The Power of Empowering Others Leadership isn't easy. It takes grit, courage, and vision, among other things, that can be hard to come by on your toughest days. When leaders and aspiring leaders seek out advice, they're often told to try harder. Dig deeper. Look in the mirror and own your natural-born strengths and fix any real or perceived career-limiting deficiencies. Frances Frei and Anne Morriss offer a

different worldview. They argue that this popular leadership advice glosses over the most important thing you do as a leader: build others up. Leadership isn't about you. It's about how effective you are at empowering other people—and making sure this impact endures even in your absence. As Frei and Morriss show through inspiring stories from ancient Rome to present-day Silicon Valley, the origins of great leadership are found, paradoxically, not in worrying about your own status and advancement, but in the unrelenting focus on other people's potential. *Unleashed* provides radical advice for the practice of leadership today. Showing how the boldest, most effective leaders use a special combination of trust, love, and belonging to create an environment in which other people can excel, Frei and Morriss offer practical, battle-tested tools—based on their work with companies such as Uber, Riot Games, WeWork, and others—along with interviews and stories from their own personal experience, to make these ideas come alive. This book is your indispensable guide for unleashing greatness in other people . . . and, ultimately, in yourself. To learn more, please visit theleadersguide.com. Ever had ex-housemates you can't get rid of? When Killian and the rest of the Drake vampires kicked me out of their mansion without any explanation, I felt beyond betrayed? I was livid! But I refused to waste my energy thinking about them. Thanks to all the free training I got while living with vampires, I had the skills I needed to finally free my family. I even got my house back! Best yet, I can pass on the magic techniques and fighting skills I've learned to all the wizards in our group. As long as I ignore the rotating vampires standing watch on the corner across the street, life is normal again? until the fae risk injuring hundreds of supernaturals just to stage a surprise attack on Killian. There's no way I'm going to let the fae get away with this. I may be furious with Killian, but I hate bullies even more. But, big surprise, my good deed won't go unpunished. I knew I'd face a fallout for saving the most feared and lethal vampire in the Midwest—I just never imaged the lengths Killian would go through to protect me and win me back? The .NET Framework provides a run time environment called the Common Language Runtime, which manages the execution of code and provides services that make the development process easier. The Common Language Runtime (CLR) provides a solid foundation for developers to build various types of applications. Whether a developer is writing an ASP.NET application, a Windows Forms application, a Web Service, a mobile code application, a distributed application, or an application that combines several of these application models, the CLR provides the huge benefits of simplified development and the integration of code written in various languages for application developers. This book is a high-end comprehensive reference to the

capability of the CLR. The samples in the book have been written so that they not only illustrate a principle but give the reader a springboard to quickly translate the sample to practical applications. While Microsoft has done a good job of providing volumes of documentation on the CLR and the .NET Framework, there is still a large gap in practical implementation of these principles.; After reading this book, readers will be able to significantly increase their productivity by comfortably using the power and expressiveness of the Common Language Runtime for their applications. This book will take the reader beyond studying the syntax of C# to using and understanding the CLR to build secure, maintainable, and performant applications. Beloved author David Rosenfelt consistently charms readers with his clever, humorous mystery series featuring reluctant attorney Andy Carpenter and his faithful gold retriever, Tara. Here together for the first time in a fabulous eBook bundle are three of Rosenfelt's popular Andy Carpenter novels: ONE DOG NIGHT Five years ago, Matt Starks' drug addiction cost him everything, and he brought the golden retriever puppy he'd rescued, Tara, to a shelter, where defense lawyer Andy Carpenter adopted her. Now Matt has turned his life around-until charges of murder are brought against him. Is there anything Andy can do to save the man who saved Tara? LEADER OF THE PACK Andy has always known that Joey Desimone, a man convicted of murder years ago, was innocent. While there isn't much Andy can do for Joey while he serves his sentence, he can take his dog to visit Joey's senile uncle, who might hold the key to Joey's freedom after all this time. UNLEASHED Andy's accountant, Sam Willis, is stunned to receive a phone call from his high school friend Barry Price, pleading for Sam's financial help and Andy's legal expertise. But before Sam can make it to Barry's home, Barry's already taken off on a private airplane. Then they learn that Barry's plane has crashed, and Sam was also supposed to have been killed on that plane. You're a Christian, now what? God not only saved you from something, but for something. Pastor Eric Mason is passionate about helping Christians unleash the transformative power of God in their lives as they learn to be faithful disciples of Jesus. Being conformed to the image of Christ is a lifelong journey for every Christian. Mason understands that spiritual transformation doesn't occur overnight. Unleashed outlines the process of spiritual growth from the first moments of faith to the last. Readers discover their potential in Christ in an age that is so often marked by suffering, grief, and defeat. Join countless others who are learning what it means to unleash God's power in their lives. What can the church today learn from the experience of the early church, particularly as recorded in the Book of Acts? Journeys inside Windows Vista to explain how to get the most out of the operating system, discussing its key

components and features and discusses installation, multimedia applications, networking, Web integration, Internet Explorer 7, and other essential topics. Genesis 1 opens with, "In the beginning, God" All life starts with Him. He wants total access to our souls, to dwell near us, to meet with us. And until we come face-to-face with Him, we can't experience a saving relationship with the Lord. Once we gaze upon Jesus, we will automatically stop, drop, and shine—bringing the light to others, as Paul says in Philippians 2:15. As believers become readers of the Word of God, the Bible, they also become bringers of the light of Christ in their daily lives. Are you ready to get fire-hosed with living

water? As that water washes your heart, the world will see you shining like the stars in the universe. Steeped in Scripture, overflowing with life application, and written with passion, Word-Reader, Light-Bringer will challenge Christ-followers to seize the power that comes to them through the Holy Spirit and shine the light of Christ to a watching world. Collecting Avengers (2016) #7-11. Doctor Doom: Avenger?! The impossible is real! Doom has turned to the light side in a fresh suit of armor as the Infamous Iron Man. And now he is about to take Shell-Head's place in the Avengers -or, to hear Victor tell it, they're joining him! But how will Earth's Mightiest Heroes react to one of its greatest villains joining their ranks? Collects Avengers (2016) #1-6. The time has come! Their ranks shattered by CIVIL WAR II, their spirits weighted down by a toll both personal and spiritual, Earth's Mightiest Heroes must find the resolve to stand united one final time against their greatest foe! The Avengers will assemble once more: Captain America! Thor! Vision! Wasp! Spider-Man! Hercules! But when the dust settles, will any of these valiant warriors make it out alive from an all-out war with Kang the Conqueror?! And when the Vision sets out hell-bent on revenge against Kang, all of history will be in jeopardy if the Avengers can't stop the synthezoid! The Firewall of Time will be shattered — and it will fall to the Avengers to stop the dangers it held back! When war after war ends, not everything — or everyone — will be the same! The Back Nine is the place on a golf course where we make the turn back to the clubhouse. It's a place of transition where we can apply what we learned and experienced on the Front Nine to finish strong on those inward nine holes. Business and life are no different. In Back Nine Walking: A Guide to Living Life Unleashed, Dan Weedin discusses the important topics all of us experience in the second half of our lives. These issues affect how we run our businesses, success and rewards we experience in our professional careers, and how we enrich our personal lives. Dan shares personal stories from both his career and personal life to illustrate how mindset, health, resilience, and relationships all shape how we can unleash our own best potential and most enjoy our lives. Katelyn McBride's life changed in an instant when her mother died. Now she has to start over in Wolf Springs, Arkansas—a tiny village in the Ozark Mountains. Like any small town, Wolf Springs has its secrets. But the secrets hidden here are more sinister than Katelyn could ever imagine. It's a town with a history that reaches back centuries, spans continents, and conceals terrifying truths. It's a town full of werewolves. When you're the boss, a romance with your biggest client is out of the question. Right? Max I'm determined to grow my landscape design business fast. It's the only way to save the home that's been in our family for generations. So when I land my

biggest client ever, the new inn with a huge property, I know better than to get involved with the sexy owner. Besides, Brooke Winters is engaged, and I can't risk stirring up drama in the small community I depend on for my business. Brooke Have you ever had such bad luck with guys that you start wearing your sister's old engagement ring as an anti-man shield? Just me? Anyway, it's working and good thing too. I can't afford a distraction when I'm the lead architect for the old farmhouse my sister and I plan to turn into an inn. Everything's on the line, including our life savings. We have to open on time, or we'll lose our shirts. Only I didn't count on a gorgeous landscaper brightening every chaotic day with his distracting warm smile. Even my dog is in love with Max. I'm made of sterner stuff. Until I impulsively kiss him and— Fireworks. I didn't know they were a real thing. Now I'm navigating a slippery slope, desperately trying to put up professional boundaries while keeping our renovation project on schedule. This will either go down in a blaze of glory or a blazing hot mess. This romantic comedy stands alone with a swoonworthy happy-ever-after! No cliffhangers. A surprise road trip with her best friend's brother! Jenna After accidentally dinging a brand-new car, I'm suddenly face-to-face with an angry alpha male. And the sparks are flying. Wait. Eli Robinson? How's it possible the irritating younger brother of my best friend has morphed into this gorgeous swaggering man? I can't let myself be tempted. Eli is off-limits. My best friend, his sister who helped raise him, makes sure I know it. Except the more I get to know him, the more difficult it is to stay away. This can only end badly. No relationship is worth losing my best friend. And then he kidnaps me. Eli Once upon a time, Jenna Larsen was my teenaged dream girl, and I mean that in the dirtiest way possible. Now that we're adults, I discovered she's even better than I dreamed. So I take her on a surprise trip to get away from judging eyes. An extended date of sorts. Fine. I kidnapped her. I only hope she stops being mad long enough to give us a chance. This romantic comedy stands alone with a swoonworthy happy-ever-after! No cliffhangers.

Nat Langley had been in love with both of her husbands, Jake Langley and Hoyt Campbell for most of her adult life. But life had separated Hoyt from their lives. When Hoyt retired from the Navy and became part of her relationship with Jake, she'd been ecstatic. But years of being apart and the jealousy and tension between Jake and Hoyt threatened everything. Too worried about ruffling feathers, Hoyt remained in the background, always watchful, and with the full knowledge that Jake and Nat had built a life together that didn't include him. In the back of Jake's mind was the constant reminder that Hoyt and Nat had been together first. But when Jake got shot, Hoyt stepped into his new position with both relief and satisfaction. When Nat had to be rushed to the hospital, worry for Nat bound them like never before, forging an unbreakable bond that gave all three of them the peace they desperately needed.

Leah Brooke is a Siren-exclusive author. What if your one-night stand is your one true love? Eve I'm not one for relationships. Yes, I have good reason. So a fling with an out-of-towner the day before I fly to Summerdale, New York, to visit my sister seems like the perfect no-strings situation. Only my sister talks me into attending a fundraiser, and there he is! Dominic the veterinarian (no last names given) lives here in Summerdale. Can I survive an entire week of sizzling chemistry and his seductive looks? My only saving grace is that neither of us is looking for a relationship, and I have to go back to LA for my job in a TV writers' room. But then the writers' union goes on strike, and my sister begs me to stay longer. And there's Dominic tempting me for more. There's no future for me here, and he's dedicated to his small-town veterinary practice. I'm not small town; he's not city. Yes, I should definitely go home. But I just can't bring myself to buy that ticket. This romantic comedy stands alone with a swoonworthy happy-ever-after! No cliffhangers.

Ward's # 1 New York Times bestselling Black Dagger Brotherhood continues as a royal bloodline is compromised by a grave threat to the throne. Long live the King... After turning his back on the throne for centuries, Wrath, son of Wrath, finally assumed his father's mantle--with the help of his beloved mate. But the crown sets heavily on his head. As the war with the Lessening Society rages on, and the threat from the Band of Bastards truly hits home, he is forced to make choices that put everything--and everyone--at risk. Beth Randall thought she knew what she was getting into when she mated the last pure blooded vampire on the planet: An easy ride was not it. But when she decides she wants a child, she's unprepared for Wrath's response--or the distance it creates between them. The question is, will true love win out... or tortured legacy take over? #1 New York Times bestselling author J.R. Ward's thrilling new novel in the Black Dagger Brotherhood series. Payne, twin sister of Vishous, is cut from the same dark, seductive cloth as her brother. Imprisoned for eons by their mother, the Scribe Virgin, she finally frees herself--only to face a devastating injury. Manuel Manello, M.D., is drafted by the Brotherhood to save her as only he can--but when the human surgeon and the vampire warrior meet, their two worlds collide in the face of their undeniable passion. With so much working against them, can love prove stronger than the birthright and the biology that separates them? Holy Enemies of Freedom lays bare the criminal conspiracy that is unleashed upon ordinary people by organized religion. The German Martin Luther was the founder of the Protestant Church. He wanted to throw the Jews out of Germany. In his time, the interactions between leaders of Jews, Christians, and Muslims fueled a march toward a religious world war. The promise of all organized Judaic religions was to eradicate false Truths and to establish a world ruler. A.J. Deus presents his astonishing discoveries from primary evidence that has never before been placed in its historical context. The insanities of all contestants led toward the total destruction of Europe and the Middle East. The Rabbinic leadership set out to forge the unlikeliest alliances to reach the grand goal of dominance, helped finance the war efforts, and promised support with troops - on all sides. This story unveils the origins of Martin Luther's as well as Adolf Hitler's anti-Semitism in frightening clarity: organized religion is nothing but organized crime. They are enemies of freedom. The oblivious disciples served as human shields for their leaders - Christians, Muslims, and ordinary Jews alike. The suffering of laymen was confirmation that the fulfillment of the promise to world leadership was near. A.J. Deus has embarked with investigative and scholarly precision to answer a simple question about anti-Semitism: Why? The prognosis in Holy Enemies of Freedom is horrific. Humanity is facing a global emergency. A next holocaust is in the making. Editor's note: this is the Student Edition without extensive reprinted primary evidence in the footnotes. A separate Source Book or an Academic Edition with the reprinted primary evidence is available. This new edition gives readers the ability and understanding necessary to create and administer a network. The book shows the reader how to physically connect computers and other devices to a network and access peripherals such as printers

over the network. This is the most comprehensive and realistic guide to Windows Server 2012 planning, design, prototyping, implementation, migration, administration, and support. Extensively updated, it contains unsurpassed independent and objective coverage of Windows Server 2012's key innovations, including improved virtualization components, enhanced security tools, new web and management resources, and Windows 8 integration. Windows Server 2012 Unleashed reflects the authors' extraordinary experience implementing Windows Server 2012 in large-scale environments since its earliest alpha releases, reaching back more than two years prior to its official launch. Microsoft MVP Rand Morimoto and his colleagues fully address every aspect of deploying and operating Windows Server 2012, including Active Directory, networking and core application services, security, migration from Windows Server 2003/2008, administration, fault tolerance, optimization, troubleshooting, and much more. Valuable for Windows professionals at all skill levels, this book will be especially indispensable for intermediate-to-advanced level professionals seeking expert, in-depth solutions. Every chapter contains tips, tricks, best practices, and lessons learned from actual deployments: practical information for using Windows Server 2012 to solve real business problems. The book that inspired the Disney Channel movie Zapped, starring Zendaya! When Annabelle returns from summer camp, her life is totally different. She's moving to a new house with her mom's new boyfriend, and that means starting sixth grade at a brand-new school.

Birchwood Middle School is very different from her old all-girls elementary-the boys practically run wild in the hallways. And at home, Annabelle's new puppy is taking over the house and chewing on her clothes. But the puppy came with a training manual, so Annabelle might be able to get one thing under control. Unless . . . can you train a boy the way you train a dog? Look for the other books in this series, *Girls Acting Catty*, and *Everybody Bugs Out!*
