Mexican style.

The Secret Book of Frida Kahlo Jul 19 2022 One of Mexico's most celebrated new novelists, F. G. Haghenbeck offers a beautifully written reimagining of Frida Kahlo's fascinating life and loves. When several notebooks were recently discovered among Frida Kahlo's belongings at her home in Coyoacán, Mexico City, acclaimed Mexican novelist F. G. Haghenbeck was inspired to write this beautifully wrought fictional account of her life. Haghenbeck imagines that, after Frida nearly died when a streetcar's iron handrail pierced her abdomen during a traffic accident, she received one of the notebooks as a gift from her lover Tina Modotti. Frida called the notebook "The Hierba Santa Book" (The Sacred Herbs Book) and filled it with memories, ideas, and recipes. Haghenbeck takes readers on a magical ride through Frida's passionate life: her long and tumultuous relationship with Diego Rivera, the development of her art, her complex personality, her hunger for experience, and her ardent feminism. This stunning narrative also details her remarkable relationships with Georgia O'Keeffe, Leon Trotsky, Nelson Rockefeller, Ernest Hemingway, John Dos Passos, Henry Miller, and Salvador Dalí. Combining rich, luscious prose with recipes from "The Hierba Santa Book," Haghenbeck tells the extraordinary story of a woman whose life was as stunning a creation as her art.

Sharpe's Fury Oct 22 2022 From New York Times bestselling author Bernard Cornwell, the eleventh installment in the world-renowned Sharpe series, chronicling the rise of Richard Sharpe, a Private in His Majesty's Army at the siege of Seringapatam. In the winter of 1811, the war seems lost. Spain has fallen to the French, except for Cadiz, now the Spanish capital and itself under siege. Inside the city walls an intricate diplomatic dance is taking place and Richard Sharpe faces more than one enemy. The small British

force is trapped by a French army, and their only hope lies with the outnumbered redcoats outside refusing to admit defeat. There, in the sweltering horror of Barrosa, Sharpe will meet his old enemy Colonel Vandal once again.

The Non-designer's Design Book Jan 01 2021 A lot has happened in the world of digital design since the first edition of this title was published, but one thing remains true: There is an ever-growing number of people attempting to design everything from newsletters to advertisements with no formal training. This book is the one place they can turn to find quick, non-intimidating, excellent design help from trusted design instructor Robin Williams. This revised and expanded classic includes a new chapter on designing with type, more quizzes and exercises, updated projects, and new visual and typographic examples that give the book a fresh, modern look. In The Non-Designer's Design Book, 4th Edition, Robin turns her attention to the basic principles that govern good design. Perfect for beginners, Robin boils great design into four easy-to-master principles: contrast, repetition, alignment, and proximity (C.R.A.P.!). Readers who follow her clearly explained concepts will produce more sophisticated and professional work immediately. Humor-infused, jargon-free prose interspersed with design exercises, quizzes, and illustrations make learning a snap—which is just what audiences have come to expect from this bestselling author.

Washington Post Named one of best books of the year by Marie Claire and Bookbub "If you enjoyed "The Tattooist of Auschwitz," read "The Huntress," by Kate Quinn." The Washington Post From the author of the New York Times and USA Today bestselling novel, THE ALICE NETWORK, comes another fascinating historical novel about a battle-haunted English journalist and a Russian female bomber pilot who join forces to track the Huntress, a Nazi war criminal gone to ground in America. In the aftermath of war, the hunter becomes the hunted... Bold and fearless, Nina Markova always dreamed of flying. When the Nazis attack the Soviet Union, she risks everything to join the legendary Night Witches, an all-female night bomber regiment wreaking havoc on the invading Germans. When she is stranded behind enemy lines, Nina becomes the prey of a lethal Nazi murderess known as the Huntress, and only Nina's bravery and cunning will keep her alive. Transformed by the horrors he witnessed from Omaha Beach to the Nuremberg Trials, British war correspondent Ian Graham has become a Nazi hunter. Yet one target eludes him: a vicious predator known as the Huntress. To find her, the fierce, disciplined investigator joins forces with the only witness to escape the Huntress alive: the brazen, cocksure Nina. But a shared secret could derail their mission unless Ian and Nina force themselves to confront it. Growing up in post-war Boston, seventeen-year-old Jordan McBride is determined to become a photographer. When her long-widowed father unexpectedly comes home with a new fiancée, Jordan is thrilled. But there is something disconcerting about the soft-spoken German widow. Certain that danger is lurking, Jordan begins to delve into her new stepmother's past—only to discover that there are mysteries buried deep in her family . . . secrets that may threaten all Jordan holds dear. In this immersive, heart-wrenching story, Kate Quinn illuminates the consequences of war on individual lives, and the

price we pay to seek justice and truth.

The Allagash Abductions Dec 20 2019 Describes the abduction in 1976 of four men by alien beings.

Sharpe's Prey Aug 20 2022 "The greatest writer of historical adventures today." —Washington Post
Critically acclaimed, perennial New York Times bestselling author Bernard Cornwell (Agincourt, The Fort, the Saxon Tales) makes real history come alive in his breathtaking historical fiction. Praised as "the direct heir to Patrick O'Brian" (Agincourt, The Fort), Cornwell has brilliantly captured the fury, chaos, and excitement of battle as few writers have ever done—perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. In Sharpe's Prey, Sharpe must prove his mettle once again after performing courageously on Wellesley's battlefields in India and the Iberian Peninsula, as he undertakes a secret mission to Copenhagen, Denmark in 1807 to prevent a resurgent Napoleon from capturing the Danish fleet. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

Sorted Books Nov 30 2020 Delighting in the look and feel of books, conceptual artist Nina Katchadourian's playful photographic series proves that books' covers—or more specifically, their spines—can speak volumes. Over the past two decades, Katchadourian has perused libraries across the globe, selecting, stacking, and photographing groupings of two, three, four, or five books so that their titles can be read as sentences, creating whimsical narratives from the text found there. Thought-provoking, clever, and at times laugh-out-loud funny (one cluster of titles from the Akron Museum of Art's research library consists of: Primitive Art/Just Imagine/Picasso/Raised by Wolves), Sorted Books is an

enthralling collection of visual poems full of wry wit and bookish smarts.

The Book of Ebenezer le Page Jun 25 2020 Ebenezer Le Page, cantankerous, opinionated, and charming, is one of the most compelling literary creations of the late twentieth century. Eighty years old, Ebenezer has lived his whole life on the Channel Island of Guernsey, a stony speck of a place caught between the coasts of England and France yet a world apart from either. Ebenezer himself is fiercely independent, but as he reaches the end of his life he is determined to tell his own story and the stories of those he has known. He writes of family secrets and feuds, unforgettable friendships and friendships betrayed, love glimpsed and lost. The Book of Ebenezer Le Page is a beautifully detailed chronicle of a life, but it is equally an oblique reckoning with the traumas of the twentieth century, as Ebenezer recalls both the men lost to the Great War and the German Occupation of Guernsey during World War II, and looks with despair at the encroachments of commerce and tourism on his beloved island. G. B. Edwards labored in obscurity all his life and completed The Book of Ebenezer Le Page shortly before his death. Published posthumously, the book is a triumph of the storyteller's art that conjures up the extraordinary voice of a living man.

Sharpe's Havoc Nov 23 2022 A small British army is stranded when the French invade northern Portugal and Lieutenant Richard Sharpe meets the future Duke of Wellington. Sharpe is stranded behind enemy lines, but he has Patrick Harper, his riflemen and he has the assistance of a young, idealistic Portuguese officer. When he is joined by the future Duke of Wellington they immediately mount a counter-attack and Sharpe, having been the hunted, becomes the hunter once more. Amidst the wreckage of a defeated army, in the storm lashed hills of the Portuguese frontier, Sharpe takes his

revenge. Soldier, hero, rogue - Sharpe is the man you always want on your side. Born in poverty, he joined the army to escape jail and climbed the ranks by sheer brutal courage. He knows no other family than the regiment of the 95th Rifles whose green jacket he proudly wears.

Sharpe's Story Apr 23 2020

Sharpe's Regiment Jun 18 2022 Major Sharpe should be fighting the French -- but his worst enemies are in England. . . Major Richard Sharpe's men were in mortal danger -- not from the French, but from the bureaucrats of Whitehall. Unless reinforcements could be brought from England, the depleted South Essex would be disbanded, their troops scattered throughout the army. Determined not to see his regiment die, Sharpe returns to England and uncovers a nest of well-bred, high-ranking traitors, any one of whom could utterly destroy his career with a word, or a stroke of the pen. Sharpe is forced into the most desperate gamble of his life -- and not even the influence of the Prince Regent may be enough to save him. . .

Sharpe's Triumph Jul 27 2020 After barely surviving a murderous act of treason by a bitter English officer who has joined the mercenary forces of the Mahratta confederation, young Richard Sharpe vows to hunt down the turncoat. Reissue.

Angels of Vengeance Mar 23 2020 "A seamless fusion of alternate history, postapocalyptic fiction, and espionage-fueled thriller."—Publishers Weekly When an inexplicable wave of energy slams into North America, the world is plunged into turmoil—as wars erupt, borders vanish, and the great and powerful fall. Against this dramatic backdrop, three very different women navigate the chaos. The First Anglo-Sikh War Jun 06 2021 The definitive account of the First Anglo-Sikh War, with maps that shed light on the action as never before

Raiders from New France May 05 2021 Though the French and British colonies in North America began on a 'level playing field', French political conservatism and limited investment allowed the British colonies to forge ahead, pushing into territories that the French had explored deeply but failed to exploit. The subsequent survival of 'New France' can largely be attributed to an intelligent doctrine of raiding warfare developed by imaginative French officers through close contact with Indian tribes and Canadian settlers. The ground-breaking new research explored in this study indicates that, far from the ad hoc opportunism these raids seemed to represent, they were in fact the result of a deliberate plan to overcome numerical weakness by exploiting the potential of mixed parties of French soldiers, Canadian backwoodsmen and allied Indian warriors. Supported by contemporary accounts from period documents and newly explored historical records, this study explores the

'hit-and-run' raids which kept New Englanders tied to a defensive position and ensured the continued existence of the French colonies until their eventual cession in 1763.

Sharpe's Escape Feb 02 2021 From New York Times bestselling author Bernard Cornwell, the tenth installment in the world-renowned Sharpe series, chronicling the rise of Richard Sharpe, a Private in His Majesty's Army at the siege of Seringapatam. Sharpe's job as Captain of the Light Company is under threat and he has made a new enemy, a Portuguese criminal known as Ferragus. Discarded by his regiment, Sharpe wages a private war against Ferragus – a war fought through the burning, pillaged streets of Coimbra, Portugal's ancient university city. Sharpe's Escape begins on the great, gaunt ridge of Bussaco where a joint British and Portuguese army meets the overwhelming strength of Marshall Massena's crack troops. It finishes at Torres Vedras where the French hopes of occupying Portugal quickly die.

Sharpe's Eagle Apr 28 2023 After the cowardly incompetence of two officers besmirches their name, Captain Richard Sharpe must redeem the regiment by capturing the most valued prize in the French Army—a golden Imperial Eagle, the standard touched by the hand of Napoleon himself.

Sharpe's Fortress May 25 2020 Richard Sharpe is uncomfortable with his newfound authority as leader, and he will risk his honor, reputation, and fortune on a battle that will test him as never before.

Sharpe's Company Feb 14 2022 The year is 1812, and Richard Sharpe has one mission: to thwart Napoleon's dream of empire. Sharpe and the fighting men of the Light Company must gain control of two fortress cities in Spain if Wellington's army is to stem the Napoleonic tide.

2022 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Waterloo Oct 30 2020 More has probably been written about the Waterloo campaign than almost any other in history. It was the climax of the Napoleonic Wars and forms a watershed in both European and world history. However, the lethal combination of national bias, wilful distortion and simple error has unfortunately led to the constantly regurgitated traditional 'accepted' version being significantly wrong regarding many episodes in the campaign. Oft-repeated claims have morphed into established fact and, with the bicentenary of this famous battle soon to be commemorated, it is high time that these are challenged and finally dismissed. Gareth Glover has spent a decade uncovering hundreds of previously unpublished eyewitness accounts of the battle and campaign, which have highlighted many of these myths and errors. In this ground-breaking history, based on extensive primary research of all the nations involved, he provides a very readable and beautifully balanced account of the entire campaign while challenging these distorted claims and myths, and he provides clear evidence to back his version of events. His thoughtful

reassessment of this decisive episode in world history will be stimulating reading for those already familiar with the Napoleonic period and it will form a fascinating introduction for readers who are discovering this extraordinary event for the first time.
