The Odyssey of Star Wars Feb 23 2022 A thrilling retelling of the Star Wars saga in the style of classic epic poetry "I look not to myself but to the Force, In which all things arise and fall away." Journey to a galaxy far, far away like never before--through lyrical verse and meter. Like the tales of Odysseus and Beowulf, the adventures of Luke Skywalker, Han Solo, Princess Leia, Jyn Erso, Obi-Wan Kenobi, Darth Vader, and the Emperor are fraught with legendary battles, iconic heroes, fearsome warriors, sleek ships, and dangerous monsters. Beginning with Rogue One's rebel heist on Scarif to secure the plans to the Death Star and continuing through the climax of Return of the Jedi, author Jack Mitchell uses the ancient literary form of epic poetry to put a new spin on the Star Wars saga. Punctuated with stunning illustrations inspired by the terracotta art of Greek antiquity, The Odyssey of Star Wars: An Epic Poem presents the greatest myth of the 20th century as it would have been told nearly 3,000 years ago.

An Odyssey Oct 10 2020 A New York Times/PBS NewsHour Book Club Pick From award-winning memoirist and critic, and bestselling author of *The Lost*: a deeply moving tale of a father and son's transformative journey in reading--and reliving--Homer's epic masterpiece. When eighty-one-year-old Jay Mendelsohn decides to enroll in the undergraduate *Odyssey* seminar his son teaches at Bard College, the two find themselves on an adventure as profoundly emotional as it is intellectual. For Jay, a retired research scientist who sees the world through a mathematician's unforgiving eyes, this return to the classroom is his "one last chance" to learn the great literature he'd neglected in his youth--and, even more, a final opportunity to more fully understand his son, a writer and classicist. But through the sometimes uncomfortable months that the two men explore Homer's great work together--first in the classroom, where Jay persistently challenges his son's interpretations, and then during a surprise-filled Mediterranean journey retracing Odysseus's famous voyages--it becomes clear that Daniel has much to learn, too: Jay's responses to both the text and the travels gradually uncover long-buried secrets that allow the son to understand his difficult father at last. As this intricately woven memoir builds to its wrenching climax, Mendelsohn's narrative comes to echo the *Odyssey* itself, with its timeless themes of deception and recognition, marriage and children, the pleasures of travel and the meaning of home. Rich with literary and emotional insight, *An Odyssey* is a renowned author-scholar's most triumphant entwining yet of personal narrative and literary exploration. Named a Best Book of 2017 by NPR, *Library Journal*, *The Christian Science Monitor*, and *Newsday* A Kirkus Best Memoir of 2017 Shortlisted for the 2017 Baillie Gifford Prize

Martín Fierro Jan 25 2022

The Epic of Clair Apr 03 2020 The time: an alternate 2008. The place: Minneapolis-Saint Paul. Oil has dried up. The economy has collapsed. Residents barter and grow backyard gardens to survive. The suburbs are

walled strongholds of wealth and weapons. The Twin Cities teeter on the brink of anarchy. As urban unrest grows, war becomes imminent. If that's not enough, star student and runner Clair Ibsen has problems of her own. At 15, her life is upside down. Her father has lost his job. Now their house is in foreclosure and in the middle of a war zone. Facing homelessness, Clair suffers from the ailment of the age: anxiety. Her cure? To run! Among these dizzying challenges, Clair puts her feet to work as a messenger for a secret coven of urban witches. In return, they agree to use their elegant arts of persuasion help her family. As each mission takes her deeper into the heart of her fractured city, Clair soon finds that such persuasion comes at a cost... In her epic quest to save her home, Clair contends with betrayals by old friends, wannabe urban vampires, a slightly crazed punk rock spiritual advisor, tensions between the Twin Cities' ethnic factions, and the persistent advances of an unbalanced teenage feudal lord who wants to make her his queen. Told in the unrhymed verse of epic poetry—the choice of Shakespeare and Milton—but written in contemporary, everyday language, author-poet E.C. Hansen has crafted this charming, fleet-footed work as an optimistic antidote to the recent flood of dystopian teen novels. Clair's heroic quest for purpose and belonging is the perfect literary epic for our uncertain times.

An Epic of the Starry Heaven Oct 02 2022

The Ramayana of Valmiki: An Epic of Ancient India, Volume V Aug 08 2020 The fifth and most popular book of the Ramayana of Valmiki, the Sundarakanda, recounts the adventures of the monkey hero Hanuman in leaping across the ocean to the island citadel of Lanka. Once there, he scours the city for the abducted Princess Sita. The poet vividly describes the opulence of the court of the demon king, Ravana, the beauty of his harem, and the hideous deformity of Sita's wardresses. After witnessing Sita's stern rejection of Ravana's blandishments, Hanuman reveals himself to the princess and restores her hope of rescue. The great monkey then wreaks havoc on the royal park and fights a series of hair-raising battles with Ravana's generals. Permitting himself to be captured by the warrior Indrajit, Hanuman is led into the presence of Ravana, whom he admonishes for his lechery. His tail is set ablaze, but he escapes his bonds and leaping from rooftop to rooftop, sets fire to the city. Taking leave of Sita, Hanuman once more leaps the ocean to rejoin his monkey companions. This is the fifth volume translated from the critical edition of the Valmiki Ramayana. It contains an extensive introduction, exhaustive notes, and a comprehensive bibliography.

Apocalypse Jul 07 2020 When the Earth becomes a maelstrom of storms and rising sea levels due to catastrophic climate change, some want to give up and call it a day for humanity. Yet there are also those heroic few who are determined to take action and do something about the impending apocalypse. These are the geo-engineers—men and women of creativity, knowledge and drive—who will do whatever it takes to save the planet. They will take on the challenge of bringing the planet back into balance. They will fiercely protect their work from the belligerent navies of two large nations— even if this means risking life and limb in a major sea battle. And with a new dawn of artificial intelligence on the horizon, these valiant few may make the difference between a future of human and A.I. enlightenment or a dark age of never-ending terror. At the publisher's request, this title is sold without

DRM (Digital Rights Management). "Frederick Turner reveals the poetic soul of science fiction"—David Brin "A science fiction epic poem has at its command that great property of science fiction, evoking a sense of wonder in a reader. Science fiction delivers the intellectual and emotional charge of telling stories about what might happen and what people might do about it. It's just fun to read about stuff like that. Fred Turner's epic poem *Apocalypse* is all those things: cool, as memorable as your favorite song in many spots, and, most of all, entertaining. Fun."—from the introduction

The Epic of Son-Jara Nov 03 2022 " . . . a major addition to the literature on oral traditions." —*Journal of Religion in Africa* This 750-year-old epic celebrates the exploits of the legendary founder of the Empire of Old Mali. It constitutes a virtual social, political, and cultural charter and embodies deep-rooted aspects of Mande cosmology. The fully annotated translation is accompanied by an introduction that provides a historical and contextual framework for understanding the recitation of this African epic.

The Girl and the Pig Mar 07 2023 The abuse committed on a child leaves gaping emotional and psychological wounds carried through adulthood. Some cannot survive the trauma; others still suffer—but there is hope. T. L. Jones rose above her troubled past rooted in parental abuse and became a survivor, allowing God to help her help others who suffered the same ordeal that nearly took her life. Her road to freedom from the lingering pain of abuse is captured in every verse of her poem and every word in the prose of her inspiring tale. Reading through the pages can be a life-changing experience for the victims of domestic violence and an eye-opener for those who have no idea what it is to be in such a complex situation. And yes, wounds, though they may leave scars, can heal.

The Epic of Gor Mahia Jan 01 2020

The Epic of Gilgamesh Jan 05 2023 The most complete Gilgamesh in translation—including the new discoveries from tablet V. *THE EPIC OF GILGAMESH* is the Ur epic—the hero's journey, quest, and education—inscribed onto damp clay tablets several millennia before Odysseus or the priest of Ecclesiastes found their voices. Sumerian versions of the epic date back almost 5000 years. It is a Bildungsroman of a bad king learning to become a proper human being and therefore a wise king, and to do

so, besides defeating lions and monsters and surviving great physical and emotional suffering, he must face, and answer, the first (and last) great question: mortality. Translated into English and presented here in its entirety as a graphic novel, this version of *THE EPIC OF GILGAMESH* is a father/son project by scholar and translator Kent H. Dixon and his son, the comix artist Kevin Dixon, who bring a fresh take on this great work. The reader is slowed down by the artwork and visual jokes and the artist's wry hat-tippings to various masters (Crumb and Gilbert Shelton alongside Schultz and Capp, Popeye and Krazy Kat, Uderzo's *Astérix* and Hergé's *Tintin*), and then, once the reading pace has shifted into lower gear, having all these aspects complementarily drawn out, makes for an especially satisfying counterpoint to the low-key, the wise and cynical and morally sophisticated, and sometimes sublimely Olympian humor.

Eos: an Epic of the Dawn and Other Poems Nov 10 2020

The Road to Life Dec 12 2020

The Epic of Gilgamesh Mar 15 2021 *The Epic of Gilgamesh - An Old Babylonian Version - With Yale Tablet Illustrations. Complete Translated Edition.* The *Gilgamesh Epic* is the most notable literary product of Babylonia as yet discovered in the mounds of Mesopotamia. It recounts the exploits and adventures of a favorite hero, and in its final form covers twelve tablets, each tablet consisting of six columns (three on the obverse and three on the reverse) of about 50 lines for each column, or a total of about 3600 lines. Of this total, however, barely more than one-half has been found among the remains of the great collection of cuneiform tablets gathered by King Ashurbanapal (668-626 B.C.) in his palace at Nineveh, and discovered by Layard in 18541 in the course of his excavations of the mound Kouyunjik (opposite Mosul). The fragments of the epic painfully gathered—chiefly by George Smith—from the circa 30,000 tablets and bits of tablets brought to the British Museum were published in model form by Professor Paul Haupt;² and that edition still remains the primary source for our study of the *Epic*.

Bikeman Jun 29 2022 On September 11, 2001, journalist Tom Flynn set off on his bike toward the World Trade Towers not knowing what he was riding into. *Bikeman* is one man's journey back to the horrors of that day and to the humanity that somehow emerged from the dust and the death. Both heartbreaking and haunting, his words will stay with you like that 'forever September morning.' " --Meredith Vieira, *NBC's Today* Tom Flynn brings to his subject three invaluable attributes: the eye of a seasoned journalist, the soul of a poet, and his stunning, first-hand experience of that horrific day." --David Friend, *Vanity Fair* From *Bikeman: The dead from here are my forever companions I am their pine box, their marble reliquary, their bronze urn, the living, breathing coffin they never had, their final resting place without a stone. I move on at peace. Modeled on Dante's Inferno, veteran journalist Thomas Flynn's Bikeman chronicles the morning of September 11, 2001 like no other published work. Flynn delivers a personal account of his experiences beginning with the first strike on the World Trade Center when he decided to follow his journalist's instinct and point his bike's handlebars in the direction of the north tower. His story continues as he transitions from reporter to participant hoping to survive the fall of the south tower. Now Flynn, as both journalist and now survivor, must come to terms with the harrowing ordeal and somehow find peace in the very act of*

surviving. Part journalist's record, part survivor's eulogy, Flynn writes: Survival is the absence of death. It is a subdued, a hushed existence. . . I live to talk about it, to relate the tale as it happens, not only its extremities and cruelty, but also the goodness that flourishes too.

Epic and Empire May 29 2022 Alexander the Great, according to Plutarch, carried on his campaigns a copy of the Iliad, kept alongside a dagger; on a more pronounced ideological level, ancient Romans looked to the Aeneid as an argument for imperialism. In this major reinterpretation of epic poetry beginning with Virgil, David Quint explores the political context and meanings of key works in Western literature. He divides the history of the genre into two political traditions: the Virgilian epics of conquest and empire that take the victors' side (the Aeneid itself, Camoes's *Lusiadas*, Tasso's *Gerusalemme liberata*) and the countervailing epic of the defeated and of republican liberty (Lucan's *Pharsalia*, Ercilla's *Araucana*, and d'Aubigné's *Les tragiques*). These traditions produce opposing ideas of historical narrative: a linear, teleological narrative that belongs to the imperial conquerors, and an episodic and open-ended narrative identified with "romance," the story told of and by the defeated. Quint situates *Paradise Lost* and *Paradise Regained* within these rival traditions. He extends his political analysis to the scholarly revival of medieval epic in the late eighteenth and nineteenth centuries and to Sergei Eisenstein's epic film, *Alexander Nevsky*. Attending both to the topical contexts of individual poems and to the larger historical development of the epic genre, *Epic and Empire* provides new models for exploring the relationship between ideology and literary form.

The Ramayana of Valmiki: An Epic of Ancient India, Volume III May 05 2020 This is the third volume of a planned seven-volume translation of India's most beloved and influential epic tale--the Ramayana of Valmiki. This third volume carries forward the narrative by following the exiled hero Rama, his wife, and his brother on their wanderings. The book contains the narrative center of the epic, the abduction of Sita by the demon king Ravana. It provides a profound meditation on the paradox of the hero as both human and divine. The present translation seeks to provide a readable and trustworthy English version of the poem. It is accompanied by a full commentary elucidating the philological, aesthetic, and cultural problems of the text. Extensive use is made in the annotations of the numerous commentaries on the Ramayana. The substantial introduction to this volume aims to supply a historical context for an appreciation of the poem and a critical reading exploring the ideological components of the work. The volumes of this work will present the entire Ramayana, translated for the first time on the basis of the critical edition (Oriental Institute, Baroda).

The Epic of Gilgamesh Dec 04 2022 The Epic of Gilgamesh is an epic poem from ancient Mesopotamia that is often regarded as the earliest surviving great work of literature. The Gilgamesh Epic is the most notable literary product of Babylonia as yet discovered in the mounds of Mesopotamia. It recounts the exploits and adventures of a favorite hero, and in its final form covers twelve tablets, each tablet consisting of six columns (three on the obverse and three on the reverse) of about 50 lines for each column, or a total of about 3600 lines. Of this total, however, barely more than one-half has been found among the remains of the great collection of cuneiform

tablets gathered by King Ashurbanapal (668-626 B.C.) in his palace at Nineveh, and discovered by Layard in 1851 in the course of his excavations of the mound Kouyunjik (opposite Mosul). The fragments of the epic painfully gathered—chiefly by George Smith—from the circa 30,000 tablets and bits of tablets brought to the British Museum were published in model form by Professor Paul Haupt;² and that edition still remains the primary source for our study of the Epic.

The Epic of Gilgamesh Jul 31 2022 Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality.

Filioque May 17 2021 Excerpt from Filioque: An Epic of the Christ Exile for truth, 'mid Alpine thoughts, Grasp now thy staff - the helpful pen - And make thy Journey o'er the heights To find the long-sought common good. Invoke no muse, but boldly climb, Since Omnipotence guides thy way, And yields a truth that calls the world To rise and shake her long-felt ills Down trembling to eternal graves. Let toiling hands in all the world Be ringed anew in jeweled blessings; And hearts bent low 'neath fallen hopes Be loosed, and rise to life again. Let souls in gloomy prison-cells Have doors and sunny windows made In each dark, overhanging wall, Till everywhere from fleshy hearts The grandest, brightest scenes draw out Each child of man, pure reveler, At peace with nature, and with God. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. This Is Kind of an Epic Love Story Aug 20 2021 ~Lambda Literary Award finalist for the best LGBT YA novel of 2018~ A fresh, charming rom-com perfect for fans of *Simon vs. the Homo Sapiens Agenda* and *Boy Meets Boy* about Nathan Bird, who has sworn off happy endings but is sorely tested when his former best friend, Ollie, moves back to town. Nathan Bird doesn't believe in happy endings. Although he's the ultimate film buff and an aspiring screenwriter, Nate's seen the demise of too many relationships to believe that happy endings exist in real life. Playing it safe to avoid a broken heart has been his MO ever since his father died and left his mom to unravel—but this strategy is not without fault. His best-friend-turned-girlfriend-turned-best-friend-again, Florence, is set on making sure Nate finds someone else. And in a twist that is rom-com-worthy, someone does come along: Oliver James Hernández, his childhood best friend. After a painful mix-up when they were little, Nate finally has the chance to tell Ollie the truth about his feelings. But can Nate find the courage to pursue his own happily ever after?

Epic Grandeur Sep 08 2020 Examines both Western and Japanese epic traditions to argue for a new concept of the epic—an epic of peace, toward which the genre is evolving globally.

The Epic of Gilgamesh Apr 15 2021 The ancient Sumerian poem *The Epic of Gilgamesh* is one of the oldest written stories in existence, translated with an introduction by Andrew George in *Penguin Classics*. Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality. Alongside its themes of family, friendship and the duties of kings, *The Epic of Gilgamesh* is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluid narrative and will long rank as the definitive English *Gilgamesh*. If you enjoyed *The Epic of Gilgamesh*, you might like Homer's *Iliad*, also available in *Penguin Classics*. 'A masterly new verse translation' *The Times* 'Andrew George has skilfully bridged the gap between a scholarly re-edition and a popular work' *London Review of Books*

Epic of Qayaq Oct 22 2021 This is a splendid presentation of an ancient northern story cycle, brought to life by Lela Kiana Oman, who has been retelling and writing the legends of the Inupiat of the Kobuk Valley, Alaska, nearly all her adult life. In the mid-1940s, she heard these tales from storytellers passing through the mining town of Candle, and translated them from Inupiat into English. Now, after fifty years, they illuminate one of the world's most vibrant mythologies. The hero is Qayaq, and the cycle traces his wanderings by kayak and on foot along four rivers - the Selawik, the Kobuk, the Noatak and the Yukon - up along the Arctic Ocean to Barrow, over to Herschel Island in Canada, and south to a Tlingit Indian village.

Along the way he battles with jealous fathers-in-law and other powerful adversaries; discovers cultural implements (the copper-headed spear and the birchbark canoe); transforms himself into animals, birds and fish, and meets animals who appear to be human.

Elias: An Epic of the Ages May 09 2023 "Elias" attempts to present "Mormonism" historically, doctrinally, and prophetically in verse form. It details the history of the cosmos, from its creation to the end of days. This epic poem was written by Orson F. Whitney, the first person to articulate the vision of Mormon literature.

The Epic of Gilgamesh Jun 17 2021 Illustrated Version *The Epic of Gilgamesh An Old Babylonian Version* By Morris Jastrow and Albert T. Clay *The Epic of Gilgamesh* is an epic poem from ancient Mesopotamia. Dating from the Third Dynasty of Ur (circa 2100 BC), it is often regarded as the first great work of literature. The literary history of Gilgamesh begins with five Sumerian poems about 'Bilgamesh' (Sumerian for 'Gilgamesh'), king of Uruk. These independent stories were later used as source material for a combined epic. The first surviving version of this combined epic, known as the "Old Babylonian" version, dates to the 18th century BC and is titled after its incipit, *Shutur eli sharr?* ("Surpassing All Other Kings"). Only a few tablets of it have survived. The later "Standard" version dates from the 13th to the 10th centuries BC and bears the incipit *Sha naqba ?muru* ("He who Saw the Deep", in modern terms: "He who Sees the Unknown"). Approximately two thirds of this longer, twelve-tablet version have been recovered. Some of the best copies were discovered in the library ruins of the 7th-century BC Assyrian king Ashurbanipal. The first half of the story discusses Gilgamesh, king of Uruk, and Enkidu, a wild man created by the gods to stop Gilgamesh from oppressing the people of Uruk. After an initial fight, Gilgamesh and Enkidu become close friends. Together, they journey to the Cedar Mountain and defeat Humbaba, its monstrous guardian. Later they kill the Bull of Heaven, which the goddess Ishtar sends to punish Gilgamesh for spurning her advances. As a punishment for these actions, the gods sentence Enkidu to death. In the second half of the epic, distress about Enkidu's death causes Gilgamesh to undertake a long and perilous journey to discover the secret of eternal life. He eventually learns that "Life, which you look for, you will never find. For when the gods created man, they let death be his share, and life withheld in their own hands". However, because of his great building projects, his account of Siduri's advice, and what the immortal man Utnapishtim told him about the Great Flood, Gilgamesh's fame survived his death. His story has been translated into many languages, and in recent years has featured in works of popular fiction. The *Gilgamesh Epic* is the most notable literary product of Babylonia as yet discovered in the mounds of Mesopotamia. It recounts the exploits and adventures of a favorite hero, and in its final form covers twelve tablets, each tablet consisting of six columns (three on the obverse and three on the reverse) of about 50 lines for each column, or a total of about 3600 lines. Of this total, however, barely more than one-half has been found among the remains of the great collection of cuneiform tablets gathered by King Ashurbanapal (668-626 B.C.) in his palace at Nineveh, and discovered by Layard in 1851 in the course of his excavations of the mound Kouyunjik (opposite Mosul). The fragments of the epic painfully gathered--chiefly by George Smith--from the

circa 30,000 tablets and bits of tablets brought to the British Museum were published in model form by Professor Paul Haupt;² and that edition still remains the primary source for our study of the Epic.

[Epic in American Culture](#) Jun 05 2020 This book investigates the concept of what it means to be 'epic' and its form in American life, literature, and art from the country's early days.
