Tu te souviens ? On avait dit qu'il serait facile d'haïr ceux que nous avions aimés. On avait oublié qu'il fallait aussi aimer ses ennemis. Ne restait plus qu'à s'aimer à tort et à travers... Le Présent de Marie-Antoinette est un roman basé sur l'histoire vraie d'une jeune femme, Kiera Hermine, accablée par le cauchemar répétitif d'une vieille roue sur le pavé, de pieds sur des marches en bois, une affreuse sensation de froid dans le cou et un goût horrible de métal dans la bouche. Le néant. Le silence. La mort. Ces cauchemars s'estompent avec l'âge mais lui reviennent soudainement en mémoire à la naissance de sa fille. Une voyante rencontrée par hasard lui apprend qu'elle serait la réincarnation de Marie-Antoinette. Afin de découvrir la vérité, Kiera consulte un hypnothérapeute : sa vie antérieure se manifeste et l'entraîne dans une aventure où le temps n'existe plus. Marie-Alix Ravel est psychologue et hypnothérapeute spécialisée dans les vies antérieures. Lorsque Kiera Hermine vient la consulter, elle se passionne pour son cas étrange. Les rêves, les inexplicables coïncidences vont pousser Marie-Alix à mener une enquête approfondie, guidée par une forte intuition naturelle et de nombreuses années d'expérience. Marie-Alix Ravel est d'origine française et a vécu quatorze ans au Canada avant de partir s'installer à Los Angeles en 2006. Marie-Alix a écrit pour le magazine Elle-Québec et est apparue dans plusieurs émissions télévisées au Canada. Elle a aussi été consultante pour l'industrie du cinéma à Los Angeles. Que vous croyez ou non en la réincarnation, Le Présent de Marie-Antoinette est une histoire émouvante dans laquelle le présent répond au passé de manière étonnante. With thirty-nine original chapters from internationally prominent scholars, The Oxford Handbook of Virginia Woolf is designed for scholars and graduate students. Feminist at the core, each chapter examines an aspect of Woolf's achievement and legacy. Each contribution offers an overview that is at once fresh and thoroughly grounded in prior scholarship. Six sections focus on Woolf's life, her texts, her experiments, her life as a professional, her contexts, and her afterlife. Opening chapters on Woolf's life address the powerful influences of family, friends, and home. The section on her works moves chronologically, emphasizing Woolf's practice of writing essays and reviews alongside her fiction. Chapters on Woolf's experimentalism pay special attention to the literariness of Woolf's writing, with opportunity to trace its distinctive watermark while 'Professions of Writing', invites readers to consider how Woolf worked in cultural fields including and extending beyond the Hogarth Press and the TLS. The 'Contexts' section moves beyond writing to depict her engagement with the natural world as well as the political, artistic, and popular culture of her time. The final section on afterlives demonstrates the many ways Woolf's reputation continues to grow, across the globe, and across media, in ideas and in artistic expression. Of particular note, chapters explore three distinct Woolfian traditions in fiction: the novel of manners, magical realism, and the feminist novel. Become a French verb virtuoso with this unbeatable reference! The Big Blue Book of French Verbs is the most comprehensive resource available

for learning and mastering French verbs. Designed for beginning through advanced learners, this indispensable guide will help you conjugate verbs with ease, enabling you to communicate in French confidently.
