New York Times bestselling author Liliana Hart returns to her bestselling MacKenzie family with her trademark of “Passionate Romantic Suspense & Spine-Tingling Mystery” in SPIES & STILETTOS... Elena Nayal has worked for MacKenzie Security for years. Quiet and unassuming, she stays in the shadows of the world's most elite clandestine agency. But she's trained relentlessly after hours, and her only thought is to be strong enough to track down and kill every last one of the men who brutally attacked her. Lieutenant Brady Scott is no stranger to special ops. He commands the greatest SEAL team in the history of America. But fighting for the woman he loves turns out to be the most difficult mission he's ever been on. He must decide whether to let her walk into a suicide mission on her own, or ignore every rule he's sworn to follow. Published in 1829 in Philadelphia, Mackenzie's Five Thousand Receipts in All the Useful and Domestic Arts was an unknown “American physician's” adaptation of a best-selling British reference book by Colin Mackenzie. The book is an all-encompassing miscellanea of household information specifically revised from its original British publication for use in the United States. Covering everything from gardening, metallurgy, and pickling and preserving to watercolors, medical cures, perfumery, brewing, and cooking, this early 19th century compendium was an essential guide for cooking and managing a household during this time period. With the extensive material covered, the tome was very well received in America, as was the original publication in the United

Kingdom. Even though the work was first published nearly 200 years ago, the recipes and advice have proven to be relevant today—lip balms citing the book as the recipe source can be found on the Internet, as well as numerous blogs referring to the brewing section of the book. While recipes such as Acorn Coffee, Clove Cordial, and Elephant’s Milk may only be of historical interest, Mackenzie’s *Five Thousand Receipts in All the Useful and Domestic Arts* still has significance today beyond simple historical curiosity. This edition of Mackenzie’s *Five Thousand Receipts in All the Useful and Domestic Arts* was reproduced by permission from the volume in the collection of the American Antiquarian Society, Worcester, Massachusetts. Founded in 1812 by Isaiah Thomas, a Revolutionary War patriot and successful printer and publisher, the society is a research library documenting the lives of Americans from the colonial era through 1876. The society collects, preserves, and makes available as complete a record as possible of the printed materials from the early American experience. The cookbook collection comprises approximately 1,100 volumes. The Orientalism debate, inspired by the work of Edward Said, has been a major source of cross-disciplinary controversy. This work offers a re-evaluation of this vast literature of Orientalism by a historian of imperialism, giving it a historical perspective. A fan-favorite tale of romance and suspense from New York Times bestselling author Linda Howard

Talented trainer Maris Mackenzie was wanted for horse theft, but with no memory of that fateful day, she had little chance of proving her innocence or eluding the villains behind the prize stallion's disappearance. Her only hope for salvation? The stranger in her bed. Previously published. When it was first published in 1935, *On the Border with Mackenzie, or Winning West Texas from the Comanches* quickly became known as the most complete account of the Indian Wars on the Texas frontier during the 1870s, and remains one of the most exhaustive histories ever written by an actual participant in the Texas Indian Wars. The author, Capt. Robert G. Carter, a Union Army veteran and West Point graduate, was appointed in 1870 to serve as second lieutenant in the Fourth United States Cavalry stationed at Fort Concho, Texas. He was awarded the Medal of Honor in 1900 for his gallantry in action against the Indians occurring on October 10, 1871, during the battle of Blanco Canyon. Led by Col. Ranald Slidell Mackenzie, the Fourth Cavalry moved its headquarters to Fort Richardson, Texas, in 1871 where they soon became one of the most effective units on the western frontier. Among the battles and skirmishes they participated in were the Warren wagon train raid of 1871; the Kicking Bird pursuit of 1871; the Remolino fight of 1873; the Red River War of 1874-75; and the Black Hills War of 1876. "...a splendid contribution to the early frontier history of West Texas...a story filled with humor and pathos, tragedies and triumphs, hunger and thirst, war and

adventure.”—L. F. Sheffy “...[Carter] pulls no punches in this outspoken narrative, and the reader always knows where he stands.”—John H. Jenkins, Texas Basic Books “...essential to any study of the Indian Wars of the Southern Plains.”—Charles Robinson, Foreword
