Peppa Pig is going to her very first sleepover at Zoe Zebra's house. All of her friends will be there! With so much excitement, will Peppa be able to fall asleep? Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health. Peggy Orenstein, acclaimed author of the groundbreaking New York Times bestsellers Girls & Sex and Schoolgirls, offers a radical, timely wake-up call for parents, revealing the dark side of a pretty and pink culture confronting girls at every turn as they grow into adults. Sweet and sassy or predatory and hardened, sexualized girlhood influences our daughters from infancy onward, telling them that how a girl looks matters more than who she is. Somewhere between the exhilarating rise of Girl Power in the 1990s and today, the pursuit of physical perfection has been recast as the source of female empowerment. And commercialization has spread the message faster and farther, reaching girls at ever-younger ages. But how dangerous is pink and pretty, anyway? Being a princess is just make-believe; eventually they grow out of it. . . or do they? In search of answers, Peggy Orenstein visited Disneyland, trolled American Girl Place, and met parents of beauty-pageant preschoolers tricked out like Vegas showgirls. The stakes turn out to be higher than she ever imagined. From premature sexualization to the risk of depression to rising rates of narcissism, the potential negative impact of this new girlie-girl culture is undeniable—yet armed with awareness and recognition, parents can effectively counterbalance its influence in their daughters' lives. (back panel) Hannah and Henry sing " "Bye-Bye Diapers!" " Hannah and Henry are two happy kids with an exciting story to tell--and they want to share it with little boys and girls everywhere! They're graduating from diapers and learning to use the potty. Toddlers can follow along with their growing-up adventure . . . and then use this package's miniature doll and toy potty to reenact Hannah's or Henry's potty training story as part of their own potty training program. Kids will have fun as they learn to use the potty with their "Bye-Bye Diapers Potty Pack"--and Moms and Dads will love it too. Check this package's bottom panel for complete list of potty training items inside (bottom panel) Hannah's Bye-Bye Diapers Potty Pack Featuring The Potty Book & DVD for Girls Hannah Doll Teddy Bear & Potty" This book has been optimised for colour devices. Follow Pirate Pete as he swaps his nappy for big boy pants and begins to use the potty for the first time. Clear, practical text and engaging illustrations in this e-book help to counter many of the anxieties both children and parents may feel during potty training. Pirate Pete really works! He has helped thousands of toddlers to potty success. As featured on the Chris Evans breakfast show on BBC Radio 2. "Evans told listeners: 'Pirate Pete is king of the potty. You read it to your kid six months before they are ready - every night so it's hard-wired into them. " Daily Mail, 6th August 2011. Babies sure have a lot of growing up to do! They can't eat with a fork, sleep in a real bed, poop on a potty, ride a trike, or read a book. On every sweet lift-the-flap spread, Karen Katz's illustrations celebrate the varied accomplishments of older siblings who may be in need of a little ego-stroking after a new baby's arrival! Each book ends on a warm, loving note with the older child reassuring the baby that "one day you'll be big like me." Sadaharu is a 30-year-old would be game designer whose world is turned upside down when the characters from his latest hentai game start coming to life! What's more, they all think he's the great Incubus King Shadahr. What's a man to do when you have beautiful buxom babes trying to kill you? Is he really the Incubus King or is something more at play? Power Play! is sure to please with its cast of sexy soldiers, feisty familiars, naughty ninjas, and sensuous sorceresses. Can our hero survive this case of mistaken identity or will he be washed away in a torrent of pleasure? **This book is uncensored. Even princesses use the potty! Follow Princess Polly on her potty-training adventure and press the sound button to cheer her along! Pirate Pete: I'm a New Big Brother is part of Ladybird's successful Pirate Pete and Princess Polly early learning toddler range - introducing children to key milestones in a fun and reassuring way. This interactive Ladybird sound book is the perfect big brother gift that describes what happens before Mummy and Daddy bring home the new baby, and the excitement and fun of having a new sibling. The simple text and colourful illustrations will help little ones understand what happens when a new baby joins the family and how lovely it is to be a big brother. Pressing the sound button each time to hear the baby giggle is also a great way to encourage young children to help out and play with the new baby, and reward their good behaviour. Other titles in the series include Pirate Pete's Potty, Princess Polly's Potty, and Pirate Pete and Princess Polly: Please and Thank You.
