in his heart is the desire for revenge. Nearly a century later, a woman named Ivy who writes fictional vampire novels appears in his path. This new Ivy stirs familiar feelings and dark primal passion in him. But she's not his Ivy. Or is she? This girl, this beautiful and gorgeous girl has the power to stop our hearts with one look into her eyes. Those deep dark eyes, within those eyes I can see my beginning and end. I can see her seeing me. This girl, this girl has stopped my heart, frozen in her storm. Her eyes are relentless, relentlessly pulling you into her storm. The storm raging in her is seen through her eyes. The wind twirling around us all is her moving toward you. The rain falling on us all is your heart melting for her. Okay, so technically she can't because I'm immortal. Well, not yet. See, due to the worst case of mistaken identity with my dark-side-loving twin sister at a Goth club called Club Fang, Magnus, a vampire hottie, went for my innocent neck instead of hers. Now if I don't reverse it in time, Magnus will be my blood mate forever and I'm doomed to be a blood-gulping, pasty,

daylight-hating vampire. Believe me, it seriously bites. After the unfortunate slaying of the vampire leader, it's up to me, my sister, and Magnus to find the one thing that can solve my problem—the Holy Grail. No joke. I seriously hope I can get out of this in time, because somehow, I scored the hottest prom date in my school, the mouth-watering Jake Wilder. high water, Ian intends to remind Veritas of the burning passion between them, because she is the only person seared on his mind—and his soul... A kiss on New Year's Eve is supposed to be lucky...but a vampire bite? That's not exactly something a woman dreams of getting. And when Lark Kinsley gets bit, all bets are off. She stakes her date, runs into the night, and tries to put the whole nightmare behind her. Only she can't. Because she immediately runs into trouble—trouble in the form of a tall, dark, and deadly sexy vampire prince named Devereaux. He claims that he's there to help her, but she's not buying his story. The guy is no Prince Charming. After all, Prince Charming isn't supposed to come with fangs and an appetite for blood. But Devereaux says that he's been waiting centuries for her. That she is meant to rule with him. Obviously, he's wrong. And possibly insane. She's not meant to be the queen of the vamps. No matter what Devereaux says. But he's not the only one after her. Paranormal monsters are coming out of the woodwork. And the bite that she got? It's making her feel strange. Hungry. Her self-control is shredding, and Lark knows she's changing. She just doesn't know what she'll become. The new year won't go out with a bang...it will end with a bite. Author's note: Hey paranormal romance fans! MIDNIGHT BITE is a sexy vamp novella—expect danger, expect hot times, and expect naughty language as you ring

in the new year. Let's celebrate with some undead style! Sass Lockett is cursed. Not because her truck keeps breaking down, her bank account's on life support, and she's constantly dodging packs of dire wolves looking for a witch-sized snack. No, Sass's family is literally cursed: they must stay and guard their small town of Rattler's Run from the Crossroads, the Bermuda Triangle of the prairie. If Sass and her sisters flee, the uncontrolled magic will wipe the town straight off the map—and the world will be overrun by the unnatural critters that emerge from the cataclysm. Not to mention that there's a couple generations of Lockett ghosts hanging around the attic, just itching to point out how she's failing. Sass dreams of a completely different, completely normal life far away from Rattler's Run. But that would require money and magic she just doesn't have. And then some fast-talking, big city researchers offer her a fat paycheck to play tour guide on the Crossroads. When all hell breaks loose—literally—Sass realizes they're not tracking normal wolves at all. The strangers are actually government agents investigating the magical shenanigans in and around Rattler's Run, and somehow they think Sass is the key to restoring balance in the Crossroads. There's only so much cursing a witch can take, and Sass is running out of friends and patience. It's just a matter of time until she's sh*t-outta-Lockett. Cruz

understands torment. A mortal turned vampire in the war, he has suffered untold loneliness and despair. That is until he meets Kiara—a werewolf he's forbidden to love. Though Kiara needs Cruz, and wants him forever, werewolves and vampires are bitter enemies. To make matters worse, her Alpha, also her father, suspects that Kiara pines for a mate. Mistaking her sadness for the longing she feels for Cruz, he sets out to give her all the happiness he can provide. Together, Kiara and Cruz will have to fight against the rules placed upon them to hold onto their love. But an unwanted visitor creates a complication neither of them planned for. Milo, Kiara's chosen mate, has come to stake his claim. Now, not only are lives at risk, but hearts are threatened and dreams hang in the balance. A collection of more than 1400 proverbs and suitable for all ages. The idea is to create an atmosphere where the Bengali proverbs are being served at one store in an international food court with many stores from many cultures with different languages. A spirited attack on the decision processes of abortions, gun control, welfare, AIDS, religion, big cars, pornography, evangelist, shaman, and politicians. Detailing pragmatic rules for decision making, this is a work comfortably nestled someplace in the reading spectrum between Zen and the Art of Motorcycle Maintenance, Barth's Romans, and The Idiots Guide to High Explosives. If you are standing in the book store reading the back of this

book and trying to decide to buy it, just flip to chapter 11 and skim it. You will have the core of the book, but you will miss all the good parts about Biblical cussing, lint trolls, and warnings about women in tight sweaters and short skirts. JT was a perfectly happy orc building cars in the Arizona desert until his old friend and sometimes lover Austin showed up and talked him into one last crime. Now “one last crime” has snowballed. With a new team of thieves — a supersoldier, a hacker, a driver, a graffiti artist, and a seafaring wizard — JT and Austin are determined to free an artificial intelligence from the dungeon of the Burning Magus. For JT, this job is more than a prison break; it’s a do-over of The Job That Went Bad two years ago, the catastrophe in which JT lost his closest friend and then chose to abandon everything, even Austin. Maybe this time no one will die. Maybe this time JT can return to Arizona and bury his old life for good. Except Austin won’t be buried. After two years alone, Austin knows he wants JT — not just as a partner in crime, but as the lover he always should have been. Maybe this time they won’t make the same mistakes, especially when it comes to each other. **See this title's page on RiptidePublishing.com for content warnings.** A wonderful variety of compellingly original vampire stories, many of them wholly unexpected, from award-winning, New York Times bestselling authors. There are typical vampires who would be

right at home in a horror story or a gothic romance; historical vampires; contemporary, gritty, urban vampires; fang-in-cheek comedy; boy-meets-girl sweetheart stories (if a little bloodier!); and erotic tales of inhuman passions and midnight pleasures. Look out, too, for stand-alone stories relating to existing series and characters of contributing authors, or stories which develop more fully characters who have only walk-on parts in those authors' longer fiction. Includes writing by big-name authors such as Jennifer Ashley, Kim Harrison writing as Dawn Cook, Caitlin Kittredge, Diane Whiteside and Eileen Wilks. The Psalm Meditations take up my own translation of the selected psalms based on the Hebrew Masoretic Text and a meditative reflection addressed, for the most part, to God. All but the last of these are in prose; the reflection on Psalm 66 has its own pattern. The Regula Vitae (Rule of Life) arose in response to a particular reading and served to reflect over aspects and qualities of my life as a pastor. 'Bite the Stars' is the US debut of the gifted Canadian author Eliza Clark. Writing with a trademark use of rhythmic language and cinematic detail, 'Bite the

Stars' is a mesmerizing story of the whirlwind forces of nature and the ravages — and glory — of love. In a uniquely personal voice, Grace Larson dramatically recounts the tornado that destroyed her church on Palm Sunday, killing nineteen people and causing her to go into labor and give birth to a son. As Cole grows up, it becomes clear that he is just as dangerous and destructive as the storm he was born out of, a dark force of nature himself. With a mother's fierce love and profound guilt, Grace tries to see him as the man he is, and herself as the woman she could have been. Looks at how family, religion, history, news and entertainment keep women thinking they are defenseless. Snortland contends that women are capable of defending themselves and their loved ones—if they learn how. She argues that is not the female's size, it is her culturally induced ignorance that makes her think she is helpless. Snortland offers a clarion call to all women to wake up and take charge of their own self-defense--both verbal and physical--and celebrates women (and kids) who fought back. --Adapted from publisher description.
