Book Reviews by Shalini, ★★★★★ They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child, saying, 'you gave us such a scare'. She pictures her precious girl safely tucked in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't? She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: "Enchanting and mesmerizing!" —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words) Teddy King excels at many things. Playing hockey. Check. Scoring on and off the ice. Check. Being stupidly attractive ... Double check. Despite his demanding schedule, he still finds time to annoy me. I knew him way back when. Before he was the guy everyone wanted a piece of, he was just a rebellious college co-ed and one of my more energetic study partners. But secrets have a way of getting out, and a steamy encounter from our college days (that we probably shouldn't have filmed) is about to cause a major scandal. Unless we can work together to stop it. Teddy's no stranger to hard work ... but the thing he wants most? Is me. Note: This high-heat standalone is chock-full of scorching banter and steamy good times. He's a testosterone-dripping hockey player who wants a second chance. She's a tough as nails attorney intent on making partner. Frienemies to lovers. No cliffhanger. Enjoy! Your favorite hot jocks are back with an all new stand-alone novel. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series is perfect for you! I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in My Dad's Business Partner, but both books are standalones and can be read on their own. You'll love them, I promise! Xoxo, Cassandra "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a

Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game—and lose. Checkmate. Jason is a cynical rich playboy. He doesn't take life seriously, He doesn't believe in settling down. Eileen's thirtieth birthday is almost here. But as always she's her parent's afterthought. Her family is too busy planning a shotgun wedding for her older sister—and she has to help. It's just another year where she's overlooked. But the best man is smoking hot and actually notices her and makes her feel special. Jason doesn't believe in commitment, but Eileen intrigues him. She's not the kind of girl he usually hooks up with. She doesn't even fall for his charm. He's made it his task to convince her that he's not the shallow man she thinks he is. But can Jason give up his playboy lifestyle to become what Eileen needs? It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
