Insider Guide to Consulting for PhDs, Doctors, and Lawyers

Turn to this Insider Guide to learn about the latest developments at top financial services firms, from A.G. Edwards and American Express to UBS and Wells Fargo; recent milestones from awards and honors to acquisitions and personnel changes; what company insiders say it's really like to work there; who's hiring and tips for landing a job there. Whether you're attracted by the money, the intellectual rigor, the glamour, or the work, you're not alone: Consulting firms are among the most popular employers of MBAs and

undergraduates. In this book, you'll explore profiles of 37 firms; the latest trends; a typical week in the life of a consultant; typical career paths; and the dreaded case interview. In this guide you'll learn how to find or create an ideal internship; structure an internship at a company that doesn't have a formal intern program; make cold calls to prospective summer employers; maximize your chances of getting an offer for permanent work while working as an intern; and make yourself more attractive to future employers. Consulting recruiters use the case interview as a primary means of evaluating interviewees. The sixth book in WetFeets popular Ace Your Case guide provides 15 more case questions to help consulting hopefuls sharpen their case-cracking skills. Turn to this Insider Guide to learn about the latest developments at top financial services firms, from A.G. Edwards and American Express to UBS and Wells Fargo; recent milestones from awards and honors to acquisitions and personnel changes; what company insiders say it's really like to work there; who's hiring and tips for landing a job there. Networking, interviewing, and negotiating are key steps in securing the best jobs--learn to do them well, and you'll have a foothold on a brilliant career. In this WetFeet Insider Guide, Robert A. Fish, founder of Right Management Consultants, the largest outplacement consulting firm in the United States, sets out clear and easy-to-follow advice for landing the job you want. Drawing on conversations with those who have braved the consulting interview gauntlet, this book outlines common question types, offers tips on how to attack each, and presents 15 all new practice questions culled

from actual consulting interviews. As always, we follow the practice questions with a thoughtful discussion of how to approach the case and similar cases as well as suggested answers. Consulting. Its not just for MBAs anymore. PhDs, JDs, and MDs with expertise in computers, economics, health care, human resources, or statistics stand a good chance of finding a position with a firm doing consulting in that area. This WetFeet Insider Guide is designed to help non-MBA advanced-degree holders find a niche--and a job--in the consulting industry. In this book, read about manufacturing sectors that are showing growth and longevity in the United States; innovations driving new kinds of manufacturing and changing the industry; how to decide which area of manufacturing is right for you; 30 profiles of top companies; manufacturing-specific job roles and day-on-the-job profiles; and the lifestyle, hours, workplace culture, compensation, and perks you can expect. Whether it's the money, the intellectual rigor, the glamour, or the work that attracts job seekers, their not alone: Consulting firms are among the most popular employers of MBAs and undergraduates. In this book, readers will explore profiles of 40 firms; the latest trends; a typical week in the life of a consultant; typical career paths; and the dreaded case interview. WetFeet has earned a strong reputation among college graduates and career professionals for its series of highly credible, no-holds-barred Insider Guides. WetFeet's investigative writers get behind the annual reports and corporate PR to tell the real story of what it's like to work at specific companies and in different industries. Book jacket.

With offices in 34 countries, Credit Suisse First Boston offers job opportunities around the globe. Readers of this WetFeet Insider Guide will learn how CSFB differs from other Wall Street firms; what employees love--and hate--about working there; how to land a job in one of the international offices; about the summer internship program; which areas of the firm are growing; about the recruiting process; and insiders's interview tips. BUS036000 For those interested in a career in human resources, this WetFeet Insider Guide explores how the field has evolved; the hiring outlook and industry trends; the different jobs available, with salary ranges for each; the pros and cons of working in HR; and how to shine in their interviews.
