Kaplan's HiSET Exam Prep provides comprehensive review, online resources, and exam-like practice to help you pass the test. Our book is designed for self-study so you can prep at your own pace, on your own schedule. The new fourth edition includes an online study plan that will help you track your progress, learn more about the HiSET, and access supplemental study material. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts–Reading, Language Arts–Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Three chapters are now accessible in the online study plan: Earth and Space Science, Economics, and Geography Expert Guidance Online center with information about getting started, 3 digital chapters covering Science and Social Studies, and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit hiset.ets.org or contact your state's department of education. The previous edition of this book was titled HiSET Exam 2017–2018 Strategies, Practice & Review. REA's EMT Flashcard Book, 4th Edition Raise your score with 400 must-study test questions! REA's flashcard book for the EMT exam helps you check your test-readiness and get a high score. Our flashcard book is the perfect refresher and offers a quick and convenient way to practice answering questions while pinpointing your strengths and weaknesses. Written by an expert with nearly 30 years of experience in the fire and EMS arenas, our flashcards give you full scenarios to evaluate in a multiple-choice format, just like the actual test. The book contains 400 must-study questions that cover all the test categories on the EMT exam: airway and breathing, cardiology, medical, obstetrics and pediatrics, and trauma. Handy icons help you locate questions by subject, so you can review and test your knowledge in specific areas. The book also includes fun facts about the medical/EMT profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, portable book that makes studying a breeze. Our concise question and answer format makes it easy to find the right answer, and we give details explaining why the answer is correct. REA's EMT flashcards are perfect for on-the-go review and ideal for individual, classroom, or group study.
