Rise and Shine – An Integrated Semester Course for Classes 1 to 5 has been designed and formulated in accordance with the guidelines of the latest National Curriculum Framework (NCF). It is a set of ten books, two for each class and one per semester. Each book includes subjects such as English, Mathematics, EVS/Science, Social Studies and General Knowledge. The key feature of the course is to make learning a joyful experience. Each book closely interweaves concepts to lay a strong foundation at the primary level. The course focuses on interactive approach to make the children active participants in the process of learning. Some of the key features of the series are : ? Based on the curriculum guidelines given by the latest National Curriculum Framework. ? Graded and matched to the number of class hours planned by the schools. ? Key concepts in each subject linked with interesting explanations; visual aids such as illustrations, photographs, diagrams, maps and tables; activities, games and real-life examples. ? Carefully graded and comprehensive exercises for true evaluation. ? Online support for © Animated lessons and interactive exercises for better understanding of the concepts learnt in the textbook. © Assignments and E-book (For Teacher's only) ? Teachers Resource Book to facilitate teaching. Feathers is an integrated semester course for classes 1 to 5 which provides a comprehensive learning experience for the young learners in their formative years. The series consists of ten semester books that use an integrated approach to learning, combining all the disciplines required at the primary level. The core subjects—English, Mathematics, and Environmental Studies are presented in an interactive way for the learners' holistic development. GOTHAM ACADEMY is back for its second semester! When you're Gotham Academy student Olive Silverlock, winter holidays can be a drag. Luckily, when a new student shows up at Gotham Academy to keep her company while the other students are away, Olive finds what could be a brand new friend...or a whole lot of trouble. And when Maps, Kyle, Colton, Pomeline and the rest of the students of Gotham's #1 prep school return for a new semester, the adventures are twice as mysterious and twice as dangerous! Collects GOTHAM ACADEMY: ANNUAL #1 and GOTHAM ACADEMY: SECOND SEMESTER #1-6. It all started when I was doing some bare-back riding with my boyfriend, Tommy, atop a rock in Middle-of-Nowhere, Nevada. In walked this wolf like he's my mom on a meth trip, staring at us and growling like he's an over-protective husband. Worse, according to Tommy, I'm growling back. Next thing I know, Tommy is halfway across the desert and I'm at an elite academy for Witches, Shifters, Vampires, and Fae looking like I was plucked out of the local trailer park. Oh wait, I was. Bloodwood Academy for the Supernatural has only one rule: Don't mingle with students outside your race. So, of course, that just so happens to be the first thing I do. How can you say no to a Fae God with golden eyes, a moody Werewolf with pack issues, and a Vampire with magic fingers. My men are not only sending everything into a whirlwind, but now my life is in danger. It turns out that if I don't go back to my single wide, some jealous females are going to rip my throat out. I need to figure out why I'm connected to all of my mates, and why the headmaster has it out for me, before I find myself ten feet under. 1. An integrated semester series for Classes 1 to 5, comprising two semester books for each class. 2. The books are mapped to the National Curriculum Framework. 3. The series focus on developing the 21st century skills of critical thinking, creativity, communication and collaboration through reading texts that are value-centric, as well as activities, exercises and projects that develop life skills along with application and analytical thinking. 4. The subjects included in Classes 1 & 2 (Semester 1 and 2) are English, Mathematics, Environmental Studies (EVS) and General Knowledge 5. The subjects included in Classes 3 to 5 (Semester 1 and 2) are English, Mathematics, Science, Social Studies and General Knowledge Rise and Shine – An Integrated Semester Course for Classes 1 to 5 has been designed and formulated in accordance with the guidelines of the latest National Curriculum Framework (NCF). Online support for Assignments, E-book, Test paper Generator. ? Teachers Resource Book to facilitate teaching. Goyal Brothers Prakashan When the element of fire burns within your veins, the academy for all things blazing is the best place to learn how to make that flame burn even stronger. Alice Blaze is my name, and I'm your typical adopted sixteen-year-old. My mom disappeared after my birth and my dad was an alcoholic maniac. That left me being raised by my protective grandparents in the single house up the hill that people only come to view on Halloween. Apparently, our house is haunted, but I haven't figured that one out yet. Regardless of my depressing backstory, my life has always been in the line of misery. Since I was little, I always got into trouble, and it always ended up with something combusting into flames. Lighting up the curtains, explosive vials in lab class. Don't get me started with the accidental school fire. Need I say more?The last straw is when I'm accused of shattered all the windows in the entire school, but that doesn't make sense because it has nothing to do with that burning nemoos called fire. With my grandparents having enough of my constant transfers, a letter of invitation lands right onto our doorstep.I'm invited to Blazing Academy, the academy for all things scorching hot. Shifters, demons, and blazing hot witches...oh right. That's apparently what I am. A blazing hot witch. Let's hope that's all I am, and that this first semester goes a lot smoother than I'm imagining. This book is syllabus book for BSc IT students who were studying in semester 1 Senior thesis process book from Montserrat College of Art 2016 My rebound wasn't supposed to be the best sex of my life. He definitely wasn't supposed to walk into class Monday morning on my first day of college. He wasn't supposed to be my teacher. He did things to my body that no man had ever done before. Things I wanted him to do again And again. And again. But the man I had in my bed two days ago was now off limits. He was my teacher. I was his student. I couldn't have him... I wanted him anyway. First Semester is a 50,000 word standalone novel and the first in The Campus Tales series. Our ICSE History & Civics and Geography Semester 1 Sample Paper MCQ Book includes 10 Sample Papers (Solved & Unsolved) for maximum 2021 Semester 1 practice with MCQs that are based on the latest paper pattern. The subjects included in Classes 3 to 5 (Semester 1 and 2) are English, Mathematics, Science, Social Studies and General Knowledge Altogether 1-5 is a semester series consisting of a total of ten books (two semester books per class). Each book is divided into segments of: English, Mathematics, Social Science (for classes 1-2), Social Studies (for classes 3-5), Environmental Studies (for classes 1-2), Science (for classes 3-5), General Knowledge and Computer Science. All the subjects have been designed to develop comprehensive understanding in learners and are essential for an interactive and participative atmosphere. A progressive vision providing graded topics in all subjects has been ensured. Claim the Life is a six-year, comprehensive spiritual formation plan for youth Sunday school. The annual themes are Journey, Word, and Faith for younger youth; Promise, Story, and Call for older youth. Each year is divided into two 16-week semesters. Each lesson begins with Tending, an intentional ritual that helps youth develop closer relationships through tending to one another and tending to God at work in their lives and the world. The planned Teaching content is focused on one word (or phrase) that is significant to the Christian faith (Commitment, Suffering, Simplicity, Blessing, Peace, Abundant Life, for example). Each lesson concludes with Sending, an intentional ritual that helps youth create SMART goals, ways in which they will practice some element of being a disciple. * The weekly pattern of Tending, Teaching, and Sending is an intentional plan for spiritual formation, learning, and discipleship. * Churches, parents, teachers, and youth will have a sense of progression and intentionality in teaching material that is important to the faith. In six years students will encounter 192 words and Scriptures. * Sunday school classes will be able to complete the annual material and still have weeks they can fill with seasonal, timely (LinC, for example), or local-interest lessons. * Youth will experience Christian community and participate in practices of the faith. * Each youth will make the lessons relevant to him- or herself through the practice of developing his or her own SMART goals (Specific, Measurable, Attainable, Revealed, and Time-Limited). *Teachers will be able to choose a lesson plan that suits them from the two provided. Claim the Life: Journey In this first year of study for younger youth, the words (topics) focus on loving God, making faithful decisions, loving others, dealing with life's difficulties, and developing Christian character—all hallmarks of the Christian journey. Semester 1 and Semester 2 have the same categories, but use different words and Scriptures. Sample words: Worship, Commitment, Temple, Forgiving, Disciple, Love, Generosity, Courage, Simplicity, Light. Claim the Life: Word In this second year of study for younger youth the focus will be on "words for life." Of all the Bible passages, these 32 Scriptures are ones youth should understand and know "by heart." In Semester 1 the words are from the Old Testament and include the Ten Commandments, the Shema, Psalm 23, and other memorable passages. Semester 2 words come from the New Testament and include the Beatitudes, the Lord's Prayer, the Great Commandment, the Fruit of the Spirit, for example. Sample words: God, Sabbath, Choose, Shepherd, Steadfast, Justice, Prayer, Good Shepherd, Believe, Abide. Claim the Life: Faith These two volumes of the third year for younger youth introduce them to the nature of faith, God, in whom we have faith, being saved by faith, living as a community of faith, living faithfully, and faith eternal. These categories are the basis of both semesters, but the words and Scriptures are different from one semester to the next. Sample words: Authority, Doubt, Trinity, Confession, Salvation, Communion, Kingdom, Lord, Second Mile, Eternal Life. Claim the Life: Promise In this first year of study for older youth, the words come from the categories of the nature of promise, God's promises, Jesus' promises, and our promises. Both semesters follow this structure, but the words and Scriptures are different for Semester 1 and Semester 2. Sample words: Belonging, Judgment, Providence, Blessing, Abundant Life, Hope, Community, Incarnation, Vow, Test. Claim the Life: Story The second year of study for older youth will be an encounter with the larger biblical story as told in the Old Testament (Semester 1) and New Testament (Semester 2). Through the telling of the stories that move along The Story, youth will put together bits and pieces of Bible stories they have learned in the past into a coherent and grand story of God's amazing love for humanity. Sample words: Creation, Sin, Grace, Deliverance, Exile, Savior, Remember, Resurrection, Church, New Jerusalem. Claim the Life: Call The third year of study for older youth challenges them to respond by who they are and what they will do with their lives. The categories are the nature of God's call, gifted and called, called to follow, and called to bring change. The categories remain the same for both semesters; the words and Scriptures are different. Sample words: Vocation, Ministry, Spiritual Gifts, Obedient, Freedom, Serve, Countercultural, Prophetic, Righteousness, God's Will. Altogether 1-5 is a semester series consisting of a total of ten books (two semester books per class). Each book is divided into segments of: English, Mathematics, Social Science (for classes 1-2), Social Studies (for classes 3-5), Environmental Studies (for classes 1-2), Science (for classes 3-5), General Knowledge and Computer Science. All the subjects have been designed to develop comprehensive understanding in learners and are essential for an interactive and participative atmosphere. A progressive vision providing graded topics in all subjects has been ensured. English For Life 1 Is A Comprehensive Coursebook For Students At The Undergraduate Level.
