For fans of J.K. Rowling, Rick Riordan, and anyone who ever wanted to be a sorcerer, Sorcery for Beginners is part novel, part “For Dummies” guide to magic, and every bit a fun, fast-paced adventure. There are many ways to immerse yourself in French: taking French lessons, watching movies or TV series with French subtitles, taking online courses, join a French-speaking club, traveling in a French-speaking country, reading books... This book proposes you a simple but effective way to learn French through stories for beginners (Level A1 and Level A2). This book will help you to: Learn new vocabulary Learn new expressions on a specific topic Learn vocabulary of everyday life that is used to communicate with people through dialogues Learn some typical sentences that are frequently used in French dialogues Correct and/or improve your pronunciation with the audio file Improve your comprehension skills through listening Simply improve your French whatever your beginner level is Your home is where you spend most of your time. It is a haven for you and your family, thus it is very important that you maintain some form of organization and cleanliness within it. This is crucial not only to avoid clutter from taking over your family room, but also to prevent some very common illnesses that are actually the result of having filthy surroundings If you want to learn Italian in an easy way and grow your vocabulary then keep reading... Learn Italian for Beginners: Over 100 Easy And Common Italian Conversations For Learning Italian Language is one of the best and most complete book you can choose to learn the Italian language using basic, simple, and common conversations. This is because it proposes an entertaining way of learning through the use of conversations and day-to-day examples, so the reader can distinguish the different uses that are given to words and expressions in different fields. In every conversation, you will find verbs, grammar, vocabulary, and other resources that will be useful to you when learning the language. We decided to make this book because the easiest way to learn a language is to relate it with the day-to-day, with the things we do, and with the environments in which we usually operate. In this sense, here, you will find 101 conversations distributed as follows: 21 conversations about personal information in which you will learn to provide this information: age, nationality, your family, your taste in books, musical, political and religious preferences, your hobbies, contact points, and telephone number among other basic data. 20 conversations about visiting another country that will allow you to learn the vocabulary necessary to carry out the formalities and procedures required for a trip to another country: how to pack your suitcases,

board the plane, request a taxi, make a hotel reservation, rent a car, walk along the beach, go to the mountains, an amusement park, a museum, among other destinations. 20 conversations about living in a country that will help you define: how to rent a house, ask for typical food, pay fines, know the laws, buy a car, ask for car maintenance, buy a house, pay taxes, ask for credits, and other related topics. 20 everyday conversations related to daily activities: visiting the mall, ordering a pizza, buying clothes, asking for a wifi code, ordering a book from a library, going to the movies, going to a restaurant, and even applying for a job. 20 conversations of different professions and jobs with which you can learn the vocabulary and tasks of different jobs, such as secretary, police, babysitter, fireman, guard, businessman, designer, baker, gardener, janitor, among others. When you finish reading this book, you will have enough knowledge of vocabulary, grammar, and basic verbs to establish a conversation with another person in Italian. So click on the buy now button to get your copy of *Learn Italian For Beginners: Over 100 Easy And Common Italian Conversations For Learning Italian Language*, so you can learn this beautiful language and change your life for the better, starting today! We have created a guide for all those people who would like to get closer to the Spanish language, our course is simple and straightforward, allowing you to lay the foundations of your Spanish in just 21 days. *Spanish Short Stories for Beginners* is one of the greatest tools you can have to learn in a fun and relaxing way the Spanish language from the beginning. The book has been produced and designed with the needs of beginners in mind, so you won't be left wondering if what you're learning is outdated or not useful at all. Actually, this book provides many tools that can help you improve your language skills: Each chapter deals with one specific topic and is illustrated as much as possible. Chapters' topics touch on numbers, animals, school vocabulary, doctor's appointments, sport vocabulary and much more. Each chapter expands on the vocabulary that the previous one has dealt with. You surely know by now that the best way to learn Spanish is by seeing how it is used by Spanish speakers themselves. This book doesn't lose time in long grammar rules, rather, it

pushes to see how the language is used but native speakers since the very beginning. This way, you'll learn faster, see how the language is used and imitate the examples you like. Modern and useful vocabulary that's been researched and verified by native Spanish speakers. At the end of each chapter, you'll find that there's a glossary. This will help you to look for the meaning of any word you don't understand and will bring to life the story you're reading. A summary of the story is provided at the end of the respective story so that you can come to understand the story you're about to read or have finished reading. You can go directly to the summary so that you can have an overview of the topic and what the story will be about. We know it can be hard to learn a language. But Spanish Short Stories for Beginners is here to make it easier, understandable and fun for you. Spanish Short Stories for Beginners is the tool you need to use if you want to begin learning Spanish and see its usage firsthand. This book will help you understand the basics and also the nuances of the language. Doubting can't take hold of you if you're well prepared and this book is exactly what you need to be prepared to speak and show your language skills. Using this book as your number one tool will prove to be your decision if you're beginning to learn the beautiful language that is Spanish. This inspiring book makes drawing in a realistic style easier than you may think and more fun than you ever imagined. Authors Mark and Mary Willenbrink (Watercolor for the Absolute Beginner) cover it all—from choosing materials and the correct way to hold your pencil, to expert advice on the tricky stuff, like getting proportions and perspective right, drawing reflections, and designing strong compositions. (It's not as scary as it sounds...not with Mark and Mary as your guide!) At the heart of this book, a series of fun, hands-on exercises help you practice and perfect your strokes—24 mini-demos lead up to 9 full step-by-step demos. Each exercise builds on the previous one as you develop your skills, build your confidence, and enjoy yourself along the way. The lessons you learn by drawing simple subjects such as coffee mugs, clouds and trees will help you take on progressively more challenging matter like animals, still lifes, landscapes and portraits...the kinds of subjects and scenes you've always dreamt of drawing. This book is just the ticket for budding artists of any age. It's never too early and never too late to discover the pure joy of drawing. If you are in the process of starting your own business, then keep reading... Two manuscripts in one book: Bookkeeping: An Essential Guide to Bookkeeping for Beginners along with Basic Accounting Principles LLC: What You Need to Know About Starting a Limited Liability Company along with Tips for Dealing with Bookkeeping, Accounting, and Taxes as a Small Business. Although keeping a record of your income and expenses may seem straightforward, bookkeeping today involves many complexities. Today, we often see small business owners handling their own finances, but most owners of large companies hand over their accounts to professionals. In this book, you will discover all you need to master the art of bookkeeping. This comprehensive guide will explain bookkeeping simply and efficiently. What to expect in part 1 of this book: Discover the basics of bookkeeping. Discover critical tips and tricks on how to select a bookkeeping system. Powerful strategies on how to set up your books. Simple and easy methods to close your books. 9 amazing tools to streamline your bookkeeping procedures. Proven ways to get started with bookkeeping ...and much more! One big mistake people make when starting a business is to begin without actual knowledge of how the process works. This book shows you the steps of forming a Limited Liability Company and helps you discover the essentials of how to operate it successfully. In three highly insightful sections, we carefully break down the entire process of forming an LLC from scratch and running a fully IRS-compliant Limited Liability Company. Besides taking you through the easy route of creating an LLC, this book will also show you the most important things you should know about a Limited Liability Company. Part 2 of this book will take you through: How to set up an LLC The difference between an S-Corp and C-Corp - and, should you have one? How to set up your business to reduce your tax burden Tips on how to name your business How to set up the required Articles of Organization How to create financial statements for your Limited Liability Company How to set up payroll and how to pay yourself as the owner of a Limited Liability Company. In total, this book is very much what you need to start your own business! Click the "add to cart" button now to learn all you need about bookkeeping and how to set up your company! "Abundance for Beginners" will teach you how to tap into powerful universal energy to help manifest your dreams. You'll learn how to connect your desires with tangible beliefs and actions through visualization exercises, affirmations, intention-setting, and energy work. You'll also discover the importance of spirituality, positive thoughts, generosity, and integrity in creating an abundant life filled with blessings and gifts, such as: • Peace of mind • Time to do what you want • The perfect job • Vibrant health • A loving partner • Financial security Using the simple strategies and time-proven techniques in this book, you "can" attract happiness and abundance into your life! Simple SysML for Beginners Using Sparx Enterprise Architect is for

beginners. The book assumes that you have just purchased a copy of Enterprise Architect and are anxious to get started, but otherwise don't know too much about SysML and don't have much experience using Enterprise Architect or any other similar tool. There are several good books on the market about SysML. However, these books show only finished diagrams. They don't cover the steps needed to construct the models and the diagrams. These steps can be remarkably complicated; the sequence of steps needed to construct the underlying model for a diagram is often less than obvious when using a real SysML tool. The purpose of this book is to help you get through the initial learning curve and get you on your way to becoming proficient at SysML modeling.

Music Reading Made Simple - Discover the Simple Step-By-Step Process to Learning How to Read Music ** A Successor and a Sibling to the Best-Selling Book: Music Theory - From Beginner to Expert, by Nicolas Carter ** - Bars, notes, clefs, staves, time signatures, common notation, musical symbols... Cool exercises that will help you to understand notation, practice your new skills and start sightreading! - And much, much more... You can get this book today for a very low price by scrolling to the top and clicking on the Buy Now button! Do you need to learn a language? This is the place to do it, no questions asked. This book uses a combination of orthodox immersion methods in order to make you go in one end a complete newbie to a language and come out the other a fluent speaker. It won't be any shortage of work on your part, but this book is going to set you up with all the tools that it possibly can so that you can be a fantastic speaker of a second language in as short of a time as a few months. Through encouragement, motivation, rational observation, and careful breaking down of key concepts into malleable bite-sized chunks, this book makes learning language easier than it's ever been before. What makes this book better than other language books which tell you how to do something similar? The fact that this is the same exact method I've used to study several languages. I know that anecdotal evidence

doesn't mean much, but there's genuine merit to the methods contained in this book, and if you give it a chance, then you'll see for yourself that there's no method to language learning out there that is as effective as this one proves itself to be. So what are you waiting for? If you're tired of sitting around deliberating on exactly when you're going to start learning a language, I implore you to jump in right now with a copy of this book and see if you aren't speaking the language spectacularly in a few months' time. There are a lot of books on this topic, but there are none like this one. How to draw Figures and People Learn to draw Figures and People today with the number one how to draw Figures and People book currently on Amazon. #1 Bestseller Learn to Draw Figures and People Does your child, tween, or teen love Figures and People and drawing Figures and People?
