Summary of the Art of the Deal Oct 01 2020
Trump: The Art of the Deal by Donald Trump | SummaryBook
Preview: Trump gives great guidance on negotiating and construction deals. The book offers more inspiration than technical advice to anyone venturing into real estate. From the book he suggests that having the passion of what you are doing is key, money is secondary. This book has outlined how thinking big unlocks many

doors. Donald Trump also believes that one needs to seize every opportunity that presents itself in your way. MBA students and anyone with a passion for construction, this is a must read book. It gives great managerial tips. This is a summary and analysis of the book and NOT the original book This Book Contains: * Summary Of The Entire Book * Chapter By Chapter Breakdown * Analysis Of The Reading Experience Download Your Copy Today

It's a Great Deal, All Three of Me Think So
Aug 23 2022

The Book on Negotiating Real Estate Mar 06 2021 Are you a wholesaler, rehabber, landlord, agent or any other real estate professional who wants to learn how to close more deals...and make more money in the process? From expert real estate investors and best-selling authors J Scott, Mark Ferguson and Carol Scott, this is the only book you'll need to ensure you'll get the most deals -- and the best deals -- on all of your investment property! With over 1,000 successful real estate deals between them, the authors combine the science of negotiation with real world experience to dive into all aspects of the real estate negotiation process - from the first

interaction with a buyer or seller, to renegotiating the contract after unexpected issues arise, to last-minute concessions at closing. Aimed at real estate investors and agents at any level, this book not only covers all aspects of negotiating real estate deals, but also contains dozens of true-life stories that highlight how strong negotiation can result in more and better deals, as well as dialogue that will teach you what to say and how to say it, strengthening your ability to close profitable transactions. Using expert strategies to create optimal agreements and dynamic end results, you will learn: * The principles behind successful negotiation * The psychology of building relationships to gain negotiating leverage * How to uncover and use information to tip negotiating outcomes in your favor * Strategies for defining optimal offers and counter-offers * Tactics for in-the-trenches negotiating and overcoming objections * Strategies for using concessions to get your deal to the finish line * Tips for overcoming tactics employed by those on the other side * How to overcome the challenges of making/receiving offers through agents * Tactics to renegotiate issues that arise from contract

contingencies * Strategies to get the best of it when buying properties from banks and HUD * And MUCH MORE!

Ghost Letters Jan 16 2022 In Ghost Letters, one emigrates to America again, and again, and again, though one also never leaves Senegal, the country of one's birth; one grows up in America, and attends university in America, though one also never leaves Senegal, the country of one's birth; one wrestles with one's American blackness in ways not possible in Senegal, though one never leaves Senegal, the country of one's birth; and one sees more deeply into Americanness than any native-born American could. Ghost Letters is a 21st century Notebook of a Return to the Native Land, though it is a notebook of arrival and being in America. It is a major achievement.

—Shane McCrae

Big Deals and Little Deals and What to Do When They Happen to You Dec 23 2019 At long last, simple and clear-cut guidelines for helping children differentiate big deals - situations that require adult intervention and little deals - those things children are capable of handling on their own. Eliminate the need to give constant reminders to "Stop tattling." Instead, empower children by

prompting, "Is it a big deal or a little deal?" Once they have learned the difference and know the strategies, they are better equipped to cope with and handle life's everyday difficulties independently. BONUS CD with * the story in an interactive format along with lessons to use on your interactive whiteboards. * 11 posters in pdf format that you can print and display, * tent signs for the students' desks to remind them of the strategies to handle little deals on their own, * song lyrics sung to the tune of "Itsy Bitsy Spider" and * other reproducible worksheets.

Create a Great Deal! Apr 30 2023 Buying a house is a decision that is based more on emotion than logic. It is a transaction with an enormous effect on a family that deals with amounts of money that are huge for most buyers and sellers. By developing your talent to negotiate well in these emotional, high pressure situations, you can greatly improve your clients' lives. This book will give you everything you need to know to negotiate for your clients, and for yourself, to a Win-win finale.

The Deal from Hell Aug 11 2021 In 2000, after the Tribune Company acquired Times Mirror Corporation, it comprised the most powerful collection of newspapers in the world. How then did Tribune nosedive in to bankruptcy and public scandal? *The Deal from Hell* is the riveting narrative in which veteran editor James O'Shea takes us behind the scenes of the decisions that led to that ongoing disaster.

The Last Great Strike May 08 2021 In May

1937, seventy thousand workers walked off their jobs at four large steel companies known collectively as "Little Steel." The strikers sought to make the companies retreat from decades of antiunion repression, abide by the newly enacted federal labor law, and recognize their union. For two months a grinding struggle unfolded, punctuated by bloody clashes in which police, company agents, and National Guardsmen ruthlessly beat and shot unionists. At least sixteen died and hundreds more were injured before the strike ended in failure. The violence and brutality of the Little Steel Strike became legendary. In many ways it was the last great strike in modern America. Traditionally the Little Steel Strike has been understood as a modest setback for steel workers, one that actually confirmed the potency of New Deal reforms and did little to impede the progress of the labor movement. However, *The Last Great Strike* tells a different story about the conflict and its significance for unions and labor rights. More than any other strike, it laid bare the contradictions of the industrial labor movement, the resilience of corporate power, and the limits of New Deal liberalism at a crucial time in American

history.

Good Deals on Good Times in Missouri Jan 22 2020

Travelling at a Bargain-Great Travel Tips Jan 28 2023 If you are in search of great travel tips then you must acquire a copy of "Travelling At a Bargain-Great Travel Tips." This book is a bit different from the other books that are out there as it really goes into a bit of detail on how the frugal traveler can really find the best deals to suite their budget. The author has done quite a bit of traveling herself and has found that with a bit of time and effort, great discounts can be found not only for airfare but for hotel stay and transportation as well. The book makes the reader aware of certain tips and tricks that they can use while planning their next vacation and also lets them know the various mediums that they can use to find these deals. The book is a great tool that can be used to make the vacation the best one ever.

The Great Exception Dec 03 2020 How the New Deal was a unique historical moment and what this reveals about U.S. politics, economics, and culture Where does the New Deal fit in the big picture of American history? What does it mean for us today? What happened to

the economic equality it once engendered? In *The Great Exception*, Jefferson Cowie provides new answers to these important questions. In the period between the Great Depression and the 1970s, he argues, the United States government achieved a unique level of equality, using its considerable resources on behalf of working Americans in ways that it had not before and has not since. If there is to be a comparable battle for collective economic rights today, Cowie argues, it needs to build on an understanding of the unique political foundation for the New Deal. Anyone who wants to come to terms with the politics of inequality in the United States will need to read *The Great Exception*.

Smart Negotiating May 20 2022 The four vital steps for successful negotiation--explained with wit and clarity by a master negotiator. Using examples from his own broad range of negotiating experiences, Freund presents a "game-plan" approach to negotiating--a technique far more successful than hardball competition or win-win cooperation.

Big Deals Apr 18 2022 "If every financial advisor is given the same tools to succeed, how does one stand out above the rest? That

is the question that *Big Deals* aims to answer by gathering the perspectives of seven of the most outstanding performers in the industry. A deal is much more than just a transaction, and not all deals are the same. Get to know the people behind some of the biggest deals in the industry, and experience the stories from their perspectives as they provide exclusive insights into the highlights of their illustrious careers"--Back cover.

Trump: The Art of the Deal Oct 25 2022
President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump
Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names

names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—*The New York Times* “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—*Chicago Tribune* “Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed.”—*Boston Herald* “A chatty, generous, chutzpa-filled autobiography.”—*New York Post*

A Great Deal of Ruin Feb 26 2023

Illustrated with historical analysis, case studies, and accessible economic concepts, this book explains what financial crises are, how they are caused and what we can learn from them. It will appeal to university students as well as general readers who are curious to learn more about the recent subprime crisis and other financial crises.

High Heels and Big Deals Feb 02 2021 What person in their right mind goes into the Piggly Wiggly to get bread and milk and comes out engaged? It all started when the deal of a lifetime came knocking at my door. I never imagined that my shot at fame and fortune would come with such outrageous conditions. I've been dreaming of a music career ever since I was old enough to hold a guitar. I have no idea what to do. Oh, did I mention that things aren't so great with my boyfriend and manager? Alden thinks I'm a moron for even questioning the music label's demands. He's too starry eyed over the big, fat record deal to think about what might be best for me. Just when I think my life can't get any more complicated, I find myself in a freak snowstorm. Fate must be having a heyday with this one because who rescues me? The guy I love to hate-Beau Primrose! Yeah, the rough and tumble firefighter is as hunky as ever with his crooked grin and piercing blue eyes. I've got his number though. The player broke my heart in middle school, and I have no intention of letting him hurt me again. I can remain immune to his charm ... I think. Good Gollie, Miss Mollie, did I actually kiss him ... AGAIN? Love and laughter collide in this zany holiday romcom

about an unlikely couple who just might be the perfect fit. If you like flirty heroines, swoon-worthy hunks, and a dash of dramatic angst, then you'll adore USA Today bestselling author Jennifer Youngblood's small-town romp.

Two Good Deals Dec 27 2022 The book captures events of the authors from childhood to marriage in our early 20's. Then jointly from marriage through child bearing and careers in civilian and military service, this was followed by a career in the business world...

The International Encyclopaedic Dictionary ... Feb 23 2020

Lilac Girls Apr 26 2020 NEW YORK TIMES BESTSELLER • One million copies sold! Inspired by the life of a real World War II heroine, this remarkable debut novel reveals the power of unsung women to change history in their quest for love, freedom, and second chances. "Extremely moving and memorable . . . This impressive debut should appeal strongly to historical fiction readers and to book clubs that adored Kristin Hannah's *The Nightingale* and Anthony Doerr's *All the Light We Cannot See*."—Library Journal (starred review) New York socialite Caroline Ferriday has her hands full with her post at

the French consulate and a new love on the horizon. But Caroline's world is forever changed when Hitler's army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten. USA Today "New and Noteworthy" Book •

The Politically Incorrect Guide to the Great Depression and the New Deal Jan 04 2021 Provides irrefutable evidence that not only did government interference with the market cause the Great Depression (and our current economic collapse), but Herbert Hoover's and Franklin Delano Roosevelt's big government policies afterwards made it much longer and much worse.--From publisher description.

Complex Sales Playbook: A Psycho-Scientific Process for Closing Big Deals Jul 10 2021 Stephen Foley spent twenty-five years as a vice president of sales for technology enterprises ranging from startups to companies divisions earning more than \$150

million. Through experiences during which his teams sold a billion dollars in technology, Foley became a complex sales coach—building, executing, and running plays to drive revenue growth for the companies for which he worked. Now Foley shares his selling methodology—the Psycho-Scientific Sales Process, a simple but powerful process for anyone in the business of selling complex products or expensive solutions to corporations and government entities. Incorporating real-life examples, he discusses nine topics that teach salespeople to become A-players and help them close multi-million dollar, enterprise-wide deals. From setting goals to understanding prospecting to negotiating the sale, *Complex Sales Playbook* presents a host of lessons and techniques to help sales executives reach their full financial potential.

The Great Depression and New Deal: Documents Decoded Jul 30 2020 The political ideas that resulted from confronting the crisis of the Great Depression and the New Deal of the early 20th century reshaped America. This documentary history collects a range of primary sources to illuminate this critical period in U.S. history. • Presents documents illustrating the Great Depression

crisis and the New Deal response that enables readers to witness the clash of conservatism and liberalism in a time of crisis • Offers essays and notes that explain the documents—which include posters, articles, speeches, and court decisions—in the context of historical events • Provides a timeline that creates a background setting for a documentary history • Contrasts the ideas and actions of President Hoover against those of President Roosevelt

The Grey Woman May 27 2020 Anna, a German mill-owner's daughter, marries a French aristocrat and moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough.

Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë.

Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

Unbelievably Good Deals and Great Adventures That You Absolutely Can't Get Unless You're Over 50 Jun 28 2020 A guide to affordable opportunities available to people over fifty, including adventure travel, bike trips, hiking, tennis, education, discounts on insurance, car rentals, trains, buses, and more.

The dream, that had a great deal of truth in it, by E.M. Oct 13 2021

Negotiate, Persuade And Create Great Deals
Mar 30 2023 Negotiation comes up in our daily lives in so many interactions – in job interviews, while buying a house, and even when deciding where to go on a date or discussing your teenager's curfew. Executives are routinely expected to negotiate – with vendors, customers and each other – with little training or experience. Companies rely on their people to negotiate multi-million dollar deals, but fail to provide even basic negotiation tools. Negotiate, Persuade and Create Great Deals brings together cutting-edge research on negotiation from neuroscience, evolutionary theory and behavioral psychology along with interviews and insights with 25 master negotiators in business, politics, sports and diplomacy. We provide tools and techniques that can help executives and business professionals improve their ability to negotiate deals, while also laying out a framework that can support companies that wish to improve their organizational negotiation capabilities. Blending theory and practice, with plenty of examples of successful and failed

negotiations in business and politics, this practical guide is an invaluable tool to prepare you for your next negotiation.

The Cheapskate Millionaire's Guide to Bargain Hunting in the Big Apple Aug 30 2020

We snap to attention when we hear about urban miracles: the designer jacket picked up for a pittance, the killer apartment snagged for next to nothing, swank furnishings found at garage-sale prices. Treasures like these in New York City--where it often seems the best things are reserved for the wealthy--can now be yours, thanks to New York Times House and Home reporter Tracie Rozhon, a bona fide expert on how to live the good life in Gotham. In *The Cheapskate Millionaire's Guide to Bargain Hunting in the Big Apple*, Rozhon shares her most closely held shopping secrets with the reader. She knows New York bargains inside and out, from the Lower East Side to suburban outlet stores, from estate sales to flea markets. Each chapter of her informative book concludes with an extensive listing of sources and services--complete with names, addresses, and phone numbers--and is loaded with great ideas on how you can find deals in clothes and jewelry (dream coats, designer labels, furs,

diamonds, pearls) home furnishings (couches, chairs, rugs, draperies, fabrics, antiques, lamps, wallpaper) apartments, co-ops, and condos (buying and renting) home renovation (paint, lumber, hardware, bathroom fixtures, cabinets, appliances) food (gourmet groceries, caviar, coffee, wine, restaurant meals) nightlife (entertainment, clubs, bars) More than just a bargain hunter's guide, this book is a bargain hunter's dream. Tracie Rozhon shows you how to think like a cheapskate millionaire, so you can apply her shopping know-how to anything you hope to buy. You don't need to be a Rockefeller to grab what the Big Apple has to offer...but you do need this book's inspired advice.

The Travel Detective Apr 06 2021 Renowned travel authority and NBC Today show travel editor Peter Greenberg shares his insider secrets. Americans now travel more than ever before. Yet as our traveling has increased, the service we receive from airlines, hotels, and other agencies has deteriorated dramatically. Industry surveys reveal what you already feel: growing dissatisfaction among travelers of every age, income, and education level. We've been abused by the travel experience. Peter Greenberg is here

to help. *The Travel Detective* tells you the things most travel agents can't – or sometimes just won't – tell you. In his characteristic friendly and conversational tone, Greenberg tells how to find the secret walk-up fares that can save air travelers hundreds, if not thousands of dollars on last minutes flights; which coach seats on which planes are better than first class; the secret rule to know to avoid being bumped from a flight, which cruise ship brochures lie; which credit card companies are fastest – and slowest – to come to your aid in a foreign land, or worse, in the U.S.,; which hotels have the best – and the worst – fire and crime safety records, and how you can protect yourself; how to negotiate the best hotel room deal; which hotels have the worst water pressure in their showers (and better yet, how you can get great water pressure, even at those hotels); and much, much more. Accessible and entertaining, *The Travel Detective* gives you the information and tools you need to make every trip an affordable pleasure.

The Great Depression and the New Deal: A Very Short Introduction Sep 11 2021 *The New Deal* shaped our nation's politics for decades, and was seen by many as tantamount

to the "American Way" itself. Now, in this superb compact history, Eric Rauchway offers an informed account of the New Deal and the Great Depression, illuminating its successes and failures. Rauchway first describes how the roots of the Great Depression lay in America's post-war economic policies--described as "laissez-faire with a vengeance"--which in effect isolated our nation from the world economy just when the world needed the United States most. He shows how the magnitude of the resulting economic upheaval, and the ineffectiveness of the old ways of dealing with financial hardships, set the stage for Roosevelt's vigorous (and sometimes unconstitutional) Depression-fighting policies. Indeed, Rauchway stresses that the New Deal only makes sense as a response to this global economic disaster. The book examines a key sampling of New Deal programs, ranging from the National Recovery Agency and the Securities and Exchange Commission, to the Public Works Administration and Social Security, revealing why some worked and others did not. In the end, Rauchway concludes, it was the coming of World War II that finally generated the political will to spend the massive amounts of public money

needed to put Americans back to work. And only the Cold War saw the full implementation of New Deal policies abroad--including the United Nations, the World Bank, and the International Monetary Fund. Today we can look back at the New Deal and, for the first time, see its full complexity. Rauchway captures this complexity in a remarkably short space, making this book an ideal introduction to one of the great policy revolutions in history. About the Series: Oxford's Very Short Introductions offers concise and original introductions to a wide range of subjects--from Islam to Sociology, Politics to Classics, and Literary Theory to History. Not simply a textbook of definitions, each volume provides trenchant and provocative--yet always balanced and complete--discussions of the central issues in a given topic. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how it has developed and influenced society. Whatever the area of study, whatever the topic that fascinates the reader, the series has a handy and affordable guide that will likely prove indispensable.

The Great Depression and the New Deal: A

Thematic Encyclopedia [2 volumes] Nov 01 2020 A comprehensive encyclopedia of the 1930s in the United States, showing how the Depression affected every aspect of American life. • Over 650 alphabetically organized entries on the impact of the Depression and the New Deal on the nation's economy, politics, society, arts, and minorities • 45 contributors at the forefront of current scholarship on 1930s America and the continuing aftershocks of that tumultuous time • Primary documents integrated throughout, including Woody Guthrie songs, writings and speeches from Huey Long and Father Coughlin, murals by Diego Rivera, excerpts from The Grapes of Wrath, and contemporary newspaper articles • Illustrations providing definitive images of the Depression/New Deal era, including federally funded work such as Dorothea Lange's photography for the Farm Security Administration • A comprehensive chronology that marks the origins, course, and consequences of the Depression and the New Deal • Bibliographic listings for each entry and a comprehensive index of people, places, events, and key terms

Two Good Deals Dec 15 2021 The book captures events of the authors from

childhood to marriage in our early twenties. Then jointly from marriage through child rearing and careers in civilian and military service, this was followed by a career in the business world, combined with community service volunteers in Lions Clubs International, Veterans Administration and Jail Prison ministry. It is primarily a history and Spiritual guide book to family members.
