An action-packed, contemporary novel about surviving in the wilderness. Thirteen-year-old Karma is desperate to become a certified falconer. At her dad's bird education center, she helps give demonstrations to guests and can fly the birds. But when her favorite rescued falcon, Stark, hurts Karma, her parents insist that they return the bird to its previous owner--in Canada. On the way to bring Stark back, a car accident in the middle of nowhere leaves Karma's dad trapped, and it's up to Karma to find a way to rescue him and her younger brother. When Karma loses her way trying to get help, she crosses paths with Cooper, a troubled teenaged boy. Lost for three days, the two figure out how to survive, and Karma teaches Stark to hunt like an actual bird of prey. Karma may be closer than she thinks to becoming a real falconer and having a real friend. Get ready for a wild ride! Your Technic adventure starts now! After a wild plan by his parents left Jack stranded in the Caribbean, the Berenson family decided to lay out some rules. Jack's mom and dad agreed they wouldn't take so many risks. Jack agreed he'd try to live life without worrying quite so much. Then Jack's parents thought up another get-rich-quick scheme. Now the family's driving around Kenya. An animal attack is about to send Jack up a tree?alone, with limited supplies. As Jack attempts to outsmart a ferocious honey badger and keep away from an angry elephant, he'll have plenty of time to wonder if the Berenson Family Decision-Making Rules did enough to keep him out of trouble. A children's book that shows how to build 50 simple models of LEGO animals using only standard LEGO parts that every LEGO fan has in their collection. The LEGO Zoo book shows kids of any age how to build 50 simple animal models using only standard LEGO parts that are*

already likely to be in their collection. You'll learn how to build models of animals like crocodiles, zebras, wolves, lions, flamingos, plus many more. Projects are ordered by increasing difficulty making it easy to jump in without getting in over your head. The animals are so cute and goofy, whether building as a family or solo. The LEGO Zoo is sure to deliver a roaring good time! Specifically targeted to children ages 5 and up, not to adults or hobbyists. LEGO kits come with instructions for building just a few models. The Build It! series supplements the fun with hundreds of new ideas. Easy-to-follow, step-by-step instructions take the guess work out of building. The Build It! series feature the most common parts found in LEGO sets, so that kids who already have lots of LEGO parts at home can still use the books. Gender neutral (much of the competition seems targeted to boys). "Dioramas" evoke the child's imagination by creating an imaginary scene in which their LEGO models can exist/interact. Kids can make many different models from one kit—they don't need to take apart what they created before going onto the next model in the diorama. The Art of LEGO Scale Modeling displays amazing, fan-built LEGO recreations of real-life vehicles, showing off every amazing detail with high-quality photographs. You'll love poring over dozens of models, including Formula 1 racers, construction vehicles, ships, trains, airplanes, and all kinds of trucks. Authors Dennis Glaasker and Dennis Bosman share their own impressive LEGO models as well as highlight models from builders around the

*world. The Art of LEGO Scale Modeling also includes tips and tricks that describe the design and building process. Wilf believes he is too old for summer camp and is determined to escape from it.*
