The Wars of the Roses which took place in England during the 15th century have passed into folk-memory as bloody, vicious struggles for power, with the throne as the prize and ordinary people as the victims. William Shakespeare's propaganda for the Tudor dynasty played a great part in creating this legend. Yet the truth was rather more complex. Although power changed hands often, and sometimes with bewildering speed, English society in general was relatively stable, and prosperous. The Wars of the Roses represent a stage in the evolution of a British nation, emerging from the long shadow of medieval France that had lain over these islands since the Norman Conquest. This popular book covers the period beautifully. Excerpt from Selections From the Libraries of Dr. Lucius Pitkin of New York City, the Late Dr. R. H. Ward of Troy, N. Y: To Be Sold Monday, Tuesday, Wednesday Afternoons, November Fourteenth, Fifteenth, Sixteenth, at Two-Thirty Comprising: The Colonial Era (fisher); The French War and the Revolution (sloane); The Making of the Nation (walker); The Middle Period (burgess); The Civil War and the Constitution, 2 vols. (burgess); Reconstruction and the Constitution (burgess). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. On the eve of the English Civil War, two lifelong friends, Richard Mead and Wil Pitkin, become caught up in a series of tragic events which turn them into deadly enemies. Forced to take opposite sides in the war, their mutual hatred is only increased by their experiences in that terrible conflict. The end of the war does nothing to lessen the vendetta and Wil attempts to flee England with Mead in hot pursuit. However, while Roundhead and Cavalier have been slaughtering each other, Barbary Pirates, encouraged by the chaos, have been raiding the coasts of Britain in search of white slaves. Wil is taken in such a raid and finds himself in chains under the

relentless Moroccan sun. Thwarted in his hunt for revenge, Mead is ordered to track down an over-enthusiastic Witchfinder whose zeal in the pursuit of Witchcraft is leaving such a trail of death that even the dour and self-righteous Puritan establishment of England is unsettled. But unexpected revelations occur and betrayal follows. Whether Puritan, Catholic or Muslim, the message appears to be the same everywhere. Believe as I do or die! But fate has not yet finished with Mead and Pitkin. Britain in Queen Victoria's reign grew in power and prestige to become the richest nation on earth through its trade and Empire. Britain also ruled half the world, and Victoria herself reigned gloriously over her dominion. Life in Victorian Britain describes and vividly illustrates the Victorians at work, at home, at school and at leisure against a background of astonishing scientific and industrial progress. Look out for more Pitkin Guides on the very best of British history, heritage and travel, particularly the other books in the 'Life in' series: Medieval England, in a Monastery, Tudor England, Stuart England and Georgian England. And this holy time, so hallowed and so gracious, was settling down over the great roaring, rattling, seething life-world of New York in the good year 1875. Who does not feel its on-coming in the shops and streets, in the festive air of trade and business, in the thousand garnitures by which every store hangs out triumphal banners and solicits you to buy something for a Christmas gift? For it is the peculiarity of all this array of prints, confectionery, dry goods, and manufactures of all kinds, that their bravery and splendor at Christmas tide is all to seduce you into generosity, and importune you to give something to others. It says to you, "The dear God gave you an unspeakable gift; give you a lesser gift to your brother!" The English Civil War was a great convulsion of political and military violence, which quickly spread to Scotland, Ireland and Wales. This attractive Pitkin Guide looks at the war, how it came about and progressed, its battles, the opposing sides and notable figures in them, and the outcome. A must for all visitors to the UK, and lovers of history. Look out for more Pitkin Guides on the very best of British history, heritage and travel. In Two Volumes. Including A Summary View Of The Political And Civil State Of The North American Colonies Prior To That Period. What is the origin of the stories of the Round Table, of Excalibur and the Holy Grail, of Sir Launcelot and Guinevere? And where was Camelot? King Arthur's name has echoed down the centuries, conjuring up rich images of mystery and power, chivalry and romance. But did he exist at all? There is no evidence to prove he reigned in the fifth and sixth centuries; no eye-witness accounts of his coronation and no reliable manuscripts outlining his deeds. This full-colour guide examines the facts of the legends in the tantalising puzzle of King Arthur and his knights. Learn about the origins of the Round Table, the cult of chivalry and conflict between knights, and Arthur's shape-shifting half-sister Moran le Fay. From the origins of Arthurian legend to the new phase in the Arthurian cyce in the romantic revival of the early nineteenth century, read about the tantalizing puzzle that is King Arthur. Betty's Bright Idea is a collection of three short stories by the famous author Harriet Beecher Stowe. See below for alternative language versions William Shakespeare was England's greatest bard. Yet who was this sublime genius? Where did this universal talent have its origins? This book explores

Shakespeare's modest origins and his life in Stratford-upon-Avon and then in London. He lived according to his text - a man of many parts and man for all the world. Look out for more Pitkin Guides on the very best of British history, heritage and travel. Charles Dickens' novels are read and loved throughout the world, written at a time of struggle with the French emperor Napoleon and in an England at the peak of its power and prosperity through commerce, industry and the vigour of a fervently respectable middle class. The novels bear the stamp of the turbulent period in which Dickens' life was lived, conveying a strong sense of progress and reform. This colourful and well-written guide conducts the reader through Dickens' world via his life, both personal and professional. It includes a list of important dates in Dickens' life and work, and a gazetteer of places to visit for a glimpse into the man himself and what inspired his novels. A fascinating look at the life of one of England's favourite novelists, Charles Dickens. An informative guide to the life of a great British hero. Sir Winston Churchill is a man that needs no introduction. This British icon was a talented journalist, a passionate army officer, and a political powerhouse. He achieved many things beyond the role that defined his life: as Prime Minister of the Second World War. This absorbing book looks at Churchill as man and as boy, his career, the war, his marriage and family life, his home and hobbies, and his life in peacetime. Grant learned he had terminal throat and mouth cancer. Destitute and dying, Grant began to write his memoirs to save his family from permanent financial ruin. As Grant continued his work, suffering increasing pain, the American public became aware of this race between Grant's writing and his fatal illness. Twenty years after his respectful and magnanimous demeanor toward Robert E. Lee at Appomattox, people in both the North and the South came to know Grant as the brave, honest man he was, now using his famous determination in this final effort. Grant finished Memoirs just four days before he died in July 1885. Published after his death by his friend Mark Twain, Grant's Memoirs became an instant bestseller, restoring his family's financial health and, more importantly, helping to cure the nation of bitter discord. More than any other American before or since, Grant, in his last year, was able to heal this—the country's greatest wound. Visit the blog for the book at www.brooklynbyname.com From Bedford-Stuyvesant to Williamsburg, Brooklyn's historic names are emblems of American culture and history. Uncovering the remarkable stories behind the landmarks, Brooklyn By Name takes readers on a stroll through the streets and places of this thriving metropolis to reveal the borough's textured past. Listing more than 500 of Brooklyn's most prominent place names, organized alphabetically by region, and richly illustrated with photographs and current maps the book captures the diverse threads of American history. We learn about the Canarsie Indians, the region's first settlers, whose language survives in daily traffic reports about the Gowanus Expressway. The arrival of the Dutch West India Company in 1620 brought the first wave of European names, from Boswijck ("town in the woods," later Bushwick) to Bedford-Stuyvesant, after the controversial administrator of the Dutch colony, to numerous places named after prominent Dutch families like the Bergens. The English takeover of the area in 1664 led to the Anglicization of Dutch names, (vlackebos, meaning "wooded plain," became Flatbush) and the introduction of distinctively English names (Kensington, Brighton Beach). A century later the American Revolution swept away most Tory monikers, replacing them with signers of the Declaration of Independence and international figures who supported the revolution such as Lafayette (France), De Kalb (Germany), and Kosciuszko (Poland). We learn too of the dark corners of Brooklyn's past, encountering over 70 streets named for prominent slaveholders like Lefferts and Lott but none for its most famous abolitionist, Walt Whitman. From the earliest settlements to

recent commemorations such as Malcolm X Boulevard, Brooklyn By Name tells the tales of the poets, philosophers, baseball heroes, diplomats, warriors, and saints who have left their imprint on this polyethnic borough that was once almost disastrously renamed "New York East." Ideal for all Brooklynites, newcomers, and visitors, this book includes:

- *Over 500 entries explaining the colorful history of Brooklyn's most prominent place names
- *Over 100 vivid photographs of Brooklyn past and present
- *9 easy to follow and up-to-date maps of the neighborhoods
- *Informative sidebars covering topics like Ebbets Field, Lindsay Triangle, and the Verrazano-Narrows Bridge
- *Covers all neighborhoods, easily find the street you're on

The story of Richard III The Pitkin Guide to Britain's Kings & Queens presents a concise, informative history, in words and pictures, of Britain's 56 sovereigns from Alfred the Great in the 9th century to our reigning monarch, Queen Elizabeth II. Beautifully illustrated, this book includes family trees and details of where and when each monarch was born, where they were crowned, the dates they reigned and where they are buried. Now fully updated with the discovery of Richard III's bones, the birth of HRH Prince George and the 2013 Succession to the Crown Act, this Pitkin Guide contains all you need to know on Britain's Kings & Queens. This beautifully illustrated book is part of the Pitkin Royal Collection series, celebrating the lives of the British royal family. Other notable titles in this insightful series include Royal Babies, The Queen and Her Family and Queen Elizabeth II.

Harriet Elisabeth Beecher Stowe June 14, 1811 - July 1, 1896) was an American abolitionist and author. She came from a famous religious family and is best known for her novel Uncle Tom's Cabin (1852). It depicts the harsh life for African Americans under slavery. It reached millions as a novel and play, and became influential in the United States and Great Britain. It energized anti-slavery forces in the American North, while provoking widespread anger in the South. She wrote 30 books, including novels, three travel memoirs, and collections of articles and letters. She was influential for both her writings and her public stands on social issues of the day Harriet Beecher Stowe (1811-1891) made her name as an abolitionist and author most noted for her 1832 breakout novel "Uncle Tom's Cabin." Here are collected three of Beecher's most treasured short stories. In "Betty's Bright Idea," a sweet young girl forms a bond with a poor family and is determined to help them make a better life for themselves. In "Deacon Pitkin's farm," a young boy whose family can no longer afford payments on their house chooses to forego schooling in order to help make money for his struggling kin. Lastly, "The First Christmas in New England" documents the first Christmas celebration of the pilgrims from the Mayflower, a truly joyous and heartwarming tale. All three stories create a special portrait of American life as seen by the less fortunate. Princess Victoria was the daughter of Edward, Duke of Kent, and Princess Victoire of Saxe-Coburg-Saalfeld. She was born in 1819, and on the death in 1837 of her uncle, William IV, she became Queen of Great Britain and Ireland at the age of eighteen. When hearing of her proximity to the throne, at eleven, the princess had made the earnest promise, 'I will be good'; and throughout her long reign of 63 years, even at her most trying for those in her family and government, this was always her aim. The Queen never wavered in her duty as head of state, and at a time when British power reached its zenith, she was the most celebrated monarch of her age, and head of a widespread royal family. By the time of her death in 1901 Queen Victoria was related to the royal houses of Germany, Russia, Greece, Romania, Sweden, Denmark, Norway and Belgium. The Tsar of All the Russias was her grandson-in-law, 'dear Nicky', and Kaiser Wilhelm II of Germany was her grandson 'Willy'. The letters and journals of this remarkable woman tell us not only about her personal life but also of the growth of a nation through industrial achievements, political and social reforms, and the age of Empire. Her life spanned the eras from sail, horse and stagecoach through to steam, electricity and motor car. Her death did indeed mark the passing, not

only of a great British sovereign, but of an epoch. This seminal Pitkin text by Michael St John Parker, has been revised and updated by Brian and Brenda Williams for 2019. An extraordinary saga of the trail-blazing cowboys who made their fortune driving cattle from Texas to the Great Frontier. They left Missouri and were headed to Santa Fe. Standing in their way was a parched desert, a land of outlaws and enemies-and one man's dangerous past. He was a wealthy englishman with two beautiful daughters. They were five dusty texans and a gambling man. And they were all on the ride of their lives. The only riches Texans had left after the Civil War were five million maverick longhorns and the brains, brawn and boldness to drive them north to where the money was. Now, Ralph Compton brings this violent and magnificent time to life in an extraordinary epic series based on the history-making trail drives. The Santa Fe Trail Gavin McCord and his brawling cowboys came to Missouri with a problem: 3,500 longhorns and not one buyer. That's where Gladstone Pitkin came in. A man with money and a dream of ranching in New Mexico, Pitkin bought McCord's cattle and hired his Texans for a trail drive from Independence to Santa Fe. But with an ill-fated gambler on the drive, the courageous, hardened riders weren't just a thousand brutal miles from Santa Fe-they were heading into a death trap. The ancient city of Chester has attracted visitors since Roman days - and still does. Its medieval walls, Victorian streets, Civil War sites and the famous Rows all give a sense of history and peace. This Pitkin Guide is a must for visitors and residents alike. Some say that ever, 'gainst that season comes Wherein our Saviour's birth is celebrate, The bird of dawning singeth all night long. And then, they say, no evil spirit walks; The nights are wholesome; then no planets strike, No fairy takes, no witch hath power to charm, - So hallowed and so gracious is the time. And this holy time, so hallowed and so gracious, was settling down over the great roaring, rattling, seething life-world of New York in the good year 1875 Betty's Bright Idea; Deacon Pitkin's Farm; and the First Christmas of New Englan By Harriet Beecher Stowe, We are delighted to publish this classic book as part of our extensive classic literature collection. This book is a reproduction of an important historical work. Unlike some other reproductions of classic texts, We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. Also in books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. We use state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The shores of the Atlantic coast of America may well be a terror to navigators. They present an inexorable wall, against which forbidding and angry waves incessantly dash, and around which shifting winds continually rave. The approaches to safe harbors are few in number, intricate and difficult, requiring the skill of practiced pilots.
