Pine Island is a remote getaway for campers and hikers. So when Darius and the rest of the Wilderness Warriors show up for a late summer trip, the area is practically empty. The group sets off into the woods, but they soon experience eerie sounds and strange sightings, as if they're being tracked by something that is not quite animal, but not quite human. When they wake one morning to find

their guide's tent empty, the Wilderness Warriors discover their terrifying journey is only just beginning. Curious Pearl and her brother don't like chores. They'd rather play with their kitten. But Dad looks serious, so Pearl and her brother come up with a solution. They build a contraption to help them with their chores. As they build, Pearl teaches her brother all about simple machines. Free bonus video content through the Capstone 4D augmented reality app enhances the science experience. Fiona's new school doesn't have an ice hockey team, just field hockey! She decides to try out for field hockey anyway, but the sports have different rules. Will Fiona be able to stay on the team if she doesn't learn the rules? Shock your imagination with a hands-on introduction to electronic circuits. Step-by-step instructions will jump-start your electronic knowledge. You'll be lighting up your imagination with possibilities. Kurby, Risk, and Carma try to repair their spaceship, Judy, by scavenging parts from another ship and working together as a team. Because buyer behaviour has changed and buyers now trust social media and personal recommendations more than salespeople, companies need to respond to this new reality to acquire customers. Principled Selling discusses the skills and behaviours needed to win customers, build relationships and retain existing ones. It offers a different, more effective approach based on the premise that if you want more sales, stop 'selling' and focus on building long-term, profitable relationships. Readers will learn to avoid cold calling and generate meetings; develop relationships built on trust to maintain customer loyalty; sell services in ways clients appreciate; sustain long-term sales growth and incorporate social media into an effective business development strategy. With a foreword from legendary sales expert and bestselling author Richard Denny, Principled Selling helps anyone involved in selling to align his or her techniques with customer expectations to get people to buy over and over again. Ellie is super excited for first day at Winkopolis Elementary School, but she soon learns that her super powers make her stand out in a

not-so-super way. Win by a nose Pulling your leg Turn a blind eye Have you ever heard these crazy expressions? People use them even when noses, legs, and eyes have nothing to do with whatever they're discussing! That's because these sayings are idioms—phrases that mean something different than what the words in them actually say. But don't let idioms give you a chip on your shoulder! Let's explore a variety of idioms related to body parts and figure out what people really mean when they use them. Finley and her best friend, Henry, have to come up with an original recipe for their school's crazy cook-off. Did you know you can make two of your drawings act like a cartoon? Do you want to find out how? Just follow the simple steps inside this book. Simon Wahlberg eats, sleeps, and breathes hockey. His parents want to see their son achieve his dreams, so they move to the town of Edgewater, known for its elite high school hockey team. Simon tries out for the squad, and even though he's only in eighth grade, he lands a spot on the roster. But playing hockey for Edgewater isn't easy. Every player on the ice is bigger, stronger, and faster than Simon. If Simon is going to keep up, he will have to push himself further than he ever has before. But soon his grades begin to slide, and Simon starts to question if hockey is the right choice for him. Can Simon find a way to do it all? Maddie is going to let Holden badmouth Aladdin all he wants. Whenever he makes fun of a fairy tale, the two stepsiblings find themselves sucked into the story to fix the problems he causes. Maddie is so ready to be a glamorous princess. But the part she's actually going to play is . . . no, it's just too cruel! One day, Isaac Thompson is just your average fifth grader playing the part of a porcupine in the school play. The next, he has strayed into a mysterious subterranean realm that has been lurking beneath his school Ñ Castle Elementary Ñ and launches his quest to knighthood. When Isaac's little sister Lily goes missing from their school's creepy basement, he and his best friends Max and Emma set out in search of her. Their search takes them to the Underground, where they encounter an army of

spear-wielding rats, a talking human-sized bat, and a thumb-nosed prison guard. But humans who stay in the Underground too long transform into weird, unpleasant creatures and are forced to work for the horrible Elf King. Can Isaac and his crew escape the Underground before it's too late for them to ever return home?

"Step-by-step instructions teach readers how to create keepsakes with paper"--Provided by publisher. Sucktown, Suckington, Suckfield, Suckingham, Suckland, Suckmont, Suck Francisco. By any other name Kusko, Alaska, would still smell like human sweat, moose stew, and dog poop. But Eddie Ashford can't be choosy after partying his way out of college in one semester's time. He lands a job in tiny Kusko † a bush town located in the heart of unromantic Alaska, he's warned. Eddie intends to straighten out his act and make good on a promise to stay for a year, but soon he's indebted to his employer, overworked, and underpaid. He's also spurned by the almost-perfect girl, frustrated, and bored. He finds himself caught in a dilemma: do the right thing, work hard, and stick it out in Kusko or take a chance, smuggle some goods for the local pot dealer, and pile up the cash to pay his way out of Suckramento? A captivatingly funny and deeply emotional new standalone romance by New York Times bestselling author Melissa Foster. Set on the sandy shores of Cape Cod, the Wickeds feature fiercely protective heroes, strong heroines, and unbreakable family bonds. If you think bikers are all the same, you haven't met the Dark Knights. The Dark Knights are a motorcycle club, not a gang. Their members stick together like family and will stop at nothing to keep their communities safe. Their stories are told in the same loving, passionate voice readers have come to adore in Melissa's other series. Some of the Wickeds' love stories will be hilariously fun and deeply emotional, others will tear at your heartstrings and include injections of humor, but they will all leave you wishing you could climb between the pages and join them!

In A LITTLE BIT WICKED; What do a cocky biker and a businesswoman who has sworn off dating bad boys have in

common? According to Chloe Mallery, not much. But Justin Wicked has had his eye on her for a long time, and he is sure the inescapable heat between them runs far deeper than just physical attraction. Could their difficult pasts be drawing them together, or will Justin's protective nature be too much for Chloe's independent heart to accept? Buckle up for a spectacular ride, and fall in love with Justin and Chloe in *A Little Bit Wicked*, a fun, sexy standalone romance. "Describes the uniforms, gear, and weapons used by the Central Powers and Allied Powers during World War I"--Provided by publisher. In this eBook, Elisabeth Caldwell's first babysitting job is coming up none too soon. She needs to earn some cash to buy some new gear for her latest interest, tennis. When her grandma hears that Elisabeth will be babysitting, she offers up a list of advice. Meanwhile, Elisabeth is crushing on a boy, and her best pal has her own list of advice on how to get him. Unfortunately, Elisabeth soon finds out that not all advice is good, embarrassing herself terribly in the process! Based on first-hand experience with companies such as Volvo, BP, Proctor and Gamble, ICI and Fuji Xerox, Elkington defines the triple bottom line of 21st century business as profit, environmental sustainability and social responsibility. **THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES**• Everyone is talking about *A Good Girl's Guide to Murder*! With shades of *Serial* and *Making a Murderer* this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original

investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

In one of the world's most famous and influential books, Roman emperor Marcus Aurelius describes the Stoic precepts he used to cope with his life as a warrior and ruler of an empire. Beautiful hardcover edition of a specially modernized version of the classic George Long translation. This fascinating collection of traditional metaphors and figures of speech, groups expressions according to theme. The second edition includes over 1,500 new entries, more information on first known usages, a new introduction and two expanded indexes. It will appeal to those interested in cultural

history and the English language. Nick hates running, but when his gym teacher gives him an ultimatum join the relay-race team or fail the class he knows he has no choice. He'll have to suck it up and run. Will he learn to run or let down his team? How much do you know about Franklin Roosevelt? Find out the facts you need to know about the 32nd president of the United States. You'll learn about the early life, challenges, and major accomplishments of this important American. DigiCat Publishing presents to you this special edition of "Lakeland Words" (A Collection of Dialect Words and Phrases as Used in Cumberland and Westmorland, with Illustrative Sentences in the North Westmorland Dialect) by Bryham Kirkby.
