You will be on the edge of your seat as he tells the inspiring comeback stories from some of the most interesting individuals on the face of the earth, realizing by the end that along the way you have been given a blueprint to orchestrate a few comebacks of your own." --Ben Rosario, Head Coach, HOKA ONE ONE NAZ Elite Though the Atlanta Falcons' 2018 was up and down, we can expect great things from them over the next few years with a solid young nucleus on both offense and defense. Let's take a walk down memory lane and look at some of the greatest Falcons wins of all-time...and hope we can add to this list soon! NOTE: The 53rd "Greatest Comeback" was deliberately omitted from

this book. It is reserved to the entire 2019 season (Falcons 53rd Anniversary Season). This Season will be "EPIC." You Need A Comeback! Yes, you. Maybe you need a comeback from a forgotten dream. Maybe it is a comeback from struggle, hardship, or loss. Maybe it is a comeback from depression, anxiety, guilt, or regret. You may need a comeback in your marriage. You may need a financial comeback, or maybe a comeback to forgiveness. In *The Great Comeback*, EBO ELDER shows you how to come back from life's greatest setbacks and struggles. You'll read practical steps to find victory, freedom, and the life you've dreamed. Journey with EBO as he takes you through his story of abuse, divorce, remarriage, betrayal, addictions, depression, defeat, and more! Years ago, there was a young quarterback with big NFL dreams but he was overlooked by many - until Coach Bill Belichick made a pick that would forever change both of their lives. This tale follows the journey of Tom Brady and Bill Belichick's rise to greatness and the remarkable comeback over the Atlanta Falcons in Super Bowl 51. "Describes great comeback stories for teams and athletes from National Basketball Association (NBA) history"-- This is the life story of Ebo Elder from birth to 40 years old. It contains stories from a chaotic childhood, his first marriage, divorce, remarriage, boxing success, defeat, ministry and more. *The Great Comeback* unapologetically points its reader to Jesus as the central figure of the universe and sole answer to all of mankind problems. A left-handed batter in the NCAA's Division 1, Max Gordon still had a lot to live for, provided he would live at all. Facing a devastating loss--the death of his

brother, Nick--and a life-threatening physical injury, he went on a transformative personal journey that united his family through the most difficult time they had ever faced. In this intimate narrative about the healing power of sports, a family is made whole again through the determination of a son who proves that in life as in baseball, no matter the score, as long as you have one more at bat, you're still in the game. The authors tell the story from the perspective of having shared relationships with the Gordon brothers. Jim Dent's *Monster of the Midway* is the story of football's fiercest competitor, the legendary Bronko Nagurski. From his discovery in the middle of a Minnesota field to his 1943 comeback season at Wrigley, from the University of Minnesota to the Hall of Fame, Bronko Nagurski's life is a story of grit, hard work, passion, and, above all, an unstoppable drive to win. *Monster of the Midway* recounts Nagurski's unparalleled triumphs during the 1930s and '40s, when the Chicago Bears were the kings of professional football. From 1930, the Bronk's first year, through 1943, his last, the Bears won five NFL titles and played in four other NFL Championship Games. Focusing on Nagurski's 1943 comeback season, and how he miraculously led the Bears to their fourth NFL championship against the backdrop of World War II era Chicago, Jim Dent uncovers the riveting drama of Nagurski's playing days. His efforts were the stuff of legend, and his success in 1943 accomplished in spite of a battered frame, worn-out knees, multiple cracked ribs, and a broken bone in his lower back. While chronicling the drama of the '43 championship chase, Dent also tells of both the Bears' colorful early years and Bronko's

improbable rise to fame from the backwoods of northern Minnesota. Woven into the narrative are the sights and smells and sounds of one of the most romantic, flavorful eras of the twentieth century. And laced through it all are stories of legend: Bronko rubbing shoulders with colorful characters like George Halas, Red Grange, Sid Luckman, and Sammy Baugh; Bronko running into (and breaking) the brick wall at Wrigley Field; Bronko winning All-American spots for two positions; Bronko knocking scores of opponents unconscious; and Bronko reaching the heights of football glory and, with rare grace, turning his back on the game after winning his last championship. Rich in unforgettable stories and scenes, this is Jim Dent's account of Bronko Nagurski—arguably the greatest football player who ever lived—and his teammates, the roughest, toughest, rowdiest group of players ever to don leather helmets, and the original Monsters of the Midway. The uplifting, unlikely, and inspirational true story of the friendships formed between Cam Perron—a white, baseball-obsessed teenager from Boston—and hundreds of former professional Negro League players, who were still awaiting the recognition and compensation that they deserved from Major League Baseball more than fifty years after their playing days were over. Featuring the players' fascinating stories and original photographs. Cam Perron always loved history, and from an early age, he had a knack for collecting. But when he was twelve and bought a set of Topps baseball cards featuring several players from the Negro Leagues, something clicked. Cam started writing letters to former Negro League players in 2007, asking for

their autographs and a few words about their careers. He got back much more than he expected. The players responded with detailed stories about their glory days on the field, and the racism they faced, including run-ins with the KKK. They explained how they were repeatedly kept out of the major leagues and confined to the historic but lower-paying Negro Leagues, even after Jackie Robinson—who got his start in the Negro Leagues—broke the color barrier. By the time Cam finished middle school, letters had turned into phone calls, and he was spending hours a day talking with the players. In these conversations, many of the players revealed that their careers had been unrecognized over time, and they'd fallen out of touch with their former teammates. So Cam, along with a small group of fellow researchers, organized the first annual Negro League Players Reunion in Birmingham, Alabama in 2010. At the celebratory, week-long event, fifteen-year-old Cam and the players—who were in their 70s, 80s, and 90s—finally met in person. They quickly became family. As Cam and the players returned to the reunion year after year, Cam became deeply involved in a complicated mission to help many players get pension money that they were owed from Major League Baseball. He also worked to get a Negro League museum opened in Birmingham, and stock it with memorabilia. Sports fans—and anyone who enjoys a heartfelt story—will have their eyes opened by this book about unlikely friendships, the power of memories, and just how far a childhood interest can go. What are Major League Baseball's greatest comeback games? This book set out to collect the stories of those games, but rather than throw

together an anecdotally-determined collection of games, SABR decided to see if there was an objective measure, a way to determine which was the greatest comeback game of all time, and to rank the games. Retrosheet's Tom Ruane created a master list of 630 games and ranked them mathematically in terms of how unlikely the win was, and therefore how great the comeback had been. The games in this volume are presented in rank order, from number 1 through 64. We also added the greatest postseason comeback games. These seven contests are presented in a separate section devoted to postseason games. And to make sure that every current team in MLB was represented in this volume, we treated the Los Angeles Dodgers and San Francisco Giants as different from the Brooklyn Dodgers and New York Giants, and added the greatest comeback by the Colorado Rockies, Texas Rangers, and several other teams. In the end, every major-league team is represented in Baseball's Greatest Comeback Games, but the Phillies lead the list with six comeback wins in the top 64. Tied for second for most comebacks are four American League teams: the Red Sox, Indians, Tigers, and Yankees. This book was a team effort by 60 members of the Society for American Baseball Research, who researched and wrote about all 80 games presented herein. Patrick J. Buchanan, bestselling author and senior advisor to Richard Nixon, tells the definitive story of Nixon's resurrection from the political graveyard and his rise to the presidency. After suffering stinging defeats in the 1960 presidential election against John F. Kennedy, and in the 1962 California gubernatorial election, Nixon's career was declared

dead by Washington press and politicians alike. Yet on January 20, 1969, just six years after he had said his political life was over, Nixon would stand taking the oath of office as 37th President of the United States. How did Richard Nixon resurrect a ruined career and reunite a shattered and fractured Republican Party to capture the White House? In *The Greatest Comeback*, Patrick J. Buchanan--who, beginning in January 1966, served as one of two staff members to Nixon, and would become a senior advisor in the White House after 1968--gives a firsthand account of those crucial years in which Nixon reversed his political fortunes during a decade marked by civil rights protests, social revolution, The Vietnam War, the assassinations of JFK, RFK, and Martin Luther King, urban riots, campus anarchy, and the rise of the New Left. Using over 1,000 of his own personal memos to Nixon, with Nixon's scribbled replies back, Buchanan gives readers an insider's view as Nixon gathers the warring factions of the Republican party--from the conservative base of Barry Goldwater to the liberal wing of Nelson Rockefeller and George Romney, to the New Right legions of an ascendant Ronald Reagan--into the victorious coalition that won him the White House. How Richard Nixon united the party behind him may offer insights into how the Republican Party today can bring together its warring factions. *The Greatest Comeback* is an intimate portrayal of the 37th President and a fascinating fly on-the-wall account of one of the most remarkable American political stories of the 20th century. In the fall of 1858, Abraham Lincoln looked to be anything but destined for greatness.

Just shy of his fiftieth birthday, Lincoln was wallowing in the depths of despair following his loss to Stephen Douglas in the 1858 senatorial campaign and was taking stock in his life. The author takes us on a journey with Abraham Lincoln from the last weeks of 1858 until the end of May in 1860, on the road to his unlikely Republican presidential nomination. In tracing Lincoln's steps from city to city, from one public appearance to the next along the campaign trail, we see the future president shape and polish his public persona. Although he had accounted himself well in the famous Lincoln-Douglas debates, the man from Springfield, Illinois, he was nevertheless seen as the darkest of dark horses for the highest office in the land. Upon hearing Lincoln speak, one contemporary said, "I will not say he reminded me of Satan, but he certainly was the ungodliest figure I had ever seen." The reader sees how this "ungodliest" of figures shrewdly spun his platform to crowds far and wide and, in doing so, became a public celebrity on par with any throughout the land. This is a story teeming with drama and intrigue about an event that no one could fathom occurring today...yet it absolutely happened in with America seven score and eight years ago, when Lincoln, the man, took his first steps on the way toward becoming Abraham Lincoln, the legendary leader and most respected president of American history. An extraordinary and compelling account of the life of holocaust survivor and football coach Bela Guttmann. After coming close to winning the pennant on more than one occasion during the early 1920s, the Pittsburgh Pirates finally shed the stigma of being underachievers and claimed the National League flag in 1925, ending the New York Giants' four-year reign at the top of the league. Manager Bill McKechnie's brigade of young guns moved on to oppose the defending world champion Washington Senators in the World Series. After falling behind three games to one, Pittsburgh pulled off the greatest comeback in World Series history when they rallied to win in a thrilling seventh game. This detailed history recounts the entire 1925 Pittsburgh Pirates season, paying special attention to the team's construction and the World Series. Shortlisted for the William Hill Sports Book of the Year Award 2017. Longlisted for the Coutts Football Writers Association Award 2018. Before Pep Guardiola and before José Mourinho, there was Béla Guttmann: the first superstar football coach, and the man who paved the way for the celebrated coaches of the modern age. More extraordinarily still, Guttmann was a Holocaust survivor. Having narrowly dodged death by hiding for months in an attic near Budapest as thousands of fellow Jews in the neighbourhood were dragged off to be murdered, Guttmann later escaped from a slave labour camp. He was one of the lucky ones. His father, sister and wider family perished at the hands of the Nazis. But by 1961, as coach of Benfica, he had lifted one of football's greatest prizes: the European Cup a feat he repeated the following year. Rising from the death pits of Europe

to become its champion in just over sixteen years, Guttman performed the single greatest comeback in football history. This remarkable story spans two visions of twentieth-century Europe: a continent ruptured by barbarism and genocide, yet lit up by exhilarating encounters in magnificent cities, where great players would strive to win football's holy grail. With dark forces rising once again, the story of Béla Guttmann's life asks the question: which vision of Europe will triumph in our times? The story of the bicyclist who, having won the battle against cancer, went on to win the world's most grueling bicycle race, the Tour de France.
