Dear Big Gods Oct 10 2022

Following on from her Forward prize-winning collection, *Small Hands*, Mona Arshi's new book continues in its lyrical and exact exploration of the aftershocks of grief. These extraordinary poems, which see Arshi continuing with her experiments with form, relocate experiences in both past and future feeling, in both the intimacies of ordinariness and the collective experience of myth. Moving and discomfiting, these poems tune, in their acute emotional awareness of individual pain, to the dangers and unsettling violences of the contemporary world. Nevertheless, at the centre of this book is an overarching

commitment to hope, in whatever form it takes, to the earth's tiny creatures, and its 'churning, broken song'.

From Fury to Freedom Nov 11 2022 Raul Ries ... to those who knew him in the '60's and early '70's, his name stood for fear ... for fighting ... for fury. To his high school friends, he was a violent, dangerous combatant. To his family, he was a time bomb, ready to explode at any moment and to those who battled beside him in Vietnam, he was an angry, bitter killer. One Sunday evening, Raul's life was transformed, taking him from a life filled with fury, to a life of hope and peace, leading

him to freedom from the hate and anger. Is it possible for someone to be changed from the darkness to light overnight?

[Work Won't Love You Back](#) Jun 25 2021 A deeply-reported examination of why "doing what you love" is a recipe for

exploitation, creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives. You're told that if you "do what you love, you'll never work a day in your life." Whether it's working for "exposure" and "experience," or enduring poor treatment in the name of "being part of the family," all employees are pushed to make sacrifices for the privilege of being able to do what we love. In *Work Won't Love You Back*, Sarah Jaffe, a preeminent voice on labor, inequality, and social movements, examines this "labor of love" myth—the idea that certain work is not really work, and therefore should be done out of passion instead of

pay. Told through the lives and experiences of workers in various industries—from the unpaid intern, to the overworked teacher, to the nonprofit worker and even the professional athlete—Jaffe reveals how all of us have been tricked into buying into a new tyranny of work. As Jaffe argues, understanding the trap of the labor of love will empower us to work less and demand what our work is worth. And once freed from those binds, we can finally figure out what actually gives us joy, pleasure, and satisfaction.

[Love Somebody](#) Sep 09 2022 A sparkling YA debut rom-com about a popular high-school girl, her ex-boyfriend-turned-best-friend, and the girl they both fall for—perfect for fans of Becky Albertalli or Casey McQuiston. Sam Dickson is a charismatic actress, ambitious and popular with big plans for

her future. Ros Shew is one of the smartest people in school—but she’s a loner, and prefers to keep it that way. Then there’s Christian Powell, the darling of the high school soccer team. He’s not the best with communication, which is why he and Sam broke up after dating for six months; but he makes up for it by being genuine, effusive, and kind, which is why they’re still best friends. When Christian falls for Ros on first sight, their first interaction is a disaster, so he enlists Sam’s help to get through to her. Sam, with motives of her own, agrees to coach Christian from the sidelines on how to soften Ros’s notorious walls. But as Ros

starts to suspect Christian is acting differently, and Sam starts to realize the complexity of her own feelings, their fragile relationships threaten to fall apart. This fresh romantic comedy from debut author Rachel Roasek is a heartfelt story about falling in love—with a partner, with your friends, or just with yourself—and about how maybe, the bravest thing to do in the face of change is just love somebody.

Having to fend for herself financially for the first time in her life, Parker signs on as a florist's assistant and starts to find out who she really is. was. And maybe the house isn't the only thing that needs a little TLC. Previously published.

completion of a man and woman, and by following God's design, marriage can be joyful, satisfying and lasting. In this book, Raul Ries gives seven biblical steps that both the man and women need to take in order to have this satisfying marriage relationship.

Often startling as well as lyrical, Arshi's poems resist fixity; there is a gentle poignancy at work here which haunt many of the poems. This is humane poetry. Arshi's is a daring, moving and original voice.

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too

strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*.
