produced not only newspaper columns, business columns, and novels, but even love letters. In temperament, the two couldn't have been more different. Yet their relationship weathered storms of all kinds, from temper tantrums to serious financial reversals, with a tenacious bond that is both a wonder and an enigma. With effortless grace, gentle erudition, and wry humour, Erdal shows us vivid snapshots of an austere childhood in Scotland and of the London publishing world, peopled by the elegant and the "Oxbridge"-educated. She introduces us to a thoughtful girl who found her passion in language and the magic of words, a passion that led her by a series of chance events to the publishing house, and the strange, wonderful, and never-dull world of the inimitable Tiger. As original as it is elegant and witty, *Ghosting* is a remarkable memoir — more than just one woman's story, it is the tale of her double life, as well as a fascinating glimpse into the symbiotic relationship between two very unusual people. Presents a very detailed account, including the English and European context, of the Lopez Affair, involving Dr. Roderigo Lopez, who gained wealth via international trade and became physician to Queen Elizabeth I. At the same time, he was a spy, with multiple masters, in England and abroad. His downfall and execution on the false charge of attempted regicide stemmed from political rivalry in England. His high status was related to the advantages, such as widespread contacts, that stemmed from his Converso background. Contemporary stereotyped attitudes toward Jews were reflected in Marlowe's "Jew of Malta" and Shakespeare's "The Merchant of Venice." From the world's leading authority on Bob Dylan comes the definitive biography that promises to transform our understanding of the man and musician—thanks to early access to Dylan's never-before-studied archives. In 2016 Bob Dylan sold his personal archive to the George Kaiser Foundation in Tulsa, Oklahoma, reportedly for \$22 million. As the boxes started to arrive, the Foundation asked Clinton Heylin—author of the acclaimed *Bob Dylan: Behind the Shades* and 'perhaps the world's authority on all things Dylan' (Rolling Stone)—to assess the material they had been given. What he found in Tulsa—as well as what he gleaned from other papers he had recently been given access to by Sony and the Dylan office—so changed his understanding of the artist, especially of his creative process, that he became convinced that a whole new biography was needed. It turns out that much of what previous biographers—Dylan himself included—have said is wrong. With fresh and revealing information on every page *A Restless, Hungry Feeling* tells the story of Dylan's meteoric rise to fame: his arrival in early 1961 in New York, where he is embraced by the folk scene; his elevation to spokesman of a generation whose protest songs provide the soundtrack for the burgeoning Civil Rights movement; his alleged betrayal when he 'goes electric' at Newport in 1965; his subsequent controversial world tour with a rock 'n' roll band; and the recording of his three undisputed electric masterpieces: *Bringing it All Back Home*, *Highway 61 Revisited* and *Blonde on Blonde*. At the peak of his fame in July 1966 he reportedly crashes his motorbike in Woodstock, upstate New York, and disappears from public view. When he re-emerges, he looks different, his voice sounds different, his songs are different. Clinton Heylin's meticulously researched, all-encompassing and consistently revelatory account of these fascinating early years is the closest we will ever get to a definitive life of an artist who has been the lodestar of popular culture for six decades. Thrillers van de hand van de Amerikaanse jeugdboekenschrijfster. This National Book Award-winning author's autobiographical novel is a "layered portrait of a family and the historical eras it lived through" (The Boston Globe). "Tuck is a genius." —Los Angeles Book Review Her father is a German movie producer who lives in Italy. Her mother is a beautiful, artistically talented woman who resides in New York. As their child, Liliane's life is divided between those two very different worlds—worlds that inspire her to find herself in both the present and in her ancestors' pasts. A shy and observant only child with a vivid imagination, Liliane finds herself exploring her family's vibrant history—which includes such renowned and diverse figures as the philosopher Moses Mendelssohn and the tragic Mary Queen of Scots—and piecing together their vivid lives. And in doing so, what is revealed is an astonishing and riveting exploration of self, humanity, and family. Told with Lily Tuck's inimitable elegance and peppered with documents, photos, and a rich and varied array of characters, "this autobiographical novel creates a portrait of the writer as a young woman" (The New Yorker). One of the highest-paid studio contract directors of his time and dubbed the "women's director", George Cukor was five times nominated for an Academy Award as Best Director; and he was a homosexual--a rarity among the top echelon. Patrick McGilligan's biography reveals how Cukor persevered within a system fraught with bigotry while becoming one of Hollywood's consummate filmmakers. Desiree is torn between her feelings for Rashad and Tyrell ever since Tyrell stepped up to be a better father. Kendra plans to stop at nothing to keep Desiree as far away from her baby's daddy as possible. Her efforts work, and Desiree gives up on her relationship with Rashad and decides to marry Tyrell—even though she still loves the "King of Houston." She wants to make her family with Tyrell work, but a new addition to their family just may split them up. Describes the life of the Yale University professor behind the deconstruction movement, who at the time of his death was one of the most influential literary critics in America but was later revealed to be a Nazi collaborator and anti-Semite. 13,000 first printing. Grace's mum wants her daughter to study hard for her piano exam. But Grace wants to spend all her free time practising with her band - the Garage Girls. How long can keep her secret from her mum? And what will her mum do if she finds out? Jean Fritz removes the romantic varnish from (the Pocahontas) legend and turns history into engrossing reality.--The New Yorker. Boston Globe/Horn Book Award; ALA Notable Children's Book. "My Double Life: The Memoirs of Sarah Bernhardt" by Sarah Bernhardt. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to

forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Does love really conquer all? It truly was love at first sight, even though Gayle was the Minister of Music in a Texas mega-church and Harold was a secular Jew from New York. Fate brought them together. But destiny had something else in mind. From the Bible Belt to northernmost Russia to the heart of the Jewish world, Doublelife is really about the journey within, to discover who we are and who we are meant to be. Written as a series of letters to each other, Doublelife allows the reader to eavesdrop on the conversation as it unfolds. At once funny, heartrending, and inspirational, Doublelife is a story of finding love, transforming the spirit, and overcoming what life sends you against seemingly insurmountable odds. Little Michael's life wasn't the greatest, but he was doing just fine. That's until his father does the unthinkable and sexually molests him while turning his life upside down. Travel with Michael on his journey throughout his childhood as he is forced to grow up in supersonic speed. Read about how he cares for his mentally challenged brother and younger sister while his mother is sick in the hospital, during which time, he is taken advantage of and abused by his father. Michael not only deals with the issue of being tormented by his dad, but his family also endures poverty. In addition, he deals with the everyday life experiences that an average teenager goes through which includes being bullied, peer pressure and just wanting to fit in with the rest of the kids, so much to the degree, that he even has thoughts of suicide. Michael very bluntly tells it like it is, in this page turning tale of resiliency, inner strength, and courage. * Learn what the tell tale signs may be if your child is being sexually or otherwise abused * Know what steps you can take if something like this happens to your kid *Experience first hand what kind of thoughts goes through the mind of an abused child A MUST READ FOR PEOPLE OF ALL AGES; Nina Faulks, MA, Psychology A captivating memoir detailing the good times as an iconic punk rock drummer and hard time served as a convict in San Quentin “Terrifying” true stories of criminals who live seemingly normal lives, perfect for fans of Mindhunter—”these are the stories that keep me up at night” (Sgt. Joseph Kuns, LAPD). “He seemed so normal” is an all-too common sentiment from the neighbors of violent criminals when their heinous acts are finally exposed. There are often no obvious indicators that separate the pleasant neighbor from the sadistic murderer. Even serial killers like Jeffrey Dahmer, Ted Bundy, and John Wayne Gacy managed to circulate unnoticed among their communities. They are neighbors and students, professionals and friends living out criminal double lives. In Double Lives, true crime author Eric Brach presents both a nonfiction exposé and a nationwide search that details the exploits of some of the worst criminals in recent American history, all of whom succeeded in going undetected for years while perpetrating one crime after another—all in their own hometowns. Monsters of every race, age, gender, and socioeconomic class are profiled in this roller-coaster of crime. Along the way, the author discusses the criminals he grew up with in his own seemingly innocent community, and provides a personal look at the current scourge of opioid addiction, making Double Lives a sensational yet sobering read. When eighteen-year-old Lexi of Morgantown, West Virginia, becomes the body double of a famous pop star, she discovers that the girl she is replacing is actually her half-sister, and that their father is a famous rock star. An unsung classic of nineteenth-century Russian literature, Karolina Pavlova’s A Double Life alternates prose and poetry to offer a wry picture of Russian aristocratic society and vivid dreams of escaping its strictures. Pavlova combines rich narrative prose that details balls, tea parties, and horseback rides with poetic interludes that depict her protagonist’s inner world—and biting irony that pervades a seemingly romantic description of a young woman who has everything. A Double Life tells the story of Cecily, who is being trapped into marriage by her well-meaning mother; her best friend, Olga; and Olga’s mother, who means to clear the way for a wealthier suitor for her own daughter by marrying off Cecily first. Cecily’s privileged upbringing makes her oblivious to the havoc that is being wreaked around her. Only in the seclusion of her bedroom is her imagination freed: each day of deception is followed by a night of dreams described in soaring verse. Pavlova subtly speaks against the limitations placed on women and especially women writers, which translator Barbara Heldt highlights in a critical introduction. Among the greatest works of literature by a Russian woman writer, A Double Life is worthy of a central place in the Russian canon. In Josef Skvorecký’s first novel written in English, the narrator lives in two worlds: the exile world of post-Communist Czechoslovakia, where old feuds, treacherous betrayals, and friships that have lasted through wars, occupations, and revolutions survive; and the fatuously self-congratulatory comfortable world of a Canadian university, in which grave attention is given to matters such as whether a certain male professor has left his office door open wide enough while interviewing a female student. Murder suddenly intrudes upon both of these worlds. One features a young female sleuth, a college beauty queen, professional jealousies, and a neat conclusion. The other is a tragedy caused by evil social forces, in which a web of lies works insidiously to entangle Sidonia, who is a publisher of suppressed books and the narrator’s wife. A brilliantly stylish tour de force in which the bright, sarcastic comedy of one tale sharply contrasts with the dark, elegiac bitterness of the other, Two Murders in My Double Life confirms Skvorecký’s reputation as one of our most versatile, engaging, and compassionate writers. In the world of organized crime the bosses grab the headlines, as the names Capone, Gotti, Bonnano, Cotroni and Rizzuto attest. But a crime family has many working parts and the young mobster known as The Weasel was the epitome of a crucial, invisible cog—the soldier, the muscle, the driver, the gopher. By a quirk of fate, Marvin Elkind—later The Weasel—was placed in the foster home of a tough gangster family, immersing him from the age of nine in a daring world of con men, cheats, bootleggers, loan sharks, bank robbers, leg breakers and Mafia bosses. During a Golden Age of underworld life in New York, Detroit and across Canada, The Weasel found himself working with a surprising cast of colourful characters. He befriended powerful gangsters by smuggling bottles of Scotch to their tables as a waiter at New York’s famed Copacabana; he was pushed to be Jimmy Hoffa’s chauffeur. But his disenchantment with the broken promises of mob life brought him into another fraternity, one offering the same adrenaline rush, danger and dark comedy he craved. After a startling confrontation, he was embraced by law enforcement, and a cop with a reputation for results. Now a career informant, The Weasel learned he was a far better fink than he ever was a crook. With his impeccable gangland pedigree, enormous girth, cold stare and sausage-like fingers adorned with chunky rings, no one questioned The Weasel’s loyalty. The backroom doors were flung open and The Weasel slipped in, bringing undercover cops with him. For case after case over two decades, he worked for the FBI, U.S. Customs, Scotland Yard, RCMP, Ontario Provincial Police and other law enforcement agencies on three continents, trapping and betraying mobsters, mercenaries, spies, drug traffickers, pornographers, union fat cats and corrupt politicians. With unflinching honesty, The Weasel and many of the undercover officers he worked with revealed their successes and failures to award-winning crime reporter and best-selling author Adrian Humphreys. The Weasel is the riveting chronicle of a unique and engaging figure who lived a most dangerous and rare experience. It is a story that was never supposed to be told. There is no denying it: motherhood splits a woman’s life forever, into a before and an after. To this doubled life Lisa Catherine Harper brings a wealth of feeling and a wry sense of humor, a will to understand the emotional and biological transformations that motherhood entails, and a narrative gift that any reader will enjoy. Harper documents her own journey across this great divide as a seasoned explorer might, observing, researching, relating anecdotes and critical information. From late-night Lindy Hop dancing to crippling sciatica, morning sickness to indulgent meals, graduate seminars to sophisticated ultrasounds, Harper marries scientific details with intimate insights as she uncovers the fascinating strangeness of this remarkably familiar territory. Following Harper’s first pregnancy from conception to her daughter’s first word, A Double Lifelooks at how the biological facts of motherhood give rise to life-altering emotional and psychological changes. It shows us how motherhood transforms the female body, hijacks a woman’s mind, and splits her life in two, creating an identity both brand new and as old as time. It charts the passage from individual to incubator, from pregnancy, labor, and nursing to language acquisition, from coupledness to the complex reality of family life. Harper’s carefully researched story reminds us that motherhood’s central joys are also its most essential transformations. A revelatory memoir of the 17 years Juan Sanchez spent as one of Fidel Castro’s personal soldiers, in his innermost circle “Revelatory to young audiences in more ways than one.” —Kirkus “Many STEM-for-girls biographies fan excitement over women’s achievements, but this title actually brings the central scientific concept within middle-grade reach.” —The Bulletin of the Center for Children’s Books Movie star by day, ace inventor at night: learn about the hidden life of actress Hedy Lamarr! To her adoring public, Hedy Lamarr was a glamorous movie star, widely considered the most beautiful woman in the world. But in private, she was something more: a brilliant inventor. And for many years only her closest friends knew her secret. Now Laurie Wallmark and Katy Wu, who collaborated on Sterling’s critically acclaimed picture-book biography Grace Hopper: Queen of Computer Code, tell the inspiring story of how, during World War Two, Lamarr developed a groundbreaking communications system that still remains essential to the security of today’s technology. From the New York Times bestselling, Edgar-Award winning author of Under the Harrow and Northern Spy, a "breathtaking" (The New York Times Book Review) page-turner inspired by a shocking true crime A better person would forgive him. A different sort of better person would have found him years ago. Nearly thirty years ago, while Claire and her brother slept upstairs, a brutal crime was committed in their grand London home. The next morning, her father’s car was found abandoned, with bloodstains on the front seat. The first lord accused of murder in more than a century, he has been missing ever since. Now a doctor living under an assumed name, Claire learns the police may have found him, and her carefully calibrated existence begins to fracture. She starts to infiltrate his privileged inner circle, who have never broken their silence about what happened that night. Soon, Claire will learn how far she’ll go to finally find the truth. Named a Must-Read by Entertainment Weekly, Bustle, O Magazine, BBC, CrimeReads, and PureWow Drawing on extensive interviews and unpublished letters,

as well as his own encounters with Mailer, this authoritative biography of the eminent novelist, journalist and controversial public figure chronicles his entire career and his self-conscious effort to create a distinctive identity for himself. Courtier, poet, soldier, diplomat - Philip Sidney was one of the most promising young men of his age. Son of Elizabeth I's deputy in Ireland, nephew and heir to her favourite, Leicester, he was tipped for high office - and even to inherit the throne. But Sidney soon found himself caught up in the intricate politics of Elizabeth's court and forced to become as Machiavellian as everyone around him if he was to achieve his ambitions. Against a backdrop of Elizabethan intrigue and the battle between Protestant and Catholic for predominance in Europe, Alan Stewart tells the riveting story of Philip Sidney's struggle to succeed. Seeing that his continental allies had a greater sense of his importance than his English contemporaries, Philip turned his attention to Europe. He was made a French baron at seventeen, corresponded with leading foreign scholars, considered marriage proposals from two princesses and, at the time of his tragically early death, was being openly spoken of as the next ruler of the Netherlands. Living A Double Life is a true story about a forbidden love between two teenage girls. What started out as a friendship developed into something much more I felt something that I have never felt before and I was confused I had feelings for a girl?... But the thing that really confused me was that being upset over her felt so right. High School is hard enough; when you add in having feelings for another girl, forbidding parents, and college fast approaching life becomes much more than just a struggle Living A Double Life is the story of a relationship from the very beginning to the bitter end. Heartbreaking and rule bending this story of first love is the perfect read for teenagers and young adults alike. It is an insightful and inspiring glimpse into the ever changing lives of today's youth. "A seriously stylish, hugely compelling mystery... I was utterly gripped." – Lucy Foley Double Life: The Other Girl is a comical romance thriller based on my life. There are 3 sides to every story and this is my side. I've done and said things I'm not proud of, but I've also done things that I don't regret. I'm letting my guard down to the world and this is my way of putting it all out there. My way of apologizing for my wrongs. By the end of this book, you'll see my loves, my losses, my personal struggles, etc. You're going to learn things about me; from me being promiscuous (and making it into a game) to the apology letters I've written each of the main women in my life for my wreck less behavior. There are parts that are sensitive, funny, exciting, narcissistic, selfish and last but not least, baffling, all at the same time. I hope everyone who reads my story learns from my mistakes, but if you don't, then I hope you get some good laughs at my expense! Profiling one of the world's finest contemporary short story writers, this biography charts Alice Munro's development as both a wife and mother and a serious writer. Exploring her ability to tantalize readers, the compelling profile details her struggle to balance the demands of her "double life." The modern family is under strain. What we crave most from our families is intimacy, warmth and self-fulfilment but we often find this difficult to achieve. We hold onto these expectations of our families even in the face of contradictory experiences, so the family sustains a double life. The authors explore the gap between our values, expectations and yearnings, and our experiences of everyday family life. Family ritual, political rhetoric, advertising images and television family sitcoms are all windows onto what we want and expect - our myths of the family. Yet our aspirations for intimacy and self-fulfilment are frustrated by unacknowledged inequalities between men and women, and parents and children. The inequalities have their origins in the division of domestic labour and in labour markets that disregard family responsibilities. The Double Life Of The Family argues that our expectations of family life are more powerful than is usually believed and have enormous influence on both the way governments structure social policy and on the decisions made by ordinary people. "First published in 1999 by Talk Miramax Books." When respected Gentleman and City Councillor, Deacon William Brodie, chases his love of gambling, he is drawn deep into a double life. Before long the open respectability of day gives way to a hidden life of crime at night, and soon, Brodie is on a trajectory to disaster - one which leads him to the gibbet. Set in the Edinburgh of 1788, Deacon Brodie: A Double Life is a fact-based novel which shows Brodie's love for gambling and risk sweeping him into a life of crime. Betrayed by an accomplice, and revealed as a "Gentleman by day, thief by night", Brodie escapes the city, is captured in Holland, then faced with a trial before a city where once he was a leading citizen. When he is sentenced to be hanged, his closest friend has a different idea and, in full view of everyone, Brodie takes his riskiest gamble yet . . . Best friends, Sidney and Dayna, have been successful at everything. At being wives, mothers, and upwardly mobile professionals. But there's one thing in which they fail to succeed: fighting their forbidden Sapphic love for one another. What happens when the pull of desire becomes too strong to resist? What happens when the love that soothes and sates has the power to destroy the life you live? The Double Life takes us on the journey of living in two worlds: The first borne out of societal expectations and the second driven by an intensity and hunger so strong it's nearly debilitating. Autobiographical reminiscences of a theater and advertising personality. Zoe Flynn has a secret. She used to live in California, in a big old house -- the best house in the world really -- at 18 Hawk Road. It rambled and creaked and was full of good hiding places. She used to have a best friend named Kellen who lived right down the road, and a dog named Merlin who loved to play with her. But now she lives in a little town in Oregon, and everything has changed. Now, Zoe has to be careful. Careful that she doesn't tell anyone, not her friends or her teacher or especially that cop who's been watching her, that she doesn't live at 18 Hawk Road anymore. That now her family lives in an old green van that's cramped and dirty and doesn't even work all the time. Zoe's always hoping that someday she'll find her way back home.... Lyrically written by Janet Lee Carey, The Double Life of Zoe Flynn is a moving novel about hope, family, friendship, and the true definition of a home.
