Jimmy Regent, el superespía número uno de Gran Bretaña lo

tiene todo: intriga, aventura, licencia para acribillar a quienquiera y hermosas mujeres que caen rendidas a sus pies... También tiene una nueva compañera que no está tan impresionada con Jimmy como parecen estarlo el resto de las mujeres. Ahora sí, hay que pagar un precio por las múltiples conquistas románticas de Jimmy... los resultados de las cuales están a punto de presentarse de la peor manera posible... De Garth Ennis, creador y guionista de Preacher y The Boys, llega la serie que tenía que explicarse en AfterShock Comics. Con una hermosa narrativa a cargo del artista Russ Braun (Batman, Fables, Battlefields y War Stories), el primer volumen de esta serie seguro que atrae a todos los que disfrutan con los espías, la sátira o la impudicia. "While Leslie's life has just been turned upside down by THAT message, her best friend Trish goes on a hunt to discover what lies beneath her unnatural (and yet attractive) recurring dream. Oh, and who's the mysterious hooded figure spying on her?" Oliver, a teenage hacker living in Germany, meets Donna online. She's an American girl living in New York. After chatting and talking on the phone for months, he finally decides to surprise her with a visit. But he soon finds out that things are not what they appeared to be, and that this

visit will change his life forever. ARCHIE 1000 PAGE COMICS MEGA-DIGEST collects 1000 pages of iconic Archie tales in this one amazing volume! Follow America's favorite red-head as he navigates the pressures of the American teenager in the awkward, charming, and hilarious way you've come to know and love. The stunning sequel to Sea Sirens, the middle-grade graphic novel about a spunky Vietnamese American surfer girl and her cantankerous talking cat. This time Trot and Cap'n Bill have to rescue a Sea Siren friend from the clutches of a ruthless amusement park owner. School's out and Trot and Cap'n Bill are looking forward to a carefree summer of surfing. But trouble surfaces when Grandpa hooks a message in a bottle while fishing. Clia, the Sea Siren princess, and Anko, King of the Sea Serpents, need their help: Merla, their Sea Siren friend, has been kidnapped! Trot, her cat, and her grandfather join the rescue effort which takes them to an old abandoned amusement park island resort, where plans are afoot for a grand re-opening. But who is behind this development? Enter Rosalie, an environmentalist with a personal grudge against the developer. She can tell them a thing or two about the mysterious Mr. Buluru and his secret plans for the park. And Trot has a pretty good idea who

the new main attraction of the park will be--but not if she and her crew get to that tank and free Merla first! Like Sea Sirens, Sky Island was inspired by an L. Frank Baum novel of the same name. This charming graphic novel weaves fantastical ocean creatures, quirky but sympathetic main characters, a fun amusement park setting, and fast-paced adventure into an imaginative, world-building story. When the placid mining village of Woodsburgh is disturbed by a series of brutal murders, the settlement is in turmoil. And as the first snow covers the chaos in a white blanket, a mysterious woman in black arrives, eliciting a totally different kind of unrest. But who is Lady Hellaine, really? And what's her secret agenda? Get your copy today " Five years after editing and illustrating A GRAND LIFE, Prakash returns with this short graphic novel designed loosely in the style of the classic comic books we have come to love. What started as a small homage to the mothers in the family for Mother's Day and a father's desire to create custom reading materials for kids that are free of corporate-political biases, quickly turned into a family favorite. Based on true events and real-life moms, this light-hearted bedtime story - with a simple renaissance message - dissuades young toddlers from following gimmicky super-heroes and encourages them to instead find real ones that are all around and within. WITH A NEW AFTERWORD "Baseball fans of all loyalties will enjoy learning about [Ortiz's] unique experiences in and out of the game." —Library Journal David "Big Papi" Ortiz is a baseball icon and one of the most popular figures ever to play the game. A key part of the Boston Red Sox for fifteen years, Ortiz helped to win three World Series, bringing back a storied franchise from "never wins" to "always wins." He helped upend the doubters, the naysayers, and the nonbelievers, and, as he launched balls into the stands again and again and again, he captured the imagination of millions of fans. Ortiz made Boston and the Red Sox his home, his place of work, and his legacy. As he put it: This is our f*cking city. In Papi, his ultimate memoir, Ortiz opens

up as never before. The result is a revelatory, fly-on-the-wall story of a career by a player with a lot to say at the end of his time in the game to which he gave so much and which gave so much to him. "The rise of Ortiz from scrap-heap bench player to Hall of Famer is an unlikely and entertaining story, and engagingly told . . . The memoir lives up to its 'no-holds-barred' billing." —Washington Post A middle grade graphic novel about Marlene, a young girl who stops straightening her hair and embraces her natural curls. Marlene loves three things: books, her cool Tía Ruby and hanging out with her best friend Camila. But according to her mother, Paola, the only thing she needs to focus on is school and "growing up." That means straightening her hair every weekend so she could have "presentable", "good hair". But Marlene hates being in the salon and doesn't understand why her curls are not considered pretty by those around her. With a few hiccups, a dash of embarrassment, and the much-needed help of Camila and Tia Ruby—she slowly starts a journey to learn to appreciate and proudly wear her curly hair. Salamandre is a sweeping, evocative graphic novel from award-winning artist and writer I.N.J. Culbard (The Umbrella Academy: You Look Like Death, Everything, Brink, The New Deadwardians). Kaspar Salamandre is a bereaved young artist who is sent to stay with his enigmatic grandfather in a land ruled under an

oppressive regime, where there can be only one loved one: The Emperor. In this land where flowers are contraband, music is illegal, and art is created in hiding, Kaspar discovers a world of art revolutionaries, espionage and the Secret Police. His search for answers will bring him face to face with the meaning of sacrifice. But, will anything bring him closer to overcoming his loss? "I.N.J. Culbard deftly tells a story of resilience, of secret joys and complex pains and in doing so, shows us that human beings are much bigger on the inside than you might think."—Ram V (The Many Deaths of Laila Starr, Swamp Thing) "Culbard is a master storyteller. I can't think of a single comic creator so adept at immersing the reader into another world. An adventure worth getting lost in."—Christian Ward (Invisible Kingdom, Blood Stained Teeth) "Tender and precisely observed, Salamandre is a Ghibli-esque celebration of the healing power of imagination, drawn in a stunning clear-line style that effortlessly blends the magic of childhood and a world just to the left of ours."—Cliff Chiang (Paper Girls, Catwoman: Lonely City) "An incredibly moving, uplifting coming-of-age story from a creator working at the top of his ability. Not to be missed."—Library Journal From the writer of Jurassic World Evolution, The Chronicles of Riddick: Assault on Dark Athena, and Wanted: Weapons of Fate comes a revenge tale that spans millennia! No good deed goes unpunished. When Mercedes Oro, a young

missionary on the outskirts of a small frontier town, takes in and cares for a dying outlaw, the outlaw's gang repays her by attacking her mission, killing her family, stealing the golden artifacts she swore to protect, and leaving her for dead with a dagger through her heart. Unbeknownst to the gang, the cursed dagger resurrects Mercedes, and she is reborn as St. Mercy, an avenging angel of death. Now, she's out to recover her gold and deal violent retribution to those who wronged her, all while confronting Toctollissica, the spirit in the cursed Incan artifact that's keeping her amongst the living.
