'If you talk to the stars, I will talk back to you.' In 1941, Queensland drover, Michael McTavish leaves behind his young daughter Gracie and joins the 2/22 AIF, his destination, Rabaul, New Guinea, a small town surrounded by impenetrable jungles and steep jagged mountains, its shores lined by tranquil bays and active volcanos. Joanie has also arrived in New Guinea, with a chance to manage a trading store with her father, Reg, too exciting an opportunity to pass up. As the tendrils of war creep closer to the islands north of Australia, some who call Rabaul home are given an opportunity to return to Australian shores. Others have no option but to stay. Will separation and distance affect the destiny of those who live in the path of the approaching enemy or will the power of love prevail? Based on actual events, *Elizabeth's Star* begins the story of Michael and Joanie, unfolding the lives of their families and friends while following the life of Gracie, a little girl left behind when her father went to war. A moving tale of love, loss and separation. Emily thinks she's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of international bestsellers *The Sweetness of Forgetting* and *The Life Intended* shows why her books are hailed as "engaging" (People), "absorbing" (Kirkus Reviews) and "enthraling" (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother—and the painting arrived with no identification other than a handwritten note saying, "He always loved her." Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she's done. Along the way, she finds herself tempted to tear down her carefully tended walls at last; she's seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she's been keeping locked inside for years. Will this journey bring her the strength to confront them at last? A social

Extremely not on her list: being shipped off to a digital detox farm camp in Iowa (IOWA??) for a whole month. She's traded in her WiFi connection for a butter churn, and if she wants any shot at growing her social media platform this summer, she'll need to find a way back online. But between some unexpected friendships and an alarmingly cute farm boy, Sunny might be surprised by the connections she makes when she's forced to disconnect.

tough topics go down easy by couching them in wry humor and lighthearted romance, and her fierce, snarky heroine is irresistible. This smart rom-com is a winner.”—Publishers Weekly (starred review) In a debut perfect for fans of Jasmine Guillory and Sally Thorne, a junior video game producer finds herself getting closer and closer to the one person she hates most after a mass troll attack online almost ruins her life. Melody Joo is thrilled to land her dream job as a video game producer, but her new position comes with challenges: an insufferable CEO; sexist male coworkers; and an infuriating—yet distractingly handsome—intern, Nolan MacKenzie, aka “the guy who got hired because his uncle is the boss.” Just when Melody thinks she’s made the worst career move of her life, her luck changes. While joking with a friend, she creates a mobile game that has male strippers fighting for survival in a post-apocalyptic world. Suddenly Melody’s “joke” is her studio’s most high-profile project—and Melody’s running the show. When Nolan is assigned to Melody’s team, she’s sure he’ll be useless. But as they grow closer, she realizes he’s smart and attractive, which makes Melody want to forget he’s her intern. As their attraction deepens, she knows it’s time to pump the brakes, even with her Korean parents breathing down her neck to hurry up and find a man. With her project about to launch, Melody suddenly faces a slew of complications, including a devastating trolling scandal. Could the man she’s falling hard for help her play the game to win—in work and in love? An epic story of faith, hope, and love.

Ray Whipps was an infantryman under General Patton in the trenches of Normandy, Paris, and Belgium; Betty was a field nurse in Cherbourg, France. Both strong Christians, the two bonded over their shared faith, and as Betty nursed Ray back to health after an injury, they fell in love and vowed to marry after the war. When Ray was captured by German forces and held in Stalag VII, Germany's largest prisoner of war camp, his faith was put to the ultimate test as he endured weeks marked by brutality, malnutrition, back-breaking labor, and near-constant death. During World War II, two figures symbolized the spirit of Britain: Winston Churchill and Vera Lynn. Dame Vera Lynn sang to the troops abroad and reached the hearts of the people on the home front. Including Dame Vera's own recollections of the war, 'We'll meet again' revisits the way the people of Britain lived during those extraordinary years. Rationing, air raids, adjusting to loved ones being away while trying to maintain as normal a routine as possible are all addressed alongside family life, education, evacuation, the royal family, sport, commerce and entertainment. Marvellously anecdotal and sumptuously illustrated throughout, this book reveals the fashions of the time, the films people were watching, the songs people were singing and the headlines that people absorbed everyday.

strip. Simultaneous eBook. Are loved ones reunited in Heaven? The saints say “Absolutely!” In wise and consoling letters written to a mother sorrowing over the death of her child, Fr. François René Blot, S.J., here summons the Church’s greatest saints who testify with one voice that death’s wound, though grievous, separates us but for a short while from those who die before us. Acknowledging that profound sorrow at the death of loved ones is appropriate (after all, even Jesus wept for the death of his friend Lazarus), Fr. Blot nonetheless gives us reason to be joyful even in the midst of our sorrow: in heaven our loves and friendships will finally be free of the many hindrances — small and large — that keep them from being perfect in this life. Moreover, the saints say, in heaven we will love and know the love of countless souls we never met on earth, our Guardian Angel, and all the choirs of angels! Soon after it was written, a Catholic Cardinal called this book “a pearl set in the fine gold of the doctrine of the Fathers” and a newspaper declared that it “deserves a distinguished place in all Christian libraries and should be on the table of every pious family that faithfully preserves the memory of its deceased members.” Let the saints’ testimony in these beautiful pages assuage your grief and renew your hope! Let them increase your gratitude for the sacrifice of Christ whose death on the Cross opened heaven for us, and made these heavenly reunions possible! This book centers on Darcy's growing conflict with her old friend, Brisana Meeks. Amid jealousy and competition, Darcy fights for her relationship with Hakeem Randall and struggles with her fears over her own family's future. Country clubs and garden parties.
