She Reads Truth Sep 20 2021 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

The Death and Life of Great American Cities Jan 25 2022 Thirty years after its publication, The Death and Life of Great American Cities was described by The New York Times as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The 12 Week Year Jun 29 2022 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your "year" to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

Atomic Habits Jun 17 2021 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The 5 Second Journal Oct 10 2020 The most powerful journal on the planet. In the international bestseller *The 5 Second Rule*, Mel Robbins inspired millions to 5 - 4 - 3 - 2 - 1...take action, get results, and live a more courageous life! Now, in *The 5 Second Journal*, Mel guides you step-by-step through a simple research-backed daily journaling method that will help you become the most productive, confident, and happiest you. It is the most powerful journal on the planet because it uses science to unlock the greatest force in the universe...YOU. Using this journal, you will: GET SH*T DONE You won't just get more done—you'll do it in half the time. Your life is way too important to spend it procrastinating. Invest a little time in here every day and in return you'll get the best tools psychology, organizational behavioral, and neuroscience have to offer. KISS OVERWHELM GOODBYE Stop being ruled by your to-do list and start getting the important work done. Filling your days with menial tasks will not lead to a meaningful life. This journal will keep your focus on what's most important, even in between conference calls and running errands. CULTIVATE ROCKSTAR CONFIDENCE Confidence is a skill YOU can build. Yes, you. And it's not as difficult as you may think. Every day this journal will give you a chance to step outside your comfort zone so you can feel proud of yourself and watch your self-confidence grow. AMP YOUR PASSION Want to live a more passionate life? Stop focusing on sh*t that drains you. Seriously. This journal will show you a cool way to power up your energy levels and tap into that inner zen that knows exactly what fuels your fire. GET CONTROL OF YOUR LIFE If you get to the end of the day and wonder where it all went, it's time to take stock. Using research from Harvard Business School, you'll learn one simple mindset trick that keeps you present to what matters most, which is the secret to being in control. BE THE HAPPIEST YOU Science proves that your mood in the morning impacts your entire day. That's why this journal is designed to boost your mood first thing, so you can become a happier, smarter, and more positive person all day. The fact is, happier people get sh*t done.
