**Active Parenting** Jul 12 2021 Dr. Michael Popkin--one of the nation's foremost experts on parent education--explains positive discipline and communication techniques to help your family run more smoothly. This guide shows you why children misbehave and how to redirect them, nonviolent discipline that really works, how to prevent future problems with drugs, and much more. Millions of parents have used this "active" approach to raise courageous, cooperative children--and now you can, too!

Miss Peregrine's Peculiar Children Boxed Set Apr 08 2021 The New York Times #1 best-selling series. Includes 3 novels by Ransom Riggs and 12 peculiar photographs. Together for the first time, here is the #1 New York Times best seller *Miss Peregrine's Home for Peculiar Children* and its two sequels, *Hollow City* and *Library of Souls*. All three hardcovers are packaged in a beautifully designed slipcase. Also included: a special collector's envelope of twelve peculiar photographs, highlighting the most memorable moments of this extraordinary three-volume fantasy. *MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN*: A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in this groundbreaking novel, which mixes fiction and photography in a thrilling new kind of reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob Portman journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. *HOLLOW CITY*: September 3, 1940. Ten peculiar children flee an army of deadly monsters. And only one person can help them—but she's trapped in the body of a bird. The extraordinary adventure continues as Jacob Portman and his newfound friends journey to London, the peculiar capital of the world. There, they hope to find a cure for their beloved headmistress, *Miss Peregrine*. But in this war-torn city, hideous surprises lurk around every corner. *LIBRARY OF SOULS*: A boy, a girl, and a talking dog. They're all that stands between the sinister wights and the future of peculiar children everywhere. Jacob Portman ventures through history one last time to rescue the peculiar children from a heavily guarded fortress. He's joined by girlfriend and firestarter Emma Bloom, canine companion Addison MacHenry, and some very unexpected allies.

A Parent's Guide to Asperger Syndrome and High-Functioning Autism, First Edition Jul 24 2022 Asperger Syndrome and high-functioning autism are detected earlier and more accurately today than ever before. Children and teens with these disorders often stand out for their precocious intelligence and language abilities--yet profound social difficulties can limit every aspect of their lives. This hopeful, compassionate guide shows parents how to work with their child's unique impairments and capabilities to help him or her learn to engage more fully with the world and live as self-sufficiently as possible. From leading experts in the field, the book is packed with practical ideas for helping children relate more comfortably to peers, learn the rules of appropriate behavior, and participate more fully in school and family life. It also explains what scientists currently know about autistic spectrum disorders and how they are diagnosed and treated. Real-life success stories, problem-solving ideas, and matter-of-fact advice on everything from educational placements to career planning make this an indispensable reference that families will turn to again and

again.

*A Parent's Guide to Preventing Homosexuality* Jan 06 2021 Homosexuality: is it learned, biological or both? The answer to this question deeply concerns parents. They want to know how they can best raise their children. A common belief today is that nothing can be done to foster the development of healthy heterosexual orientation in children. But the clinical experience and professional research of Dr. Nicolosi and others indicates otherwise. In this groundbreaking book Joseph and Linda Ames Nicolosi uncover the most significant factors that contribute to a child's healthy sense of self as male or female. Listening to moving recollections from ex-homosexual men and women who describe what was missing in their own childhoods, the Nicolosis provide clear insight for identifying potential developmental roadblocks and give practical advice to parents for helping their children securely identify with their gender. Replete with personal stories from parents, children and ex-homosexual strugglers, *A Parent's Guide to Preventing Homosexuality* offers compassion and hope for all those parents who seek to lay a foundation for a healthy heterosexual identity in their children.

**The Everything Parent's Guide to Children with Anxiety** Feb 04 2021 Racing heart. Nausea. Trembling. These are just the physical symptoms of anxiety. Add to that panic, paralyzing fear, and self-doubt and a child is consumed with worry. With the proper care and treatment, a child with anxiety disorders can thrive. This book presents a balanced approach to treatment—from traditional to non-traditional drug and behavioral therapies to relaxation tricks and meditation. Additionally, this helpful guide helps parents determine the causes of their child's anxiety, decide whether medical treatment is necessary, talk with their children about anxiety, find the right counselor, and consult with teachers and school officials. With this guide, parents will have all the resources, tools, and information they need to help their child enjoy a happy, healthy, and well-adjusted childhood!

**The Parent Guide to Our Whole Lives** May 02 2023

**Sleeping with Your Baby** Oct 03 2020 The American Academy of Pediatrics warns parents never to let their baby sleep in an adult bed--contrary to thousands of years of childrearing practices! A worldwide recognized co-sleeping authority wants parents to know that their babies are dramatically safer and healthier when put to bed in a safe, family sleeping environment. Walking readers through the important steps to creating a safe family bed, this book provides the latest information on the scientific benefits of co-sleeping.

*Protecting Youth Against Social Media and Internet Temptations* Sep 01 2020 Youth today are constantly on their smartphones, tablets, Chromebooks or other screen-based devices. There are over 50 apps that youth can use to communicate with others. This book gives the reader an overview with recommendations on how to protect their youth while they are on the Internet. From recommendations on home use, school use and what the popular apps their youth are using today. After reading this book parents will feel empowered that they will have the tools and resources needed to ensure a safe Internet environment for their youth.

The First-Time Parent's Guide to Potty Training Mar 20 2022 Potty train your child confidently, quickly, and successfully--even as a first-time parent! Are you nervous about potty training? Worried that you don't know enough to see it through to the end? Concerned that you don't have enough time to devote to it? This positive, practical, easy-to-follow guide is here to help. By approaching potty training with a proven program, first-time tips and tricks, the right tools, and a confident mindset, you can cross dirty diapers off

your endless to-do list and celebrate your child's transition to the toilet. Here's everything you need to know to get your child out of diapers once and for all! **The First-Time Parent's Guide to Potty Training** features: • An easy, step-by-step, 3-day program for ditching diapers, including nap and nighttime training, day care strategies, and on-the-go potty training • Troubleshooting advice for accidents, backsliding, temper tantrums, and more • Guidance for your child if they're anxious, willful, or simply reluctant You can potty train your child, and this book will guide you and cheer you on every step of the way.

**The Conscious Parent's Guide to Coparenting** Mar 27 2020 A positive, mindful plan for children and parents in transition! If you're facing the challenge of raising children in two homes, you may be feeling overwhelmed and unsure of how to build a healthy coparenting relationship. With **The Conscious Parent's Guide to Coparenting**, you'll learn how to take a relationship-centered approach to parenting, foster forgiveness, and find constructive ways to move on when relationships change. Coparenting means putting your child's needs first. And conscious parenting acknowledges a child's thoughts, feelings, and needs, as well as a parent's responsibility to them. This easy-to-use handbook helps you to: Build a coparenting relationship based on mutual respect Lower stress levels for the entire family Communicate openly with children about divorce Discuss and reach parenting decisions together Protect children, meet their needs, and help them build resilience Educate your family and friends about coparenting The concept of ending a marriage peacefully, with compassion and respect for former partners, is often viewed with surprise in modern society. But choosing to consciously coparent is an important choice you can make for yourself and your children--one that will benefit the emotional health of your family for years to come.

**The Parent's Guide to Play** Feb 25 2020 This text features over 170 fun and educational activities for children from birth to three years old. It is divided into two sections - baby play and toddler play. Each section contains age-appropriate games, songs and exercises for mind and body.

**Nerdy Parent's Guide to Raising a Nerdy Child** May 22 2022 Once upon a time, you were a nerdy child, and now that you're a parent, let's make sure your kid can be a nerdy child too! In a world filled with superheroes, wizards, spaceships, and magical telephone booths, everyone should be part of a fandom, and you can never start too early. This is for the parents who want to share their fantastical interest with their children in hopes that they too will grow up to become little nerds.

**The Baffled Parent's Guide to Coaching Youth Soccer** Sep 25 2022 Written by soccer great and championship Stanford coach Bobby Clark, **COACHING YOUTH SOCCER: THE BAFFLED PARENT'S GUIDE** tells you how, starting at point zero, an uninitiated coach can meld kids into a team and help them enjoy one of the most rewarding experiences of their youth. (In the end, you may be the one who reaps the biggest reward, as you watch kids learn and grow in an experience they'll treasure for a lifetime.)

**The Conscious Parent's Guide to Raising Boys** Jun 22 2022 The tools you need to foster a positive, supportive relationship with your son! Concerns about self-esteem, peer pressure, and behavior can make raising healthy, happy boys seem overwhelming--but it doesn't have to be. With the help of **The Conscious Parent's Guide to Raising Boys**, you can encourage open communication with your son. With patience and everyday mindfulness, you can guide your boys from childhood through those challenging developmental years. This easy-to-use guide explains how you can help your son: Communicate effectively with others Strengthen self-image and resist peer pressure Define and exhibit acceptable behavior Keep their commitments to family, community, and themselves Family therapist Jennifer Costa provides you with the information and support you need for parenting with flexibility, resilience, and love so you can create a calm, happy environment for raising well-adjusted, confident boys.

**The Everything Parent's Guide to Raising a Successful Child** Sep 13 2021 As parents struggle with these questions on a daily basis, **The Everything Parent's Guide to Raising a Successful Child** helps put their fears to rest, providing them with professional, reassuring advice on how to raise a "successful" child according to their own standards. **The Everything Parent's Guide to Raising a Successful Child** walks parents through all emotional, intellectual, and physical aspects of development. It's the first step in establishing realistic expectations, setting boundaries, and helping shape the mind of a responsible, well-rounded, happy young

adult.

**The Ordinary Parent's Guide to Teaching Reading** Apr 01 2023 A plain-English guide to teaching phonics. Every parent can teach reading—no experts need apply! Too many parents watch their children struggle with early reading skills—and don't know how to help. Phonics programs are too often complicated, overpriced, gimmicky, and filled with obscure educationalese. **The Ordinary Parent's Guide to Teaching Reading** cuts through the confusion, giving parents a simple, direct, scripted guide to teaching reading—from short vowels through supercalifragilisticexpialidocious. This one book supplies parents with all the tools they need. Over the years of her teaching career, Jessie Wise has seen good reading instruction fall prey to trendy philosophies and political infighting. Now she has teamed with dynamic coauthor Sara Buffington to supply parents with a clear, direct phonics program—a program that gives them the know-how and confidence to take matters into their own hands.

**The Art of Advocacy** Dec 17 2021 Bringing Cookies to IEP Meetings Will Only Get You So Far! You've gone to IEP workshop after IEP workshop, searched for answers at conferences, done late night research on the internet, and yet you still have those guilty feelings that you're not doing a good enough job advocating for your child. It takes more than gathering records, giving factual information or reciting research and the law to be a successful advocate for your child. With clarity, honesty, and insights Charmaine Thaner shares how to be a more effective advocate for your own child. After reading **The Art of Advocacy: A Parent's Guide to a Collaborative IEP Process**, parents will know: \* that certain finesse that is necessary when dealing with disagreements \* how asking the right question will get you the right answer \* the secrets to creative problem solving when the team has hit a roadblock Readers will also receive priceless bonuses: \* a template for writing effective emails \* lists of clarifying and probing questions to ask \* step-by-step ways to creatively solve problems, and much more Charmaine gives examples of actual conversations and real scenarios to help you learn what to do and what not to do at special education meetings. Chapters include: 1) Conflict and Collaborative Advocacy; 2) How to Listen And Ask Questions With Genuine Curiosity; 3) How to Listen With Your Eyes; 4) Know What to Say When; 5) Building Authentic Relationships; 6) How to Use Collaborative Problem Solving; 7) The End is Really The Beginning. Each chapter is written so busy parents can get to the point quickly. When parents combine the art of advocacy with a collaborative way of solving problems there will be: \* a positive difference in the tone of meetings \* parent voices that are heard and understood, and \* happier, safer, and more successful students in schools Read this book, practice what you'll learn, and gain the confidence to become an even more effective advocate for your child! Parents that have worked with Charmaine know her insights and strategies are invaluable when advocating for children with any type of disability.

**A Parent's Guide to Divorce** Aug 25 2022 From creating a parenting plan to navigating the post-divorce world, this child-centered reference teaches parents what to say and do to guide their children--toddlers to young adults--through a divorce, offering proactive solutions to make the child a priority as readers successfully transition to co-parenting.

**Parent's Guide to MNRI®- Second Edition** Mar 08 2021 Introduction to MNRI with exercises for the patterning of 25 Reflexes.

**Getting to 30** Oct 27 2022 “This is the book parents have been waiting for”—Michael Thompson, coauthor of **Raising Cain**. The book that is “helpful, hopeful, and engaging”—Jeanne Brooks-Gunn, Ph.D., Columbia University. It is the book that addresses the new reality for parents of kids in their 20s and the issues that everyone in the media is talking about: When will this new generation of 20-somethings leave home, find love, start a career, settle down—grow up? And it's the book that will soothe your nerves. It's loaded with information about what to expect and guidance on what to do when problems arise (as they probably will). In other words, this is the book parents need—**Getting to 30**, by Jeffrey Jensen Arnett, the world's leading authority on the post-adolescent phase he named emerging adulthood, and Elizabeth Fishel, author of **Sisters** and other books. As **Getting to 30** shows, the road to adulthood is longer than we think—and, for parents, bumpier. It explains what's really happening to your 18- to 29-year-old, including the story behind your child's moods. The phenomenon of the boomerang child—and why it's actually a good thing, for parents and kids. The new landscape of 20-something romance. And it gives all the tools parents need to deal with the challenges, from six ways to listen more than you talk, to knowing when to open (and close)

the Bank of Mom and Dad while saving for retirement, to figuring out the protocol for social media. Published in hardcover as *When Will My Grown-Up Kid Grow Up?*, *Getting to 30* includes the latest research on the optimistic and supportive attitude most parents have regarding their 20-something children.

*The Parent's Guide to Birdnesting* Jan 30 2023 Take coparenting to the next level and provide a stable environment for your children as you and your spouse begin tackling your separation or divorce. For parents who are separating and want to put their children first, birdnesting could be the interim custody solution you've been looking for. Instead of the children splitting their time being shuttled between mom and dad's separate homes, birdnesting allows the children to stay in the "nest" and instead, requires mom and dad to swap, allowing each parent to stay elsewhere when not with the children. Initially popularized by celebrities, this method of coparenting is now becoming more mainstream as a way to help ease children into a new family dynamic. Birdnesting takes work and commitment but with Dr. Ann Gold Buscho's guidance, you'll learn everything you need to know about this revolutionary method. In *The Parent's Guide to Birdnesting*, you will discover the pros and cons, the financial and interpersonal considerations, and if it's the right decision for you and your family.

*Education Begins at Birth* Feb 16 2022 From birth to age six, children have an extraordinary capacity to learn. *EDUCATION BEGINS AT BIRTH* offers advice to parents on how to maximize potential and raise smart kids. If you are a parent of an infant, toddler, or preschooler, this is the perfect book to help you foster your little one's intellectual, physical, emotional, and social development. It includes essential tips, strategies, and practical things you can do to: (1) create early educational experiences in your home; (2) encourage discovery through play and investigation; (3) nurture a life-long learner; (4) establish an environment that values growth; and (5) inspire curiosity and creativity. Dr. Jeff and Annie Wiesman teach parents how to create a language-rich environment where young children learn beginning concepts in math, science, literacy, social studies, and the arts. They include a wide variety of engaging activities and a detailed description of what you should teach at different developmental stages. Connect the principles in this guide with the teachable moments that occur in everyday life and you will help your kids develop essential skills for success in school and beyond.

**A Parent's Guide to TikTok** May 29 2020 Imagine gaining international fame by lip-syncing or dancing to your favorite songs. TikTok's short video format allows users to create and watch content ranging from ridiculous and fun to graphic or even dangerous. Dive into this entertaining app and learn: How it works How to create an account How to set up parental controls How to teach teens to use it wisely Plus, enjoy a list of discussion questions to foster conversation before and after your teen downloads the app. Axis is a team of Gospel-focused researchers creating culturally relevant guides, videos, and audios that equip parents of teens to have deep conversations about faith.

*In The Black* Dec 05 2020 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

**A Parent's Guide to Managing Childhood Grief** Feb 28 2023 Help your child navigate feelings of sadness and loss with 100 unique, activity-based approaches that help them manage their childhood grief in a healthy and constructive way. The loss of a loved one is a complex, confusing experience for a child to understand. Children may struggle to express, process, and manage their complicated and conflicting feelings, whether the loss is a parent, grandparent, sibling, or even a pet. So, what should you do to help your child process their sadness, loss, and frustration in a more healthy, positive way? In *A Parent's Guide to Managing Grief*, you'll learn everything you need to know about how children grieve and what you can do to support them during their most difficult moments. From there, you'll find 100 activities that you can use in a group setting, activities that you (or another caregiver) can do alone with your child, and ways to make the most of virtual interactions to support a grieving child. Explore activities like: -Making a scream box -Playing with clay -Feelings charades game -Making a memory bracelet -And many more! It can feel difficult to connect with your child as you process your own complicated emotions surrounding loss. Use these activities to help bridge the gap between you and your child and to help you both find comfort in a difficult situation. You'll find all the tools you need to help your child (and even yourself) healthily process your grief and move towards happiness, understanding, and acceptance together.

*Picky Parent Guide : Choose Your Child's School with Confidence* Apr 20 2022 A comprehensive manual

and reference guide for choosing the best elementary school for your child to attend.

**A Parent's Guide to Video Games** Aug 01 2020 Over the last forty years, video games have transformed from a niche market to a multibillion-dollar industry. No longer limited to arcade parlors, video games are everywhere and are accessible at any time. Along with the popularization of video games has come a growing concern about their ability to transform those who play them into antisocial killing machines who are desensitized to violence, have no friends, and will forever live in their parents' basements. But are these fears based in reality? Over the last twenty years, psychologists, sociologists, and media scholars have been working hard to answer these questions. Until now, their findings have largely remained insulated within scientific circles and inaccessible to the general public. *A Parent's Guide to Video Games* breaks the long-standing barriers between science and society by providing the first comprehensive guide to the science behind the headlines. Drawing from the most recent research in the field of game studies, *A Parent's Guide to Video Games* was developed specifically to help parents better understand if, how, and why video game play can impact a child's physical, social, and psychological well-being. This includes addressing questions such as these: Will playing violent video games make my child more aggressive and more likely to commit violent crime? Is video game addiction real? If so, how do I know if my child is addicted to video games? Will video game play worsen the symptoms of attention deficit disorder (ADD)? Answers to these questions and many more are discussed inside. Armed with accurate and up-to-date scientific information, parents will begin to understand the science behind the headlines and be able to make more informed decisions for themselves and their families.

**A Parent's Guide to Prayer** Dec 25 2019 Introduction -- What good is prayer? -- Getting down to basics -- The where of prayer -- The rhythm of prayer -- When it's hard to pray -- Staying spiritually fit -- Staying power -- Resources for prayer.

*A Parent's Guide to Gifted Children* Jun 30 2020 Practical guidance in key areas of concern for parents, such as peer relations, siblings, motivation and underachievement, discipline, intensity and stress, depression, education planning, and finding professional help.

*A Parent's Guide to The Science of Learning* May 10 2021 Supporting parents in the quest to help their children learn as effectively and efficiently as possible, *A Parent's Guide to The Science of Learning* translates 77 of the most important and influential studies on student learning into easily digestible overviews. This book will develop parents' understanding of crucial psychological research so that they can help their children improve how they think, feel and behave in school (and, indeed, in life). Each overview summarises the key findings from the research and offers tips, hints and strategies for how you can use them in your home. Covering important areas such as memory, motivation, thinking biases and parental attitudes, this book makes complicated research simple, accessible and practical. From large- to small-scale studies, from the quirky to the iconic, this book breaks down key research to provide parents with the need-to-know facts. Essentially, it is a one-stop shop that offers guidance on how to parent even better. *A Parent's Guide to The Science of Learning* answers the sort of questions that every parent wants to know but doesn't know where to find the answers. This includes the small, everyday questions through to the big, life-changing ones. Some of the questions answered in this book include: How much sleep does your child need? Should I actually help them with their homework? Why does my child forget what they have just learnt? How much screen time is too much? What can I do to help them do better at school? Is it really that important that we all eat meals together? How can I help my child learn to better manage their emotions? How can I encourage them to be a better independent learner? A hugely accessible resource, this unique book will provide parents with the knowledge they need to best support their children's learning and development.

*The Everything Parent's Guide to Common Core ELA, Grades K-5* Nov 03 2020 "A guide for parents hoping to prepare their children for the Common Core English Language requirements. Intended to help children in grads K-5"--

*A Parent's Guide to Children's Reading* Apr 28 2020

**Parent's Guide to the Christian College** Nov 15 2021 A handbook for parents sending their kids off to Christian colleges and universities, offering insight into the academic and spiritual landscape that students enter and that parents need to understand. Every year, tens of thousands of parents send their children off

to Christian colleges and universities, investing in the professional and spiritual growth that such institutions offer. But what happens next? A Parent's Guide to the Christian College gives answers to parents who want to know just where they're sending their children and their money. Other guides for parents of college students give information on the secular college experience, but this book provides important insight into the more comprehensive world of Christian education. Challenging parents to reconsider their understandings of what it means to be a more fully developed person in light of Christian faith, this book takes a theological approach that celebrates the presence of parents in the lives of their daughters and sons while exploring what that presence should look like during the transition to adulthood. Parents and students alike will benefit from A Parent's Guide to the Christian College, which is designed to help parents more effectively support their children and understand the Christian college's unique role in nurturing holistic and transformational education.

*A Parent's Guide to Mandarin Immersion* Jan 24 2020 Whether you're a preschool parent looking towards elementary school or a long-time Mandarin immersion family, this book will help explain how Mandarin immersion programs work and what you can expect from them. A Mandarin immersion parent herself, Elizabeth Weise gives families the background they need to make the most of the tremendous educational opportunity immersion represents. What the experts are saying: "Weise combines journalistic writing talents with a longstanding interest in Chinese language learning to offer current and prospective parents an engaging and informative guide to Mandarin immersion education in the U.S. This handbook serves as an excellent resource- chock full of news and information about how to get the most from your child's Mandarin immersion experience." Dr. Tara W. Fortune, Director, Immersion Projects, Center for Advanced Research on Language Acquisition, University of Minnesota "If you'd like to understand the dynamics of Chinese immersion education, look no further. Beth Weise is a prescient and astute guide through this often confusing and misunderstood world. Her book is required reading for parents, administrators, and practitioners-a major contribution to the field." Chris Livaccari, Chinese Program Director, International School of the Peninsula, Palo Alto, California "This book addresses issues of concern not only to parents but anyone involved in Chinese language education. It provides amazingly complete information and statistics about Chinese immersion programs. Painfully honest, it tells us about school and school district politics surrounding the implementation of these programs. Weise's insights make it a must-have guidebook for anyone interested in Chinese immersion." Dr. Christy Lao, Professor of Education and expert on second language acquisition at San Francisco State University, California Chapters include: A history of language immersion How Mandarin immersion works Immersion and your child's academic career Being bilingual is better Do they learn English? How much Chinese will they learn? Why schools choose Mandarin immersion Tips from parents Parent, student and school profiles

**Getting to 30** Aug 13 2021 "This is the book parents have been waiting for"—Michael Thompson, coauthor of *Raising Cain*. The book that is "helpful, hopeful, and engaging"—Jeanne Brooks-Gunn, Ph.D., Columbia University. It is the book that addresses the new reality for parents of kids in their 20s and the issues that everyone in the media is talking about: When will this new generation of 20-somethings leave home, find love, start a career, settle down—grow up?
