Study & Master Life Sciences Grade 11 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Life Sciences. The comprehensive Learner's Book includes: • an expanded contents page indicating the CAPS coverage required for each strand • a mind map at the beginning of each module that gives an overview of the contents of that module • activities throughout that help develop learners' science knowledge and skills as well as Formal Assessment tasks to test their learning • a review at the end of each unit that provides for consolidation of learning • case studies that link science to real-life situations and present balanced views on sensitive issues. • 'information' boxes providing interesting additional information and 'Note' boxes that bring important information to the learner's attention "Student Wealth study guides are concise, easy to understand and a pleasure to teach from. We have filled the pages with easy to follow examples, seasoned examination questions and detailed explanations on curriculum aligned topics. They have been developed in line with the CAPS syllabus and were put together by a team of experienced and qualified individuals and reviewed externally before taking them to market. This makes Student Wealth study guides a valuable resource in both teachers and students hands." Student Wealth. Study & Master Accounting Grade 11 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). The comprehensive Learner's Book includes: * case studies which deal with issues related to the real world, and move learners beyond the confines of the classroom * margin notes to assist learners with new concepts - especially GAAP flashes, that give learners guidance on General Accepted Accounting Practice * examples with solutions after the introduction of each new concept. The Teacher's File includes: * a daily teaching plan, divided into the four terms, that guides the teacher on what to teach per day and per week * moderation templates to assist teachers with assessment * solutions to all the activities in the Learner's Book. The CD-Rom with a PowerPoint presentation includes: * interactive examples to explain new concepts * links to all solutions to activities and assessments in the Learner's Book Study & Master Agricultural Sciences Grade 11 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Agricultural Sciences. The innovative Teacher's File includes: * guidance on the teaching of each lesson for the year * answers to all activities in the Learner's Book * assessment guidelines * exemplar practical tasks, tests, exam papers and worksheets with marking memoranda * photocopiable templates and resources for the teacher. Study & Master English Grade 11 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in English First Additional Language. The Teacher's File includes: * a comprehensive overview of the CAPS document * a full work

schedule for the year, based on the CAPS teaching programme * notes on how to teach each activity * extra information which extends the skills of the teacher * suggested answers to the activities in the Learner's Book * a separate section for Formal Assessment, including two examination papers, for mid- and year-end Formal Assessment * assessment sheets, extra resources, and a complete copy of the curriculum document. Study & Master Physical Sciences Grade 12 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Physical Sciences. Study & Master Mathematical Literacy Grade 11 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Mathematical Literacy. The comprehensive Learner's Book includes: * thorough coverage of the basic skills topics to lay a sound foundation for the development of knowledge, skills and concepts in Mathematical Literacy * margin notes to assist learners with new concepts - especially Link boxes, that refer learners to the basic skills topics covered in Term 1, Unit 1-16 * ample examples with a strong visual input to connect Mathematical Literacy to everyday life. Study & Master Physical Sciences Grade 11 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Physical Sciences. The comprehensive Learner's Book: • explains key concepts and scientific terms in accessible language and provides learners with a glossary of scientific terminology to aid understanding. • provides for frequent consolidation in the Summative assessments at the end of each module • includes case studies that link science to real-life situations and present balanced views on sensitive issues • includes 'Did you know?' features providing interesting additional information • highlights examples, laws and formulae in boxes for easy reference. Study & Master Accounting was developed with the help of practising teachers, and covers all the requirements of the National Curriculum Statement for accounting.
