Bernie Gunther's latest move in a string of varied careers sees him working for an insurance company. It makes a kind of sense: both cops and insurance companies have a vested interest in figuring out when people are lying to them, and Bernie has a lifetime of experience to call on. Sent to Athens to investigate a claim from a fellow German for a sunken ship, Bernie takes an instant dislike to the claimant. When he discovers the ship in question once belonged to a Greek Jew deported to Auschwitz, he is convinced the sinking was no accident but an act of vengeance. And so Bernie is once again drawn inexorably back to the dark history of the Second World War, and the deportation of the Jews of Salonika - now Thessaloniki. As Europe prepares to move on to a more

united future with Germany as a partner rather than an enemy, at least one person in Greece is ready neither to forgive nor forget. And, deep down, Bernie thinks they may have a point.

During what appears to have been a routine traffic stop on a dark country Vermont road, a deputy sheriff was shot to death. From what can be seen on the cruiser's video recorder, it is believed that the killers were a couple of Boston-based drug runners pulled over by the deputy on their way from Canada to Boston." "Gunther and his Vermont Bureau of Investigation team are brought in not only to identify the killers, but to track them down, regardless of where they've run - all the way from Boston to Portsmouth, New Hampshire, to the coast of Maine."

"Meanwhile, along that very same shoreline, Alan Budney, the disaffected son of a Maine lobsterman, is a man with big ambitions - to usurp and replace the state's primary drug kingpin, a plan that will inevitably place him on a collision course with Gunther's investigation. In a case that leads him into unfamiliar territory, Gunther finds himself facing some utterly ruthless players in a lethally dangerous game."--BOOK JACKET.
