Love + Work Sep 28 2021 World-renowned researcher and New York Times bestselling author Marcus Buckingham helps us discover where we're at our best—both at work and in life. You've long been told to "Do what you love." Sounds simple, but the real challenge is how to do this in a world not set up to help you. Most of us actually don't know the real truth of what we love—what engages us and makes us thrive—and our workplaces, jobs, schools, even our parents, are focused instead on making us conform. Sadly, no person or system is dedicated to discovering the crucial intersection between what you love to do and how you contribute it to others. In this eye-opening, uplifting book, Buckingham shows you how to break free from this conformity—how to decode your own loves, turn them into their most powerful expression, and do the same for those you lead and those you love. How can you use love to reveal your unique gifts? How can you pinpoint what makes you stand out from anyone else? How can you choose roles in which you'll excel? Love + Work unlocks answers to these questions and others, so you can: Choose the right role on the team. Describe yourself compellingly in job interviews. Mold your existing role so that it calls upon the very best of you. Position yourself as a leader in such a way that your followers quickly come to trust in you. Make lasting change for your team,

your company, your family, or your students. Love, the most powerful of human emotions, the source of all creativity, collaboration, insight, and excellence, has been systematically drained from our lives—our work, teams, and classrooms. It's time we brought love back in. Love + Work shows you how.

In The Meantime Nov 18 2020 Most of us go through life with a vision of what the ideal relationship is supposed to be, yet too often our longing for a soul mate leads to disappointment and heartbreak. What we see, desire, or harshly judge in our mate is but a reflection of self, Vanzant explains, as in *IN THE MEANTIME* she helps us to break free of our fantasies and view a relationship as an ongoing process of discovery and growth. Whether she is offering practical advice on how to avoid making the same relationship mistakes over and over again, or helping us to view the painful end of a relationship as an opportunity to learn and change, Iyanla Vanzant, as author Patrice Gains has said, 'reminds us that every moment is an opportunity to learn and inspires and encourages us to continue our inward daily search'.

Love People, Use Things Jun 13 2020 ****THE INSTANT NEW YORK TIMES BESTSELLER**** "The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things. This is not a book about how to live with less, but about how to live more deeply and more fully." —Jay Shetty, #1 New York Times bestselling author of *Think Like a Monk* **AS SEEN ON THE NETFLIX DOCUMENTARIES MINIMALISM & LESS IS NOW** How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent—a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment—a life of passion, unencumbered by the trappings of the chaotic world around you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In *Love People, Use Things*, Joshua Fields Millburn and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential relationships in our lives: stuff, truth, self, money, values, creativity, and people. They use their own experiences—and those of the people they have met along the minimalist journey—to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more.

I Wrote This Book Because I Love You Jul 07 2022 *A People Top 10 Book of 2018* The New York Times essayist and author of *We Learn Nothing*, Tim Kreider trains his singular power of observation on his (often befuddling) relationships with women. Psychologists have told him he's a psychologist. Philosophers have told him he's a philosopher. Religious groups have invited him to speak. He had a cult following as a cartoonist. But, above all else, Tim Kreider is an essayist—one whose deft prose, uncanny observations, dark humor, and emotional vulnerability have earned him deserved comparisons to David Sedaris, Sarah Vowell, and the late David Foster Wallace (who was himself a fan of Kreider's humor). "Beautifully written, with just enough humor to balance his spikiness" (Booklist), *I Wrote This Book Because I Love You* focuses Tim's unique perception and wit on his relationships with women—romantic, platonic, and the murky in-between. He talks about his difficulty finding lasting love and seeks to understand his commitment issues by tracking down the John Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler. He talks about his valued female friendships, one of which landed him on a circus train bound for Mexico. He talks about his time teaching young women at an upstate New York college,

and the profound lessons they wound up teaching him. And in a hugely popular essay that originally appeared in The New York Times, he talks about his nineteen-year-old cat, wondering if it's the most enduring relationship he'll ever have. "In a style reminiscent of Orwell, E.B. White and David Sedaris" (The New York Times Book Review), each of these pieces is "heartbreaking, brutal, and hilarious" (Judd Apatow), and collectively they cement Kreider's place among the best essayists working today.

Work Won't Love You Back May 05 2022 A deeply-reported examination of why "doing what you love" is a recipe for exploitation, creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives. You're told that if you "do what you love, you'll never work a day in your life." Whether it's working for "exposure" and "experience," or enduring poor treatment in the name of "being part of the family," all employees are pushed to make sacrifices for the privilege of being able to do what we love. In *Work Won't Love You Back*, Sarah Jaffe, a preeminent voice on labor, inequality, and social movements, examines this "labor of love" myth—the idea that certain work is not really work, and therefore should be done out of passion instead of pay. Told through the lives and experiences of workers in various industries—from the unpaid intern, to the overworked teacher, to the nonprofit worker and even the professional athlete—Jaffe reveals how all of us have been tricked into buying into a new tyranny of work. As Jaffe argues, understanding the trap of the labor of love will empower us to work less and demand what our work is worth. And once freed from those binds, we can finally figure out what actually gives us joy, pleasure, and satisfaction.

Talk to Me Like I'm Someone You Love Sep 16 2020 “The most crucial relationship advice book since Men Are from Mars.”—Erin Meanley, Glamour.com A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter Talk to Me Like I'm Someone You Love. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, “Talk to me like I'm someone you love,” and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between

the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include: • Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?" • Apologizing: "I know I've really hurt you. What can I do to help you trust me again?" • Loving: "You are precious, and I get that I haven't been treating you like you are." I Love You but I've Chosen Darkness May 25 2021 NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST, VOGUE, ENTERTAINMENT WEEKLY, NPR, ESQUIRE, AND KIRKUS "There's some kind of genius sorcery in this novel. It's startlingly original, hilarious and harrowing by turns, finally transcendent. Watkins writes like an avenging angel. It's thrilling and terrifying to stand in her wake." —Jenny Offill, author of *Dept. of Speculation* and *Weather* A darkly funny, soul-rending novel of love in an epoch of collapse—one woman's furious revisiting of family, marriage, work, sex, and motherhood. Since my baby was born, I have been able to laugh and see the funny side of things. a) As much as I ever did. b) Not quite as much now. c) Not so much now. d) Not at all. Leaving behind her husband and their baby daughter, a writer gets on a flight for a speaking engagement in Reno, not carrying much besides a breast pump and a spiraling case of postpartum depression. Her temporary escape from domestic duties and an opportunity to reconnect with old friends mutates into an extended romp away from the confines of marriage and motherhood, and a seemingly bottomless descent into the past. Deep in the Mojave Desert where she grew up, she meets her ghosts at every turn: the first love whose self-destruction still haunts her; her father, a member of the most famous cult in American history; her mother, whose native spark gutters with every passing year. She can't go back in time to make any of it right, but what exactly is her

way forward? Alone in the wilderness, at last she begins to make herself at home in the world. Bold, tender, and often hilarious, *I Love You but I've Chosen Darkness* reaffirms Watkins as one of the signal writers of our time. **Love Will See You Through** Feb 14 2023 The niece of Martin Luther King, Jr. reveals six timeless and universal principles that encompass the civil rights leader's greatest legacy: Love will see you through. Growing up as the niece of Martin Luther King Jr., Angela Farris Watkins witnessed firsthand the principles and values that "Uncle M.L." practiced and lived by throughout his fight for equality. Drawing from experiences and episodes both personal and well-known, Dr. Watkins artfully details the guiding beliefs of one of the greatest men in history. Including "have courage" and "love your enemies," these six hallmarks of virtue and nonviolence reinforce the truth that "the universe honors love" and will inspire readers of all ages.
