The "I" of Leadership Jul 26 2020 This is the leadership book you have to read: a barn-storming new take on what makes a versatile, integrated, and effective leader Using stories and examples from the lives of leaders, from the sports stadium to the White House to the office of the CEO, Nicholson shows vividly how the capacity of leaders to see what others do not see frames their actions and allows them to transform, build, destroy, or stabilize. Leaders fail through lack of insight—into themselves and into the worlds they inhabit. The strategic challenge of leadership is to find the right balance between impact and versatility and the successful crafting of an identity that merges the leader and the surrounding culture or 'zeitgeist.' Leaders covered in the book include: George Bush, Tony Blair, George S Patton, Warren Buffet, Steve Jobs, Josef Stalin, Hannibal, Elizabeth I, Nelson Mandela, Edith Cowan, Abraham Lincoln, Mohandas Gandhi, Henry Ford, Ernest Shackleton, Barack Obama, Robert Maxwell, JFK, Pope John XXIII, Margaret Thatcher, and Samuel Pepys. This book resonates with insights and searching questions on the nature of human leadership. It will be an invaluable guide to managers, consultants, and people everywhere.

Leadership is a Choice Apr 03 2021 In this unique blend of narrative fiction and study-guide, authors Ken Strong and John DiCicco tell us the story of Mike. He's an ex-drill sergeant, a good father, and a solid employee. But it's been a long time since he trained new military recruits to become seasoned leaders. When a position in management opens up, Mike's hesitant to apply. With the mentoring of a CEO that sees his potential, and the help of a lovingly honest wife, Mike relearns that most important of lessons, that Leadership is a Choice.

The Leadership Challenge Workbook Jul 06 2021 Essential, practical tools for implementing evidence-based leadership development The Leadership Challenge Workbook offers practical tools for applying The Five Practices of Exemplary Leadership® in real-life business situations. As the companion to The Leadership Challenge, this workbook provides essential hands-on guidance for planning, implementation, people-management, and more. This new revised third edition has been updated to match The Leadership Challenge Sixth Edition text. It includes easy-to-use worksheets to simplify planning and collectively assemble into a clear blueprint for moving forward. By focusing on the notion of leadership development as a journey rather than an event, this interactive guide provides critical insight through a proven, systematic process. Implementing big ideas requires skillful change leadership—and any successful, sustainable change begins with thorough, practical planning. This workbook helps you map out a plan and put it into action, with tools that help clarify your thinking and translate your big ideas into concrete strategies. Streamline planning with practical, efficient worksheets Assemble a blueprint for effectively implementing your ideas Improve communication, strengthen commitment, and build trust Adopt a systematic approach to leadership to continue producing exemplary results The Five Practices of Exemplary Leadership is a proven model backed by decades of research and data from over 4 million individuals. It is proven, practical, and evidence-based, and has helped leaders from around the globe improve their organizations' performance. With the need for quality leadership development at an all-time high, real-world application of proven models becomes critical; The Leadership Challenge Workbook gives you the hands-on tools you need to more effectively implement a robust, systematic approach.

Leadership is an Art by Max De Pree (Summary) Mar 26 2023 Do you want more free book summaries like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Become an Artful Leader and Lead Your Employees and Company to Success Also known as the bible for the business world, Leadership is an Art explores how executives and managers can learn leadership skills that will build a better, more successful organization. You see, author Max De Pree doesn't just discuss leadership as a hierarchy where those at the top intimidate those at the bottom to get things done. Instead, he views leadership as stewardship and focuses on the importance of building relationships and creating a lasting value system within an organization. An artful leader must be one that can enable others to reach their full potential and must take a role in developing, expressing, and defending the company's values. Good leadership is more than just leading a company to financial success, it's more about fostering relationships across all areas within an organization. As you read, you'll learn how to build meaningful relationships, how to motivate employees, and how to become an elegant leader.

Imperfect Leadership May 04 2021 In Imperfect Leadership: A book for leaders who know they don't know it all, Steve Munby eloquently reflects upon and describes a leadership approach that is strong on self-awareness and positive about the importance of asking for help. Foreword by Michael Fullan. When asked to describe his own leadership style, Steve uses the word 'imperfect' . This is not something he apologises for; he feels imperfect leadership should be celebrated. Too often we are given examples of leaders who are put on some kind of pedestal, lauded as superheroes who have it all worked out and are so good at what they do that nobody else can come close. This book is the antidote to that flawed perception. Imperfect Leadership is an honest reflection upon leadership. It is about Steve's journey, covering his highs and lows and, ultimately, how he learned to refine and improve his leadership. It is about messy, trial-and-error, butterflies-in-the-stomach leadership and about thoughtful and invitational leadership - and the positive impact it can have. At the heart of the book are edited highlights of the 12 keynote speeches delivered to increasingly large audiences of school leaders between 2005 and 2017. These speeches, delivered at the Seizing Success and Inspiring Leadership conferences, form the structure around which Steve's story and insights are wrapped. Steve's account covers some fundamental shifts in the English education system over this 12-year period and describes how school leaders altered their leadership as this context changed. Furthermore, it delves into how his own leadership developed as his personal context changed, and explores how the notion that a leader needs to be good at all aspects of leadership is not only unrealistic, but is also bad for the mental and physical health of leaders and will do nothing to attract new people into leadership positions. Ultimately, Steve hopes that as you read this book you will see the value of imperfect leadership and of the positive impact it can make. For those reading it who have yet to step up into leadership, his sincere wish is that it will encourage and empower aspirational leaders rather than discourage them. Suitable for all those in or aspiring to leadership positions in education.

Self-Leadership: How to Become a More Successful, Efficient, and Effective Leader from the Inside Out Apr 22 2020 Lead yourself to success—and others are sure to follow “For leaders looking for a plan of ‘Why, What, and How’ to become a better leader, the answer is between the covers of this book.” —Chester Elton, New York Times bestselling author of The Carrot Principle, The Orange Revolution, and All In “Ever wish you could be more confident, more engaged, or more productive in your life? Look no further. All the concepts and tools are right here.” —Ryan M. Niemiec, Psy.D., Psychologist and Education Director, VIA Institute on Character “Self-reliance, courage, confidence, emotional self-awareness, and perseverance encompassed into one leadership concept.” —Garee W. Earnest, Ph.D., Professor, The Ohio State University “Bryant and Kazan's groundbreaking work challenges us to take the first small steps of what will be for many a lifelong journey of self-discovery from the inside out.” —R. Dale Safrit, Ed.D., Professor, North Carolina State University “Andrew and Ana's . . . research, insights, and experience provide a practical tool-kit on how you can choose to live your life and your work and influence others to do the same.” —Philip Beck, Chairman, Dubeta “It is generally accepted in the business literature that the heart of leadership is leading self. I believe that leading self is also the path to being a 'responsible' leader. The important contribution made by Self Leadership is that it tells you what to do if you want to get better at leading self. Read this book if you desire to be more effective as a leader and remember, "You don't have to be bad at leadership to get better." —Stephen C. Lundin Ph.D., author of the bestseller, Fish!

The Situational Leader Oct 21 2022 For organizations to achieve excellence in today's world, the commitment to develop people is becoming increasingly important. It is the effective utilization of the human resources that is the cornerstone to high performing organizations. This book presents a practical framework to developing people and increasing productivity.

A Kids Book about Leadership Dec 11 2021 Everyone can be a leader-even you! Whether in big or small ways, what matters most is leading with kindness and generosity. This book explores what it means to trust yourself, rely on the support team around you, and highlights that a good leader can come from anywhere and be anyone.

The Leader's Digest Jan 12 2022 Leadership is a popular topic today because it's so central to personal, team, and organization success. This has led to a confusing multitude of leadership grids, charts, formulas, jargon, fads, charismatic stories, and buzzwords. Drawing on decades of research, extensive experience coaching and developing thousands of managers, and previous bestselling books, Jim Clemmer distills today's leadership information overload to its core essentials. The result is a series of insights and bite-sized briefings on the timeless principles of leading people, The Leader's Digest. "If you're looking for a book that illuminates the topic of leadership in a useful, readable, and lively way, this is it." Warren Bennis Distinguished Professor of Business, USC, and Co-author of GEEKS AND GEEZERS: How Era, Values and Defining Moments Shape Leaders "Easy to digest...presenting it in easily accessible snippets is a smart way to reach leaders who are usually busy, well, leading rather than reading." "Recommended Readings," Marketing Magazine "An incredibly readable and useful collection of wit and wisdom on today's most critical success factor - leadership." David Chilton, author The Wealthy Barber

The Accountable Leader Jan 20 2020 Management consultant Dive explores the relationship between leadership, accountability, and organizational structure. He argues that the majority of leadership-related problems arise not from ineffective individuals but from organizational structures that lack accountable jobs.

How To Be A Great Leader May 16 2022 How do you define a good leader? There are many ways to answer this question and everyone will have their own definition. For some, a good leader is someone who is decisive and can make tough decisions quickly. Others may view a good leader as someone who is compassionate and able to build strong relationships. Life Force Jun 24 2020 INSTANT #1 NEW YORK TIMES BESTSELLER Transform your life or the life of someone you love with Life Force—the newest breakthroughs in health technology to help maximize your energy and strength, prevent disease, and extend your health span—from Tony Robbins, author of the #1 New York Times bestseller *Money: Master the Game*. What if there were scientific solutions that could wipe out your deepest fears of falling ill, receiving a life-threatening diagnosis, or feeling the effects of aging? What if you had access to the same cutting-edge tools and technology used by peak performers and the world's greatest athletes? In a world full of fear and uncertainty about our health, it can be difficult to know where to turn for actionable advice you can trust. Today, leading scientists and doctors in the field of regenerative medicine are developing diagnostic tools and safe and effective therapies that can free you from fear. In this book, Tony Robbins, the world's #1 life and business strategist who has coached more than fifty million people, brings you more than 100 of the world's top medical minds and the latest research, inspiring comeback stories, and amazing advancements in precision medicine that you can apply today to help extend the length and quality of your life. This book is the result of Robbins going on his own life-changing journey. After being told that his health challenges were irreversible, he experienced firsthand how new regenerative technology not only helped him heal but made him stronger than ever before. Life Force will show you how you can wake up every day with increased energy, a more bulletproof immune system, and the know-how to help turn back your biological clock. This is a book for everyone, from peak performance athletes, to the average person who wants to increase their energy and strength, to those looking for healing. Life Force provides answers that can transform and even save your life, or that of someone you love.

Leadership is a Relationship Aug 07 2021 Discover how putting people first creates vibrant organizations and profound change In *Leadership is a Relationship*, accomplished founders and authors Michael S. Erwin and Willys DeVoll deliver an insightful collection of interviews with leaders who have succeeded by prioritizing the wellbeing of other people. Featuring fresh stories from leaders like Olympic legend Kerri Walsh Jennings, former Secretary of Veterans Affairs Bob McDonald, and visionary principal Dr. Virginia Hill, the book shows how you too can become a relationship-based leader and thrive in our chaotic, digital world. By highlighting role models from different careers, backgrounds, skill sets, and schools of thought, the authors offer readers an inspiring antidote to one of the most serious—and underreported—crises of our era: the damage that digital distractions have done to our personal relationships. The book offers: Concrete strategies for combating the depersonalization of the Information Age and strengthening our connections with other people Real stories of how people from Olympic champions to small-business owners have put people first Take-away tips for the busy reader who needs quick insight or hopes to use the book in a modular curriculum for their organization or class Perfect for anyone who wants lead both morally and effectively, *Leadership is a Relationship* provides a concise and convincing argument that leaders who put people first have the best chance of succeeding in the twenty-first century.

Leadership is an Art Apr 27 2023 Provides advice on the "art" of leadership by the CEO of one of Fortune magazine's ten best managed companies.

First-Time Leader Nov 10 2021 First-time leaders get motivational and planning tools from top executive coaching firms The *First-Time Leader* provides basic frameworks, processes, and tools to help first-time leaders and their teams deliver better results faster. Leading is about inspiring and enabling others to do their absolute best, together, to realize a meaningful and rewarding shared purpose. Authors George Bradt, Managing Director of PrimeGenesis, and Gillian Davis, Managing Director of AlanKey, show how to achieve these results through the BRAVE acronym: Behaviors, Relationships, Attitudes, Values, Environment. Learn the three stages of team development, and get advice for specific leadership situations including onboarding yourself, onboarding others, and crisis management. Offers a way of thinking about leadership and a structure for action to help first-time leaders lead at both overall conceptual and tactical levels Includes downloadable tools that are easily adaptable for each leader's specific context Contains illustrative examples and stories from a range of experienced leaders and experts to help guide first-time leaders through things they may not have experienced themselves The *First-Time Leader* shows new leaders what to do next, later, never, why, and how. It's an indispensable guide for stepping up and inspiring others to come together for success.

Blending Leadership Aug 19 2022 An organizational approach to more effective school leadership, online and off “Leadership, especially in a school setting, is too important to be merely intuitive. In this generous book, Steve and Reshan outline a new way of thinking for a new kind of leader. Recommended.” Seth Godin, author of *What to Do When it's Your Turn* (and it's Always Your Turn) "If you're a school leader, *Blending Leadership* is the book you need to guide your thinking in today's increasingly networked educational environment. Your students and staff may have varying degrees of comfort with technology, but this book will give you solid guidance on how to lead them both online and offline and chart a path to the future.” Daniel H. Pink, author of *Drive* *Blending Leadership* provides all school leaders with a unique approach to utilizing technology for more effective learning and leadership. As the online aspects of schools become just as important as their brick-and-mortar counterparts, leaders must be as effective screen-to-screen as they are face-to-face. Drawing from research, experience, and real-world examples, this book explores and unpacks six core beliefs necessary for the blended leader to succeed. Between email, websites, apps, updates, tweets, attachments, infographics, YouTube, and unceasing notifications, most people are inundated with digital detritus, and they either grow to ignore it or get swept under it. Effective blended leaders see these distractions as spurs to action, models, test cases, remixable commodities, and learning opportunities. *Blending Leadership* gives you the perspective you need to excel and the knowledge to leverage the tools at your disposal.

Reinventing Leadership Oct 29 2020 REINVENTING LEADERSHIP Margaret Jane Howe How differently would people work for you, if you were an outstanding leader? How would results change if you could inspiringly communicate vision and business focus to employees such that they perform differently? This book is about you and how you are is a leader, and what you can observe for yourself about how to be that leader you've always wanted to be. This remarkable book stands out with rich and valuable understanding of how to come out of hiding to seeing leadership is new eyes! Carmel Greenwood Author of 'Letting Go & LovingLife', 'Soul Energy', 'Wake Up Mum Drugs Are Stealing Our Children'. About Margaret Jane Howe Following a successful career in senior business roles, including being a qualified Chartered Accountant, IT Engineer, and Master Business Leadership Coach, Margaret Jane Howe now offers seminars in business development and strategy development, and provides one-to-one services to business leaders.

Leadership Is an Inside Job Mar 22 2020 *Leadership Is an Inside Job* By: Jim T. Priest, J.D. As an attorney, Jim Priest has experienced and witnessed what it takes to succeed in leadership and also how to fail. His observations and first-hand experiences have led Priest to believe a leader's internal character is the key for both success and failure of the individual and the organizations they lead. In this book he shares twenty-one leadership principles and in practical down to earth advice, encourages everyone to see themselves as a leader whether they have a title or not, and to develop the character it takes to lead effectively. “Jim’s practical perspective and ability to simplify the core principles of a leader is outstanding and hits the bullseye! I'm thrilled his insights will now be available for everyone.” - Anne Bramman, Chief Financial Officer, Nordstrom “Leadership is an Inside Job is a must read for anyone looking to ground themselves in rock solid principles and eager to lead by example.” - Steve Preston, President and CEO, Goodwill Industries International. “Leadership is an Inside Job is a refreshing new look at a subject few know better than Jim Priest.” - Mick Cornett, Former Mayor of Oklahoma City 2004-2018 “Jim’s contributions through writing, teaching, and advocacy have greatly benefitted the health of families and the development of leaders. His wisdom is pertinent and timely for such a time as this.” - Dr. David A. Busic, General Superintendent Church of the Nazarene

Leadership Is about Behavior, Not Titles Dec 31 2020 Every day, leaders around the world influence workplace culture in various industries - agriculture, education, health care, hospitality, information technology, manufacturing, and transportation to name a few. They are entrusted to solve problems and generate revenue. But are they effective? Do they lead by example? Are team members valued? How often does miscommunication result in lost opportunities? Is turnover soaring? Do leaders show favoritism to a certain group of people? How often does in fighting occur? Is morale low and disruptive behavior high? Is the leader a bully? Is the work culture toxic? Is your company losing time, money, and talent? *Leadership is About Behavior, Not Titles* offers actions to address these concerns and more!

Not Bosses But Leaders Jun 05 2021 This pioneering work has transformed the understanding of how leadership works and how executives can become business leaders. It has been translated into 14 languages.

Leadership Is a Choice Sep 27 2020 When a position in management opens up, will you make the 'short list' of nominees? When your annual review comes along, do you have the 'leadership qualities' necessary to climb the corporate ladder? More importantly, are great leaders born? Or are they made? In this unique blend of narrative fiction and study-guide, authors Ken Strong and John DiCicco tell us the story of Mike. He's an ex-drill sergeant, a good father, and a solid employee. But it's been a long time since he trained new military recruits to become seasoned leaders. When a position in management opens up, Mike's hesitant to apply. With the mentoring of a CEO that sees his potential, and the help of a lovingly honest wife, Mike relearns that most important of lessons, that *Leadership is a Choice*. Each chapter follows Mike's immersive story and explains invaluable management wisdom from the process. Following each section is a study guide with explanations that further illuminate the most important steps in becoming a leader. With this straightforward, example-driven method, learning to become a great leader has never been easier. In this book, you will find the keys and principles that will make you the kind of leader that others want to follow, the kind that earns respect. Don't allow that possible promotion to pass you by. Be the leader that your employer is looking for.

Whether you've ever thought you would be able to lead before or not, you can now, because *Leadership Is a Choice*.

The Leadership Book ePub Mar 14 2022 THE BOOK YOU CAN RELY ON WHENEVER YOU FACE A LEADERSHIP CHALLENGE The demands of a leader can be many, varied and difficult. The *Leadership Book* picks out the 10 top challenges that leaders face on a daily basis and shows how to maximise the performance of leaders and their teams in each of these situations. Each of the 10 sections pins down: · exactly what the issue is · the challenges it can throw up · key leadership actions for to take · the measures of success · the pitfalls to watch out for · a leadership summary to give a quick overview of the highlights of each issue · cross-references to related issues A lifelong companion suitable for any leader, you can dip into sections as and when you need to deal with a particular issue, making for a must-have guide for you to refer back to again and again.

Dare to Lead Aug 27 2020 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG *Leadership* is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here.” Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Great Leaders Have No Rules Sep 08 2021 As a serial entrepreneur, Kevin Kruse has seen time and again that the leadership practices that actually work are the opposite of what is commonly taught and implemented. Close Your Open Door Policy shows how a contrarian approach can be a better, faster, and easier way to succeed as a leader. Chapter by chapter, Kruse focuses on a piece of popular wisdom, then shows with real-world case studies and quantitative research that the opposite approach will lead to better results, encouraging leaders to play favorites, stay out of meetings, and, of course, close their open doors.

Achieve Leadership Genius Jun 17 2022 The Secret is an international phenomenon that has inspired millions of people to live extraordinary lives. The Secret to Teen Power makes that knowledge accessible and relevant to today's teens. It explains the law of attraction in relation to teen issues such as friends and popularity, schoolwork, self-image, and relationships. It explains how teens can transform their own lives and live their dreams.

The Leadership Challenge Jul 18 2022 The 25th anniversary edition of the bestselling business classic, completely revised and updated For more than 25 years, The Leadership Challenge has been the most trusted source on becoming a better leader, selling more than 2 million copies in over 20 languages since its first publication. Based on Kouzes and Posner's extensive research, this all-new edition casts their enduring work in context for today's world, proving how leadership is a relationship that must be nurtured, and most importantly, that it can be learned. Features over 100 all-new case studies and examples, which show The Five Practices of Exemplary Leadership in action around the world Focuses on the toughest organizational challenges leaders face today Addresses changes in how people work and what people want from their work An indispensable resource for leaders at all levels, this anniversary edition is a landmark update and must-read.

The Student Leadership Challenge Mar 02 2021 Real-world leadership training for real-world students The Student Leadership Challenge tailors one of the world's most respected leadership models to students' unique needs, and provides a proven pathway to success. Based on The Five Practices of Exemplary Leadership, this book merges solid research with personal stories from real-world student leaders to help students develop the critical skills they need to lead both now and after graduation. Useful from high school to graduate school and beyond, these lessons are reinforced by reflective and critical thinking activities to help students internalize important concepts while honestly assessing their own practices. Updated and expanded, this new third edition includes four extra chapters to allow deeper investigation, while broader, deeper, and more vivid examples from real-life students illustrate what student leadership looks like around the world. New discussion delves into the research behind the model, as well as the usefulness of leadership in the transition to post-graduate life. What does leadership mean to you? Although it may be difficult to put into words, we all know it when we see it. Effective leaders tend to exhibit a specific set of traits, possess certain skills, and practice particular habits. This book helps you hone your natural talents and shape your path to success as the leader you want to become. Learn The Five Practices of Leadership, and how they help you succeed beyond school Discover how students around the world are exhibiting the best in modern leadership Practice critical leadership techniques and engage in thought-provoking discussion Assess your own potential with the Student Leadership Practices Inventory Great leadership is more important than ever before, and students are in a prime position to develop these critical skills. The Student Leadership Challenge provides a comprehensive framework with real-world application to help students become their very best.

Leadership and Management in the Early Years May 24 2020 Early childhood practitioners are often reluctant to see themselves as leaders and managers. However, all those who work with young children and their families, whatever their level of experience and competence, have to undertake both of these roles on a daily basis. This book encourages practitioners to recognise their active involvement in leadership and management in relation to their work as team leader or team member, and in their work with parents and other professionals, to ensure appropriate and effective provision for young children. The authors identify a number of key principles involved in effective early years leadership and management, which focus on the idea that: Leadership is about influencing others to improve and enhance children's care, learning and development Leadership is only effective if it develops the leadership of others by supporting a team or group in meeting their declared aims or vision Leadership is ultimately distributed, shared and dispersed in early childhood settings These principles are supported by a detailed exploration of the statutory demands made on practitioners working with young children and their families, and reference to relevant literature drawn from both early childhood studies and leadership theories. As well as providing guidance on the roles, responsibilities and tasks facing early childhood leaders, the book features a number of case studies and practical tasks, giving life to concepts and ideas and enabling readers to apply theories and policies to their own work settings. Additional activities at the end of each chapter further support practitioners in fulfilling their leadership and management roles in practice. Leadership and Management in the Early Years is an essential text for early years and early childhood studies students as well as practitioners particularly those who are aiming for Early Years Professional Status.

The Little Red Book of Leadership Lessons Oct 09 2021 Explores what qualities make a good leader by examining lessons from past great leaders and encouraging courage, persistence, decisiveness, and communication.

Leadership 2.0 delivers a step-by-step program for increasing 22 core and adaptive leadership skills. Core leadership skills (those that get people into leadership positions) will sharpen your saw, and adaptive leadership skills (those that set great leaders apart) will make you into the leader you've always wanted to be.

Leadership Is Language Feb 25 2023 Wall Street Journal Bestseller From the acclaimed author of Turn the Ship Around!, former US Navy Captain David Marquet, comes a radical new playbook for empowering your team to make better decisions and take greater ownership. You might imagine that an effective leader is someone who makes quick, intelligent decisions, gives inspiring speeches, and issues clear orders to their team so they can execute a plan to achieve your organization's goals. Unfortunately, David Marquet argues, that's an outdated model of leadership that just doesn't work anymore. As a leader in today's networked, information-dense business climate, you don't have full visibility into your organization or the ground reality of your operating environment. In order to harness the eyes, ears, and minds of your people, you need to foster a climate of collaborative experimentation that encourages people to speak up when they notice problems and work together to identify and test solutions. Too many leaders fall in love with the sound of their own voice, and wind up dictating plans and digging in their heels when problems begin to emerge. Even when you want to be a more collaborative leader, you can undermine your own efforts by defaulting to command-and-control language we've inherited from the industrial era. It's time to ditch the industrial age playbook of leadership. In Leadership is Language, you'll learn how choosing your words can dramatically improve decision-making and execution on your team. Marquet outlines six plays for all leaders, anchored in how you use language: • Control the clock, don't obey the clock: Pre-plan decision points and give your people the tools they need to hit pause on a plan of action if they notice something wrong. • Collaborate, don't coerce: As the leader, you should be the last one to offer your opinion. Rather than locking your team into binary responses ("Is this a good plan?"), allow them to answer on a scale ("How confident are you about this plan?") • Commit, don't comply: Rather than expect your team to comply with specific directions, explain your overall goals, and get their commitment to achieving it one piece at a time. • Complete, not continue: If every day feels like a repetition of the last, you're doing something wrong. Articulate concrete plans with a start and end date to align your team. • Improve, don't prove: Ask your people to improve on plans and processes, rather than prove that they can meet fixed goals or deadlines. You'll face fewer cut corners and better long-term results. • Connect, don't conform: Flatten hierarchies in your organization and connect with your people to encourage them to contribute to decision-making. In his last book, Turn the Ship Around!, Marquet told the incredible story of abandoning command-and-control leadership on his submarine and empowering his crew to turn the worst performing submarine to the best performer in the fleet. Now, with Leadership is Language he gives businesspeople the tools they need to achieve such transformational leadership in their organizations.

Global Leadership Feb 01 2021 Global leadership is an emerging field that seeks to understand and explain the impact of globalization processes on leadership. This is the first book to review the theoretical, empirical and conceptual literature on this important subject, and to analyze what this body of knowledge means for managers who lead in a global business context. Accessible to both student and practitioner alike, it explains how changes in the global context have created a demand for a distinctive set of qualities for effective leaders. This volume defines the skill set that global organizations are now looking for, highlighting the need to establish communities across diverse groups of stakeholders and initiate change as key aspects of global leadership. It also presents a critical analysis of the training and development of global leaders of the future. Global Leadership provides an important overview of a key emerging area within business and management. It is essential reading for students of leadership, organizational theory, strategic management, human resource management, and for anyone working and managing in the global arena.

The Book of Leadership Apr 15 2022 Have you ever wondered what characteristics are shared by successful business leaders? Have you ever asked yourself what it is that they do differently which makes them and their organisations stand out from the crowd? And what can you learn from them to ensure your own success? If so, The Book of Leadership is for you. Over the last six years, Anthony Gell has conducted interviews with some of the most successful CEOs, entrepreneurs and business thinkers in the world, including Sir Terry Leahy, former CEO of Tesco, Richard Reed, founder of innocent drinks, Olaf Swantee, CEO of EE and Daniel Goleman, author of the bestselling Emotional Intelligence. Now for the first time, he is bringing together hours of exclusive interview footage into a single resource for anybody looking to improve their leadership skills. In The Book of Leadership he combines his own experiences as a CEO with those of the leaders he has interviewed to provide insights and advice in three core areas: * Part 1 looks at leaders as individuals and reveals the personal habits and attributes that have laid the foundations for their success. * Part 2 focuses on what it takes to build and motivate a world class team * Part 3 goes beyond team leadership to identify how the habits of effective leadership are carried through on a larger scale in organisations.

Finding a Solution to Leadership Feb 13 2022 Business and employee management are key subjects in business administration. For decades, actually for centuries, there has been a discussion about how effective leadership of people or employees can be realized. It has always been a major concern within market-based economic systems to learn how its products and services should be designed in order to generate consumer demand. That the discussion about business and employee management is more relevant than ever is linked to the fact that leadership situations are influenced by a variety of external factors. They include, in particular, political, cultural, social, demographic, economic, and technological developments. It is therefore required for business and employee management to be adapted to those external framework conditions on a permanent basis. In former times, the assumption in mainstream leadership research was that leadership success relied on specific personal characteristics. Later on, the prevailing view was that the decisive factors in employee management lied in specific leadership behavior or leadership styles. Today's research on leadership is dominated by situation-oriented approaches, providing for specific leadership concepts for specific organizational and employee-related structures. The present thesis is an attempt to bundle a variety of approaches to leadership with the aim of providing an overarching framework for concepts of a similar nature. Therefore, the leadership concept to be developed in what follows is to be characterized by the principles of holism and sustainability. The first step is to present the fundamentals of leadership and management in order to introduce key terms and concepts and provide an overview of the research on leadership. Chapter 3 deals with separately displaying the business and employee management approaches of various management pioneers, distinguishing between early and con-temporary pioneers. Each approach is presented in consideration of its key elements, its strengths and opportunities, as well as its weaknesses and limitations. The fourth chapter, finally, is devoted to developing a holistic and sustainable leader-ship concept.

Leadership is a Relationship Nov 22 2022 Discover how putting people first creates vibrant organizations and profound change In Leadership is a Relationship, accomplished founders and authors Michael S. Erwin and Willys DeVoll deliver an insightful collection of interviews with leaders who have succeeded by prioritizing the wellbeing of other people. Featuring fresh stories from leaders like Olympic legend Kerri Walsh Jennings, former Secretary of Veterans Affairs Bob McDonald, and visionary principal Dr. Virginia Hill, the book shows how you too can become a relationship-based leader and thrive in our chaotic, digital world. By highlighting role models from different careers, backgrounds, skill sets, and schools of thought, the authors offer readers an inspiring antidote to one of the most serious—and underreported—crises of our era: the damage that digital distractions have done to our personal relationships. The book offers: Concrete strategies for combating the depersonalization of the Information Age and strengthening our connections with other people Real stories of how people from Olympic champions to small-business owners have put people first Take-away tips for the busy reader who needs quick insight or hopes to use the book in a modular curriculum for their organization or class Perfect for anyone who wants lead both morally and effectively, Leadership is a Relationship provides a concise and convincing argument that leaders who put people first have the best chance of succeeding in the twenty-first century.

Leadership Is an Art Dec 23 2022 In what has become a bible for the business world, the successful former CEO of Herman Miller, Inc., explores how executives and managers can learn the leadership skills that build a better, more profitable organization. Leadership Is an Art has

long been a must-read not only within the business community but also in professions ranging from academia to medical practices, to the political arena. First published in 1989, the book has sold more than 800,000 copies in hardcover and paperback. This revised edition brings Max De Pree's timeless words and practical philosophy to a new generation of readers. De Pree looks at leadership as a kind of stewardship, stressing the importance of building relationships, initiating ideas, and creating a lasting value system within an organization. Rather than focusing on the "hows" of corporate life, he explains the "whys." He shows that the first responsibility of a leader is to define reality and the last is to say thank you. Along the way, the artful leader must:

- Stimulate effectiveness by enabling others to reach both their personal potential and their institutional potential
- Take a role in developing, expressing, and defending civility and values
- Nurture new leaders and ensure the continuation of the corporate culture

Leadership Is an Art offers a proven design for achieving success by developing the generous spirit within all of us. Now more than ever, it provides the insights and guidelines leaders in every field need.

Understanding Leadership Jan 24 2023

How to Succeed as a Leader Nov 29 2020 This work includes Foreword by David Nicholson - Chief Executive, National Health Service of England. In the past, there has been too little emphasis and investment made in developing leaders in healthcare. People have become leaders without being prepared or trained or supported in the role. Individuals need to understand the context, the concept and models of good leadership, the practical steps to becoming a good leader, and how to sustain the various components of a well functioning and effective organisation, whether that is a large NHS trust or hospital department, a clinical group or practice team. This guide has been written by a range of writers from organisational consultancy and NHS backgrounds who are all experienced in developing and supporting leaders, planning and providing education, and change management. It is specially designed for independent learning, with answers to frequently asked questions, self-assessment exercises and helpful tips. "How to Succeed as a Leader" is ideal for all healthcare professionals in (or aspiring to) leadership roles. It also provides inspiration for academics and workplace educators, managers and leaders in government, strategic health authorities and workforce deaneries. 'There is constant reorganisation and a changing culture in our health service. Good leadership is essential to address the changes required and take others with you so that the service can function effectively. There has been an amateurish approach to leadership in the NHS in the past, where people have become leaders without being prepared or trained for the role or supported in it. This book is all about presenting you with a practical approach to becoming a competent leader, to prepare you to lead in a positive way and realise your responsibilities as a leader.' From the Preface.

LEADERSHIP IS AN ACTION NOT A POSITION Feb 19 2020 Leadership is often associated with titles, positions, and authority. However, true leadership is not defined by a role or a job title, but rather by action. It is the ability to inspire and guide others towards a common goal, make tough decisions, take risks, and lead by example. In this book, we will explore the idea that leadership is an action, not a position. Through real-life stories, examples, and practical strategies, we will delve into the essence of true leadership. We will challenge the conventional notions of what it means to be a leader and provide insight into how anyone, regardless of their title or position, can become a leader. This book is for anyone who aspires to lead, whether they are a CEO, a team leader, or an individual contributor. The idea of leadership is not static. Continuous learning, introspection, and change adaptation are necessary. As a result, this book is intended to serve as a manual for continuing education and development. We'll talk about things like creating a culture of innovation, effective communication, leading with empathy, and trust-building. Our ultimate objective is to motivate readers to act and develop into the kind of leaders who have a good impact on the world. And therefore, whether you are a seasoned leader trying to improve your abilities or someone who is just beginning their leadership path, this book is for you. Let's get started and learn how each of us may become leaders through what we do.
