**The Prophet's Way** Apr 25 2022 Thom Hartmann's own dramatic spiritual journey that illuminates specific techniques for achieving spiritual transformation • Recounts travels to the farthest corners of the earth in pursuit of universal spiritual truths • Reveals the teachings of Hartmann's spiritual guides, providing an intimate glimpse into his relationship with German mystic Herr Müller • Offers practices and techniques for readers seeking to grow spiritually In the course of his work for the charitable organization Salem, Thom Hartmann personally witnessed famine in Uganda, chaos in Russia, and genocide in Colombia—all signs that modern cultures have lost the connection to the sacred, both within and without, that was emblematic of older cultures. To truly flourish, the human spirit needs to be present in its surroundings and attuned to the Now. It needs to act on what it knows is possible and to experience how the smallest actions can have massive consequences. This is the reality of the Prophet's Way, a path—both literal and figurative—that the author walked with his spiritual mentor Herr Müller that skirts the edge of the precipice, where one can experience a truly spontaneous life under seemingly overwhelming and impossible circumstances. In *The Prophet's Way*, Thom Hartmann shares his intense spiritual journey, a story that melds recent discoveries in science with ancient truths. Through insightful and engaging vignettes Hartmann teaches that accepting the challenge to have faith means living on the edge—remaining in the moment—because it is here where the material and spiritual worlds meet. He offers readers a unique view into his experiences of expanded consciousness, providing a powerful example of how we can re-create our future by reconnecting to the sacred heartbeat of the world.

**Not the Impossible Faith** Jan 03 2023 Dr. Richard Carrier is an expert in the history of the ancient world and a critic of Christian attempts to distort history in defense of their faith. *Not the Impossible Faith* is a tour de force in that genre, dissecting and refuting the oft-repeated claim that Christianity could not have succeeded in the ancient world unless it was true. Though framed as a detailed rebuttal to Christian apologist J.P. Holding (author of *The Impossible Faith*), Carrier takes a general approach that educates the reader on the history and sociology of the ancient world, answering many questions like: How did Christians approach evidence? Was there a widespread prejudice against the testimony of women? Was resurrection such a radical idea? Who would worship a crucified criminal? And much more. Written with occasional humor and an easy style, and thoroughly referenced, with many entertaining "gotcha!" moments, *Not the Impossible Faith* is a must-read for anyone interested in the origins of Christianity.

**Philosophy and Language in the Islamic World** Feb 21 2022 What is language? How did

it originate and how does it work? What is its relation to thought and, beyond thought, to reality? Questions like these have been at the center of lively debate ever since the rise of scholarly activities in the Islamic world during the 8th/9th century. However, in contrast to contemporary philosophy, they were not tackled by scholars adhering to only one specific discipline. Rather, they were addressed across multiple fields and domains, no less by linguists, legal theorists, and theologians than by Aristotelian philosophers. In response to the different challenges faced by these disciplines, highly sophisticated and more specialized areas emerged, comparable to what nowadays would be referred to as semantics, pragmatics, and hermeneutics, to name but a few – fields of research that are pursued to this day and still flourish in some of the traditional schools. Philosophy of language, thus, has been a major theme throughout Islamic intellectual culture in general; a theme which, probably due to its trans-disciplinary nature, has largely been neglected by modern research. This book brings together for the first time experts from the various fields involved, in order to explore the riches of this tradition and make them accessible to a broader public interested both in philosophy and the history of ideas more generally.

**History of Muslim Rule - The Prophet and The Early Rulers** Jul 05 2020

Five Things God Cannot Do Feb 04 2023 It has been noted within the sacred scriptures that there is "nothing too hard for "God" to do, except to fail!" God asked the Prophet Jeremiah a significant question according to Jeremiah; which is found in Jeremiah- 32:27 (KJV) and this is what God asked: "Behold, I am the Lord, the God of all flesh: is there "anything" too hard for me?" The Prophet Jeremiah answered with these words according to Jeremiah-32:17; which state: "Ah Lord God! Behold, thou hath made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee (KJV): " The majority of the Christian world would answer the same way; that indeed, "there is nothing, too hard, for Almighty God!" To a certain degree, this answer is correctly stated as it is written in scripture; however, this answer is not complete as you my friend, will find out in this work (Book) "Five Things That "GOD" Cannot Do!" **The Impossible Faith** May 07 2023 A Thesis So Explosive, An Atheist Paid \$5,000 for An Answer The Impossible Faith offers the proposition that Christianity could not have succeeded unless it had indisputable proof of the resurrection of Jesus. Had there not been such evidence, Christianity would have been an "impossible faith". Using his seventeen years of experience in apologetics ministry, the author will demonstrate the impossibility of Christianity in the eyes of the people of the first century and present an apologetic for Jesus' resurrection. Christians will be encouraged and emboldened by the message of The Impossible Faith, realizing "how firm a foundation" they have in Christ Jesus. Non-Christians will be challenged to consider the truth of Christianity in a new light. The arguments in this book are so powerful that one atheist paid over \$5,000 for a response. It is impossible to estimate the evangelistic impact that is possible because of The Impossible Faith. James Patrick Holding is President of Tekton Apologetics Ministries, one of the leading apologetics ministries on the Internet. **F.A.I.T.H.** May 27 2022 F.A.I.T.H. From Almost Impossible to Hopeful is a memoir of the author. The main thought of the book is to have faith and trust in God in every impossible situation. It shows how a person, no matter the age, can truly trust and depend on God. Trust is what makes us go through an impossible situation, however big or small, and on to a hopeful situation. Circumstances come and go, and nine out of ten times, we dislike being in those cases, but the voice of God, the prophecy, is a very important atlas in a season in our life.

As we listen to God via his servants, reading His Word, prophecy, and answered prayers, our level of understanding of and faith in God grow. God loves us; He is all about love and he does care for his children. Remember that the Lord leads our life and guides our steps. Dealing with life situations can and will leave us feeling like things are just impossible to change, but by trusting in Him, we begin to understand we can go from the impossible and that things are looking up and getting better. Things are beginning to be hopeful, and it's all because we have put our life in His hands and trust in Him. We can go from impossible to hopeful; we only have to have faith in God!50

**The Visions of Daniel the Hebrew Prophet** Dec 30 2019 For centuries, controversy has raged over the authorship and genuineness of the book of Daniel. Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel; or is it a forged document written centuries later to encourage Israelites being oppressed by the Seleucid king, Antiochus Epiphanes? Robert Johns addresses these issues and more in his thesis on Daniel's visions. Importantly, Johns establishes when Daniel was provided with his visions, and he defines why God provided Daniel with the visions. *The Visions of Daniel the Hebrew Prophet* examines the metal image, the beast with eleven horns, the Seventy "sevens," chapter eight's little-horn, and the 2,300 evening-mornings. It demonstrates that the enigmatic 1,290 days and 1,335 days are anything but enigmatic, and it identifies the reason why Daniel's fifth and final revelation is so detailed. Appendices address issues of general nature, such as the historicity of Jesus the Christ, the popularity of dispensationalism, the identity of "the abomination that desolates," and the integrity of novels representing the Christian-fiction genre (which focus on a seven-year tribulation period at the end of history). This book will be of value to every Christian who has an interest in Bible prophecy and eschatology.

*Notes on the Book of Prophet Isaiah* Sep 18 2021

**Notes: Critical, Explanatory, and Practical on the Book of the Prophet Isaiah** Aug 18 2021

*The Modern Day Prophet* May 15 2021 And this is the faith that overcomes the world, "If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing

shall be impossible unto you." (Matthew 17:20) THE MODERN DAY PROPHET contains a broad range of subject matter and discusses some uncommon topics ranging from Angels to Warlocks. Each topic is related and satisfies an innate quest for knowledge while presenting intellectual challenges. Answers and solutions are provided to numerous creation mysteries and the supernatural realm of Angels and Demons. Navigating through THE MODERN DAY PROPHET imparts a clearer understanding of the Bible and puts life in a more significant perspective. Some of the presentations are challenging to world-view but are brought alive while creating an illusion of being on a journey through time and space, and emerging with peace and understanding. R.C. Watson, a multi-talented Christian believer, shares his experience with having a visitation by an Angel that left an impartation. After becoming born-again, God utilized his innate desire to learn by revealing knowledge on the following topics: • Angels Sent from Heaven • The Origin and Character of Demonic, or Unclean Spirits • Wizardry, as Revealed by the Holy Spirit • An In-depth Understanding of Generational Curses • Creation and the Big Bang Theory

**Building Our House on Rock** Sep 06 2020 Jesus' Sermon on the Mount ends with the parable of the builders on rock or sand. Doing what Jesus asks results in building a life that endures; not doing it results in disaster. The choice is ours, and it's a scary one. How can we read these words so that we can know what Jesus meant and do it? In this book, Scripture scholar Dennis Hamm takes an in-depth look at the Sermon on the Mount in the Gospel of Matthew and the Sermon on the Plain in the Gospel of Luke, paying special attention to the distinctive ways these two evangelists present and interpret Jesus' teachings. Hamm helps us to hear Jesus' words in their original cultural setting as well as in the context of the Old Testament and the Gospels. In doing so, he throws new light on these teachings and suggests what they mean for us today. This book is both informative and pastoral, helping us to realize that the "you" addressed by Jesus in the Sermon is not a lonely individual but a healed and praying community, and that the one we pray to is not a long-ago and faraway Jesus of Nazareth but our living Lord and Friend.

**Dictionary of the Old Testament: Prophets** May 03 2020 The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future - nations streaming to Zion, a lion lying with a lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's

unfolding drama of redemption. Drawing inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the needy for a pair of sandals. The Dictionary of the Old Testament: Prophets is the only reference book of its kind. Not only does it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions as well as its synchronic spread of textual links and associations. And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

**The Miracle Ministry of the Prophet** Jul 29 2022 The Miracle Ministry of the Prophet by Dr. Christian Harfouche "Today, in this liberal, double-minded decade, we need to contend earnestly for the God-kind of faith - not the religious form of faith, and not man's opinion of faith - but biblical faith. "Without faith it is impossible to please God, and without faith, everything we do is dead. Dead works will not benefit anyone; but faith works will empty a hospital room, raise a person from the dead, and open the blind eyes. Faith works will trigger the power necessary to override impossible circumstances. "Would you like to see the impossibilities in your life turn around because you, by an act of your will, are able to biblically trigger the power of God that is resident in you? Of course you would." "That's why I want to pour into your heart, confirm,

and validate what God has already put within you. Then you can begin to rise to a level of faith where the manifestation of that invisible faith will become visible. "In other words, the devil will obey when you command him; disease will leave when you talk to it; the situation will turn around when you confront it - because you've got active faith living in you

**Understanding Prophetic People** Nov 01 2022 Prophecy is cherished by many as one of the fivefold ministry gifts described in Ephesians 4:11 and foundational to the life of the church. Yet prophetically gifted people have a reputation of being different and difficult to live and work with. Understanding Prophetic People, written by a prophetic pastor who grew up as the son of a prophetic pastor and leader, helps readers better understand, relate to, and even minister to prophetically gifted people. R. Loren Sandford answers fascinating questions such as, What is it like to grow up as a prophetically gifted person? What is the difference between adrenaline and anointing? Who validates authentic prophetic ministry? How does a pastor rightly relate to a prophet? This rich resource seeks deeper understanding and wisdom on issues of foundational importance for prophetic people and everyone who loves God's gifts.
