Viva! for National 5 has been expertly developed to help students achieve their potential in National 5 Spanish. Viva! for National 5 Spanish helps to develop listening, speaking, reading and writing skills and includes translation, understanding authentic and literary texts and spontaneous speaking. Cultural content and a focus on 'learning something new' help to give students a sense of purpose and bring language learning to life. A 'building-blocks' approach to language and grammar helps students to use language independently across different contexts. Audio files to accompany our Student Books are sold separately. This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2021. Strengthen language skills and cultural awareness with a differentiated approach that offers comprehensive coverage of the

revised Cambridge IGCSE™ Spanish (0530/7160) syllabuses for first examination from 2021. - Develop the cultural awareness at the heart of the syllabus with engaging stimulus material and questions from around the world which will encourage a positive attitude towards other cultures - Progress the ability to use the language effectively with activities developing all four key skills, supported by teacher notes and answers in the teacher guide - Stretch and challenge students to achieve their best, whilst supporting all abilities with differentiated content throughout - Ensure the progression required for further study at A-level or equivalent - Help to prepare for the examination with exam-style questions throughout Audio is available via the Student eTextbook, Teaching & Learning Resources or the Online Teacher Guide. Also available in the series Grammar Workbook ISBN: 9781510448070 Vocabulary Workbook ISBN: 9781510448094 Study and Revision Guide ISBN: 9781510448100 Student eTextbook ISBN: 9781510448711 Whiteboard eTextbook ISBN: 9781510448506 Online Teacher Guide ISBN: 9781510448568 Teaching and Learning Resources ISBN: 9781510448520 The author casts new light not only on the short lived educational revolution of the sixteenth century but on education in other societies, both past and present. This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2 Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. Topics on German-speaking cultures are integrated throughout to ensure students gain the cultural awareness that is at the heart of this qualification. - Develop students' ability to use German effectively - Stretch and challenge students to achieve their best grades - Ensure the progression required for further study at A-level or equivalent - Provide insight and encourage a positive attitude towards other cultures The book provides up-to-date content following a clear sequencing of topics designed specifically for teaching German at this level. It is designed to develop spontaneous, confident linguists who are able to progress to further study of German. - Teacher Resource + Audio-CDs (ISBN 9781471833076) includes all recordings and transcripts together with detailed guidance, editable vocabulary lists, cultural PowerPoints and interactive quizzes - Grammar Workbook (ISBN 9781471833182) Vocabulary is also available online at Vocab Express, an interactive learning application Visit www.vocabexpress.co.uk/hodder for more information. Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings. Conéctate sparks the curiosity

that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program's distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate's reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate's stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver

precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook. These books provide extra cumulative practice on basic facts, computation, word problems, mental math, and estimation skills. To be used with Grade 3 Skills Link Spanish Teacher Edition © 2009 (0-07-622521-6) Now the most effective Spanish-English reference is just a click away! For use on your: iPod • iPhone • Zune At school, at home, or on the go, this beginner's dictionary gives you what you need quickly and easily. With each entry, you will hear the word in Spanish and in English, with pauses so you can perfect your pronunciation. McGraw-Hill's Spanish Student Dictionary for Your iPod also lets you personalize your learning experience in three ways: Quick look-up See and hear 4,000 Spanish to English, English to Spanish entries (some with illustration!). Essential Vocabulary Master 800 basic words grouped by 30 common themes. Customized Learning Using the iPod playlist feature, you can create your own list of troublesome words, terms to study for next week's exam--the possibilities are endless! The artwork in this product may cause functionality issues with certain iPod models. We recommend that if you are running McGraw-Hill's Student Dictionary on an iPod Nano (3G) you should install only one version of the dictionary (e.g., only Spanish-English but not English-Spanish). Please refer to the accompanying booklet for detailed installation instructions. The words you need, quickly and easily Especially designed for beginning learners, this dictionary will help you master the essential words of Spanish. Inside you'll find entries that include pronunciations and grammatical information in a clear, easy-to-understand format, as well as helpful example sentences to show each word in everyday context. Our bestselling AQA GCSE Spanish course has been updated for the 2016 specification. This course offers brand new content, helping to develop the productive skills students need to manipulate language confidently and to prepare thoroughly for their exam. Its differentiated approach supports your mixed-ability classes, facilitating co-teaching. This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2 Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. level. It is designed to develop spontaneous, confident linguists who are able to progress to further study of German. - Teacher Resource + Audio-CDs (ISBN 9781471833076) includes all recordings and transcripts together with detailed guidance, editable vocabulary lists, cultural PowerPoints and interactive quizzes - Grammar Workbook (ISBN 9781471833182) Vocabulary is also available online at Vocab Express, an interactive learning application Visit www.vocabexpress.co.uk/hodder for more information. Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a *Listo* page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021. ¡Avance!: Intermediate Spanish is an exciting program for second-year students of Spanish. In response to requests from many users of the highly acclaimed *Pasajes* series, McGraw-Hill is pleased to publish the Second Edition of this single volume version, which distills the very best of *Pasajes: Lengua, Cultura, and Literatura*. The result is a comprehensive yet manageable program that enriches students' language foundation in thematic

vocabulary and grammatical structures with a broad selection of literary and cultural readings. The overall goal of ¡Avance! is the development of functional, communicative language ability, accomplished through reinforcement, expansion, and synthesis. Contextualized activities that review language and foster skill development provide the core of ¡Avance! At the same time, the growing interest in cultural competence coupled with the desire to introduce students to literature at the intermediate level motivates the inclusion of cultural and literary texts in alternate chapters. As a result, ¡Avance! meets the professional demand that instructional materials be not merely contextualized but also content-rich and interesting to today's students. This book will help you learn the new words of *Mass* and how you take part of *Mass*. Now there is a Spanish program suited to the energy, developmental level, and fun-loving nature of your primary (K-3rd) students! *Song School Spanish* is patterned after our best-selling *Song School Latin* curriculum and features thirty weekly lessons peppered with songs, enjoyable vocabulary, illustrations, handwriting practice, stories, games, and activities. A small amount of grammar is introduced mildly throughout the book, with the focus on relevant, everyday vocabulary to engage young students. Each book contains a lively musical CD featuring forty-two songs/chants - a delightful part of the program that reinforces the Spanish taught in the book. Students who learn from *Song School Spanish* will be more than prepared to continue their studies with the *Spanish for Children* series. Grade level: Kindergarten through 3rd grade Accompanying childrens music CD (42 songs) bound in to each student text Interactive workbook text with lots of activities 30 weekly lessons including review chapters 100+ everyday vocabulary words Gentle introduction to Spanish grammar The *Song School Spanish Teachers Edition* is sold separately and includes the entire *Song School Spanish* student text as well as answer keys, teachers tips, and fun ideas for interactive classroom activities. It also includes over forty pages (plus answer keys) of additional activities and worksheets for advanced students or those who simply want more Spanish study. Classical Academic Press Educators will find all curricula by Classical Academic Press to be created with four important attributes. Each product is classical, creative, relevant, and easy to use. As our company name implies, you will find that we publish classical books and media, seeking to acquaint students with the best that has been thought and said. We also design and present our products with creativity and zest, from beautiful illustrations to engaging storytelling, ensuring that the classical subjects being taught are anything but boring. Step-by-step, Blaine Ray shows you how to tell a story with physical actions. Next, your students tell the story to each other in their own words using the target language. They then act it out, write it and read it. Each Student Book for Level 1 comes in your choice of English, Spanish, French or German and has 12 main stories 24 additional action-packed picture stories Many options for retelling each story Reading and writing exercises galore. Blaine personally guarantees that each of your students will eagerly tell stories in the target language by using the Student Book." This dual-

language text provides theory and methodology for teaching reading in Spanish to Spanish/English bilingual or Spanish-dominant students. The goal is to help educators teach these students the skills necessary to become proficient readers and, thus, successful in the school system. At the very core of the book are the hispano-parlantes--the Spanish-speaking children--who bring to the schools, along with their native language and cultures, a wealth of resources that must be tapped and to whom all educators have a responsibility to respond. True to the concepts of developing bilingual educators to serve bilingual students, the text presents chapters in English and Spanish. Each chapter is written in only one language at the preference of the author. Thus, to be successful with this book, the reader must be bilingual. Themes emphasized in the text include current reading methodologies, the concept of reading as developmental literacy skills, reading in the content areas, new views of the development of proficiency in the second language, issues related to students with special learning needs, assessment, and the uses of technology in the delivery of instruction. Never losing sight of its goal--to teach reading in Spanish to bilingual or Spanish-dominant students--the book includes a series of focusing questions and follow-up activities; these are not simply translations of existing activities, strategies, and techniques intended for monolingual English students, but specifically designed to be appropriate for Spanish-speaking students. Directed to university preservice and in-service instructors of reading and bilingual education as well as administrators and district- and school-level staff developers who work with Hispanic populations, the book is sensitive at all times to nuances of the languages and cultures of the intended audiences. This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2021. Strengthen language skills and cultural awareness with a differentiated approach that offers comprehensive coverage of the revised Cambridge IGCSE(tm) Spanish (0530/7160) syllabuses for first examination from 2021. - Develop the cultural awareness at the heart of the syllabus with engaging stimulus material and questions from around the world which will encourage a positive attitude towards other cultures - Progress the ability to use the language effectively with activities developing all four key skills, supported by teacher notes and answers in the teacher guide - Stretch and challenge students to achieve their best, whilst supporting all abilities with differentiated content throughout - Ensure the progression required for further study at A-level or equivalent - Help to prepare for the examination with exam-style questions throughout Also available in the series Grammar Workbook ISBN: 9781510448070 Vocabulary Workbook ISBN: 9781510448094 Study and Revision Guide ISBN: 9781510448100 Student eTextbook ISBN: 9781510448711 Whiteboard eTextbook ISBN: 9781510448506 Online Teacher Guide ISBN: 9781510448568 Teaching and Learning Resources ISBN: 9781510448520 Includes: Spanish Print Student Edition This set provides the Spanish consumable Student Edition, Volume 1, which contains everything students need to build conceptual understanding, application, and procedural skill and fluency with math content

organized to address CCSS. Students engage in learning with write-in text on vocabulary support and homework pages, and real-world problem-solving investigations. With Olga Gallego and Concepción Godev's Más allá de las palabras, you can help students move "beyond words," so they can fully experience the Spanish language—from the practical language knowledge needed to carry out daily tasks to a more meaningful understanding of Hispanic cultures. This content-rich, culture-based intermediate Spanish text provides a smooth transition between first-year and second-year Spanish texts. The text's highly effective integration of language skills instruction and content, coupled with the application of technology, fully meets the five standards defined by the National Standards in Foreign Language Education Project. The result is a text that helps students elevate their reading and writing skills, so they can handle expository texts on cultural issues. With three different options, Más allá de las palabras gives you a flexible, complete, and fully integrated solution that will meet your course needs. Más allá Intermediate Spanish meets intermediate low/mid needs, while Más allá Mastering Intermediate Spanish is designed for intermediate mid/high needs. The Combined Version may be used to teach third- and fourth-semester Spanish.
