It aims to pick out the key elements you need for the A2 examinations, shows how to apply them to the business context, then emphasises the need for evaluation. We are working with Cambridge Assessment International Education to gain endorsement for this forthcoming title. Build strong subject knowledge and skills and an international outlook with author guidance and in-depth coverage of the revised Cambridge International AS & A Level Business syllabus (9609) for examination from 2023. - Understand how the key concepts relate to real business contexts with numerous case studies from multinationals and businesses around the world. - Develop quantitative skills with opportunities to interpret business data throughout. - Master the vocabulary needed to critically assess organisations and their markets with key terms defined throughout. - Build confidence with opportunities to check understanding and tackle exam-style questions at the end of every chapter. This textbook has been updated to meet the requirements of A Level Business Studies students. Illustrated with photographs and images, it follows a clear and coherent structure, with key terms highlighted throughout. This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available. Student workbooks are

designed to strengthen students understanding of the different topic areas in AS and A2 business studies as they progress through their course, as well as providing them with a good set of notes for their revision. Each workbook covers two of the main topic areas common to AS/A-level business studies specifications, with a number of sections comprising: a set of notes providing an overview of a business studies subtopic; and a set of questions covering essential areas of the subtopic, designed to develop and test student skills, with space provided for written answers. Students are encouraged to consider the context of the questions in all their answers, and to show evidence of appropriate skills, such as analysis and evaluation. Answers to the questions are provided in an accompanying set of Teachers Notes. These notes offer guidance on what to expect from student responses, so where there is no objectively 'right' answer, they identify the key points. Student workbooks are available in class sets of 10 priced at £40 per set. Each set of workbooks include one FREE copy of the Teachers Notes .
