Scripture speaks much of the rewards for being a faithful servant of God. In this work, Gurnall speaks of the great rewards God will give His people in heaven and the relative few things He asks of us in return. Much contemporary Christian teaching focuses upon the present benefits of a life consecrated to the service of Jesus. However, less attention has been paid to the relationship between present living and the future enjoyment of eternity with God. Investing in Eternity offers a thorough biblical and theological basis for what is known as the doctrine of degrees of reward in eternity. Rightly understood, this ancient but eminently relevant teaching of the Scriptures serves as a means of greater motivation in the Christian life. This book is intended not only for the general Christian public, but also for those who desire a more rigorous exegetical and theological treatment of the subject than is currently available. Specifically, this book will be an asset to a Christian who is struggling to understand the value of his service for Jesus in eternity and the pastor or instructor of higher education who wishes to

clarify his own understanding of this doctrine. Since 2009 Dr. Bozung has served as Teaching Pastor at Christian Fellowship Church in New Holland, PA. He also serves as adjunct professor of Bible and Theology at Lancaster Bible College, Lancaster, PA. Besides the present volume, Dr. Bozung is the author of *Making Sense of God's Plan for Humanity: An Easy to Understand Guide to Dispensationalism* (Dispensational Publishing House, 2017) as well as numerous peer-reviewed articles and book reviews. Dr. Bozung has a PhD (2008) from Baptist Bible Seminary, Clarks Summit, PA, a ThM (1987) from Dallas Theological Seminary, and a BS (1979) from Penn State University. When we reflect on how we lived for Christ, we might weep on the other side of the celestial gates. To their own detriment, many Christians have emptied the judgment seat of Christ of its meaning, living like they will never meet His knowing gaze. For this they may have tears in heaven. In this provocative book, Dr. Erwin Lutzer argues that remorse in heaven awaits those who don't live fully for God on earth. Exploring the often-overlooked Scriptures about reward and judgment for Christians, Dr. Lutzer answers questions like: How will believers be judged? Do rewards for faithfulness vary? If heaven is perfect, why do rewards even matter? His answers are immensely practical. Your Eternal Reward will prompt you to live more faithfully, whether in your conduct, your speech, or even your use of money, that you might enjoy heaven all the more. What is sown on earth is reaped in heaven, and Dr. Lutzer will have you taking this truth to heart. The progress of the soul towards heaven is more visible than ever with the simple, direct teaching of Bruce Wilkinson on eternal rewards. Randy Alcorn, best-selling author of *The Treasure Principle*, makes a clear, compelling case for an underemphasized scriptural principle: that believers will receive differing rewards in heaven depending on their actions and choices here on earth. Taken mainly from excerpts of *Money, Possessions, and Eternity*, *The Law of Rewards* shows how our faith determines our eternal destination but our behavior determines our eternal rewards. *The Law of Rewards* is published in association with Generous Giving, Inc., a ministry of The Maclellan Foundation, which offers practical tools and events designed to transform hearts and minds for revolutionary generosity. In this book, you're going to discover that God's son Jesus revealed a direct link between what you do today and what you will experience after you die. Astoundingly, the majority of spiritual seekers around the world -- including millions who follow Jesus -- seem to have missed what He said. Could you be one? If so, your picture of the future is missing about a billion stars. Author Bruce Wilkinson shows you what Jesus said about God's plan to reward you in eternity for what you do for Him today. What you'll discover will unlock the mystery of God's power, plan and will for your life. And you'll begin to live with the unshakable certainty that what you do today matters ... forever! Discover the Joy of Giving and the Reward of Receiving This book will transform your life for the better, bringing you guaranteed financial results. But it will do more than that. It will change every area of your life: marriage, family, health and relationships. For when God changes your heart from selfishness to generosity, every part of your life-journey is affected. If all believers followed the practical guidance of *The Blessed Life*, every church could be built, every nation would have an abundance of missionaries and all would reap the benefits of having a generous heart. With humor, passion and clarity, Robert Morris presents the secrets of living a blessed life both financially and spiritually. Have you ever pondered life beyond the one that we live on this earth? What does living for eternity mean for you as a Christian? Is there more to it than just existing for a short time and then dying? These are questions that must have entered everyone's mind at one time or another, but being so busy with the challenges of life, it is often relegated to the shelf, to be looked at and evaluated at a much later time. The dilemma is determining how much time we have. The ultimate aim for Christians is to get to Heaven and be in the presence of our God Almighty for all eternity, but not everyone is granted a pass into the Kingdom. We need to begin

sowing treasures in Heaven by living a life on earth that is befitting of a Christian. This is simpler than most of us imagine. We do not have to be rich or famous. We only need to bear in mind that we will not get to Heaven by our works here on earth but by putting out trust in the finished works of Jesus. In this book, Matthew provides us with simple ways on how to prepare for our life in eternity. He reminds us that God's grace is a favor that He bestowed on us at salvation, therefore, we are to release it to others as well. How do we put this into practice? We need to learn how to consistently be Christ to others and to tell people about Heaven's perfect love story. Living with eternity in mind is the way we are meant to live. It will change our outlook about almost everything. We can see the impact that we can make if we think beyond ourselves and live a day to day life that represents Christ to those who do not know Him. We all struggle with sin, whether its pride, lust, anger, or something else. In this gospel-centered resource, five church leaders offer practical advice for "acting" the miracle of sanctification God has already worked within us. Would you like to have a great life? One that counts for all time? Here's your complete instruction guide. Read about God's awesome plan to reward you! It will change what you do today, pump up your faith, and rock your world. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. In HONOR'S REWARD, bestselling author John Bevere unveils the power and truth of an often-overlooked principle-the spiritual law of honor. Bevere explains that understanding the vital role of this virtue will enable readers to attract blessing both now and for eternity. New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his

followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

In *Future Grace*, author John Piper helps readers discover the key to overcoming sin and living a life that honors God. Many men and women attempt to walk upright out of gratitude for what Christ did in the past, but Piper encourages believers to look ahead to the grace God provides for us on a day-by-day, moment-by-moment basis—putting faith into action by laying hold of God ' s promises for the challenges we face.

Sever the Root of Sin No one sins out of duty. We sin because we want to. Sin promises happiness, and we buy the lie. So how can the root of sin be severed in our lives? The penalty of sin must be paid by the righteous blood of Christ. And the power of sin must be broken by banking on the promises of Christ. John Piper ' s meditations are rooted in rock-solid biblical reflection. Chapter by chapter—one for each day of the month—he reveals how, by cherishing the promises of God, you can break the power of anxiety, despondency, covetousness, lust, bitterness, impatience, pride, misplaced shame, and more. Why did Jesus tell us, "Lay up for yourselves treasure in heaven"? Is there something of eternal value at stake in how we live our lives? Investing in Eternity examines the Bible's conditional promises of blessing and concludes that the doctrine of rewards is one of the most important teachings of the Bible. Faithfulness to God will be rewarded - forever. There is literally no limit to the blessing God will bestow upon those (and only those) who love and serve Him in this life. So, the stakes are infinitely high for every follower of Christ. We have this life, and this life alone, in which to earn God's reward. The first systematic study of suffering, martyrdom, and rewards in heaven, this book offers a comprehensive survey of these ideas through biblical and historical investigation from the time of the writing of the book of Job to the present. Suffering and martyrdom for the faith are always accompanied in the biblical literature with the promise of great rewards in heaven. However, the Christian theology has never presented a comprehensive treatment of this subject. For the Protestant ideology especially, it was always difficult if not impossible to integrate logically the concept of rewards into a system of grace and faith alone. This book, for the first time, presents a biblical and reasonable

interpretation of the rewards in heaven and advocates close attention to God's original purpose for the creation of man as explanation for the complex issue of suffering and martyrdom. We know instinctively that we're heading for an eternity of something after death. But an eternity of what? In this soul-stirring follow-up to his run-away bestsellers *The Prayer of Jabez* and *Secrets of the Vine*, Bruce Wilkinson leads you to some astonishing and entirely biblical answers about the hereafter. He gives a fresh view of the eternal existence you're investing in right now--showing why it's worth it (at a thousand percent return on investment) to serve God with all your heart for all your life! Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? Its time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accurately as God's provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices. Stephen Kirkendall, ChFC (chartered financial consultant), has helped Christians with financial investments for many years through mortgage loans, life insurance, investments, estate planning, retirement-income planning, and wealth management. He realized early on that most Christians have serious questions about tithing, but there seemed to be no solid answers. He decided to dig deeper into the truth in the Scriptures. There are too many wolves on

TV, the Internet, and YouTube. They state that pastors who talk about tithing are thieves and that tithing is unscriptural and that they're getting away with it because no one is challenging them with the full truth. Churches have broken up over tithing. There are marriages that have ended in divorce because of tithing. The real, full truth needs to come out. It is so important that God uses more than seven chapters to explain! The result is the biblically driven study Necessary for Jesus. Most Christians know what was necessary for Jesus. Seventy prophecies fulfilled. Why don't Christians know what is necessary for Jesus? Seventy rewards for helping Jesus. During his search for answers, Kirkendall knew he could honestly answer questions about money by going straight to God's teaching""the Bible. Stephen also realized that when he used the Scriptures, it had to be copy-and-paste. All Christians, especially the church teachers and leaders, need to know the full truth about tithing and how the lessons about it in the Scriptures still apply today. Giving back to God is the wisest investment Christians can make. It will not only lead to financial security but also to a completely blessed and prosperous life. In this soul-stirring followup to his runaway bestsellers "The Prayer of Jabez" and "Secrets of the Vine, " Wilkinson leads readers to some astonishing and entirely biblical answers about the hereafter. He gives a fresh view of the eternal existence in which we're investing. In his classic Surprised by the Power of the Spirit, Jack Deere looked at the reason why many Christians (including himself at the time) struggle to believe in miraculous gifts, and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today. In Why I Am Still Surprised by the Power of the Spirit, the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction: the Scriptures teach that God is healing and speaking today just as he did 2,000 years ago. Having almost entirely rewritten Surprised by the Power of the Spirit, this new edition comes at a time when the theological landscape has dramatically changed, and most evangelicals do believe in all the gifts of the Spirit. But many of us are still unsure how to understand those gifts, and there is much confusion today on what it means to be filled with the Spirit. This book is for those familiar with Deere's work and for newcomers alike. In it, he: Explains the nature of spiritual gifts, defining each of them. Offers sound advice on discovering

and using spiritual gifts in church. Tells documented stories of modern miracles and encounters with demonic powers. Examines the New Testament use of the phrase "filled with the Spirit" to show why and how God still fills his servants with the Holy Spirit. Introduces the newest literature defending and explaining the gifts of the Spirit. With the care of a scholar and the passion of personal experience, this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it's had among Christians of many traditions.
