Whether a long time or first time Cat owner, this 224 page guide will walk you through how to prepare your home, yourself and your family for your new best friend. Get ready to welcome a new bundle of furry feline fun into your home and your heart! Covering everything cat owners need to know, this practical guide to looking after the most popular pet in the United States is the perfect reference for any cat lover. The Complete Cat Care Manual provides detailed information on the day-to-day care of kittens and adult cats, including feeding, training, handling, exercising, essential equipment, and grooming. Detailed chapters outline the reasons behind behavioral problems, such as eating houseplants and scratching furniture, and provide tips for changing unacceptable behavior. Health problems are completely detailed with anatomical diagrams, diagnostic charts, and illustrations that identify symptoms and treatments. Step-by-step instructions teach all the techniques needed to nurse a sick animal or administer emergency first aid. Hundreds of remarkable color photographs, specially commissioned for this book, detail every aspect of a

cat's life. The material is based on extensive research. Dr. Bruce Fogle, a leading specialist in pet behavior, has observed hundreds of cats during his years as a veterinary surgeon. He identifies how cats communicate through posture, body language, facial expressions, "speaking" (meowing and hissing), and rituals like rubbing, swatting, and grooming. He discusses the differences between learned behavior and instinctual action, the importance of a cat's sensory perceptions like smell, touch, and sound—and when a cat's eccentricities are due to genetics or are merely a matter of individual temperament. Endorsed by the American Society for the Prevention of Cruelty to Animals. At Last! A Beginner's Guide to Feline Technology Scratch marks on your furniture. Dead mice on your doorstep. Stray hairs all over your clothes. It's enough to make you cry out, "Why doesn't my cat have an owner's manual?" And now—finally!—she does. Through step-by-step instructions and helpful schematic diagrams, *The Cat Owner's Manual* explores hundreds of frequently asked questions: Which breeds interface best with dogs? How can I maintain a quality exterior finish? And why does my model always drink from the bathtub? Whatever your concerns, you'll find the answers here—courtesy of celebrated veterinarian Dr. David Brunner and acclaimed author Sam Stall. Together, they provide plenty of useful advice for both new and experienced cat owners.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index. This book provides a great deal of helpful factual and practical information on the Sphynx cat's history, temperament and what the Sphynx needs in order to be happy and healthy. Wish you could interpret cytological specimens in practice rather than paying a lab to do it for you? Want to provide your clients with a faster service? *Manual of Diagnostic Cytology of the Dog and Cat* is the ideal quick reference for the busy veterinarian in first opinion practice. It describes techniques for obtaining good quality cytological diagnostic specimens, and guides you through the interpretation of cytological findings. Created to be used alongside the microscope, hundreds of high quality colour photos will help you to identify normal cell types and abnormal cytology, including both non-neoplastic and neoplastic lesions. It describes in a clear and concise manner the most common lesions and related disorders encountered in a practice setting. The concise format means that you can quickly find exactly what you're looking for. Covering indications for cytological investigation, collection techniques and the evaluation and interpretation of findings, this concise manual will be your go-to resource.

Ragdoll cats make very good pets. You will never feel bored when living with a Ragdoll cat. It is a playful cat that engages you all the time. The Ragdoll cat is very good with children, with whom it develops a very strong bond because of its playful and calm nature. Perhaps the joy of living with a Ragdoll cat is not only its beauty but also in its habit of collapsing in your hands as if it is lifeless. (back cover) Information and advice to help you take good care of your Himalayan Cat The Typical Himalayan: its origins, anatomy, physical traits, temperament, and more Expert advice: feeding, health care, play activity, and more Understanding your Himalayan: its voice, its body language, and their meaning Step-by-step directions for everyday care Informative and attractive checklists and sidebars Filled with handsome full-color photos (picture caption) These docile, beautifully coated felines have a gentle nature that makes them perfect as indoor companions.

Providing complete coverage on everything from basic maintenance to engine overhaul, every manual features: -Simple-to-follow, step-by-step, illustrated procedures -Hundreds of exploded drawings, photographs and tables -Troubleshooting sections, accurate specifications and wiring diagrams -Recognized and used by technical trade schools as well as the U.S. military Covers all Yamaha, Jet-N-Cat and other Cuyuna-powered personal watercraft models. Over 645 illustrations Dr. Marty Becker has become known as "America's Veterinarian" because of his educational and entertaining shows and columns. For more than ten years, Dr. Becker has been the popular veterinary contributor to ABC-TV's Good Morning America and is now a member of Core Team Oz on Dr. Mehmet Oz's show. Dr. Becker will help owners solve problems and enhance their bond with their cats through a tip-filled book on everything from finding the right cat to preventing health problems and bad behavior. He will start owners off on the right foot, whether they buy a kitten or adopt an older cat, showing them how to solve the most annoying behavior and cat-care problems--from scratching furniture to not using the litter-box. (Surprising fact: did you know that black cats shed more than light-colored cats?) And he advises owners how to make their own cat toys, and how to save money on medication, both traditional and alternative.

The European Shorthair cat is a handsome breed that is not too commonplace outside of Europe but it is one that deserves to be explored in detail. This is a breed that features a fine coat and a beautiful appearance that makes it great to have in your life. However, the appearance of the cat is just the first great point about it to discover. The cat breed also has a positive demeanor that makes it a great companion to have in the home. You can also enjoy taking care of it quite well as it is easy to groom. This book will provide you with details on the ways how you can take care of the European Shorthair cat. It will help you understand how to feed, groom and manage the cat in your habitat. You will discover everything there is to know about the cat in all stages of its life. Covered in this book: - General information - What to know before you buy - Personality and behavior - Bringing your cat home - Training - Feeding - Grooming - Travelling - Health - Breeding - The aging cat - Costs - General tips and advice ... and much more

The Korat cat is not only one of the oldest natural domestic cat breeds; it is also a very unique breed. One prominent thing about the breed is certainly its appearance. Unlike most cat breeds whose heads are wedge-shaped, that of a Korat cat is heart-shaped. Indeed, most proud Korat cat owners point out that the Korat is the only cat with three hearts; one visible when the cat is viewed from the front, the other visible when the cat's head is viewed from above and the actual heart inside the cat's body. The other unique thing about Korat cat is its coat. A pure-bred Korat cat has a single coat with short hair that is very easy to groom. The hair is however unusual. All pre-bred Korats have hair in the same colour; silver-tipped blue. The Korat also happens to be one of the very few natural cat breeds whose traditional characteristics and behaviour have not been altered in any way through breeding programs. The uniqueness in this breed is one of reasons why many homeowners, families and cat lovers decide to buy the Korat cat. In addition to its uniqueness, the cat also has a very good character and temperament, which makes it one of the best indoor cats anyone can have at home as a pet. It is indeed not surprising that the breed's popularity that has remained low over the years is fast rising right across the world. I happen to have had parents who were very fond of cats, to a point where they

kept different cat breeds at any given time. Our home was similar to a cattery. The experience of living with such diverse cat breeds, as I now realize, was very beneficial. Not only did I become fond of cats, I have gone a step further and ventured into breeding and showing cats. Covered in this book: - General information - What to know before you buy - Bringing your cat home - Feeding - Grooming - Health - Breeding - The aging cat - Costs - General tips and advice ... and much more Service and maintenance procedures for small generators manufactured before 1990. Covers 1972 models: Puma 340, Cheetah 440, Panther 440, Lynx 292, and Kitty Cat. Everything you need to know about keeping a Scottish Fold Cat as a pet. Scottish Fold Cats Facts and Information. The Nebelung cat is playful, lively and a highly intelligent cat. Everything you need to know about keeping the Nebelung Cat as a pet is in this book. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Nebelung Cats care, personality, grooming, health, training, costs and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Nebelung Cat as pets, a must have guide for anybody passionate about Nebelung Cats. Elliott Lang says: I have always been in the company of animals. That is the one thing I am most thankful for. My lovely pets have always been around to provide unconditional affection and love when I needed it the most. My father was instrumental in making me grow fond of animals. He always kept me around animals. My family have always been hands on with the pets in the household. Whether it was bathing, feeding or taking care of these animals, my family ensured that the animals got the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about these pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats. Covered in this book: - History & origin - Pros and Cons - Appearance - Psychology - Preparing your home - Buying - Daily care - Feeding - Health - Costs ... and much more
